Prepare For Emergency Broadcast System Activation

The EBS will involve Ten Days of Communication Darkness where Phones, Internet, Credit/Debit Cards and ATMs will not work, while three eight-hour documentaries will be broadcast on TV and Radio 24/7.

It’s only wise to have at least a month’s supply of food, water, cash & essential items on hand.

Freedom has endured thus far through “the work and prayers of centuries,” and that’s how it will continue. That work surely includes standing up for Freedom and taking seriously our shared civic duty. It must include shunning contention, respecting and valuing others, listening to and learning from those different from us, and simply being neighborly and kind.

Judy Note: With all the Chess Game playing going on between the Alliance and Cabal, it’s hard to keep everything straight, so I offer the following possible explanations to a few things:

- **They write “U.S. President Joe Biden’s Administration”** instead of just President Biden because the fake masked Biden isn’t the US President – and may not even be alive while being played by any one of three different actors.
- **On national TV just as the 2020 Election was in full swing**, Joe Biden bragged about having “the most extensive and inclusive voter fraud organization in history.” The sad thing is that he was right. [Joe Biden brags about having “the most extensive and inclusive VOTER FRAUD organization” in history. - YouTube](#)
- **Donald Trump Indictment ignores core legal principles.** “The indictment seems to address the lack of legal precedent with a lack of specificity on the underlying "secondary" felony... Bragg has done nothing more than replicate the same flawed theory dozens of times.” ... Georgetown University Professor Turley
- **The wars in Iraq and Ukraine were started, financed and carried out by the US for financial gain and have made a laughing stock of US Military power:**
<https://www.zerohedge.com/geopolitical/rfk-jr-neocon-projects-iraq-and-ukraine-have-made-laughingstock-us-military-power-and>
- **Both the US and NATO repeatedly claim** they are not participants in the Ukraine/Russia conflict, while classified documents tell a very different story:
<https://haltturnerradioshow.com/index.php/en/news-page/world/subscribers-only-classified-secret-military-planning-docs-leaked-ukraine-war-invade-russia-itself>
- **Canadian Prime Minister Justin Trudeau** is the son of Fidel Castro.
- **Facebook Owner Mark Zuckerberg** is the grandson of David Rockefeller.
- **Former First Lady and Presidential Candidate Hillary Clinton** is a Rockefeller.
- **Hitler did not commit suicide** at the end of World War II as reported, but was snuck out of Europe and spent the rest of his life in Brazil, where he had an affair with his housekeeper and fathered **Barak Obama**.
- **Pizzagate** is a code word for torture and sexual abuse of a child.
- **The Deep State has a sordid history** of resurrecting from the grave, Deep State demons who had faced executions, for fear of what the American public will find out. They produce miracles interviewing the undead by using clones, deep fake technology, computer-generated images (CGI), doppelgangers or body doubles to deceive the American public.
- **Pope Francis** is set to miss Good Friday's late-night procession for the first time since he got elected. Perhaps because he’s dead?

If you were reading this Restored Republic via a Global Currency Reset as published on Dinar Chronicles, please understand that it has been redacted. For a full and un-redacted version, see a PDF copy at the report’s end.

