Worldwide Bio Weapon Alert!!!

Russia, and China—who plan to invade Taiwan to take down BioLabs in Taipei —are going up against the Khazarian Mafia ('Globalists') and are trying to stop the release of smallpox and any other weaponized viruses that the US funded Biolabs produce.

On Fri. 11 March at 11 am EST Russia will present to the UN Security Council, the US funded and run Bio-weapons Labs in Ukraine, plus will discuss the Cabal plans to wipe out 70% of population this **Fall of 2022.**

A presentation that will likely result in a UN order for arrests and International Military Tribunals against Obama, the Bidens and other Global and Political Elites.

Judy Note: On Fri. 11 March Russia, China, India, Indonesia, Iraq, Kuwait and US currencies go gold-backed.

- **On Fri. 11 March at 11 am EST** Russia presents the presence of US funded Bio-Weapons Labs in Ukraine to the UN Security Council – along with Cabal plans to wipe out 70% of population **this Fall of 2022.**
- **There was no war going on with the Ukraine,** it's just Russia going up against a lot of locations controlled by the Khazarian Mafia. Russia and China were going after the bio labs. Soon Xi will go after the bio labs in Taiwan (Taipei). The Khazarian Mafia put the bio labs in civilian areas.
- **Putin stated that** "One of the goals of the American biological laboratories in Ukraine was to create bio-agents that can be directed against specific ethnic groups such as Russians.”
- **Obama led efforts to build the 30 Ukraine Bio-Weapons Labs and during his presidency set up over 300 Bio-Weapons Labs across the globe.**
- **Hunter Biden's** firm Rosemont Seneca provided capital for the firms behind the creation of the Bio-Weapons Labs in Ukraine.
- **The Bad News: Rogue Obama Has Hidden Deep State Nukes.**

. Global Currency Reset:

- Russia, China, India, Indonesia, Iraq, Kuwait and the US were the top gold holders and would go to gold backed currency on **Fri. 11 March**.
- Tiers 1, 2, 3 bond holders were to be made liquid with bonds paid out **Thurs. night 10 March**, or after markets closed on **Fri. 11 March**.
- **Bruce:** An executive from the lead bank Wells Fargo said Tier 4B (us, the Internet Group) notifications would come out **Mon. 14 March**, with appointments starting on **Ides of March Tues. 15 March**.

- **COVID-19 Vaccines May Be Enhancing Disease, Dr. Robert Malone:** <https://newsyoucantrust.me/3JfQ1AU>
- **Emergency Alert Breaking Now:** Putin just made the statement to his Military Leaders, “**Friday evening** will be beautiful for the whole world. We have started down a road of no return.” On **Fri. 11 March** they are cutting their internet connection to the world. When this goes public many will freak if they are paying attention. All US agencies were guessing a mass hypersonic weapons attack, or a massive cyber hit on the US and UK at the same time. Be prepared by **noon Friday (8 pm Moscow time)**. I’m giving you the info as it was just sent to me from an agent in Tel Aviv. Take it for what it’s worth. Posted @0012 hours **3-10-22**. <https://youtu.be/3X9wuywv1wQ>

- **Some documents the Russia Army found in Ukraine were about the systematic interaction of Ukrainian scientific centers with the US State Department, the US Embassy in Ukraine and the Friedrich Lofleur Institute in Germany.** At the same time, the work of bio-laboratories was as a rule, confidential and closed. There official correspondence instructing employees to keep secret information about ongoing research.

. Khazarian Mafia & Ukraine Conflict, Webbot's Clif High

- **Russia, and China—who will invade Taiwan to take down BioLabs in Taipei** —are going up against the Khazarian Mafia ('Globalists') and are trying to stop the release of smallpox and any other weaponized viruses that these Biolabs produce.

