“Liberty in Law”

[July 03, 2022- #4842 Music & the Spoken Word \(thetabernaclechoir.org\)](https://thetabernaclechoir.org)

“We are too inclined to think of law as something merely restrictive – something hemming us in. We sometimes think of law as the opposite of Liberty. That is a false conception. God does not contradict Himself. He did not create us and then, as an afterthought, impose upon us a set of arbitrary, irritating, restrictive rules. He made us free – and then gave us the Ten Commandments to keep us free. The greatest threat to Liberty is lawlessness. And, the greatest assurance of Liberty is respect for law. ‘Confirm thy soul in self-control, Thy Liberty in law.’”

...Acclaimed filmmaker Cecil B. DeMille

Judy Note: There was no new Intel on the Global Currency Reset. Intel providers have been very, very quiet for several days. According to Bruce, the Head of the Redemption Committee Charlie Ward said that we would not have liquidity this weekend.

Although, we know the Chinese Elders have released the funds; Bond Holders can see them in their accounts and the holdup appeared to surround Mass Arrests and the fraudulent US Midterm Election.

All Cabal International Corporations finalized their bankruptcies back in 2021. Many countries were on the edge of bankruptcy. A Global Currency Reset liquidity could save the failing world economy, though the Globally based Alliance Military was in charge and they weren't talking.

President Trump was scheduled to make a major announcement on **Tues. 15 Nov.**

A. What We Think We Know as of Sat. 12 Nov. 2022:

D. They Caught 'Em in Election Fraud: <https://beforeitsnews.com/alternative/2022/11/phil-godlewski-the-catch-video-3783575.html>

FACT: I was invited to an 'encrypted video call'. From my end it was 'READ ONLY'... I could not make any comments... but I could know who was there. It was a Military grade program... I

have not seen this particular program before... but on the screen to the right ... I could see who was in attendance. I recognized some of them.

So we watched them... on a super algorithm... every single election machines was tied to this device. There were tabs at the top of the screen during the call... each state had a tab... There was an active cursor... controlled by somebody... and it would cause a flash on things it wanted us to notice.

FACT: This program was tied in to every state election... IN REAL TIME.

I could not believe what I was seeing...

FACT: Somebody had hooked this program to EVERY ELECTION MACHINE ACROSS THE COUNTRY.

FACT: As the votes were tabulated and posted on this screen... I watched it all night long. That is not the best part... The program had an algorithm... so that if a batch of votes coming in was out of the ordinary... the tabs up top would flash with blinking... the operator would click on the tab... and we would see all the counties in the state... and there was a yellow area of the vote dump... would tell you something was going on there...

Example: Arizona started blinking... the cursor went to the tab for AZ... and scrolls down to a county... to the gubernatorial race between Kari Lake and Katie Hobbs.... Katie Hobbs received the exact SAME ratio of votes in four drops... the drops were not in succession... a DROP is when they tabulate the votes, and then press SEND... the drops were at different times separated by time... So the count in those drops in four drops were the same RATIO of Kari to Katie. Each of the four batches had a different number of votes, but it had the exact same ration Kari to Katie.

FACT: That means when a vote goes through one of their tabulators... the cabal cheaters are switching it... to fit whatever algorithm they programmed into the Voting machines. This is exactly what happened in 2020 to Donald Trump.

FACT: That was not the only thing the algorithm was watching... along with the ratios... it looks for numerous irregularities...

Example: In another state... as totals came in with real time... so the vote count has to go up with the total of votes... so a flash happened... **we saw a DOWN VOTE COUNT**... votes were DEDUCTED... We caught this on television in 2020, but it was fixed and not showing on television in 2022.

FACT: Every time this Vote DOWN happened in 2022... it was on Republican candidates... it never happened to a Democrat the entire night.

Those are just two examples of what this program was doing... who and how this type of machine could connect to all of these systems I cannot imagine... **but I SAW THIS WITH MY OWN EYES**... and so did other people.