A. Global Currency Reset:

- **None but a select few** knew the exact timing, nor when Tier4b (us, the Internet Group) would receive their exchange/ redemption appointments.
- **By Wed. 29 March** the Iraqi Dinar had revalued in-country and was trading internationally as a gold/asset-backed currency.
- **On Sat. 1 April** the new Global Financial System became official including the gold/asset-backed US Note.
- **As of Sun. 2 April** the financing of Bonds had been completed. (This was a big deal because Bonds funded the Global Currency Reset).
- **On Mon. 3 April** Bond payments began including the release of Fines and Penalties.
- **Wed. 5 April the USD** was no longer accepted in any country except the US, Canada and Mexico. Those three countries would accept it for another three months.
- **Thurs. 6 April:** Activation-liquidation of Dubai 1 working capital funds.
- **Mon. 10 April:** With the GCR now fully funded, Dubai 2 groups of Sovereign Buyers will start contracts with various trusts and large file sellers.
- **Wolverine Thurs 6 April Update: The official start is Mon. 10 April.** The Group of Redemption buyers will initiate all contracts with various funds and sellers of large registered files. The paymaster funding process will begin with the official notification of the 1% payment submission. The first installment is 1% with 9% paid in 8 days.
- **Jared Rand:** From a new report, there are 120 countries that are in the BRICS now, and not using the corrupt Fiat Petro-Dollar. The illuminati (Federal Reserve Bank) is out of money and everyone is moving away from it. This will crash the system soon, so we can start up the New QFS, Rainbow Currency, and NESARA. There are now about 250 banks in America that have failed now.
- **FIREFLY:** A Bank friend said that as of last Monday the dollar was no longer accepted in Iraq and it was not the national currency of Iraq banks. Citizens were not allowed with any dollar transaction.
- **Sandy Ingram:** VND exchange rate increase against the US dollar. Article: "Financial experts say Vietnam's economic growth to reach 6.5% in 2023." The Vietnam dong is traded on the Forex market. The VND rate is going up, up and up against the US dollar in the past several weeks. This means somebody on the Forex market made a profit.
<https://dinaresgurus.blogspot.com/2023/04/dinarland-update-by-sandy-ingram-nader.html>
- **Nader from the Mid East:** "I told you guys the budget has been already approved. It's confirmed today. This morning somebody told me they approved it. They're just making believe they're reading it but they already read it. They already did everything and they just have to go by law and say we're reading it first, second, third readings. But that's it. It's been passed. I think things gonna get better by **next week.**"
<https://dinardetectives.com/nader-from-the-mid-east-219/>
- **Several major U.S. banks** subpoenaed for financial records belonging to the Biden family.

B. Exchanges and Redemption Judy note: The below is in my opinion only. The correct and exact details will be given to us prior to our Redemption Center appointments.

- **Tier4b (us, the Internet Group):** Anyone who has bought foreign currencies or Zim Bonds from a bank or licensed dealer to exchange or redeem at a Redemption Center upon activation of the Global Currency Reset. The most common currencies set to go up in value were the Vietnamese Dong and Iraqi Dinar. You could ask for a contract rate on the Iraqi Dinar.
- **Zim Bonds:** The country of Zimbabwe was so rich in gold and diamonds that has been selected to back the GCR with Zim Bonds. Those who purchase Zim Bonds are to use the proceeds for humanitarian purposes, although the bearer of Zim Bonds could use a small percentage of the redemption for themselves.
- **Humanitarian Project:** Bearers of Zim Bonds and foreign currencies could fund their own Humanitarian Projects through proceeds of their redemption by submitting a simple 1-2 page outline of their Humanitarian Project at the time of their appointment. The outline should show the reason for and goals of the project, along with amount of people who could be employed, approximate funding needed to set up and run the project, plus length of time the project would run. The outline should include a paragraph about yourself with your background qualifications and reasons why you wish to do the project. Be prepared to do a 3-5 min. presentation at your redemption appointment. The details of your project will be worked out with your Wealth Manager at a later date. The Wealth Manager coordinates your Humanitarian Project with a central committee.
- **If you have Zim Bonds and don't have a Humanitarian Project** you can choose to help fund several worldwide Humanitarian Projects from a list that will be presented to you at your redemption appointment.
- **All Humanitarian Projects will be fully funded.** If you don't have your own Humanitarian Project you will be offered the default rate on your Zim.

C. Restored Republic:

- [Lewis Herms & Derek Johnson Say's Tribunals Are Very Close with Nicholas Veniamin \(rumble.com\)](https://www.rumble.com)
- **It was rumored that around Sun/Mon 9-10 April POTUS** would tweet “My fellow Americans, The Storm is upon us,” the trigger for us to go into full Global Martial Law.
- **We would then receive seven "Trumpets,"** aka E B S text messages, on our phones alerting us to tune into our TV, radio or phones.
- **Via the US Military, all militaries across the Globe** would shut down all Media, Internet, Phones and TV programming. (Emergency services would remain active).
- **During that time the Internet and ATMs** would not work and phones would only work for calling 911.
- **This Global Martial Law would include a ten day Communication Darkness** where the Emergency Broadcast System would be activated worldwide to play eight-hour documentaries three times a day (24/7) on the subjects of fraud, corruption, pedophilia, arrests and tribunals of Global Elites.

