### **Judy Note:**

- **The Quantum Financial System** will destroy the Central Banking System
- **NESARA** will be announced **on or before Sat. 1 April.** ...Juan O Savin
- **We are days away from Stock Market Crash** and activation of the Emergency Broadcast System.
- **A EBS announcement will happen on a Sunday night.** Everyone will go into lockdown worldwide. We will be asked to return our homes within 3-5 hours, where we

will have 10-12 days of EBS broadcasting of documentaries to tell people what was going on. ...Dave XRP Lion

- **The likelihood is for things to start were on a Monday.** There 26 facets to what that means. ...Scott Brunswick

**If you are reading this Restored Republic via a Global Currency Reset Update** as published on Dinar Chronicles, please understand that it has been redacted. For a full and un-redacted version, see a PDF copy at the report's end.

#### **A. Global Currency Reset:**

- **Since Fri. 10 March, banking systems** have been using the new Unified Payment Interface (UPI) on the Quantum Financial System (QFS) for foreign currency swaps.
- **Mon. 13 March** the new currency rates of the Global Currency Reset were locked in on Bank Screens; Tier 1 had already gone; Tier 2 was processing. ...Two High Up Contacts
- **Mon. 20 March** on this first day of Spring a Global Currency Reset of 66 nations began as the Iraqi Dinar revalued in-country and began trading on the Forex. **According to Bruce** "Iraqi citizens have been exchanging in country at a decent rate just under seven and that's the in-country rate for dinar."
- **By Wed. 22 March** currencies of over 200 countries and 11,000 institutions had completed their digital integration of bank accounts from the Global Central Banking System to the Quantum Financial System (GFS) ran through #ISO20022 and the new StarLink Satellite System.
- **By Thurs. 23 March** over 200 countries and 11,000 institutions had completely disconnected from the old Cabal SWIFT fiat monies CBDC System and switched over to the new gold/ asset-backed Quantum Financial System.
- **The CBC** has completely disconnected from the Quantum Financial System and the first day of the new Calendar Year for the QFS will be **1 April**.
- **"Project Sandman"** had also completed, where 100+ nations' global agreement ended the dominance of the US Dollar and Petrodollar.
- **The Federal Reserve** was technically bankrupt. In **2023** the Fed will post its first annual operating loss of \$80 billion since 1915. It will have a negative capital of \$38B. This loss does not count the \$1.3 trillion unrealized loss on it's portfolio.

**B. Sun. 26 March RV Intel Update Report, Scott Brunswick:** This was going to be a long message but I was informed to keep it brief so I apologize in advance. So please do not inbox me wanting to know more. <https://dinaresgurus.blogspot.com/2023/03/rv-intel-update-report-by-scott.html>

- **As of right now everything is in the hands of the security teams.** The security teams will determine when all buttons are pushed in relations to everyone's protection.

- **The likelihood is for things to start on a Monday.** There 26 facets to what that means.
- **Those some 70 banks that were closed** or dismantled was part of a huge operation do seize 1,000's of cab@l accounts. That has been finally accomplished. All of those accounts have now been frozen with all of their assets moved into the hands of the right people. Eventually to we the people.
- **The “R”, “SG”, “DODT”, and “MMT”**(cannot mention the full names), trust accounts have these monies in them to fund the global population. This occurrence was done over the last two weeks and this is why it was very quiet as it had to be that way.
- **The big banks have now been bought out** by the proper channels and resume activity under the QF\$ without any restrictions moving forward.
- **Thank you Alliance, White Hats** and other entities who choose now to stay anonymous. This is the news we have been wanting to hear for 100+ years. This is only 1/15 of what I can share. God is good is all I can say my friends-SB

**C. Thurs. 23 March Deep State Quantum System: Banks, Market Crash, XRP, NESARA, EBS, Redemption Centers:** <https://beforeitsnews.com/economy/2023/03/dave-xrp-lion-discusses-the-deep-state-crash-the-quantum-system-with-nicholas-veniamin-must-video-3081385.html>

- **We are days or weeks** away from Stock Market Crash and EBS.
- **Juan O Savin** has said NESARA will be announced on or **before 1 April 2023.**
- **The EBS announcement** will happen on a Sunday night. Everyone will go into lockdown worldwide.
- **Within days** we will be asked to return our homes within 3-5 hours, where we will have 10-12 days of EBS broadcasting of documentaries to tell people what was going on.
- **There was a buy back for XRP coin** – Bitcoin and Etherium will not be on the XRP. Crypto and Bitcoin will not be worth anything.
- **XRP provides liquidity on the Quantum Financial System** and will record all transactions to catch evil or dirty money. There is complete transparency.
- **Only you** will have access to your QFS account.
- **The Internet will burn down,** while the QFS will work much faster.
- **You would not be eligible** to have a money account on the QFS if you are involved in drugs, trafficking, etc. If people want to acknowledge you are going in the wrong direction, then you can repent and use the financial system.
- **On Feb. 1 2023** the fractional fiat money system went down.
- **Banks were going down right now** – everyone's bank accounts have been mirrored into the Quantum Financial System.
- **Retirement accounts** are ok, but Wall Street investments and the Market are not covered and the monies could be lost.
- **On July 2022** the Chinese Elders released monies to the US Treasury.
- **NESARA payout** – one lump sum is already in your Quantum account.

