Pray for the Supreme Court Justices That They Might Uphold the Constitution

*We are children holding hands around the world,
Like an army with the Gospel Flag unfurled.
We are led by His Light,
And we Love Truth and Right
We are building the Kingdom of God*

Judy Note: Mon. 9 Jan. was a self inflicted deadline to pick a Speaker of the House, as Congress couldn't be sworn in without one (they say the fight in Congress is all about Draining the Swamp); **Monday** was also the deadline for Tier 4b (us, the Internet Group) to be fully funded so a serious roll out of the Global Currency Reset could begin; plus **Monday** we would see the Mainstream Media airing of an announcement on the Supreme Court decision on the Brunson Case – that if the Court upholds the Constitution, could take down the Biden Administration and all of Congress. So, one could assume that if Congress was not sworn in by **Monday**, there would be no need to dissolve it – all of which was just a coincidence, I suppose.

We are in this together.

No one person is above another.

We stand together.

Watch the news.

Godspeed, Patriots.

A. Real News Headlines for Fri. 6 Jan. 2023:

- **A Massive Energy Wave hit the Hemisphere on Jan 5 around 7 PM EST.** It is traveling through our solar system now... which is like hitting a water balloon and tracking the Energy Wave as it moves through the water to the other side of the balloon. Earth is somewhere around the middle of that water balloon. Australia and its surrounding area began reacting to the massive wave with quakes. The Sun has a delayed reaction as the Massive Energy Wave comes into the solar system. The natural reaction time is 2-3 days. You will witness a big event. Get ready.

- **The Vatican Library is one of the most guarded sites in the world.** Its protection is more serious than that of any existing nuclear power plants or any banks in the world. In addition to numerous Swiss guards, the library is guarded by state-of-the-art automatic systems that form several layers. Hidden within its walls lie rare secret documents, letters, state papers, books, photographs, and films, and even advanced technologies from our ancestors. Containing tens of thousands of volumes of work stored on an estimated

53 miles of underground space and shelving. Browsing the library is forbidden and not allowed either. You can guess why that is.

- **Sun. 1 Jan. 2023: The Golden Jubilee Year began across the Globe.** The QFS system came into operation and BASEL IV Bank Compliance took effect. All funding has been released and cannot be reversed – it has to be paid out. Several banks in the US, Mexico and Canada were consolidated, or closed.
- **Wed. 4 Jan. 2023:** The seven Dragon Family Signatories were in position.

real time yet, but a number of the larger groups were expecting their dollars **later today Thurs. 5 Jan.** or **tomorrow Fri. 6 Jan.** and planned to distribute those funds **over the weekend.**”

- **Thurs. 5 Jan. Okie:** “Today we finally turned the corner from Darkness into Light. Keep very alert from this moment on. All systems are good to go, with no negatives. It appears that there is nothing that could stop this process. There is pining on the back screens of the banks. This is a Gargantuan Event with the efforts of so many nations.”
<https://dinaresgurus.blogspot.com/2023/01/rv-update-by-okie-via-twitter-5-jan.html>
- **Thurs. evening 5 Jan. MarkZ:** Huge chatter, especially out of the groups of paperwork that has to be completed and in by **Fri. 6 Jan.** ... They are expecting us to be fully funded by **Mon. 9 Jan.** ... There are continuing to be absolute big wigs flying in and flying out... doing paperwork ... they are spending hours there in meetings..... then they are gone This is throughout many redemption areas..... This is not just Reno, but all over the world.... We are talking about Panama, Colombia, Zurich, literally all over the world. ... Rumors are that Dubai 2 released this **afternoon Thurs. 5 Jan.**.... I have heard a considerable amount of CMKX chatter that deliveries could possibly be **over this weekend starting Fri. 6 Jan. evening.** This CMKX chatter comes from multiple sources: a US Marshall, a Homeland Security source and others... They will do a short background check similar to if you are buying a gun. Don't panic. Even if you have things in your past... If you have paid your debt to society you are fine..... The background check is mainly to make sure you are not re-hypothecating a rat, or funneling money to Al Quida, or something.

D. Judy Note: It was my understanding that the below was true for all currency exchangers and Zim holders across the Globe:

- **During the ten or so days of foreign currency exchange and Zim Bond Redemption,** if you take your foreign currency to an appointment at a Redemption Center rather than a bank, you can ask for the special higher rates.
- **They do not redeem Zim Bonds** at a bank, only at Redemption Centers and only during a certain time period not yet announced. Some banks will house Redemption Centers.
- **You obtain your appointment at a Redemption Center by** going into a secured website that will be sent to your email from Wells Fargo Bank, or could be obtained from different Dinar Websites, or my Update.
- **That website will ask questions to identify who you are** and then either set your appointment or give you a number to call to set your appointment. They will ask you which area of the country you want your appointment in. For those in the US, your appointment location will be within 50 miles of your home.