- **The Militaries would remove governments worldwide which were under control of the Cabal**, while making arrests on 500,000 sealed indictments across the Globe.
- **After the 10 days of Communication Darkness**, we would then connect to a new Quantum Internet.
- **Old systems of Government**, Education, Finance, Health, Trade and Commerce etc., would be dismantled and replaced.
- **GESARA/NESARA** would be activated.
- **In the US, the IRS** (which was actually a Puerto Rican Trust owned by the Cabal) would be dismantled and replaced with a 14% tax on the sale of new items only, with no tax on food or medicine.
- **The US would go back to Common Law** instead of adhering to Admiralty Law, which was only loyal to the Crown of England. Under Common Law if there was no damage or harm done, then there was no violation of the law. This would eliminate millions of laws which were used to control the masses and protect corrupt politicians. Lawyers, Judges and officers of the Court would be retrained in Common Law.
- **You are urged to stock up** on at least three weeks of food, water, cash and essential supplies for the transition period. The Militaries would hand out food, water and essential supplies for those in need.

H. Covid/ Monkey Pox/ Ebola/ AIDs/ Polio/ Drugs/ Vax Hoax:

- **The National Cattlemen's Beef Association** announced no mRNA vaccines are licensed for cattle.
- **Medical codes** introduced during the COVID-19 pandemic to show when people are unvaccinated or under-vaccinated for COVID-19 are being used to track people.
- **Italy:** Highly vaccinated Italy reported a record low in the number of births in 2022, as population shrunk to 58.85 million.
- **Graphene OXIDE is not the same as Graphene HYDROXIDE – both have been found in the Covid Jabs and both are very dangerous inside of the human body.** Graphene HYDROXIDE is the molecule that acts like a razor blade inside the circulatory system that slashes the lining of the circulatory system and causes clotting that kills our athletes. Graphene OXIDE is the molecule that is a foundation inside of the body for creating the 'neural network' that links to Bluetooth. Dr. Andreas Noack was considered the world expert on Graphene Hydroxide molecule and was murdered for his brief video to expose Graphene Hydroxide in the Covid jabs. ... R.E. Sutherland, M.Ed./ sciences and investigative reporter
- **\$2.8 million bribe payment from Pfizer** to FDA for their Bioweapon “approval”.
- **UK JUST NOW:** Babies with underlying conditions will be offered a Covid vaccine, UK health chiefs confirmed. This includes children with poorly controlled asthma and issues affecting their heart, kidneys, liver or digestive system.
- **The U.S. Government, Not Pfizer or Moderna, First Envisioned mRNA Technology.** Back in 2012, DARPA began investing in gene-encoded vaccines. So, "The military came up with the idea of messenger RNA vaccines, not Pfizer or Moderna — not operation warp speed."
- **Call for Halt of Covid-19 Vaccine:** Former IDF Medical Officer and Director of Primary Care at Meuhedet, Israel's third-largest HMO, serving one million clients nationwide, calls for the immediate halt of COVID-19 mRNA vaccines: "Reports are accumulating on pathological findings after corona vaccines... Devastating inflammation has been found in the large and small blood vessels in the heart, brain, health, and other organs, where the spike protein from the vaccine is found. The link to vaccination is a proven fact. We were assured that the mRNA disappeared from the injection site a few hours later, but it remained for 60 days in organs far from the injection site... Europe is now reporting an increase in mortality in countries with high vaccination rates of tens of percent. Sudden deaths must be investigated in connection with the vaccination. The use of vaccination must be stopped immediately until a thorough investigation. We, doctors, allowed it all to happen, contrary to the foundation of medical ethics; first of all, do no harm – in honor of the people who were affected."

J. Our Current World Situation as foretold by the Prophet Moroni in the Book of Mormon, Frank Carman

In the Book of Mormon the Prophet Moroni recorded the final destruction of his people through use of Satanic Secret Combinations of what we now refer to as the Cabal.

Moroni would be pleased to see that we, as citizens of countries throughout the world, are waking up to the dangers that have beset us by latter-day Secret Combinations in the worship of Satan and are standing behind those great men, women and militaries of the Alliance as they

bring to justice the Satanists who have committed heinous crimes in their goals of world domination.

