Take your money OUT of the BANK!

*A very close source from the Trump Administration said that everything will be different after
March 2023 because by the end of Feb. most banks will literally disappear. That is part of their
plan, to leave Americans without a penny so they can control us. That means that the money that
you have in the bank will also disappear. ...Gitmo TV, Telegram Sat. 25 Feb. 2023*

- **On 24 Dec. 2016** the U.S. Military seized the Vatican gold and killed 13 families of the Italian Kazarian Jesuits Knights of Malta leaders. That was the first major step in taking down the Cabal by way of The People taking back the world monetary system.
- **The second major step took place in Jan. 2021** before Biden was sworn into office, when the US Military took control of US Government Operations by way of Trump signing the Continuity of Government Devolution Plan.

- **The Game Theory of Military Operations** revolved around the White Hats Military Alliance letting the Obama, Rockefellers, Gates and Fauci Cabal continue with their Deep State Operations to fund the Virus and create the deadly Vaccines – and thereby catch them in the middle of committing Treason.
- **Back in 2012** the initiative Plandemic had taken form and the Pentagon/ CIA put out protocols to control the Internet, Social Media and MSM to cover up the Virus/Vaccine Agenda that was going to be released.

E. Sample Affidavit to send to SCOTUS that added your name to the Brunson Petition:

Dear Patriots;

On Tues. 21 Feb. three letter/affidavits were sent to SCOTUS on behalf of the Brunson Brothers. The affidavits went over-night via USPS giving notice to SCOTUS that their decision caused them to commit Misprision.

Below is a sample of the letter/affidavit you can use to send your own letter/affidavit to SCOTUS as one of We the People (Community Support Foundation) - When you sign the letter in front of a notary this becomes an affidavit. Sending this to SCOTUS, you effectively join with the Brunson Brothers as a Co-Petitioner to have SCOTUS hear and rule on the case, Brunson vs. Adams et al. that is still currently before SCOTUS.

RE: Brunson v. Alma S. Adams et al - Case No.: 22-380 (**Certified Mailing # Inserted Here - Optional**)

Dear Justices:

This letter/affidavit is to express my support of the above referenced case, in reference to your recent decision to deny hearing the case, because I am concerned the United States has experienced a national security breach.

Bouvier's 1856 Law Dictionary – accepted by four Acts of Congress – serving as commentary on Constitutional law, under the definition of "misprision" states a purpose of this Affidavit: "4. It is the duty of every good citizen, knowing of a treason or felony having been committed; to inform a magistrate. Silently to observe the commission of a felony, without using any endeavors to apprehend the offender, is a misprision." 1 Russ.on Cr. 43; Hawk. P. C. c. 59, s. 6; Id. Book 1, c. s. 1; 4 Bl. Com. 119.

There is ample evidence presented to SCOTUS to show that Brunson's claims have plausible merit. 388 elected officials collectively conspired to violate their oaths of office and you are hereby notified of this potential felony and treason by this undersigned "good citizen."

The Department of Homeland Security has a national campaign to raise public awareness of the signs of terrorism and terrorism-related crimes called, "**If you see something, say something.**" This current case before SCOTUS leaves a most important question before the court, "**What good does it do, if no one responds?**"

"I, ____, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God."

I ask that you stand against the invasion and influence of foreign and domestic enemies, and uphold the Supreme Law of the Land by granting the petition. You truly are in a position that the world has never seen before and I pray for you and your just ruling upholding the Constitution of the United States.

Sincerely,

Name: (Notary Seal)

G. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

H. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of

being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

I. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

J. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all. Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