WARNING: WE CAUGHT THEM and I watched it in REAL TIME... I saw it go down.

FACT: There was cheating across the whole country in every race. Those ALERTS were popping up like you would not believe.

HATS OFF to whoever put that program together... I look forward to the day when I find out who put that together. Another interesting thing...

FACT: Every time there was an Alert... we got an explanation what was wrong... and there was an ARCHIVE button.. that the cursor would hit and archive the event into a LOG... time, irregularity, state, race, and comments. If you ask, 'Why were you on there?'... Well, I have a little bit of a background... I make no mystery about the fact that I have a background... but it is private right now... The interesting thing... about this situation... is that even though it was some sort of military intel operation watching the election... they still allowed the elections to occur...

To catch them. Where will they go with the information? There were certain Precincts where they allowed it to occur, and others were not allowed.

Example: Florida. There was NO Florida tab. No Florida alerts. So apparently there was only one state that had a fair election... and that was Florida.

All the rest of the states had stuff going on. WHY Florida? I don't know. It seemed... knowing that Florida was not there, and seeing the things that I saw.... whoever these White Hats are that put this program together...

1. They knew it was going to happen
2. They allowed it to happen in most places
3. Other places they did not.

That tells me they knew cheating was going to occur... they wanted it to occur, but to a certain extent... but they were not going to allow the US House and US Senate to be in Democratic control. So they LIMITED the FRAUD.... So that it would not affect the next phase... They needed to catch them, but they could not lose the Election's main Goal. GOAL: Take the US House. Take the US Senate. Flip Governor seats.

Example: Schumer... I don't think he got half a million votes... that tab lit up all night long... his election was completely FRAUDULENT.... And he 'won' by a ton of votes.

Now, some of you are saying: The White Hats are cheating, too. No, it is not...here is why: The cabal is cheating and not letting our actual votes go through... so we are stopping the cheating... in some areas... and letting the ACTUAL VOTES come through. In some of the races... they let the actual votes go through... and the Republican candidates lost. But seemingly we knew HOW they were going to cheat. We used 2020 as a template to reverse engineer ...and through it into a program... that would let them watch the cheating and archive it.

Who are they sending it to? I don't know. BUT THEY GOT CAUGHT.

What is the next step? What do you think? Who has this information? Who set this up? It is not Trump... or Ezra... or Scavino...Whoever set this up has to be a major POWER PLAYER entity... and only one group fits that description...

- **As the western media [MSM]** rejoice and trend Russian retreat in Kherson. Biden also puts out statement of Russian losing War and says Russia " has a real problem".
- **The Real TRUTH** is as 25,000 Russian Troops retreated from Kherson, Russia was getting ready for their massive offensive strike and lured Ukraine into Kherson for it.
- **The MI6/CIA Deep State** was onto the trap Russia set, but Zelensky/NATO isn't listening and wants to move forward with heavy operations .
- **RUSSIA has near 400,000 troops combined with Belarus Military divisions and** with 250,000 in south Ukraine and 1200 (80,000 rebel fighters) pockets of Rebel fighters, this concludes with the 300,000 troops Russian brought into Ukraine recently. This massive Russian force assimilating and coming in from the North, East and South regions is not being reported by MSM or Biden.
- **MI6/CIA PENTAGON** was in a panic as Russia prepared for it's biggest ever offensive strike.
- **By 05.00 am of 11 November,** the operation aimed at redeploying Russian forces to the left bank of Dnepr had been accomplished.
- **All the personnel, armament and hardware have been redeployed to the left bank.** A total of over 30,000 Russian servicemen, about 5,000 units of armament and hardware, as well as material means have been withdrawn. All the Russian hardware that is subject to repair has also been withdrawn to the left bank of Dnepr. Repair units have already commenced maintenance works. No hardware or armament have been abandoned on the right bank due to effective management and concerted action of Russian units. All the Russian servicemen have redeployed to the left bank of Dnepr. The units and formations of Russian Armed Forces, withdrawn from the right bank, have taken the defense lines and positions, fortified in engineering terms.

