Judy Note: On **Sat. 5 March** as the Global Currency Reset redemption process began, the five BRICS nations that began the reset back in **2018** when the Cabal went bankrupt, were in the process of making gold mining deals with various nations.

UK Scientists revealed that Graphene Particles were in the Covid Vaccines, while data Pfizer was court ordered to release showed a 3% mortality rate for the vaccines, which was 12 times the Covid death rate. As protests against vaccine mandates continued in Canada and France and a day after Congress passed a no mandate bill, a 60 mile long US Freedom Convoy began arriving

in a complete ghost town of a Washington DC with empty streets, no lights on, government agencies closed for business and a wall around the White House.

According to Putin almost all of Ukraine's military infrastructure has been destroyed and elimination of air defenses was almost complete, while Russian soldiers handed out food to the Ukrainian people.

Speaking of food, sanctions against Russia resulted in Putin banning the export of fertilizers, while Hungary, one of the richest grain countries in Europe, announced that it would ban all grain exports – thereby creating an international food crisis.

A. Global Currency Reset:

- **Both MarkZ and an unconfirmed report supposedly from Charlie Ward** have confirmed that the redemption of Financial Instruments has begun.
- **Mark Z: Late Sun. night 6 March, or very early Mon. morning 7 March** the new financial system would begin with Church groups, SKRs, Bond money, CMKX, PPs and Adjudicated Settlements starting to process.
- **Charlie Ward Show with Michael Rubins:** The below intel came from two gold brokers in Portugal, one of whom holds a significant amount of the biggest Dragon Note contracts in the world. They both talk to Michael Rubins on a daily basis. **(Judy Note:** The below was sent to me, but I could not find a video link. I have yet to confirm with Charlie Ward that this came from him)
- **Sat. 5 March:** The redemption of Financial Instruments Has Begun. The global launch of funds has just taken place in all parts of the world, marking the start of the global asset redemption program.
- Wells Fargo Bank has received the Federal Reserve Codes for Republic accessibility to funds.
- The world now expects China to announce its gold holdings in Beijing sometime after **12:01 am CST (midnight EDT) Sun. morning 5 March.**
- This law will give the Chinese Yuan full access to the IMF's basket of global reserve currencies, known as SDRs (Special Drawing Rights), replacing the USD as the most influential global currency in the world.
- This subtle press release will automatically invoke the gold standard embodied in the UN Paris Agreement (because it is expected to be ratified simultaneously) and initiate our final disclosure protocols for the global currency redefinition / Republic currency revaluation of the USN.
- **At 2:00 am EDT Sun. 6 March** all Reno subgroup leaders are expected to have 100% access to their newly renewed USN accounts for immediate payout. This includes the Admiral's Group.
- Wells Fargo and Abbot Downing were informed that sometime later would be an 800# release authorization, which initiates their off-site location of 7,000 privately traded exchanges (PNEs).
- Chosen Ones (COs) were expected to start showing up for appointments anytime at or after 3:00 am **EDT Sun. 6 March.**

- CO refunds will last at least 6.2 days and maybe longer (book your timeslots ASAP).
- Yes, ZIM's rates are really as high as expected.
- On **Sun. 6 March** they will focus on down-streaming for payers, including Tier 4B.
- The Department of Defense has mandated that the Tier 4B security codes be completed by **Thurs. 10 March**.
- **Sat. morning 5 March MarkZ: Late last night Fri. 4 March** two different large church groups heard that as of **late Sun. night 6 March, or very early Mon. morning 7 March** they will start processing SKR's. This means Bond money would also move **Sun. night 6 March or early Mon. morning 7 March**. CMKX, PP's, and Adjudicated Settlements also expected to start about the 6th and 7th. The new financial system would be starting **March 6th or 7th**.

