- **Chrestman wrote a letter** to **The Gateway Pundit** in December detailing the last time he saw his wife during the FBI's predawn raid: "My wife and I were shaken from our bed at approximately 5 am. The sounds of flashbang grenades and bullhorns outside our

bedroom window were deafening. There were lights and militarized officers everywhere outside our house as well as a large armored personnel carrier sitting on my front lawn facing my front door.

- **"The FBI told us to come outside.** We walked out the door with our hands up. My wife in her robe and myself in a T-shirt and Levis. It was so damn cold on that February morning. Dozens of SWAT officers pointing rifles and automatic weapons at us. When I asked what my charges were **a short grumpy SWAT officer waddled up and screamed at me, 'Do I look like I give a f*** what your charges are?!'**
- **In a letter sent to The Gateway Pundit on Friday,** Chrestman explains how he has lost everything while enduring nearly 2 years of languishing in solitary confinement.

[READ BILLY CHRESTMAN'S FULL LETTER HERE:](#)

My name is Billy Chrestman.

I am a Jan 6 detainee and former Proud Boy. I am currently incarcerated in the DC Gulag.

I'm 49 years old. I have 5 children and 4 grandchildren. I'm a former US Army medic. For the last 15, years before getting arrested, I have been a union sheet metal worker.

I have been locked up for nearly 2 years due to the events of January 6. I have been held without bond even though I have no violent charges. Due to this experience I have literally lost everything. My home, my car, most of my possessions, and especially my children's stability has been destroyed. My wife is having a hard time navigating life without me. I was the breadwinner.

Even though **I'm a nonviolent family man with no criminal history the FBI decided to arrest me like an Al Qaida terrorist in a predawn raid** with flashbang grenades and armored vehicles. My family is still emotionally devastated after this experience. I am so sorry they had to go through it and as a man I wish I could hug them and make it better. But I cannot because I was denied bond. I have not even seen their faces in almost 2 years. I am not allowed visitation or even video visitation.

The treatment I, and my J6 brothers, have endured since my arrest in February 2021 has been dismal and degrading at best. Its straight up inhumane third world hell.

Nearly a year was spent on solitary confinement with 23 or 22 hours a day alone in my cell. Yellow/brown smelly water regularly comes out of my cell faucet. Mold is rampant in this jail, especially around the sinks and showers and toilets.

The toilets fill with human waste at night while we sleep. The entire jail seems to have a rat/mice/cockroach infestation. Its so gross! All of the sleeping "mattresses" are thin, stinky, brown, and have holes. Like I said, this place is like a third world hellhole. It makes me feel like I've been thrown away like garbage.

I feel gross, depressed, and angry about how I've been treated. And that's not even mentioning the violent abuse we J6ers suffer at the hands of racist and hateful corrections officers.

We get maced for no reason, beaten for singing the National Anthem, or even zip-tied and savagely beaten in the middle of the night for arguing for toilet paper with the guards. We are denied proper medical treatment and we have no due process for our complaints. The grievance process here is totally broken and corrupted. I feel lost, lonely, forgotten, and hopeless. This place is draining my spirit and destroying my faith in law and order.

I pray this nightmare comes to an end soon. My family is being destroyed. All of my money is gone. I have nothing and no way to provide for my family. I miss being able to touch my wife and hug my kids. Just even to be able to see their faces would be a treat. I don't even know how much they have grown in the last 2 years. Being separated from them is the cruelest part of this. I miss them dearly. I want to tell my 8 year old daughter that I will be home soon, but I don't want to lie to her. I don't know how long this hell will last. Why has this happened to me?