- **Banks going down are triggering the Stock Market Crash** Event, which will bring in the EBS
- **The President of Italy** allowed the Vatican satellite to interfere with the 2020 Election, so Trump went to him and said he had accepted 40 million from Obama. He then released all the gold and precious
- **With the QFS prices are not going down**, but up, but everyone will have enough money to take care of their needs. Money will no longer be important. Our needs will be met.
- **NESARA is a 11 year payout**, but you must have a job and keep working.
- **Right after the EBS** all the disclosure will happen.
- **Wells Fargo Tier 1 Bank** is responsible to sent out notification to Tier4B.
- **There 7,000 Redemption Centers** in US, twice that worldwide.
- **You will call the 800 number** for time and date to go to Redemption Center.
- **Contract Rate** you have to ask for \$14-\$17 for Dinar, \$4 for Dong, excellent for Zim
- **At the Redemption Center:**

**Station One** you are scanned – if you have a good heart you can go through.

**Station Two** you present your currency. You can exchange up to \$5,000 US fiat Dollar for the gold-backed US Notes at your appointment.

**Station Three** you add your biometric vibration to your Quantum Card.

**Station Four** You get your QFS Bank account, password, Quantum Card

**Station Five** You receive a Quantum phone, laptop, and you log into your account

**Station Six** open accounts, create four subaccounts, you can put up to \$100,000 in each account, and receive \$10,000 of rainbow currency cash – ask for as many letters of credit as you want.

**Station Seven** given ATM Card – your vibration on it – no spending limit

**Station Eight** rainbow currency cash, letters of credit,

**Station Nine** present humanitarian project on one piece of paper filled out with what humanitarian projects you are interested in.

- **Banks can no longer lend**, will function as financial service centers, wealth managers – will only be around 3-5 more years
- **The Redemption Center** will print off a Trust for you
- **Everyone has** to sign a Non Disclosure Agreement – all calls, texts and voicemails will be recorded – do not inform those who don't know. Will cancel redemptions if you discuss your exchange. Will only last 90 days. You can add names of people involved in your project to your non disclosure exemption form.

- **Anonymous High Up Contact: Remember, everything is "smoke & mirrors" ... from the possible Trump arrest to the Big Guy / fake president's arrest.** The war is still happening largely behind the scenes, with major [DS] players, in every profession, being taken out one-by-one! Whenever the military hammer finally does fall, it will primarily be an "ankle brace" round up & the mass incarnation of the remaining "small fries," many of whom have already been convicted under Military Law. The Alliance is now focused on the evil ones capabilities to "make war" and do massive damage... i.e. the Alliance is focused on the destruction of their monetary supply (Central Banks / Fed). Once this final phase of the mission is complete, all else will manifest rather quickly! I still maintain, in 7 days, 7 weeks, or in 7 months... no one knows, but a select few.
- **BRUNSON vs ADAMS** is a case attempting to get heard at the Supreme Court "that is against 385 persons in Congress, plus Biden, Harris and Pence, who voted to certify the 2020 Election. Those in Government service swears an oath to protect the Constitution from all enemies Foreign and Domestic. The fact that Congress certified the vote without verifying that the votes were valid meant they didn't protect the citizens' Constitutional Right to fair representation. This is a Treasonous act. The remedy is they can no longer hold office." ...Juan O Savin
- **Though on Wed. 22 March 2023 the Brunson case was – for the third time – declined to be considered by SCOTUS, again,** the Brothers have NOT given up and were filing another case within 30 days.

#### F. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run by the Vatican:

Voice of the Republic, Kevin Annette Sun 6 pm EST [www.bbsradio.com/herewestand](http://www.bbsradio.com/herewestand)  
[www.republicofkanata.org](http://www.republicofkanata.org) Remember and Enforce our home grown Genocide Memorial  
Day, April 15! [www.murderbydecree.com](http://www.murderbydecree.com)