- **Russia uses the first day of spring, the 1st of March**, to start certain actions and wouldn't normally do much before that. (i.e. only skirmishes before the 1st of March if it's a conflict).
- **Russia is great** with agriculture and supplying food.
- **In 1917 the Khazarian mafia left Ukraine**, went to Russia, took over the Russian revolution and destroyed the food system, killing about 14 million as a result because of starvation. (That's twice the number of deaths caused by Hitler)
- **Khazarians have been masters** at taking people's identities and then causing havoc in other countries. [Reminds me of what Reptilians get up to...]
- **There is no war going on with the Ukraine**, Clif states, it's just Russia going up against a lot of locations controlled by the Khazarian Mafia. Khazarian's have stolen a whole lot of names, inserted themselves into spots all over the planet as a hidden control mechanism.
- **Khazarians are nomadic people** descended from the Mongols, interbred and had a particular phenotype. They identified as Jews but they were not descendants. With their understanding of Judaism, they devised a scheme to spread a particular understanding through not only Judaism, but also Christianity, and have altered history and philosophy viewpoints to protect themselves.
- **In Clif's opinion, Judaism was taken over by the Khazarian**. They basically modified the source code. Clif's read as much as he could of the Talmud (63 volumes), the central text of Rabbinic Judaism and primary source of their religious law and theology. He says it contains ritual paedophilia — codified.
- **Clif thinks of the Talmud** as a meta-layer of the code base and is required to read and understand the Jewish bible. (Read the Jewish bible through the lens of the Talmud.) From doing so, you can then understand a larger layer of what's going on. He states there's a lot of dark stuff in here so it's not the best experience.
- **The Zohar, a foundational work of literature**, has to be used as a lens to move and magnify the Talmud, so you can read the underlining stuff with understanding. From doing this, Clif can see that they are talking entirely of space aliens.
- **"Everything you see is not what's being portrayed in the West**. Putin is not invading the Ukraine. This is an incursion. They are going after the bio labs. Soon Xi will go after the bio labs in Taiwan (Taipei). Khazarian Mafia put the bio labs in civilian areas."
- **Russia knows the Khazarians released COVID-19**, Xi know (CCP co-operated) and has his own deep state issues. He advises the Ukrainian military to stand down because Russia is only coming to help, and they are all doing this to stop the release of the small pox which Bill Gates has discussed.
- **So this has nothing to do with the Jews**. The Khazarians Mafia have created a mind-set for people to hate Jews (on purpose). The vampirism back in the 1700-1800s of blood sucking vampire Jews was just something the Khazarian Mafia did to make people hate Jews.

- **Putin will take out 13 bio labs**, paid for by USA big pharma and DOD. This is great as it has a massive financial impact on big pharma/deep state/globalists. Putin will then leave the Ukraine, have a nice talk with the Ukraine Government and Putin will go away. A similar situation will occur in Taiwan by Xi and this will be a knife in the guts to the Khazarians Mafia and the globalists.
- **Who else is a Khazarian? Klaus Schwab, the Rothchilds and the Bauer family.** Clif points out they are everywhere, all over the globe, but there's not many in Africa. "They are evil, probably the most evil thing on the planet," he says. "This is Armageddon in the Christian sense... this is a glorious time to be alive." Armageddon = the opening up of secrets on a massive level.
- **This situation will go on for a long time.** Clif thinks it will be 18 years, peaking over 2023-2025. There won't be nukes. A burst of information will come out over the next year, vastly altering the information landscape with more to come out in 23-25 to backfill what comes out beforehand. All of this helps to rebuild humanity and earth.
- **Clif's not worried about nukes**, he's worried about civilians not having power, food, transportation, water, etc.

- The Golden Gates to the GCR would be flung open **this weekend.**
- **On Fri. 11 March** Russia, China India were divulging to the US Treasury their total amount of gold holdings.
- Russia, China, India, Indonesia, Iraq, Kuwait and the US were the top gold holders and would go to gold backed currency on **Fri. 11 March.**
- Tiers 1, 2, 3 bond holders were to be made liquid with bonds paid out **Thurs. night 10 March**, or after markets closed on **Fri. 11 March.**
- The new USN would be available on **Sun.13 March.**
- A lead bank said Tier 4B (us, the Internet Group) notifications would come out **Mon. 14 March**, with appointments starting on **Ides of March Tues. 15 March.**
- **March 15 Ides of March** would be when the beginning of NESARA was enacted.
- The Bio-Weapon labs found by the Russian Army in Ukraine were producing viruses that the Cabal planned would wipe out 70% of population **this Fall.**

. **Russia's discovery of 30 Bio-weapons Labs in Ukraine funded by US Inc. likely to result in International Military Tribunal:**

- **The Deep State doesn't control the US military.** Therefore Biden doesn't control the military.