D. Update on the Quantum Financial System Rollout, Henning Riediger: [DINARES GURUS: CHARLIE WARD UPDATE \(SPANISH AND ENGLISH\), 20 NOV](#)

- **Charlie Ward**, who was present during President Donald Trump's speech at Mar-a-Lago, reiterates his current findings:
- **"Before I went on stage, I spoke to General Flynn.** We just talked about some of the things I told him. Let's wait for the activation of the American banknote. It hasn't happened yesterday yet, or if it did, they didn't tell me, and because the US is obviously a big problem.
- **"The days are coming to an end.** In the next three weeks, eighty-six countries will be under martial law." He looked at me as if to say: "How do you know that? He said nothing, absolutely nothing."
- **The QFS was launched into space a year ago** and it has been tested for over a year. And now I know that there are four plug-in portals within the system. This has been discontinued because we are in the United States with the first USTN portal. The US Note Portal is connected to QFS.
- **The countries that will be connected to the USA and the portal are Canada, America and all of South America.** Everyone will be connected to the USN portal.

- **Locally, each South American country will have its own currency**, but the main portal will be the USN. So in Colombia, Peru, Bolivia, Venezuela. Everyone will be on a one-on-one basis with the USN. But they will enter through the USN portal.
- **A European portal will be created with Spain, Portugal, Italy, France and Germany.** All European nations, including Scandinavia. Let's all connect to the European portal.
- **One by one** and everyone will have their coins locally.
- **In the UK**, there will be a sterling token portal that applies to the UK, including England, Scotland, Ireland and Wales. Perhaps there will be additions that we will have to wait and see.
- **The fourth gateway will be Asia, Africa and Australia.** And everyone will connect to this portal. All departments, India, Pakistan, all countries in Africa, New Zealand, Australia and Asia, this part of the world, we are all connected to this portal. However, they will have their own local currency.
- **In each of these departments there will be a bullion trading bank** to back up your position. The purpose of this: the assets that were there will not only be refined in the analysis, but will be serialized and nano-engineered so that corrupt governments can't come in and take it from there.
- **So that in each state, each country knows what each one has and in what position it is.** This is why we are currently seeing the Deep State artificially suppress gold and silver.
- **This means that the US dollar and the Euro now have virtually ZERO value.** They are artificially supported in the transformations so that there is no chaos in the world. But we will see the transformation in the next three months.
- **The Brick, Brazil, Russia, India, China, South Africa portals were activated two days ago (Last Thursday).**

- **Justin Bieber: Facial paralysis is a "punishment" for exposing the Illuminati pedophilia.** https://www.youtube.com/watch?v=XQYGyUl_Dds

An insider from Hollywood reported that Justin Bieber considers his recent misfortunes a physical manifestation of the dark forces that took control of his body and soul after joining the Illuminati at the beginning of his career. According to the singer, the ailments are the result of their efforts to break out of the Illuminati entertainment industry and break the contract with a certain "black prince". He himself has been trying to break out of the industry since 2017 - then Bieber told hundreds of people at a Bible study lesson in Los Angeles that he had "awakened" to the "villains of the music industry" and he needed to get out because it was "controlled by the worst people - pedophiles." Bieber regularly attended Bible study classes held at the Montage Hotel in Beverly Hills, and in July 2017 he shared with the congregation what he called a "terrible story" and explained why, in his opinion, he had to stop his world tour. Describing a party attended by the top echelon of the music business, including executive vice presidents of development, producers, security officials and international financiers, Bieber said he was encouraged to sexually abuse a young child who was bought to the party for sexual gratification. "I didn't want to do that. I really didn't know. They said that this child was drugged, it was terrible," Bieber said, explaining that he was made clear that he would get access to the "business part of the industry" if he "joined the club" by going through initiation rites. "I wouldn't just be a performer, I'd be a tycoon. This path would open up for me, as well as for Jay-Z. That's the difference between a millionaire and a billionaire." Bieber told the congregation he couldn't do it. "To join the club, I would have to do bad things to this poor kid. But then I realized that this was not enough for them. I would also have to kill this little kid." The performer said that he had heard rumors about this type of initiation into the music industry, but he had not encountered it before. "I was told they were

secretly filming these parties. As soon as they videotape you doing something like that, you belong to them."