C. Global Food, Fuel and Goods Crises:

- **"Food crisis is inevitable:** Hungary immediately imposes a ban on grain exports. Those who have it no longer give it away, and those who don't will soon find themselves in the middle of an epic food crisis. Just a few hours after Russia effectively banned the export of fertilizers, Hungary, one of the richest grain countries in Europe, saddled the wagons and, realizing which way the wind was blowing, announced that it would ban all grain exports with immediate effect." <https://www.zerohedge.com/commodities/russia-recommends-fertilizer-makers-halt-all-exports>

D. Protests Against Vaccine Mandates and US Freedom Truckers:

- **France:** A protest against the vaccine passport is ongoing in Paris. One journalist has been injured by a riot police's truncheon blow.
- **France:** Paris - Anti Macron protests against exploding inflation and Covid restrictions/health pass.
- **Canada:** Some freedom protesters have returned to Ottawa. Here they are forming a "human chain" in front of Parliament in support of convoy organizers that are still in jail. We need everyone there.

- **Canada:** The Fight for a Free and Just Society Is Not Over in Lévis, Quebec, Canada.
- **Convoy Of Truckers Arrive At Final Staging Area Before Push To D.C. Region.** At least 1,000 'Freedom Convoy' vehicles converged at a speedway in Hagerstown, Maryland. <https://www.zerohedge.com/political/watch-live-convoy-truckers-arrives-final-staging-area-washington-dc>

<https://www.youtube.com/watch?v=hHxk1Mg5n7I>
- **Convoy to arrive to an empty DC:** D.C. has been, and remains a complete ghost town. No lights on, empty streets and a wall around the White House. Our government agencies are closed for business and not operating.
- **Senate votes to end Covid 19 Emergency Declaration the day before US Truckers for Freedom arrive in Washington DC:** <https://usafirstreporting.com/huge-senate-votes-to-end-covid-19-emergency-declaration/>

F. The Cabal's DUMBS and Underground Tunnels used for international Child Sex Trafficking, Adrenochrome Production and drug, gun runing:

- **Australia:** Strange things at Pine Gap! Pine Gap is linked by a 1400 mile long tunnel to North West Cape (Submarine Station) and Submarines refuel at Pine Gap. The facility has up to 9 underground levels The facility has an escape tunnel for the workers to evacuate in the event of nuclear attack The facility is built to withstand 3 simultaneous nuclear weapon strikes It is the number one nuclear target in Australia. What exactly is Pine Gap? As strange as it may seem, even Australian Federal Parliament members do not know. Among the Cabinet members, only a small number of 'initiates' have a vague idea of what this is all about. <https://amp.smh.com.au/national/revealed-the-room-inside-pine-gap-no-australian-could-enter-bar-one-20180425-p4zbhb.html>
- **Australia:** So just after April last yr Melbourne went into its first major lockdown. Those same white tents were put up that they had in New York City at the same time as Comfort & Mercy were there. There were people driving at night taking videos of the explosions/

booms they were hearing (Tunnels getting hit with Tesla Rods Of God). They discovered a 1500km tunnel system used for trafficking. Australia has major DUMBS aka Deep Underground Military Bases that Intelligence Operatives use for Trafficking. A Victorian MP shared the truth on her Instagram. She showed an entry to one of the tunnels and said something else is really going on.

H. The Real News for Sat. 5 March 2022:

- **Q+Trump Great Awakening World:** “Wait a min... Biden is an actor with facemask and the current Ukranian president Volodymyr Zelenskyy, is also an actor and took the oath of office on **20 May 2019**. It can't be just another coincidence. It's all planned. This means the White Hats were in control of both countries and cleaning the Swamp. Remember Q said: for a good movie it needs good actors. This is it. Deep-States got played in their own game. Trust the Plan.”
- **Central U.S. should prepare for devastating earthquake**, experts warn. Despite 45 million people living within the danger zone, warnings have largely been ignored, said Robbie Myers, the emergency management expert from the region.

- **YET ANOTHER French journalist** states that the Ukrainian Government is bombing its own citizens.
- **Russian soldiers distribute food to the Ukrainian population.** This is what they do not want you to know.
- **CNN pulls out of Russia after Putin signs Misinformation Law.** They are completely incapable of telling the Truth.

