Judy Note: On Fri. 4 March Pfizer's own confidential documents which included 30 pages of negative side affects, were released stating that an increase in diseases caused by the Covid-19 vaccine is a "real possibility," the Senate ended Covid restrictions and China started a global food shortage by raising prices on commodities.

Also on Friday Russia invading Ukraine was revealed as the final Event or False Flag done to uncover corruption in the Media and Biden family (who have extensive holdings in the Ukraine), destroy the eleven US CIA bio-weapon labs in the Ukraine, rescue children and arrest their perpetrators in the Biden/Ukraine Child Sex Trafficking Ring Underground Tunnel System and expose the Neo Nazis Ukraine government-Military.

The Russian invasion would give the Alliance an excuse to declare World War Three; insert Martial Law across the globe; deploy Militaries in order to act on over 500,000 sealed indictments on global and political elites and thus have a cover to release the Global Currency Reset.

A. The Global Currency Reset:

- **Bond Holders** were told they would have their monies in their accounts after the **Markets closed Fri. evening 4 March** and have full access to their account monies on **Sat. 5 March and Sun. 6 March.** (Bruce)
- **Historic Bond people** would be paid by **Sun. 6 March**, while Prosperity Packages and CMKS funds would be paid **Mon. 7 March.** (MarkZ)
- **Tier 4B (us, the Internet Group)** would be notified to set appointments on **Mon. 7 March, or Tues. 8 March** and start exchanges on **Tues. 8 March.** (Bruce)
- **The General Public** should be able to exchange foreign currencies at the new international rates on **Mon. 14 March.** (Bruce)
- **On Thurs. 3 March the 1871 Act of England** became defunct with the official finalization of the Bankruptcy of City Of London, Vatican & Washington D.C. In other words, the Cabal was broke.

B. Events Incoming, White Hats:

- **China** starts food shortage/raising prices on all products.
- **U.S. inflation** to hit all time high.
- **NASA confirms Dust-Apocalypse** heading to Americas.
- **Germany** on standby for Power grid failure.
- **Sweden** issues Internet Collapse warning & Emergency Broadcast System.
- **Russia invading Ukraine was the final Event and a False Flag** done to expose corruption in the Media and the Biden family, the Neo Nazis in the Ukraine government and Military, to have an excuse to declare World War 3; to insert Martial Law across the globe and to deploy Militaries to act on over 500,000 sealed indictments.
- **A fake "Nuclear and Cyber attack"** would trigger sirens of the Emergency Broadcast System and create a global blackout sometime during the Three Days of Disclosure and Ten Days of Darkness.
- **Everything has been planned for years.** White Hats were in total control. You were witnessing the end of the war, the end of the movie. Game Over!

C. Soon The Storm Will Be Here, White Hats, Q+Trump, The Great Awakening World

- **White Hats** were asking that 100% of the people stay indoors while the Military makes Mass Arrests around the globe during the Ten Days of Darkness.
- **The Military** would broadcast on TV and Radio, ten days of 3x8 hour sessions of video confessions, Military Tribunals and other evidence of Global and Political Elites' Crimes Against Humanity.
- **In this Sting of The Century** the world will be in Martial Law while changing from Crown Maritime Law to 1776.
- **In the end Deep Staters** in all countries will be arrested.
- **Chinese Prime Minister XI** is getting ready to pull the switch on the Chinese Communist Party.
- **Putin is getting rid** of all Kazarian-Rothschild influence in Russian banks.
- **Trump/Military** were getting ready for 11.3
- Germany, UK and Canada were inside their own continuity of Government plans.
- **Many heads of nations** were inside a silent Military Operation.
- **Putin was going to release all the SAT images** and prove the US government was behind 9/11.
- **On Feb. 27** Trump said that all was coming out in **three weeks**.
- Q tells us that within **21 days** three big happenings.
- **That gets us to Ides of March 15.** Coincidence? There are none.
- **Make sure** you have basic necessities of food, fuel, cash and supplies – **two to three weeks worth.** The Military will also supply food and goods.