H. Global Food, Fuel and Goods Shortages:

- **Energy and food sources are being attacked as are farmers to implement global agenda 30.** Next year, the US will import more food than it exports. Food rationing at major retailers. Food is being imported from Mexico and South America when we have farmland and should be producing more. Many oil producers in the US have been shut down to collapse the economy when we have plenty of oil that can be mined. Foreign countries buy out farmland but export the foods grown there to their country like China. The Gates Foundation is the biggest owner of farmland in the US and they stop food production.

L. Ken and Barbie vs. the Goliath IRS Case Update:

Patriots Ken and Barbie Cromar were hit by a 75 man SWAT Team, had their fully paid for home taken away and all their possessions thrown in dumpsters, including Ken's expensive equipment he used to make a living – all AFTER they had proven in a Federal Tax Court that they owed no money to the IRS.

S. The new Quantum Financial System (QFS): [Q. Quantum Global Financial System Reset \(QFS-system\) Trust the Plan! - American Media Group \(amg-news.com\)](#)

- **The Quantum Financial System (QFS)** provides pristine clean integrity in the movement of funds from Central Banking sources to destination accounts and will replace the present US- Centrally Controlled SWIFT System.
- **The QFS is completely independent from existing “centralized” system;** makes all other transfer systems obsolete.
- **QFS activation ends the “Central Banking System”** that perpetuates what some refer to as “Debt Slavery.”
- **Every bank account in the world will be automatically converted to the QFS System.**
- **Each QFS account throughout the world** will be solely owned by the account holders, not owned by banks or governments.
- **The purpose of QFS is to put an end to corruption,** usury, and manipulation within the banking system. “Banks” no longer will need to generate significant profits from transactions of funds transfers.
- **The Digital Currency will convert** from a Fiat crypto currency into gold backed Basel III IV and V compliant coin. The coins themselves and the virtual coins will have barcodes (ownership) and GPS tracking devices (location).
- **Protocols will be instituted with QFS so that Artificial Intelligence will control the transfers** and independently be allowed to control the global financial network unless the highest level of approval is given. Artificial Intelligence (A.I.) program will handle instant settlements in real time without delays!
- **QFS is NOT crypto currency.** After REVAL (reevaluation) all sovereign currencies will be asset backed ensuring stable value which makes the need for unbacked cryptos outdated (the process simply digests the information on computer memory banks).
- **QFS reigns supreme** in the technology it applies and creates / 100% financial security and transparency for all currency holders to individual currency holders.
- **QFS assigns a digital number to every fiat dollar / euro/yen** in every bank account all over the world. Digital numbers are monitored and updated in real time: showing where it went (GPS authentication) when it was ledger-ed who sent it and what account received it.

- **The QFS will be run by the new Star Link Satellite** system that is transparent and fully secure. No one has access to your account but yourself – no bank, no company, no government.
- **Global Currency Reset (GCR)** will use a specific quantitative formula to establish the amount of currency available “in a country” that is gold – backed in QFS. The formula will establish a fair value in each country’s assets as compared to another.
- **The “Price of Gold” becomes irrelevant** once this is complete. Included in the formula are in-ground assets, economy of the country, its population (as an asset) and several other parameters. This formula is applied to each country so they can be on par with one another.

T. 20 Nov. 1945 the Nuremberg Trials by the International Military Tribunal

- **Almost all the leadership of the Nazi Germany** (first military and State officials, diplomats, major bankers and industrialists) were brought to justice.
- **The accusations were divided into three groups:** first (crimes against peace), second (war crimes), and third (crimes against humanity).
- **Over 400 public trials** have been carried out, 116 witnesses have been interrogated, more than 300,000 written evidence and around 3,000 documents have been considered within the Nuremberg trials that had lasted about 11 months.
- **The verdicts were pronounced from 30 September to 1 October 1946.** The International Military Tribunal found almost all the defendants guilty of conspiracy for preparing and conducting aggressive wars, as well as of countless war crimes and gravest atrocities against the humanity.
- **Now we commence Nuremberg 2.0.** This time all Nazis and criminals who committed Crimes Against Humanity will be executed.
- **No Mercy, No Deals for Sedition, Treason and Traitors and Death Penalty for Crimes Against Humanity, High Crimes, Pedo Crimes, Treason**