- **Despite enemy's attempts to frustrate the redeployment of Russian forces, any casualties in personnel, armament, hardware, and material means have been prevented.** Russian air defense and electronic warfare facilities have repelled all the attempts to launch missile strikes. 33 rocket-propelled projectiles launched by U.S.-manufactured HIMARS multiple-launch rocket systems have been intercepted.
- **Over the past 48 hours, Ukrainian units have advanced no more than 10 kilometres in certain directions.** The operation of Russian artillery, aviation, and mine barriers has resulted in halting the AFU units 30-40 kilometres away from the area of the river crossing site over Dnepr. The manpower and hardware of the AFU is currently being neutralized by firepower on the right bank of Dnepr.
- **George SOROS** controlled Ukraine since 2012 and was inserted by the DAVOS GROUP and backed by OBAMA, UN, NATO, CIA (all the same individuals who created the PLANDEMIC and backed the vaccines companies and suppressed the vaccines deaths through controlled Media and Big Tech).
- **The Deep State** created a CIA playbook Colour Revolution in Ukraine in 2014 and used students in the coup.
- **Since then the DEEP STATE** had been robbing UKRAINE of its resources and products they produce and all the so natural resources. Here is a list of what UN Davos GROUP subsidiary companies/ Clinton's/ Biden have stolen from UKRAINE and laundered over 7 TRILLION DOLLARS through the UKRAINE [DS] gov. It is the second largest country in Europe by area and has a population of over 43 million persons - more than Poland by about 6 million.

J. The US has been under Active Martial Law since March 2020:

- **We did NOT need the 2022 Midterm to prove the Voter Fraud in Midterms that would allow a Military Takeover and Martial Law.** The Military already had all of the evidence and optics needed to show Election Fraud, even before **2016**. "We have it all. We've caught them all. All crimes and evidence of will be displayed to the public in full accordance to the law."
- **In Sept. 2018** President Trump signed Executive Order 13848 two years before Covid and the fraudulent 2020 Presidential Election. The EO established Martial Law in the US as it wrapped around multiple Laws, Orders, Regulations, Optics and Operations from **2017 to 2021** from both Military and Federal Sectors.

- **President Trump also declared three National Emergencies, one in Executive Order 13848 and two verbally March 13 and 27, 2020,** (that Congress failed to address, which was a Breach of National Security).
- **Those unaddressed National Emergencies allowed President Trump to utilize Emergency Powers and War Powers of the President** under Article II and IV of the Constitution along with the National Emergencies Act, the Stafford Act, Executive Order 12148, 13912, 13919, 13848, 13961, 10 US Code Chapter 1209, 10 US Code 12406, 47 US Code 606, but more specifically 13912 and 10 US Code 1209 and 12406 to Federalize the National Guard to Active Duty that extended his powers as President.
- **Title 50 Chapter 34 specifically states the President is the ONLY who can terminate a National Emergency.** Those National Emergencies were not and have not been terminated. And, until they're addressed and terminated, the National Guard remained on Active Duty.
- **Uniform Code of Military Justice = Military Law.** The National Guard is a state-based military force that becomes a part of the reserve components of the United States Army and the United States Air Force when activated for federal missions.
- **President Trump specifically Federalized 1,000,000 National Guard** for no more than 365 consecutive days in Executive Order 13912 (**March 27, 2020**) using 10 US Code Ch. 1209 and 10 US Code 12406.
- **In order to Federalize 1,000,000 National Guard to Active Duty, President Trump would have also signed P.E.A.D.s and had a COG in place.** They wanted You The People to go about your business until they ran multiple missions of trafficking clean outs, D.U.M.B.s, plus implemented the new QFS System (Executive Order 13885 and Quantum.gov).

N. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right

next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

R. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