- **If he did, and Russia found the biological weapons he and his deep state buddies were making at these black site laboratories,** Biden would be sending the military in to protect his assets. But instead, Biden told Ukraine they were on their own, against RUSSIA and offered to send jets to Poland for them to use, but wouldn't fly our own jets over there.
- **The US Military are absolutely livid.** Outsourced labs using DoD funding, given by corrupt politicians, paid contractors to create bioweapons. CONTRACTORS. Not the US Military.
- **These nefarious Deep State activities not only killed countless civilians worldwide,** but now both China and Russia, the two next most powerful nuclear and military capabilities on the planet, are accusing us of creating bioweapons, could push us into WW3 via CV-19, and a potential nuclear fallout.
- **The US Military are staying neutral,** because they want Russia to find and expose the truth. If we did it ourselves, it would be considered a "military coup", the media would spin us into a civil war and mass uprising.
- **With Russia conducting the operation and presenting the information to the UN,** the US Military can step in, say they had no idea this was going on with their funding, and agree to hold everyone accountable who is responsible – aka International Military Tribunals.
- **For breaching the International Biological Weapons Treaty of 1975** they will also discover that CV-19 was created by US NIH funding and the establishment were responsible for releasing it, as well as breaching the Nuremberg Code for their human experimentation with the vaccines.
- **"Military is the only way".** Didn't specify which military. What if its many nation's militaries? And the tribunals could very well NOT include our military, since factions within our country are responsible for the crimes.
- **Russia states that "one of the goals of the American biological laboratories in Ukraine was to create bio-agents that can be directed against certain ethnic groups."** This happened after it became known that the United States was collecting Slavic DNA in Ukraine. Currently, there are reports that the Russian Federation is also making claims to the United States about biological laboratories in Georgia. The information has not yet been confirmed. <https://t.me/WorldawakeningTrueNews>

. Hunter Biden's firm Rosemont Seneca has provided capital for the firms behind the creation of biolabs in Ukraine

- On Tuesday, we learned from the US State Department that there are US biolabs in Ukraine. Then on Wednesday, the Biden regime backed down and said that there are no biolabs funded by the United States in Ukraine.

- Why are there such confusing messages from the Biden administration? Especially when there are documents proving that the United States funded several biological laboratories that they created in Ukraine to study potentially dangerous pathogens.
- Perhaps this is due to the fact that Hunter Biden's firm Rosemont Seneca financed the firms involved in the construction of these laboratories in Ukraine, and they felt that this was not something they would like Americans to know about.
- InfoWars has prepared an excellent article about the links between Hunter Biden and the company "Metabiota", which was engaged in the creation of biolabs in Ukraine.
- Experts have determined that Rosemont Seneca provided capital (invested in) Metabiota, as indicated on the firm's website back in 2014. It is listed as "Our Team's Investment" on the Rosemont Seneca webpage.
- A number of documents from the Wayback Machine were also found (that is, they were deleted from the Internet), which show that the Ministry of Defense is investing in the creation of biolabs in Ukraine with the help of Black & Veatch.
- Simply put, today we have confirmation that there were biolabs in Ukraine and Hunter Biden's firm Rosemont Seneca invested in the firms that built these laboratories.

. **Pentagon Biolaboratories - Investigative Documentary:** https://youtu.be/_8hQi2Zv1L0

- **Pentagon biolabs. GILEAD/US Biological Experiments** on Allied Soldiers in Ukraine and Georgia: 2018 Documentary
- **The US Embassy to Tbilisi is involved in the trafficking** of frozen human blood and pathogens as diplomatic cargo for a secret military program.
- **Very similar to what NIH/Dr. Fauci** did with children in orphanages in New York.
- **"The Pentagon conducted lethal biological experiments on 4,400 soldiers** in Ukraine and 1,000 soldiers in Georgia. According to leaked documents, all volunteer deaths must be reported within 24 hours in Ukraine and 48 hours in Georgia.
- **Both countries are considered the most loyal partners of the United States** in the region, and a number of Pentagon programs are being implemented on their territory. One of them is the \$2.5 billion Defense Threat Reduction Agency (DTRA) biological interaction program, which includes research on biological agents, deadly viruses and antibiotic-resistant bacteria studied in the local population.
- **The soldiers' blood samples were stored** and further tested at the Lugar Center, a \$180 million facility funded by the Pentagon, in the Georgian capital Tbilisi.
- **The Lugar Center has become infamous** in recent years due to controversial activities, laboratory incidents and scandals surrounding the program of the American pharmaceutical giant GILEAD to combat hepatitis C in Georgia, which led to at least 248 patient deaths. The cause of death in most cases was listed as unknown, internal documents show.