It is truly heartwarming and encouraging to see the people of the World wake up to this War between Good vs. Evil and support bringing to justice those Satan worshipping Cabal members who have sought the enslavement of all nations of the Earth.

“Wherefore, I, Moroni, am commanded to write these things that evil may be done away, and that the time may come that Satan may have no power upon the hearts of the children of men, but that they may be persuaded to do good continually, that they may come unto the fountain of all righteousness and be saved.”

Back around 421 AD Moroni told of Cabal Secret Combinations designed to obtain power and gain when he wrote what is now contained in the Book of Mormon Ether 8:22-26:

- **Ether 22:** And whatsoever nation shall uphold such Secret Combinations, to get power and gain, until they shall spread over the nation, behold, they shall be destroyed; for the Lord will not suffer that the blood of his saints, which shall be shed by them, shall always cry unto him from the ground for vengeance upon them and yet he avenge them not.
- **Ether 24:** Wherefore, the Lord commanded you, when ye shall see these things come among you that ye shall awake to a sense of your awful situation, because of this Secret Combination which shall be among you.
- **Ether 25:** For it cometh to pass that whoso buildeth it up seeketh to overthrow the freedom of all lands, nations, and countries; and it bringeth to pass the destruction of all people, for it is built up by the devil, who is the father of all lies; even that same liar who beguiled our first parents, yea, even that same liar who hath caused man to commit murder from the beginning; who hath hardened the hearts of men that they have murdered the prophets, and stoned them, and cast them out from the beginning.
- **Ether 26:** Wherefore, I, Moroni, am commanded to write these things that evil may be done away, and that the time may come that Satan may have no power upon the hearts of the children of men, but that they may be persuaded to do good continually, that they may come unto the fountain of all righteousness and be saved.

K. Q said that Israel would be Last: Israel's IDF Chief says Israel is ready to attack Iran. UN troops at Lebanon-Israeli border ordered into bomb shelters as an attack from Israel on Hezbollah is expected. Russia building its forces in Syria to drive out US forces there. Russia says the situation is worse than the Cold War with the US. Israeli weapons found in the Ukraine.

- **Saudia Arabia is not withdrawing from Yemen.** The same way the United States never withdrew from Iraq. This is a cover story for the public. The truth is they are massively deploying special forces with a secret private alliance with the Zionist state of Israel. If this alliance was ever made public to the Muslim world we would have massive war within 24 hours. The Middle East will heat up and the goal to achieve The Greater Israel project by the Khazarian mafia will continue.

L. The official US President is Donald J. Trump:

- **After another failed assassination attempt on him on 9 Jan. 2021, President Donald J. Trump invoked the Insurrection Act of 1807**, effectively ceding authority of the nation to the U.S. military. Trump transferred the command codes and the football to the 38th Commandant of the United States Marine Corps General David H. Berger.
- **On 14 January 2021**, Trump declared on PARLER: "I have invoked the Insurrection Act of 1807 (Section 10 U.S. Code 13 251-255) to address the treasonous rebellion conducted by Democrat and Republican lawmakers, CCP Agents (Chinese Communist Party), FBI, Department of Justice, CIA and others to dismantle the United States of America and its Constitution. These entities pose a direct threat to national security. I will remain President indefinitely until all domestic enemies are arrested."
- **"I will remain President** indefinitely until all domestic enemies are arrested."
- **Operating under the full force and effect of the Insurrection Act and the Patriot Act**, the US Navy Judge Advocate General Corps (JAG) and the Office of Military Commissions (OMC) under the command of Marine Corps Generals David Berger and Eric Smith, are covertly arresting, prosecuting and executing Deep State criminals who committed Treason against the United States and its citizens.
- **"At this moment in time, 725 patriots present at the Capitol on Jan 6 are unlawfully sitting in jail.** This is unacceptable. You're sitting on 234 closed cases of Deep Staters yet to be arrested, 400 active cases, and several thousand pending investigations," of radical communists, traitors, domestic terrorists and pedophiles. - USN Admiral Eric T. Olson, Advisor to active-duty White Hat Commanders: (Emphasis ours)
- **However, the globalist oligarchy and their minions in the Democratic and RINOs corporate kleptocracy** in the Fake News Media, CIA, DOJ, FBI, NSA, DNI, and

Homeland Security are desperately stepping up their censorship and disinformation campaign paid for by the Chinese Communist Party (CCP).

