"The Light At The End of The Tunnel"

[Sep 23, 2018 - #4645 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org)

*Life can sometimes feel like a dark tunnel. We all have times when we feel anxious, or confused,
when we need to know that things will get better. We need Something to look forward to;
Something to reach for; Something to keep us moving onward.*

All it takes is the smallest point of Light, and suddenly we know where to go. We know there's a way out of darkness. A season of ill health can finally pass; a strained relationship can eventually heal; a stressful situation can find resolution, in time.

Where does that Light, that Hope, come from? It might come from a supportive loved one, or remembering that we've made it through other dark tunnels in the past. It might come from the values and firm convictions that have stood the test of time, or counting the day-to-day blessings that somehow give us courage to put one foot in front of the other.

No matter the challenge, or difficulty, such glimmers of Light reassure us that life's tunnels are temporary. Given time, patience and effort, life gets better and we can even learn from our challenges how to cope better in the future. No matter how dark the tunnel, there's always a Light at The End.

Judy Note: It all began on Tues. 8 Aug. 2023 when vans pulled up to Lahaina Maui resident homes and buildings, with fireballs soon suspiciously following their quick exit from the tourist community.

Only the buildings burned – in a straight even line – while foliage and large mansions were left untouched. Survivors suspect it was the government's Direct Energy Weapons that made hits from government satellites.

Why? For centuries Native Hawaiians had refused to sell the land of their heritage, and it was worth a load of money to developers who were working with the Democratic Governor Josh Green to build a model SMART City – where the Cabal could completely control the population.

As the wildfires spread, tourists were efficiently bussed to waiting planes, while fleeing Native residents were blocked from leaving. No alarm sounded, emergency services suddenly unavailable, water turned off. Governor Green, no comment.

The Mainstream Media reported that over a hundred died. What they don't talk about were the over thousand still missing – most of them women and children.

They also don't mention that in the charred aftermath FEMA provided little if any help, Hawaiian Native residents who had lost everything were told by insurance companies they couldn't be helped and payment on government loans offered were financially out of reach for them. Though, they could sell their precious land inherited from their forefathers – land that they had resisted selling for centuries to the urban developers.

Volunteers with food and essential items were turned away and not allowed in the War Zone where Maui Cops and National Guardsmen were observed shooting survivors – and making waste of those who dared take pictures of the assassinations.

Eight days later by Wed. 16 Aug. 2023 the already devastated city of Lahaina had turned into a War Zone. United States Marine reinforcements were dismantling a Deep State blockade and forcing FEMA and National Guard insurgents into a disorganized retreat that saw the murderous felons fleeing for their lives. The Marines had burst into Governor Green’s empty mansion – where lay the architect drawings of his SMART city.

It’s not yet over. “Battle damage assessments are still coming in, but this isn’t ending anytime soon. The Deep State is entrenched, but we’re there for the long haul, and we’ll fight until every last fed and corrupt cop is dealt with or driven from Hawaii,” a source from the White Hat Military related to Real Raw News.

The Deep State has had this planned for a very long time, and their carnage would continue. Watch out for it in your city, state, or country. They aim to depopulate the World.

B. Fri. 18 Aug. 2023: Deep State Take Down: Maui, Michael Baxter

<https://realrawnews.com/2023/08/deep-state-take-down-maui/>

- **The Marines who arrived in Maui Wednesday** afternoon were quickly outnumbered and outgunned by a Deep State army comprised of FEMA, local law enforcement, and the Hawaii National Guard. Overnight, Marines engaged the enemy in several blistering firefights but often found themselves defensive against insurmountable odds. Early battle damage assessments and casualty reports put the number of killed or wounded enemies at approximately 160; two Marines died from gunfire, and five suffered debilitating injuries severe enough to pull them from battle.
- **Reinforcements—sources would not specify numbers—showed up in hell-scorched Maui Thursday morning**, as FEMA and The Red Cross were preventing civilian relief boats, including a yacht manned by the Cajun Navy, from offloading food and water to desperate victims. FEMA fired at fiberglass hulls, forcing ships away from the Lahaina Beach shoreline. The smaller craft took on water, with crews manning bilge pumps to keep vessels afloat. A few frantic citizens risked getting shot swimming from shore to the relief flotilla.
- **As Marine forces advanced on the beach** and Trilogy Excursion docks near Front Street—the site of a second FEMA blockade—Marine snipers on rooftops over watched the battlefield. This time the Marines had a numerical and tactical advantage.
- **Marine platoons near the beachhead** took cover amid the scorched remains of incinerated homes that once dotted the pristine shores. They observed FEMA's disorganized movements. Meanwhile, snipers had climbed to the roof of the Lahaina Shores Beach Resort, which the suspicious fires somehow spared.
- **FEMA's erratic gunfire** was dangerously close to a party boat 20 yards offshore, its deck laden with MREs and potable water cases.
- **A Marine lieutenant shouted into a bullhorn for FEMA to drop their weapons** and lie prone on the ground. When a grey-haired man in a FEMA windbreaker, ostensibly the agent-in-charge, ignored the command and instead raised his rifle, the lieutenant gave the order to open fire.
- **FEMA toppled over like bowling pins.** Agents fleeing the scene were hit by sniper fire.
- **Farther north, FEMA at the docks caught wind of the Marine incursion and began fleeing the battleground in SUVs**, heading north along Route 30 toward Punalau Beach, the island's northernmost point. They had no way of knowing that the Marines had predicted the escape route and formed an impenetrable roadblock midpoint between Lahaina and Punalau beach, where 250 gung-ho Marines enthusiastically awaited FEMA's arrival. Behind the FEMA convoy, 50 more Marines were in hot pursuit,

effectively putting FEMA in an inescapable kill box.