- **The Georgian GG-21 project was funded by DTRA and carried out by American military scientists from a special unit of the US Army**, codenamed USAMRU-G, working at the Lugar Center. They received diplomatic immunity in Georgia to investigate bacteria, viruses and toxins without being diplomats. This unit is subordinate to the Walter Reed Army Research Institute (WRAIR).
- **Documents obtained from the US Register of Federal Contracts** show that USAMRU-G is expanding its activities to other US allies in the region and "creating expeditionary capabilities" in Georgia, Ukraine, Bulgaria, Romania, Poland, Latvia and other places. The next USAMRU-G project, which includes biological tests on soldiers, is due to begin in March this year at the Bulgarian military hospital in Sofia.
- **According to information** obtained from the register of US federal contracts, DTRA has allocated \$80 million for biological research in Ukraine as of July 30, 2020. The program is handled by the American company Black & Veatch Special Projects Corp.
- **Another DTRA contractor** operating in Ukraine is CH2M Hill. The American company has received a contract for \$22.8 million (2020-2023) for the reconstruction and equipping of two biological laboratories: the State Research Institute of Laboratory Diagnostics and Veterinary and Sanitary Expertise (Kiev ILD) and the Regional Diagnostic Laboratory of the State Service of Ukraine for Food Safety and Consumer Protection (Odessa RDL)."
- **The host of the Human Events Daily podcast, Jack Posobiec**, studied the narratives and the "information war" being waged around biological laboratories in Ukraine: <https://thepostmillennial.com/jack-posobiec-digs-into-the-information-war-about-ukrainian-biolabs> <https://rumble.com/vwykv2-the-ari-hoffman-show-3922-gas-prices-are-higher-than-hunter-biden.html> <https://thepostmillennial.com/jack-posobiec-digs-into-the-information-war-about-ukrainian-biolabs>

. **Global Food, Fuel and Goods shortages:**

- My husband's electronics manufacturing company just sent out an email that they are having delivery issues because Ukraine supplies almost HALF the world's neon used in microprocessor production. So all electronics in the supply chain are going to be slooooooow moving.

. **Global Financial Crisis:**

- **US inflation rose to 7.9% in February**, reaching a 40-year high, which is more than expected and is probably just a harbinger of even more price increases.

. **The Real News for Fri. 11 March 2022:**

- **DTRA documents on Ukrainian bio-research projects have been uploaded to the website of the US Embassy.** <https://ua.usembassy.gov/embassy/kyiv/sections-offices/defense-threat-reduction-office/biological-threat-reduction-program/>

- **Journalist Tommy Robinson:** "While the mainstream media are trying to correct their theses after people on the internet exposed their fake fact checkers, we are now learning about the difference between a "biological weapons object" and a "biological research object." Thank you for letting us know the difference, mainstream media. By the way, Covid-19 was obtained from the "center for biological Research".
- **Four years ago, a journalist was kicked out of the European Parliament** for accusing the US Deputy Minister of Health and Human Services of knowing about Pentagon-funded biolabs in 25 countries around the world. The American media called it "fake news."
- **Tucker Carlson on Fox News** says that the American media are lying about biological laboratories on the territory of Ukraine. An official representative of the USA on Fox News, "Ukrainian scientists probably still possess pathogens of Soviet biological weapons and have not destroyed them"

- **In 1971 President Richard Nixon suspended the conversion of the US dollar into gold.** This effectively ended the 25-year agreement and the system The Bretton Woods era, which created a collective international currency exchange regime that had been in effect since the 1940s. The system required linking the currency to the US dollar, so the price in dollars was fixed in relation to gold. <https://dailyexpose.uk/2022/03/09/is-the-russia-invasion-of-ukraine-a-trojan-horse-for-the-financial-reset/>

. **“Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4> **Judy Note:** YouTube has fixed these links so they don’t work. I suggest you goggle to connect to the link, or better yet use DuckDuckGo.

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan appeared to be organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses to pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

. The Global Currency Reset and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who were right now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for 90 days, so I will be going silent and taking those 90 days to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