- **Leaked documents from the Vatican – a 2,300 page report – verified Pope Francis' cover up of a Vatican Pedophile Ring.** Twenty Chilean Priests who went public on their connection to that very same Pedophile Ring, were killed in a plane crash right after their meeting with Pope Francis. <https://yournewswire.com/20-priests-pedophile-ring-plane-crash/>
- **Francis was not immune to charges on Vatican child exploitation.** Back on July 20 2014 the International Common Law Court of Justice in Brussels found defendants Pope Francis Bergoglio, Catholic Jesuit Superior General Adolfo Pachon and Archbishop of Canterbury Justin Welby guilty of rape, torture, murder and the trafficking of children.
- **As with the Vatican Pedophile Ring, the dramatic story of Pope Francis child trafficking** never made the Main Stream Media, even though [over 48 eyewitnesses](#) had verified that the Vatican was paid big bucks to regularly funnel children through their Pedophile Ring to Satan worshipping businessmen, politicians and members of European royal families.
- **Two adolescent women told the ICLCJ Court that Pope Francis raped them while participating in child sacrifices during the Springs of 2009 and 2010** in rural Holland and Belgium. According to a former employee of the Curia in Rome, rapes and murders of children also took place at the Carnarvon Castle in Wales and an undisclosed French Chateau. A Prosecutor introduced notarized affidavits by eight others claiming to witness these same crimes organized by the Vatican.
- **Another witness testified** that they were present during meetings with the then Argentine priest and Bishop Francis and the military Junta during Argentine's 1970's Dirty War. According to the witness, Francis helped traffic 30,000 children of missing political prisoners into the Vatican Pedophile Ring. Much of this covert war is being fought underground, under water & on the water.
- . What Happens When Common Citizens Buck the Deep State IRS:
- [Louisiana](#), [Utah](#), and [Texas](#) have passed legislation recognizing gold and silver as legal tender, a move that allows citizens to make transactions using precious metals in place of cash. <https://www.mintstategold.com/investor-education/cat/news/post/states-where-gold-and-silver-have-become-legal-tender/>
- Article I of Section X of the United States Constitution provides that "No State shall" ... "coin Money" nor "make anything but gold and silver Coin a Tender in Payment of Debts;"
- By contrast, Section 8 of the same Article vests the power to coin money in Congress. These complementary provisions provide an apt example of vertical checks and balances between State and Federal governments. In other words, States have an important role to play in setting monetary policy – but that role has been thrown into chaos by the money hungry Cabal.
- The effort to get the Utah legislation passed was led by four films produced by Ken Cromar of the "Barbie and Ken vs. Goliath IRS" case.
- Sound Money Rings True – 30 second TV Spot: <https://youtu.be/UWNqR9532V4>
- What is SOUND MONEY? -- part 1 of 3 (5:53) <https://youtu.be/NKInueaGHDY>

- Can We Restore SOUND MONEY? - part 3 of 3 (9:37) <https://youtu.be/VfwJuKurZAc>
- In 2011 Utah Rep. Brad Galvez was with Producer/Director of the films Ken Cromar as part of the signing ceremony where Governor Gary Herbert made gold & silver legal tender by LAW in Utah.
- Cromar recently said, "Now we understand another reason "Ken and Barbie vs. Goliath IRS" have been targeted. Today we realized that our family's effort in helping promote and pass the Bill with my four videos may be ONE of the many reasons the Deep State enemies have had it out for "Barbie and Ken" — as evidenced by the 75-man SWAT team. We don't think ourselves very important in the fight, but Satan must think so. If not, why all the unwanted attention and efforts to destroy us, right?"

- Was the privately owned-by-the-Cabal IRS making an example of the Cromars so as to not question their power over our monetary system?
- After Ken and Barbara had proven in a federal court that they owned no money to the IRS, a 75 man SWAT Team swooped down on the Cromar's quiet middle class neighborhood and kicked the seniors out of their fully-owned home, plus destroyed all their furniture and possessions including Ken's expensive equipment he used to make a living. Even more concerning was the Cromar's five year fight in the crooked US court system that has robbed these common citizens and Patriots due process of law – that continues to this day.

I. A January 6 Message from Kevin Annett Eagle Strong Voice and the International Republic Alliance: <https://youtu.be/tEJ9sQxsKSM>

Today the symbol of a collapsing, blood-soaked tyranny lies dead in a Vatican mausoleum: Joseph Ratzinger. And we remember what toppled him, "Pope Benedict", from his office ten years ago next month. We the people did.