- **In 2016**, Putin warned of an international push for a New World Order that would end national sovereignty. Putin said that Western states were abandoning their moral values, that are rooted in Christianity,
- **So Putin wants to create a list of countries which sanctioned Russia.** It's easier to make a list of which countries haven't declared sanctions: China, India, Brazil, Mexico, Turkey, Serbia, Pakistan, Kazakhstan, Uzbekistan, Kyrgyzstan, Tajikistan, Argentina, Venezuela, United Arab Emirates, Israel, South Africa, Egypt, Saudi Arabia, Indonesia, Syria, Cuba, Nicaragua, Bolivia, Iran, Algeria, Eritrea, North Korea, Mali, Central African Republic, Ethiopia, Angola, Burundi, Panama
- **There were 54 versions of written history of the Bible** found in a 150 mile long tunnel beneath the Vatican. Those Bibles were now being prepared for publication. The corruption of the Vatican and false interpretation of the Bible would soon be revealed. The Vatican Bible was edited from start to end and misinterpreted to emphasize Lucifer's philosophy of seeking power over others through fear instead of the truthfulness of the Gospel of Christ: We can gain happiness and true joy by loving ourselves and others.

I. What's Happening in Ukraine, Anon: <https://t.me/worldawakeningdraft/461>

1. **The Ukrainian army was decisively defeated** within the first 48 hours after the start of the Russian operation. It is no longer functioning. Most of the soldiers deserted. Ukraine is actually demilitarized. That's why Zelensky is calling for foreign fighters. That's why he also forces civilians (including young people) to take up arms and fight. Why would he do that if he still has a normal army?

2. **All that remains are scattered groups of soldiers** still loyal to Zelensky, and what remains of the Azov battalion. They are trying to wage a guerrilla war like the remnants of Saddam's army, but without much success. They just lose people, they are driven from one area to another.

3. **With the exception of a few skirmishes, in fact, the fighting is very weak.** Do you think I'm talking nonsense? Remember the recent wars in Afghanistan, Iraq and so on. The media constantly showed us videos of shootings where machine-gun fire could be heard between two opposing forces. But there are no such videos in the Russian-Ukrainian conflict. Why? If Ukrainians are fighting Russians on the streets and killing thousands of them, where is the video about it?

4. **Most of the videos with broken tanks are forged for pro-Ukrainian propaganda.** Either these are old videos taken in 2014 or they are fakes. Propagandists choose a video with a tank and digitally add the letter Z. Or they draw a Z on one of their own broken tanks. Despite the fact that Russian equipment was indeed destroyed, its number is not as large as it is claimed. Ukrainians caused the greatest damage to Russian equipment in the first days of the conflict.

5. **Although some Russians were captured by Ukrainians, the vast majority of captured soldiers shown by pro-Ukrainian media are fake.** These are Ukrainians in a uniform similar to the one worn by Russians.

6. **All that is happening is that the Russians are blowing up Ukrainian military buildings one by one as part of their demilitarization plan.** From time to time they fight off a small detachment of Ukrainian fighters. But there is no real "war", as the media wants to present it to you.

7. **NATO is not helping Ukraine because there is no Ukrainian army left that they could strengthen or support.** It's over. That's why they just impose sanctions against Russia. They have lost Ukraine and they know it.

8. **If you still doubt this, then remember the huge column of Russian cars 3 miles long near Kiev.** It's been four days and she's still there. The Ukrainian army did not touch her, because the Ukrainian army no longer exists."

M. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4> **Judy Note:** YouTube has fixed these links so they don’t work. I suggest you goggle to connect to the link, or better yet use DuckDuckGo.

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators worshipping Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset. It’s no wonder that President Trump has stated, “These people are sick.”

N. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses to pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

O. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

P. The Global Currency Reset and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who were right now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Q. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for 90 days, so I will be going silent and taking those 90 days to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