- **In fact, the Deep State has a sordid history** of resurrecting from the grave Deep State demons who had faced executions, for fear of what the American public will find out.
- **Amazingly, they produce miracles interviewing the undead**, by using clones, deep fake technology, computer-generated images (CGI), doppelgangers or body doubles to deceive the American public.

M. Trump Indictment:

- **Donald Trump indictment ignores core legal principle.** Many have raised objections to the effort of Manhattan District Attorney to use a flawed legal theory. **From Professor Turley, Georgetown University School of Law:** “The indictment seems to address the lack of legal precedent with a lack of specificity on the underlying "secondary" felony... Bragg has done nothing more than replicate the same flawed theory dozens of times... This is where math and the law meet... If you multiply any number by zero, it is still zero... If the New York bench retains any integrity, this case will be thrown out as legally improper with an admonition to Bragg and his office for politicizing the criminal justice process... I remain hopeful that there remains a modicum of judicial integrity in New York to stand against this effort... However, this is a defining moment for many who have rationalized this abuse of the criminal justice system... For those attorneys, they have reached the point described by Robert Oppenheimer after the development of the atomic bomb... He stated "In some sort of crude sense which no vulgarity, no humor, no overstatement can quite extinguish, the physicists have known sin; and this is a knowledge which they cannot lose"<https://www.foxnews.com/opinion/donald-trump-indictment-ignores-this-core-legal-principle>

- **Judge who presides over the case** of former President Trump in Manhattan, may be subject to an investigation for violating NY’s Code of Judicial Conduct.

N. It’s Time: We as Sovereign Citizens of the World could no longer afford to ignore the Biden Crime Family:

- **Leaked Biden Classified Documents** revealed the extent of his corruption in Ukraine. The Biden Crime Family made millions in Ukraine performing nefarious and criminal activities including espionage. There were 1,850 boxes of Classified Documents and 415 gigabytes of electronic records (phone calls, videos) to prove everything.
- **Florida Grand Jury Indicts Joe Biden, his Staff and CIA for Child Trafficking.** The Biden Administration has been indicted by the State of Florida for child trafficking. Biden, his CIA and all members of his staff have been charged. “The federal government is facilitating the forced migration, sale and abuse of foreign children.”

<https://www.breitbart.com/economy/2023/04/01/florida-grand-jury-exposes-bidens-child-trafficking-program/>