U. April 5 2022: Putin and the Russian HerQs frees 35,000 detained children in Ukraine.

- **Russian President Vladimir Putin** told Donald J. Trump that his "special military operation" in Ukraine had freed 35,000 children from forced labor in what he called "Eastern Europe's hub for the global sale of especially young children," said a Mar-a-Lago source privy to talks between the world's two most powerful leaders.
- **If Putin's words were sincere, his original reason for entering Ukraine was to wipe out bioweapons labs funded by the U.S.,** Western Europe and Israel. But when Russian special forces, or Spetznas, accidentally stumbled upon a pedophile camp in central Ukraine and learned that hundreds of such facilities were scattered across the Ukrainian countryside, Putin championed a new cause: to destroy every "filth and scum" pedophile and every hellish child trafficking ring infesting the "godless country."
- **On Saturday, Putin revealed to Trump** that about 35,000 children, most of whom are Russian, have been freed from sexual enslavement after his forces identified and

discreetly targeted 150 trafficking circles. "These liberations were carried out mainly by Russian spetznas," he said. Putin told Trump he could not bomb the camps indiscriminately because he could not know if there were children inside or if the traffickers were still overseeing the operations.

- **In many places, the traffickers had fled because of the war** and left the children behind to fend for themselves," our source said. However, not all trafficking dens were hidden in remote, inaccessible areas of the Ukrainian countryside. According to Putin, Special Forces found a sprawling child trafficking syndicate in an office building just two blocks from the government building, Volodymyr Selenskyi's headquarters, in downtown Kiev. Spetznas infiltrated the structure, killed 8 traffickers, and saw a truly gruesome scene: 65 children locked in cramped cages.
- **"This, President Trump, is what we are fighting for.** That the dog Selenskyj didn't know about it is impossible. It was right under his nose. Everywhere in Ukraine we find Russian children, Ukrainian children, children from Europe and, yes, even more from the United States. The evil men behind this - they need to be crushed and eradicated. Ukraine is big, and this filth has had decades to spread terror," Putin told Trump.
- **Putin also said Spetznas had recovered a dusty ledger from a storage building in the port of Mariupol.** Child traffickers had converted the building into a processing center from which children were shipped to and from Ukraine. The ledger, Putin said, contained invented names, dates, genders, and ages of children traffickers had taken out of the country. The earliest date in the ledger was March 2, 2005.
- **"It's unbelievable, absolutely unbelievable, how long this has been going on,"** Trump reportedly told Putin. "What you're doing is incredible, really incredible, but the world just doesn't believe it."
- **Putin said he didn't care what the world thought of him** because his mission was virtuous and honorable, and he vowed to cross all of Eastern Europe if necessary to achieve an arduous and necessary goal. "These criminals have done evil here for too long since 1991. Now it stops," Putin said.

V. Cabal Nazi Ukraine vs. Russian Liberation Army:

- **Putin speaks to Ukrainian military 27.07.22** - Right-wing banderists and neo-Nazis in Ukraine are placing heavy weapons, including multiple rockets, directly in the central districts of major cities, including Kiev and Kharkiv, Vladimir Putin said.
- **"Do not allow banderists and neo-Nazis** to use your children, women and elderly as human shields. Take power into your own hands, it looks like it's us who can negotiate better."

- **"Take power into your own hands.** It seems that it will be easier for us to reach an agreement than with this gang of drug addicts and neo-Nazis who have settled in Kiev and taken the entire Ukrainian people hostage."

Y. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Z. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

ZZ. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

ZZZ. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady

who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
