“On Good Days and Bad”

*We are blessed to live in a world of ups and downs, light and darkness, good and bad. Much of
life is unpredictable, but we can count on the God of the Universe to notice us, to care about us
and to be willing to guide us along the winding path of life.*

*He is the Great Parent who loves His children and wants us to learn and grow. So, He lets us
choose – and with that comes making both good and bad choices. Though, even when we make
mistakes He never gives up on us.*

If we turn to Him, He will help us. His all-encompassing love breathes hope into even the darkest moments of our lives. We always can be rest assured of His constant love and care.

Judy Note: Having been heavily involved since 1990 in researching the Satanic Ritual Abuse of children, it was my personal opinion that those elites who visited Epstein Island not only took advantage of young girls in an international Sex Trafficking Ring run by the Vatican, but likely participated in Satanic rituals which typically involved pedophilia, torture and the human sacrifice of babies and children – the facts of which had yet to surface.

On the bright side: Last week the Military Global Alliance reported they completed the rescue of millions of children from a large matrix of tunnels around the Globe, which was a great relief. Since that 1990s I have been hearing about child torture in the tunnels from Ritual Abuse Survivors.

Though, another factor that had yet to surface were the multiple very organized local Satanic covens throughout the US and World. Satanic worshippers produced and used their own children as victims, allowing their foul deeds to stay deep beneath public awareness.

Those in the administration of Child Protective Services in certain areas appeared to be deeply involved in kidnap and pedophilia of foster children and teens. That problem has yet to be addressed, let alone resolved.

Having worked in Child Welfare for ten years myself, some of those years in CPS, I know that most of the very dedicated caseworkers and supervisors were not involved – or even aware – of the Child Sex Trafficking problem. A CPS Service worker endured a high caseload and with it, the brunt of abuse from both the courts and parents when they tried to protect children.

But CPS in some states like California and Ohio did have a serious problem. I can't discuss the cases that have very recently come to my attention, but there were strong indications that teen girls have been Sex Trafficked by CPS Ohio for many years – in a system that would have to involve the cooperation of both the state Child Protective Services and legal system including the courts. ...something else that never comes to the attention of the general public due to the corrupt Mainstream Media.

Other problems which did come to light **last week:**

- **Fri. 28 July Voter Fraud Data Dump** revealed 40 years of stolen elections.
- **U.S. Inc. government has begun to collapse** with pressure on current Admin to resign.
- **Biden Crime Family Cartel collapsing.**
- **Banks across Globe failing** with a liquidity and credit crisis: US Dollar insolvent
- **Stock market drops** total of 85-96% since **Mon. 24 July.**

- **Grocery stores begin to empty** as supply chains completely break down. Expect Food Shortages
- **120 nations** applied to join the trading block of BRICS gold/asset-backed currency, with decision/announcement on **Tues. 22 Aug.**
- **Trump return on Tues. 1 Aug. JFK Jr. return on Thurs. 3 Aug.**

WARNING: There were reports that some were asking you to hand over your foreign currencies and/or Zim Bonds to them saying they would exchange or redeem them for you. DO NOT give in to this scam. Only the purchaser of the currency or bond can legally exchange or redeem that currency or bond at a Redemption Center for the higher rates. Exceptions were that if you had given someone currency or bonds, along with a notarized gift letter saying you did so, or if you gave someone Power of Attorney over your affairs. The bottom line: If someone tried to turn in your currency or bonds without your authorization, they could be arrested.

JFK Jr. Private on Telegram:

Hello Everyone, I was American Royalty!

Princess Diana was British Royalty!

Why did we become friends?

Because they wanted both of us dead!

Who wanted me dead?

The American Government!

Who wanted Princess Diana dead?

The Royal Family!

Why did the American Government wanted to kill me?

Because I had hard proof of the Pedophiles who run our world and all of the corruption that the American Government did: Jeffrey Epstein, the Clinton family, Bill Gates, the Rockefeller

family and many more.

I had all of the evidence needed to destroy them!

Why did the Royal Family want Princess Diana dead?

Because she knew all of their secrets and she was planning to expose them.

From the secret affairs to the Pedophilia, she knew everything!

L. THE NEW AMERICAN: **BlackRock = Deep State GOLIATH**

- **BlackRock** is a critical tool of the deep state in bringing big business into the new world order, explains The New American's senior editor [Alex Newman](#) in this episode of [Behind The Deep State](#).
- **BlackRock**, with about 10 trillion dollars under management, is one of the top stakeholders in virtually every company you can think of, including most of the mega-banks. It is using this influence and your money to weaponize business against our nation, our liberty, our families, and everything that is good. This is part one in a series about BlackRock.
- **From state and local governments removing their money to** investors deciding to pull their assets, people across the country can help defeat this monster. The first step is exposure, and that is already happening. You can help. The next step is action.