I remember marching with 20,000 other people through downtown London, England on September 18, 2010, on the "Protest the Pope March", when the child killer Joseph Ratzinger came to England. We were so strong and united that day that we pushed past the police barricades and filled central London with our cries, our laughter and our outrage.

I remember gathering many of those marchers and surrounding the Canadian embassy in Trafalgar square, where I exhorted them about the mass murder of native children in Canada by the Catholic, Anglican, and United Church; and how the police, who were trying to get at me to arrest me, were stopped cold by the crowd.

I remember the next day, when many of those new friends followed me into the Anglican and Catholic churches in London to occupy them and demand the disbanding of those genocidal, child killing churches. That was before we learned that we had to do make that change ourselves, like we did two years later when, on the crest of that mighty wave, we forced Joseph Ratzinger from his papal office with our International Common Law Court of Justice verdict, that found him and Elizabeth Windsor and 28 others guilty of Crimes against Humanity, and gave us the lawful power and court orders to seize all Crown and Catholic Church property and wealth anywhere in the world.

That is the power that lies in our hands, and when we use it with determination and courage we can topple the mightiest ruler from his throne.

We've demonstrated that power many times over the past quarter century as we've exposed and fought the murderous three headed beast of church, state, and big money that's responsible for centuries of genocide, child murder, and tyranny, and that now threatens all of us.

And so to continue that struggle, and knowing where to aim, we are commencing a new round of actions on February 9, on the 25th anniversary of the launching of our campaign to expose genocide in Canada. In over a dozen countries, from Australia to Europe to North America, we will be holding teach-ins, sit-ins, rallies and seizures of Catholic churches, offices and land under the jurisdiction of our common law Republics and our allied indigenous nations. Our aim is to stop forever the regime of terror of the three headed beast of church, state and big money that is behind the global corporate dictatorship.

But when we prepare ourselves to enter that great civil war now waging between a free humanity and a global corporatocracy, we remember the words of Napoleon, who said, *"In battle, a bad general sees too many things; I see only the main body of the enemy."*

The main body of our enemy today is China and its financier and ally, the Vatican. Their dual power is spearheading the global corporate takeover, especially in North America, where last July in Prince Rupert the Vatican signed a deal with Beijing to underwrite the Chinese takeover of the continent by over a trillion dollars each year. They did so with the active support of the British Crown and the Trudeau government, whose officials helped conceal the recent massacre of Cree Indians in Saskatchewan by the Chinese and crown-associated Rio Tinto mining company.

Everywhere, that same genocide is playing out, of which the big pharma and Vatican agenda of a microchipped, enslaved populace is but one aspect. But the enormity of that attack on us causes many of us to make the mistake of Napoleon's bad generals, and *"see too many things"*, rather than the main body of our enemy. We see many distractions created by the enemy and are dissipated by reacting to them, rather than knowing our opponent and focusing on striking over and over where it is weak and vulnerable.

But knowledge is power, and once we know that China and the Vatican are spearheading the new global tyranny, we can focus our efforts strategically at the weakest link in their alliance, which is the Vatican itself and every Roman Catholic church in the world.

We have shown that we can do a lot more than depose that church's highest official, the "Pope" himself. We have shown that whenever we seize their churches and threaten their wealth, they buckle in fear, as happened in Canada in 2008 when our campaign forced admissions of guilt from the church and state killers. And now that so-called pope Francis, Jorge Bergoglio has publicly admitted to genocide and his entire Catholic church is a lawfully convicted criminal body, we are armed with the warrants to legally shut down their institution, seize its vast wealth, and seriously damage the financial powerhouse of Chinese expansion. [Breaking News from the International Common Law Court of Justice, January 15, 2022 \(GMT\) Big pharma, government, church leaders face arrest as Court convicts them of Genocide, prohibits injections – Murder by Decree](#)

A NEW EARTH – CURRENCY CHANGE It's all about who's running the financial system!
FROM DARK TO LIGHT – Powerful and historic changes for you and the entire planet. The greatest distribution of wealth the world has ever seen.

AN ANCIENT DEAD SYSTEM

- We will never go back to the old currency system
- No more printing money out of the blue
- All existing fiat money is being replaced
- The Central Bank system will no longer be owned by the Federal Reserve
- The Cabal department's entire former slavery financial system is dead!
- No more paper notes (fiat)
- No more SWIFT
- No more monetary slavery!

As we exchange our old Fiat coins for the new gold-backed coins, we are actually exchanging the entire old Cabal Debt Slavery Financial System for a new Financial System supported by QFS Gold.

GCR – THE GLOBAL CURRENCY RESET

Gold/Precious Metals and Nesara/Gesara.

