**E. What you are seeing is a war – an invisible war that Trump keeps talking about. It’s a war between Trump and his Secret Service against the elites, bankers and mainstream media. A war between good and evil.**

- **Pay attention to the bigger picture.** Trump has arrested and caught more pedophile and child trafficking rings in the world... but I bet you didn't know that because the mainstream (George Soros funded media) make out that he's a moron. Trump will go down in history in the coming weeks.
- **There is no need to panic or have fear.** This whole thing is working out as it needs to for Trump and his team to remove the corruption and power that has taxed your hard earned dollars, loaded your loans and credit cards with interest and pulled wool over your eyes. We have been living as slaves to the system for long enough.
- **You're going to see some big names get called out, to the point where you don't want to believe it.** Oprah. Ellen. Obama. Gates. Clintons. Podesta. Hanks. Madonna. Gaga. The list goes on and on and on.
- **If you still believe that 9/11 was a terrorist attack from Osama Bin Ladin** who trained donkeys to fly cessnas, which then magically upskilled into Boeing's and flew aluminum planes into 580m steel reinforced towers that collapsed like a deck of cards, not to mention tower 7 which was a block away but folded. (Let's not forget the 6 seals who took Osama down that were killed in a mysterious chopper crash. RIP fellas). You're in for a wakeup call.
- **Some of the big banks WILL go bankrupt,** they are already on their knees, Income tax WILL go away and the elites will no longer rule you or the world. Welcome to the New World Order.
- **Do the research for yourself.** Read the Clinton emails on Wikileaks. Once you read that you'll believe the rest. Many of the most powerful people are more sick and evil than you could ever imagine. Start listening to Trump's daily press briefings. This is not about politics. Never forget that Pfizer paid the largest fine in history for lying about their drugs. Detox your body from drugs and matrix foods, make sure to get your mercury fillings removed ASAP. #### L. Tues. 27 Sept. Benjamin Fulford Report:

- **A world revolution looms** when the people of the planet wake up. In many countries there are signs that some kind of world revolution is taking place. These include the power struggle in China, the unrest in Iran, the military mobilization of Russia, the declaration of war by Texas, the royal riots in the UK and much more. All of this points to a kind of historic worldwide black swan event, possibly in October.  
<https://t.me/Conspirology1/16>
- **Let's start with the events in China.** The Internet was buzzing with rumors caused by Jennifer Tseng's report, a link to which is given below.  
<https://www.youtube.com/watch?v=-cPXsqEdOvA>
- **We checked Tseng, and it turned out that she is a member of the Falun Gong sect, run by the US State Department by Khazar mafia boss Elliott Abrams.** Nevertheless, the report turned out to be very reliable. It shows a video of an 80-kilometer military column moving to encircle the capital Beijing. It notes that a major meeting of Chinese military leaders took place, which was not attended by Xi Jinping, the nominal head of the Chinese armed forces. Two members of the politburo associated with the military, at the meeting, which is very unusual, did not mention Xi in their speeches. In addition, a high-ranking northern general, who was supposed to have been dismissed by Xi, was sitting in the front row at the meeting. In addition, Xi apparently quickly abandoned the Shanghai Cooperation Organization summit in Uzbekistan and hurried back to China, but he has not been seen in public since.
- **In China, there is a real split between the military and intelligence groups around Jiang Zemin and the group around Xi Jinping.** There can be no doubt that there is a major power struggle going on between the two groups.
- **Those who surround Xi want to make him dictator for life at the big meeting of the Communist Party of China,** which takes place every five years in October. The other is fiercely opposed to Xi and the personality cult surrounding him. A source from the Asian secret society close to Xi assured us that the rumors were false and Xi is fine. Our sources close to Jiang did not respond to our messages.
- **The last thing we note is that the move against Xi was taken after he refused to meet with a Khazar mafia agent posing as Pope Francis in Kazakhstan.** The Pope attended the "world religious conference" in the future world capital of the Khanty-Mansiysk Astana. Here is a photo from the concert at that rally sent to us by Polish intelligence.
- **In any case, there can be no doubt that the Chinese government is under attack** because it is telling the world an inconvenient truth about the West's real track record. In the latest example, China has accused the US of illegally stealing 80% of Syria's oil

production, even though more than 14 million Syrians are in dire need of humanitarian aid after years of Western sanctions.

**O. "Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,"** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**P. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**R. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**S. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