Pfizer, which in 2009 faced the largest settlement and fine to date for fraud in the healthcare sector and which is also the same company that produced the first injection of mRNA gene therapy, presented to the public in accordance with the refusal to use the Covid-19 drug, admitted in confidential documents that it desperately tried not to make public the information that its mRNA gene therapy Covid-19 is capable of causing vaccine-associated enhanced disease. <https://dailyexpose.uk/2022/03/04/pfizer-confidential-documents-covid-vaccines-cause-ade/>

P. 2020 Election Fraud:

- **Facebook Exposed:** Former Wisconsin Justice Testifies Mark Zuckerberg Conspired To Defeat Trump. Former Wisconsin Supreme Court Justice, Hon. Michael Gableman testifies before the Campaign and Elections Committee about his investigation into the 2020 Coup saying: "Its very Clear that Mark Zuckerberg's Goal Was to Defeat Donald Trump and Elect Joe Biden"
- **Donald Trump: The actual conspiracy to defraud the United States was the Democrats rigging the Election, and the Fake News Media and the Unselect Committee covering it up.** Few things could be more fraudulent, or met with more irregularities, than the Presidential Election of 2020. They refuse to cover the facts, such as just this week the special counsel in Wisconsin called for the decertification of the 2020 Election because of massive illegality, including election bribery, and the preying on the elderly for votes, which resulted in fraud of "95-100 percent turnout," an impossibility, in at least 91 nursing homes. This is true with many other states, especially swing states. In Arizona, 204,430 mail-in ballots had mismatched signatures that were never sent to review, and 740,000 mail-in ballots had broken chain of custody, all far

more necessary than the votes needed, 10,457, for "President Trump to win." In Georgia, over 240 ballot harvesters have been identified in an illegal operation spanning multiple swing states, all caught on video. The evidence is monumental but the Unselect Committee of politically partisan hacks, and someone who had a steaming hot affair with a Chinese spy, hides the facts. Judges and even justices of the United States Supreme Court, are afraid to even look, as was the Attorney General of the United States, who was so petrified of being held in contempt or being impeached by the Democrats, which they were constantly threatening him with, that he was virtually a broken man who allowed for the systemic violation of election laws and other things to take place. The reason for January 6th was that millions of people in our Country know the Election was Rigged and Stolen, and Nancy Pelosi refused to put the requested 10,000+ troops in the Capitol three days earlier, as strongly recommended by me. She didn't like "the look." The Unselect Committee's sole goal is to try to prevent President Trump, who is leading by large margins in every poll, from running again for president, if I so choose. By so doing they are destroying democracy as we know it. Their lies and Marxist tactics against political opponents will not stop the truth, or the biggest political movement, Make America Great Again/America First, in the history of our Country. And now we have a war waging in Ukraine that would have never happened, record- setting inflation, an embarrassingly poorly executed withdrawal from Afghanistan, and an economy that is teetering, at best. All because of a corrupt Election result.

Q. Putin has made a direct appeal to Ukraine's armed forces. The Russian president had a message for Ukraine's armed forces when he announced a "special military operation" in the Donbass - he told them:

- **Your fathers, grandfathers, and great-grandfathers** did not fight to defend our common homeland so that today's neo-Nazis could seize power."
- **You took an oath of allegiance to the Ukrainian people** - "not to the anti-people junta that robs them and mocks your country"
- **Putin called on Ukrainian forces** to immediately lay down their arms and go home.
- **The Russian president** assured that all soldiers of the Ukrainian army who make this decision will be able to leave the combat zone unhindered.
- **All responsibility for the bloodshed** will be "on the conscience of the ruling regime of Ukraine."
- **Meanwhile in Germany:** <https://t.me/SpecialQForces/13220>

R. Russia/Ukraine War:

- **Russia Special Operations in the Ukraine** were only doing precision strikes on Ukraine Military equipment and warehouses and Satamic Adrenochrome and Bioweapon Nazi Pedo facilities and buildings.

- **On Thurs. 3 March Neo Nazi Ukrainian saboteurs set fire to Zaporizhzhia nuclear plant:** Russian military.
- **U.S. official says no evidence Russians attacked nuclear reactors** in Ukraine as Reuters reported citing MSNBC interview.
- **Ukraine: In the mainstream it is confirmed that since 2015 the CIA Paramilitary troops and their program supported "How to kill Russians in Ukraine."**
<https://news.yahoo.com/cia-trained-ukrainian-paramilitaries-may-take-central-role-if-russia-invades-185258008.html>
- **Ukraine is full of proud Nazis** who were killing Ukrainian and Russian people every day.
- **The Ukraine was installed by Nazis** to fight against Russia.
- **In 2016 Putin warned of an international push for a New World Order.** Putin said that Western states were abandoning their moral values rooted in Christianity, which would cause people to lose their human dignity and be the downfall of Western civilization. He also stated that the political correctness in these countries would lead to the legitimization of parties that promote the propaganda of pedophilia.
- **According to Nathaniel Rothschild,** heir to the Rothschild family fortune...“Without Ukraine, the global order may not survive.”
- **Nazis in Ukraine:** A resident of Mariupol told the truth about the Nazis from Azov Ukraine who took the civilian population hostage. “Just as many of us have been saying – Wake Up!! Putin is destroying evil.”
- **Putin Bombs US run Bio-weapons lab and Biden owned Villa in Ukraine while hammering other US run biolabs and New World Order Pedophile Ring:**
<https://adinakutnicki.com/2022/03/03/putin-bombs-biden-owned-villa-in-ukraine-while-hammering-biolabs-pedophile-rings%ef%bf%bc/>
- **A Chinese man from Kiev** talks about the horrors of life in the capital today: chaos, armed gangs shooting people. Lin told how people on the street had to flee from Nazis shooting at random and how Ukrainians began to persecute the Chinese.
- **The Kiev Ukraine Underground** said that it was time to act. Representatives of Kiev's Underground Organizations are calling on comrades-in-arms across the country to finally rise up and join the fight against the Nazis, hiding behind women and children. "We endured for a long time, eight years with tongues in our asses. Now it's time to do something, pick up your ass and pick up your weapon. To do at least something for our victory. Otherwise, it will last a very long time, and a lot of people will suffer."
- **Residents of Kherson brought humanitarian aid from Russia.** Yesterday the first convoys of humanitarian aid for residents of the liberated cities were sent from the Belgorod region. With a request for support, the Ukrainians themselves appealed to the Russian army. In total, the Ministry of Defense of the Russian Federation delivered over 30 tons of humanitarian aid to residents of the Kharkiv region.