Two different factors for the GCR event:

- Factor 1: The RV (the revaluation of world currencies)
- Factor 2: The Quantum Financial System

In order for rainbow coins, bonds or ISO20022 assets to start moving in value, physical precious metals must first undergo a reassessment! Once the new assessment is defined, the weight of compliance with Basel III + Bretton Woods 3 will bring legitimacy to everything else, triggering ISO20022 regulation.

GOLD STANDARD (asset-backed currencies)

- Physical and digital assets
- Independence from existing centralized systems
- All other systems will be obsolete
- Protection against corruption, usury and manipulations
- CBDC (Central Bank Digital Currency). Sovereign digital currency for each country
- Digital assets backed by precious metals (gold, silver, copper, platinum, etc.)
- Rainbow Coin – Treasure rainbow banknotes tracked
- Instant digital payments via QFS
- Death in Dollar, Pound and Euro – DS
- Death of BTC, ETH and Tether – DS
- Rise of the Phoenix. XRP, XLM and XDC – WH military blockchains

FACTOR 1: REVALUATION

- 209 countries signed a treaty to redefine the value of their currency
- Even coins. Ex: 1 Dong for 1 Dollar
- Level playing field for everyone
- Unprecedented prosperity fund release for We The People
- Humanitarian projects – wealth transformation – reconstruction

- “Share the Wealth Redistribution Program” to every individual on Earth
- Currencies: Iraqi Dinar, Vietnamese Dong and Zimbabwe ZIM.
- Stellar Network – Bringing banking to the unbanked around the world. Designed to help ALL humanity! Connected to the RV. Military OP.

Basel III

- A worldwide standard that enhances international banking regulation structure, greatly improving risk management and promoting transparency
- Gold moving from asset tier 3 to tier 1, which allows physical gold in bars form to be accounted for at 100% of the amount for booking purposes
- Due to the 2007-2009 financial meltdown, Basel III was introduced
- International regulatory framework for banks
- Deadline on June 28, 2021
- The requirement that banks maintain a minimum capital value of 7% in reserve
- Require banks to hold unencumbered physical gold valued at 100%
- This will make banks less profitable as they will no longer be able to make money about the interest rate

Basel III **Breton Woods 3**

- BW3 = A move from FIAT to a commodity-based monetary system, where currencies needs to be supported
- With BW3 – The US Dollar is no longer being set as the world reserve currency
- According to Credit Suisse BW3 started in March 2022 when sanctions and freezing of its Dollar reserves started to rain down on Russia for invading Ukraine
- The death of the USD FIAT = The death of the Euro

The Bretton Wood Agreement 1 was established in 1944, when the USD was defined as the world’s reserve currency, where you could hold the US dollar and convert it into physical gold at a ratio of 35\$ per 1 ounce of

Gold. In 1971, Nixon discontinued the convertibility of dollars into gold and took the monetary system out of the Gold Standard introducing the FIAT system, moving to the BW2.

ISO 20022 STANDARD

- An international standard for relaying electronic messages between financial institutions
- Created to provide the financial industry with a common platform to send payment messages and exchange payment data
- Banks and financial institutions around the world are ready to transition their payment systems from SWIFT to New, highly structured and data-rich ISO 20022 standard.
- Better quality and faster payments for everyone in the payment chain
- An open standard used by anyone in the financial services industry and implemented on any network
- Instant payments

ISO 20022 – STANDARD

Protocol 19 and 20 – The complete merger with Quantum Systems

● Protocol QFS 19

- = Start of regulation. All assets and tokens need to be backed by precious metals
- Linked to the new ISO20022 Regulation. Breton Woods 3
- Liquidity
- The black swan event. NYSE plunged
- Khazar money back to us the people = Wealth transfer

● Protocol QFS 20

- Additional regulation. End price manipulation
- A complete transformation to QUANTUM TECHNOLOGIES and well underway
installed worldwide
- Medbeds, internet speed of light, quantum computing, quantum voting, quantum cure etc

FACTOR 2: THE QUANTUM FINANCIAL SYSTEM

- Gold-backed currencies and other assets
- A digital certificate – exchange the digital currency for a real piece of gold

- Gold is used as the leveling factor that protects the diversities within each country
- Chinese Elders Gold is support for everyone world currencies
- Covers the transfer of asset-backed funds from the world via GPS

(STARLINK)

- Quantum Computing
- QFS ends corruption, usury and bank manipulation
- Bank monitoring – Independent and decentralized

- Photonic technology – operating at 3.5 trillion frames per second. Instant payments!

QFS – CBDS (central bank digital currency)

- Central bank digital payments coins

- 209 countries signed an agreement on the establishment of e-currency to be a part of the QFS
- CBDC transactions will be ignored by military guardians through Starlink acting as commander in chief supervising and making sure that no one using it with bad intentions
- No government involvement
- Power and politics of us the people

O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

P. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

R. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady

who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