- **Back on Sun. 25 April 2021** in a Fox News Hannity bombshell report, Julian Assage claimed both Biden and Obama ran a pedophile ring out of the White House, “We have hard proof that President Obama ran a pedophile ring out of the White House.”
- **Biden was in the thick of corruption in Ukraine**, and even bragged about it on national TV. Way back on **Sunday 27 Dec. 2020** a Ukrainian Press Conference outlined international corruption sanctioned under a request from Democratic Senators and demanded return of billions stolen from the Ukrainian people laundered through what has been referred to as the Biden Crime Family. Of course, the video of Biden’s confession was erased from the Internet.
- **In December 2020 we knew that Biden** and the Democratic National Committee had evidence against them involving 2020 Election Voter Fraud in collusion with the Chinese Communist Party and other foreign governments. The controversial Dominion Voting machines used by states across the nation were believed to have thrown Trump votes to Biden.
- **Apparently Obama/Biden ring extended to trafficking children caught at the border**, those who went by submarine to the Biden-owned Water Island that lay next door to Epstein’s Pedophile Island, DUMB tunnels that ran beneath every capitol city in the nation and globe and included an underground tunnel system under Biden-owned property in the Ukraine and another buried two miles beneath the White House.
- **Then we jump to New Year’s Day 2021** just before the Biden fake Presidential Inauguration that was partially filmed on a Hollywood movie set. A couple of weeks before Delta Forces (under direction of President Trump) had raided Joe Biden’s 200 acre property in the Ukraine. The Military found a maze of underground chambers and tunnels that ran for miles in every direction. Bits of necrotic flesh hung from ankle and wrist shackles bolted to the walls. Seized laptops were said full of evidence of Biden’s massive international money laundering, gun/ drug running, child/human trafficking scheme – that appeared connected to other high powerful elites.
- **Biden’s International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring** was run out of the Vatican: [In Vatican audience hall hi-res stock photography and images - Alamy](#)
- **Evidence found on Hunter Biden’s laptop proved it all.** The laptop was also basically a step-by-step description of one of the biggest influence pedaling schemes in history, involving both Hunter and Joe Biden.
- **Back in Dec. 2022 Biden and the Democratic National Committee** had evidence against them involving 2020 Election Voter Fraud in collusion with the Chinese Communist Party and other foreign governments. The controversial Dominion Voting machines used by states across the nation were believed to have thrown Trump votes to Biden. - **France:** Presumably, the raids are connected to claims by French billionaire Philippe Argillier he has four databases that will expose 38 individuals who run the “shadow govt”. Bill Gates is one of those 38 individuals...
- **This is no longer about pensions** being stolen either, French Protesters want the guillotine for Rothschild puppet President Emmanuelle Macron... No wonder Macron is trying to flee to China this week along with EU commission president Ursula von der Leyen...
- **CIA documents show that Schwab’s Escher-Wyss company was run by the U.S. Department of Energy and the Department of State.** This would suggest that Klaus Schwab was a triple agent working simultaneously for the CIA, MI6, United Nations.
- **British American Pilgrims Society, the Nazis (now Germany) and Switzerland.** His Escher-Wyss company used slave labor (Russians, Gypsies, Hungarians, Romanians, Poles) and prisoners of war...
- **“This is not the real Trump. He is too thin.** This is a double look alike. So it seems there are 3 Trumps. The video done by the Kyle Cheney of Politico has the heavy-set white eyes Trump in it. Very interesting,” a CIA source comments...
- **“This was the White Hat Alliance Plan.** It is a brilliant 5D chess move. This opens the door to go after avatar Obama, Avatar Bush, and the whole lot of KM minions,” the CIA source says...
- **Also, ask yourself why does Reuters have to write “U.S. President Joe Biden’s adminin?”** instead of just President Biden? Ohhhh that’s right, because the fake masked Biden isn’t President...
- **The crisis has begun to expose massive financial crimes.** For example, we are now finding out the Silicon Valley Bank bailout was to help 10 Chinese billionaires who had \$13.3 billion in the bank...
- **mRNA technology** has already been injected into 100 million animals and hardly anyone knows about it. “This mRNA technology is funded by Mark Zuckerberg and his wife. They’ve been doing it all over the country for a year and a half.” Gavi (Bill Gates) is busy injecting mRNA into vegetables like tomatoes, avocados and lettuce. They want to kill everyone.

P. Illegality of the Federal Reserve, IRS and US Taxes:

- **Tues. 4 April The Great Government Scam, you are a legal slave – a chattel – to US Inc.’s Federal Reserve,** Charlie Ward: <https://rumble.com/v2flcnq-strawman-the-great-government-scam-the-twin-you-never-knew-you-had-with-cha.html>

- **The original Income Tax Amendment** was ratified by only four states and therefore never became a legal amendment to the Constitution. The IRS code has never been enacted into “Positive Law.”
- **Long ago the Supreme Court ruled in favor of the Farmers Union Lawsuit** and with that, the Federal Reserve and IRS (which were owned and run by the Cabal) were considered unlawful.
- **After the Farmers Union Lawsuit was won** in the Supreme Court, Congress wrote the NESARA Law – that, although under duress, Clinton finally signed into law, but didn’t implement.
- **When NESARA Law** was finally enacted, the IRS (which is actually a Puerto Rican Trust owned by the Cabal) would be dismantled.
- **Trump’s arrest based on 34 counts of Tax Fraud reminded us of the “Ken and Barbie vs. Goliath IRS Case”** where even though the Cromars had proven in a federal tax court that they owed no monies to the IRS, the seniors were twice accosted by 75 member SWAT Teams, thrown out of their fully paid for home, all their possessions thrown in unknown dumpsters including expensive equipment Ken used to make a living and arrests warrants were placed on their heads.
- **Legally, the payment of taxes to the IRS was voluntary**, though Trump and the Cromars were both put out there as examples of what the IRS would do to you if you dared not pay your hard earned monies to the Cabal.

R. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

T. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from

Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

U. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