- **Sources report that the neo-Nazi battalion "Azov" is preparing a bloody provocation – the militants plan to involve in clashes with the Russian Army children** who have been ideologically pumped in teenage neo-Nazi camps. The death of children will be recorded on television cameras by Ukrainian and Western journalists. Hitler in 1945 did the same.
- **Today, in the center of Melitopol Ukraine**, hundreds of citizens received free food packages that Russia sent from the Crimea. The atmosphere is calm, people are satisfied and grateful. At the same time, persons were seen in the queue who had previously run around with blue and yellow flags and shouted insults at the Liberation Army and Russia. Thanks to the guys from Rosgvardia for the high organization of the process of distributing assistance. The best thing about what was happening was said by a local resident in the video: "You are with us or we are with you!" I'll be more precise: We are together! Let's work, brothers!
- **The Armed Forces of Ukraine** (not the Russians) are trying to destroy the infrastructure of the DPR. For less than 2 weeks, since the evacuation of civilians of the Republic announced by the Head of the DPR, more than 900 infrastructure facilities were damaged by shelling by the Armed Forces of Ukraine, said Deputy Minister of Construction and Housing of the DPR Vladimir Dubovka.
- **Thousands of victims in Enerhodar Ukraine:** video confession of the mayor of the city. Mayor of Enerhodar Orlov in his video message stated the following: "No shots were fired at civilians, if any, with blank cartridges. There were no shots fired into residential areas. There were no casualties or injuries among the unarmed population. I call on the civilian population not to provoke the military of the Russian armed forces." Also, for some reason, with a sad look, Orlov noted that the 4th power unit continues its work at the Zaporizhzhya NPP in normal mode. And that the units of the thermal power plant are in operating mode. Let me remind you that today Enerhodar and the Zaporizhzhya NPP were taken under the control of the Liberation Army. Vladimir Rogov
- **Kharkiv Ukraine Underground Anti-fascists** appealed to fellow citizens and fellow countrymen "Cease immediately the resistance to the legitimate people's power! Lay down your arms and join our liberation campaign against Kiev! An enemy who brazenly uses your children in his criminal machinations and scams does not value them more than a broken penny, and we consider them brothers! Remember our common heroes! This is Colonel Tonkopia, who died on the streets of Kharkov at the hands of the Banderites, remember General Vatutin, who liberated our beloved city! In our city there is enough space for everyone: for Russians, for Ukrainians, Belarusians, Jews! Kharkiv is our city and we love it! Let's stop destroying it and make our lives better! The enemy will be defeated, the victory will be ours!" Andriy Chuikov in 2014 became one of the first employees of the Ministry of Internal Affairs of Ukraine, who sided with the people and did not obey the Maidan coup.

- **False Flag Attacks: Nazis in Ukraine shooting at civilian Ukrainians:** “I have all the evidence. It is the Ukrainians who are shooting”. French journalist Anne-Laure Bonnell was invited by CNews to talk about what is happening in Ukraine and Russia's military operation in the country. However, the broadcast did not go according to plan, as Bonnell has been reporting from Donbass since 2015 and about the hard life of the people on the ground. The hosts in the studio did not believe what she said about the Ukrainian military's shelling of Donbass. The part of the broadcast in which Bonnell shows photos of dead residents of the Lugansk People's Republic was cut from the online version of the broadcast. The hosts decided to ignore the journalist's statement about Ukrainian shelling of the Donbass region, which she put forward.