- **The implications of these unfolding events** for disclosure of classified technologies related to secret space programs, Antarctic bases hidden under the ice sheets and extraterrestrial life, all previously suppressed by the Deep State, are profound.
- **Their removal from powerful global leadership positions** will help greatly in ending their decades-long policies of denying the rest of humanity the benefits of advanced technologies that will revolutionize life all over the planet.
- **Some global and political elites named in the indictments** would be tried in federal courts, some faced Military Tribunals, while others would go before international courts. A partial LIST of those believed named in over 71,000 federal indictments:

N. RV The New Earth: A Revolution in Currency, Ben Fulford

- **Complete paradigm shift:** In this new era, we're not just talking about a change in the numerical values we see in our bank accounts or a handful of new regulations. No, this is a complete paradigm shift. It's a new way of conceptualizing value, transaction, and wealth.
- **The Global Economic Security and Reformation Act (GESARA),** the Quantum Financial System (QFS), the Global Currency Reset/Revaluation (GCR/RV), International Organization for Standardization 20022 (ISO 20022), the Basel III international regulation, Protocol QFS 20, and DINAR – these aren't just acronyms or technical jargon. They are symbols of the winds of change, indicators of the significant transformation we are collectively experiencing.
- **The impact of these initiatives is not localized;** they're reshaping the entire financial landscape, changing the way we conduct business, trade, invest, and even perceive value. And more than ever, they're linking us together, fostering a sense of unity consciousness that transcends borders and cultures.
- **GESARA Unleashing Global Prosperity - AMG News:** Let's start with the Global Economic Security and Reformation Act or GESARA. This revolutionary reform movement aims to rectify economic disparities, restore financial stability, and promote global peace and prosperity. It's not merely about changing the rules of the game; it's about changing the game itself.
- **From forgiving debt to abolishing income tax and** creating flat-rate non-essential taxes, GESARA promises a world where financial stress and economic inequality become relics of a bygone era. A world where everyone shares in the global prosperity.
- **##4. QFS: The Dawn of Financial Transparency:** Now, let's turn our attention to the Quantum Financial System, QFS. This cutting-edge technological marvel offers an

incorruptible, transparent, and secure financial network. It uses quantum computing technology to make financial transactions faster, safer, and more efficient. This isn't just an upgrade to our existing financial infrastructure; it's a complete reinvention.

- **##5. GCR/RV: A Reset Towards Equality:** Then we have the Global Currency Reset/Revaluation (GCR/RV). This significant reset of the world's currency system is not just a number game but an effort to level the financial playing field.
- **##6. ISO 20022 and Basel III: Setting New Standards:** Moreover, standards like ISO 20022, an international standard for electronic data interchange between financial institutions, and Basel III, a global voluntary regulatory framework addressing bank capital adequacy, stress testing, and market liquidity risk, are creating a safer, more transparent financial world.
- **##7. The Promise of Protocol QFS 20 and DINAR:** And finally, we have the newest protocols like QFS 20 and the revaluation of the Iraqi Dinar (DINAR), which represent the drive for a more unified global financial system.
- **##8. From Dark to Light: A Journey of Love and Unity:** At the heart of this profound shift from the old financial system to the new lies a fundamental principle – love. Love for each other, for our shared Earth, and for the limitless potential that lies within us. This shift isn't merely about money or wealth; it's about unity, prosperity, and love.

O. [Get Ready for Military GESARA and NESARA Emergency Broadcasting System \(EBS\) - American Media Group \(amg-news.com\)](#)

- **The “Deep State” or “Cabal”** is alleged to be a covert group of individuals wielding the world's financial reins for their selfish interests. The puppeteers behind this puppet show are the proprietors of the “Private Bank” of the “Central Bank of the United States”, a financial institution founded on **December 23, 1913**. The USA Central Bank reportedly controls a whopping 98% of the central banks worldwide, effectively ruling the global economy.
- **The Deep State's influence isn't confined to the financial realm alone. They allegedly own prominent media channels like FOX, CNN, NBC, ABC, CBS, BBC, and reputable newspapers like the New York Times, Washington Post.** Their modus operandi involves disturbing the population's attention with superficial television programs, reality shows, and cartoons. Further, they use TV series, movies, and murder news to shatter our faith in our future, to eradicate human unity, or brotherhood.

P. [MILITARY TRIBUNALS! Why They Are Absolutely Necessary? Because The Barbarians Are Inside The Gate! - American Media Group \(amg-news.com\)](#)

- **Any person who levies war against the United States** or adheres to its enemies by giving them Aid and Comfort, has committed treason within the meaning of the Constitution.
- **The term Aid and Comfort refers to any act** that manifests a betrayal of allegiance to the United States, such as furnishing enemies with arms, troops, transportation, shelter or classified information.