- **The word is said so easily, so casually, so lifelessly: Genocide.** The word means nothing to most people. To the rest, it is little more than the self-serving rhetoric of politicians and popes. But when I hear the word, I hear the tortured screams of little children that never stop, day or night.
- **I see a Vancouver Island Priest** electrocuting a five-year-old boy with a cattle prod until he dies, his body tossed onto a pile of other small corpses and then buried in a secret grave barely a mile from where I would work one day.
- **I smell the sickly scent of burning flesh** as other dead children and even living, newborn babies are incinerated in the Christian death camp furnaces that burn day and night.
- **I watch as children are made blind in deadly** experiments and others have their teeth yanked out without painkillers by upstanding Canadian doctors.
- **I see other children battered and raped** and left to starve to death by men and women who sing Christian hymns the next Sunday in church.
- **I watch as Harry Wilson** shows me the scar on his tongue through which United Church minister John Andrews shoved a needle when a young Harry spoke of the dead girl he found.
- **I witness a lone and stumbling survivor named William Combes**, too crushed to speak publicly of his tortures but somehow willing himself to, against every odd, even as the world hates him for it and finally kills him without consequence: just another dead Indian.
- **I hear Jackson Steene** describe how his testicles shriveled and died as he was sterilized under an X ray machine at the Anglican hospital in Alert Bay, along with all five of his brothers.
- **I listen as Ricky Lavallee** sobs and describes being forced to bury the body of his brother Ernie by the same Catholic Priest who had just flogged him to death.
- **I witness the people of my country and its churches** commit or excuse or pay for these abominations decade after decade, and still today, without a flicker of conscience or remorse; and then, when they are exposed, they destroy the evidence and the secret graves of their victims while absolving themselves, rewriting and normalizing their wrong, and getting away with their mass murder of over 60,000 children by issuing some pay cheques and a glib apology.
- **And I wonder how people can do such things** so easily and still consider themselves human beings. I also remember how some of us fought so long and so hard to confront this murder and coverup until the truth was finally exposed at an enormous cost, including the death of seven of my friends. But then I watch as what we exposed is buried

again and a false, sanitized history of the Canadian Holocaust is reissued by the killers and adopted as if none of these atrocities had ever happened.

- **And finally, I witness the world and everyone I know turn their indifferent backs** on this carnage as if it doesn't matter; as if it has nothing to do with the plague that is now sweeping the world and all of them.
- **I know these things so deeply because my own life has been shattered by them.** It is not another issue. It is all completely personal to me, for it has been my life for almost thirty years. And still do the spirits of the fallen walk with me and struggle to cry out through my inadequate and solitary voice, knowing that our screams are inaudible to the legions of the walking dead, and that whatever is spoken and attempted now will not stop the abomination from continuing. There now stands only that judgment that is on all of us.
- **So, in these last days,** remember as an epitaph that whatever justice has come from the seeds we sowed is only because they were watered with our blood and suffering. Perhaps some of you will earn and redeem this sacred inheritance by your own sacrifice: the cost of your departure from this bloody Land of No-One.

#### J. “The Naked Communist” by Cleon Skousen exposed 45 goals of communism

- **Cleon Skousen’s famous book** “The Naked Communist” highlighted 45 goals of communism, and Now, in 2023, a reflection on Skousen’s monumental work the Naked Communist and its documentation of “the 45 goals of communism”, is helpful to remember that we watch our once great nation crumble into corruption and chaos, we cannot say that Skousen did not warn us that we needed to guard and fight to protect our God-given liberty – or we could lose it altogether.
- **Skousen was a prolific writer** and produced three national best sellers, *The Naked Communist*, *The Naked Capitalist*, and *The Five Thousand Year Leap*. Eight of his books were used as college texts, and several were translated and published in other countries.
- **Ken Cromar** - of “Barbie & Ken vs Goliath IRS” abuse - was a student and associate of Cleon Skousen - and was invited to his home three times in the year prior to his death in 2006.
- **It is haunting** to know that his final book “The Cleansing of America” was so sobering and honest, that he asked his family NOT to publish it until well after his death! We intend here at CHCRG to review and highlight his message in his “swan song” book in the near future – at [www.CedarHillsCitizens.org](http://www.CedarHillsCitizens.org)
- **Willard Cleon Skousen**, the founder of the National Center for Constitutional Studies, died at the age of 92 on January 9, 2006. Born in Raymond, Alberta Canada in 1913, Skousen came to the United States after an agricultural depression destroyed the family farm in 1921. He took a job working with the Federal Bureau of Investigation and earned a law degree at George Washington University Law School.

#### K. The Real Reason They Killed Saddam:

- **In 2003 the US launched its “shock and awe” attack on Bagdad** despite worldwide protests against it. Countless undocumented stories of Saddam's atrocities and lies about his WMD's were used as justification.
- **Follow the money.** What was the financial benefit for the illegal invasion? Saddam Hussein decided to sell Iraqi oil using the EU currency, not the US dollar which would have weakened the US dollar and undermined the US economy.
- **That is the unpublicized reason** for the brutal elimination of Saddam Hussein. The theft and control of Iraqi oil also played a large role.

#### **M. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**N. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**O. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**P. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working*

*with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