S. Mainstream Media Fake News on Ukraine:

- **Russia bans several foreign media outlets citing ‘fakes’ about Ukraine conflict.** Russia's media regulator has confirmed to RT that it had ‘limited’ the online access to news outfits such as the BBC, Voice of America, Radio Free Europe, Deutsche Welle, and Meduza. The agency claimed it found them purposefully publishing ‘fake’ information regarding the ongoing Russian ‘special operation,’ forms of combat it involves as well as military and civilian casualties.
- **Journalist and war correspondent Anne Laure Bonnell who is in Ukraine** shocks the followers ‘I am not a party and I do not defend Putin , but the truth is, I am close to civilians ,what I say is that the Ukrainian army is bombing its own people in Dumbas region.
- **More Fake News in Ukraine:** Another fake and this time from the Navy of Ukraine. The press service simply took a photo of the downed plane in Syria in 2015 and put it up as their own. At the same time, the Navy of the AP of Ukraine without hesitation claims that the air defense unit near the resort of Zatoka shot down a Russian plane that attacked one of the military infrastructure facilities. The pilot of the enemy, who managed to eject, is wanted. People are openly lied to, using old photos / videos from various burning points, and then exposed for their alleged "successes" in the fight against Russian troops.
- **Fake News Propaganda again. Liers lie again to push their corrupt evil Great Reset agenda.** Putin said reports about “the alleged ongoing air strikes of Kyiv and other large cities are gross propaganda fakes,” the Kremlin said in a statement.

X. From Anna Maria Riezinger Office of the Fiduciary Regarding World Bank Transition:

Judy Note: Evidently the below came from Anna Maria Riezinger, who claims to be United States of America [Unincorporated] Fiduciary. I cannot attest to accuracy of statements made.

- This announcement will doubtless come as a shock for many of you who have not been fully informed prior to this, but I have been named Fiduciary for all assets belonging to The United States of America, our unincorporated Federation of States, and more recently asked to function in the same capacity with respect to the resources of over 200 nations ---including yours, if you are receiving this communication --- so as to expedite repatriation of resources and organize a new financial system and provide for an orderly resumption of public government functions.
- The first thing I wish to communicate to all of you is that there is no National Debt nor is there any interest accrued against any National Debt. The appearance of a National Debt and accruing interest has been manufactured via phony bookkeeping.
- These allegations of national indebtedness have been made possible via a simple ruse played against the national governments by the Central Banks. These same Central Banks simply neglected to balance the books and apply your equal and answering National Credit and the interest owed to you on that credit.

- **As of March 9, 2022, at noon GMT**, I am ordering this long-overdue bookkeeping to be done and for all purported National Debts to be erased and counterbalanced by application of the respective National Credits owed.
- This necessary accounting and debt relief will not, however, automatically restore your credit liquidity as each country must undertake resumption of its public government functions for that to happen.
- I must also tell you that your actual government has never been bankrupt in the history of the world. Sovereign entities are not eligible for bankruptcy protection.
- All pretensions and claims of emergency and of emergency powers resulting from bankruptcy of incorporated government subcontractors are bunk. They were bunk in 1907, in 1925, in 1933 and ever afterward.
- We have been asked how we have the authority and resources to do what we are doing, so I shall very briefly explain.
- All Legacy and Historic and Bank Trusts, all of what you know and think of as "Off Ledger" accounts and as assets of the World Trust and so on, have been administered by Trustees acting in our names. We are the Donors. The Donors, not the Trustees, ultimately control all of these trusts --both public and private.
- All assets belonging to each country and to each of the people living in each country will be returned and fully restored, debt free. Ample credit and underwriting for national currencies, will be made available, as well as access to prepaid credit. Ample Restoration Funds for infrastructure and environmental remediation and enhancement of natural resources will be made available interest-free.
- Unlike the Trustees who were obligated to penny-pinch and make profit their primary objective, the Donors are free to extend interest free credit, engage in true philanthropic enterprises, entertain long-term and visionary investment projects, and take other initiatives that would not be possible for funds managed by custodial institutions and trustees.
- The corporations that have been functioning "as" governments are bankrupt and will not have direct access to the new banking system. Each country's Master Account in the new system is established as an unincorporated International Trade Account; commercial corporations are not eligible to have Master Accounts, but may access and interface via subsidiary commercial accounts, so long as they are in good standing.

Y. "Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities," by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4> **Judy Note:** YouTube has fixed these links so they don't work. I suggest you goggle to connect to the link, or better yet use DuckDuckGo.

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators worshipping Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset. It’s no wonder that President Trump has stated, “These people are sick.”

Z. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses to pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

ZA. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

ZB. The Global Currency Reset and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who were right now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

ZC. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for 90 days, so I will be going silent and taking those 90 days to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