- **If a subversive act has any tendency** to weaken the power of the United States to attack or resist its enemies, aid and comfort has been given.— Article III, Section 3 of the Constitution.
- **Military Tribunals** are especially required to prosecute the Deep State criminals, rogue Intel & SS agents and Shadow Government perps who are conducting a soft coup against the POTUS.
- **But why Military Tribunals?** Because those traitors practically own and operate the U.S. Criminal Justice System, that's why!
- **The political reality throughout the USA** is that the legal profession is overwhelmingly populated by card-carrying Democrats, liberal lawyers, progressive corporate attorneys, radical activist judges and left-wing DAs.
- **All those fancy law degrees from Harvard, Yale, Princeton, Stanford, Columbia, Georgetown, Cornell, etc.** are conferred upon mostly left-leaning JDs. The American Bar Association is literally a branch of the Democratic Party. And it is specifically these BAR-registered attorneys who have always posed the greatest threat to the United States since its founding.
- **Not only are BAR-certified lawyers** a nakedly self-serving lot, a disproportionate majority will remain staunch Democrats their entire life. Many will never leave their major metro area or deep blue state even a single time...except to fly to another metropolitan airport (e.g. NYC to LAX).
- **Barack Hussein Obama** is a perfect example of one of these British agents who was financed by the Rothschild investment bankster — **George Soros** — specifically to undermine the American Republic.

Q. David Wilcox on the Court System:

- **The Good Guys** are exposing the Courts.
- **The U.S. Criminal Justice System** is dominated by Democratic operatives at every level within most of the major urban jurisdictions. The best and worst legal counselors among them know exactly how to manipulate the judicial machinery to advance the liberal agenda. And they do so with a vengeance.
- **Ever since Trump has been POTUS**, the nation has witnessed the many ways that the Courts have been used to shut down his various initiatives. The Democrat-aligned attorneys routinely collude with the activist judiciary to terminate any presidential order or directive that can be overturned.
- **Because of this ever-worsening predicament**, Trump has had his hands tied to a great degree. The resulting governmental paralysis has left the president with no choice but to apprehend the coup plotters who are guilty of outright sedition.
- **Most of these agents of Deep State** are committing acts of treason simply because of their political ideology. Other are coerced via bribery and blackmail by their Shadow Government masters (e.g. extortion via Pedogate crimes).

R. The Constitution, Ben Fulford

- **The Articles of Confederation** drafted in June 12 1776 was the ORIGINAL US Constitution.

- **The Declaration of Independence** was drafted in June 1776 & ratified July 4 1776. The Articles of Confederation accompanied it but British infiltrators in the Second Continental Congress were displeased with its contents and delayed its ratification and the Revolution War stepped up in earnest.
- **In 1783 the Treaty of Paris** officially ended the War. The Treaty of Paris signed by representatives of King George III of Great Britain and representatives of the USA on Sept 3, 1783. Article 5 of that treaty gave all British estates, rights and properties back to the Crown (Vatican).
- **The United States Constitution 1787** was formally ratified and was vastly different from the 1776 Articles of Confederation. The new Constitution provided for a much stronger federal government with a chief executive (the president), courts, and taxing powers.
- **Why did they despise the Articles of Confederation** and replace it with the 1787 constitution?
 - The Articles of Confederation were difficult to amend. – they couldn't hijack it for their own nefarious goals.
 - There was no Chief Executive (President) - couldn't put in their puppet candidate.
 - There was no National Court System – couldn't enforce their unjust laws.
 - Congress could not collect taxes from the States – couldn't diminish peoples wealth.
 - Congress could not draft soldiers - could not wage endless wars.
 - Under the Articles of Confederation it was difficult to pass laws. - ie Federal Reserve Act.
 - Each state retained all powers not expressly delegated to Congress. Congress is weak people are strong.
- **Government under the Articles of Confederation** had few powers. It did not allow for a strong central government who would oppress and decrease the power of the people. They could not force the states to obey its laws and decree for taxation ignored as they could not be enforced.
- **Do you see a common theme?** The Crown/Vatican agents despised the Articles of Confederation (Original Constitution) because they could not infiltrate and destroy the US from within. Limited government control and power rested with states (people).
- **The Patriots** were well aware of their malicious intentions and only agreed to the Constitution with the addition of The Bill of Rights to offer the people some protection against their own Government. Clearly the Constitution was comprised from the outset by Crown/Vatican agents.
- **Interesting there was no President;** a president occupies the space inside a corporation. Trump the last President (2016)?
- **The only question is** will the US and other nations return to a Constitution once this is all over. I doubt it. A Constitution is a contract between the people (living) and government (dead) which gives people rights and privileges.
- **Who knows exactly how it will look.** There should be only one party for We The People that's it. But rest assured Sovereignty will be returning to the US and the rest of the world.

T. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

U. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of

being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

V. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

W. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