- **The Marines had no mercy for government predators.** The first vehicle to approach the roadblock was struck by grenades fired from an M32A1 grenade launcher. It erupted in a fireball—ironic justice for federal fiends who used flamethrowers on civilians to make it appear like they died in the fires. Additional grenades and a phalanx of rifle fire destroyed the remaining SUVs. No FEMA survived that engagement.
- **With FEMA’s forces weakened** and scattered, the flotilla delivered food and medical supplies to the hungry and the wounded, with Marines aiding the distribution and remaining on location to deal with any FEMA stragglers.
- **As an aside, United States Special Forces raided Hawaii Governor Josh Green’s Honolulu mansion**, which was dark and deserted. They reportedly found architectural plans for terra-forming Maui into a “Smart City”, a technologically modern urban area that uses electronic methods and sensors to collect specific data.
- **“The war in Maui isn’t over.** Feds may be in a chaotic mess right now, but there are still plenty of them there. The National Guard helping them is very disturbing”, our source said.
- **He added that “some” National Guard were FBI agents in military dress.** “Same thing happened at the Christmas attack on GITMO—feds wearing military insignia”, he said.

C. Maui Disaster

- **Fri. 18 Aug. Maui Update:** <https://www.youtube.com/live/i4Oue918Vbw?feature=share>
- **Native Hawaiians** in the Lahaina Maui disaster area decimated by the Cabal’s **Aug. 8** Direct Energy Weapon Attacks need permission slips to leave their charred homes, or to flee the area according to Gene Decode.
- **Hawaiian Natives** and residents of the area were being murdered by Maui cops and National Guard according to reporter Michael Baxter. [Maui Massacre | Real Raw News](#)
- **Food and essential supplies were still being prevented from being delivered.** FEMA was disorganized and not doing it’s job. People were sneaking in water and essential supplies by boat to bypass blocked off roads.
- **There was little or no Internet services**, so pictures taken by residents cannot get out – pictures such as the bones of women and children who were unable to escape the area because the roads were blocked. The official death count of a little over a hundred was grossly misleading. Thousands of residents, mainly women and children, were still missing.

An email from Hawaiian native’s leader Sir Donald Kaulia, Sovereign Regent, Kingdom of Akua, Hawaiian Islands: **“FEMA’s leadership continues to be a problem** causing many confusion and uncertainty especially confiscating containers filled with supplies that have been restricted from entry into Lahaina.”

I have known Sir Don for years and find him to be a humble, honest, hard working, yet fearless leader of his people. It is my prayer that all of us can reach out to the Hawaiian Natives in their

time of need – our corrupt FEMA and US Inc. government certainly has no concern – they are trying to eliminate them, evidently have murdered hundreds of their children and were trying to take over their beautiful land.

Sir Donald previously wrote, “Since Day One the Kingdom of Akua Foundation has supplied protein straight from our farms to the college culinary for the chefs to prep hot meals direct to Lahaina. Our Kahuna (whom is also the FEMA Chaplain) owns the farm, so we were able to bypass the road blocks like a “Trojan Horse.” FEMA is terrible and unorganized.”

S. Maui Massacre, David Wilcock: <https://realrawnews.com/2023/08/maui-massacre/>

- **General Eric M. Smith at Camp Pendleton** ordered Marines to Maui to investigate claims that the Hawaii National Guard and FEMA were terrorizing disaster victims.

- **A source in the general's office told Real Raw News that Marines arrived in Maui** at 4:00 p.m. and immediately witnessed and responded to unimaginable carnage. He called the death toll "catastrophic."
- **He would not quantify how many Marines went to Maui**, but his gloomy tone suggested that Deep State forces outnumbered White Hats significantly. Backup, he said, was on the way.
- **"We really didn't expect local law enforcement** to fight alongside the feds and the National Guard," he said. "What Marines saw is nothing short of engineered genocide."
- **Near the Lahaina loading dock**, Marines found a makeshift mass gravesite, 15 scorched corpses piled atop one another in an industrial dumpster. The fire had not killed them, our source said. Instead, someone had used a flamethrower to burn them, then deposited the corpses in the trash.

T. Direct Energy Weapons (DEW)

- **In case you are still unable to comprehend how today's weaponized Satellites** could attack, disable and eliminate a human target on the ground (and inside your own home) you probably need to watch this.
- **It is extremely cruel and hard to fall victim to such a deadly and inhuman weapons of war**, it is so much harder to see all your suffering disbelieved, and your murderers smiling while getting away with it. Awareness could play a key role here. The victims of this silent holocaust should not stay concerned or hesitated to say "I am being murdered" for fear of what others (who are still unaware of today's advanced Neuroweapons) might think of their mental health.
- **That is totally unfair**, especially when you realize the fact that those victims who are dying to get their voice heard, and to raise awareness about this unspeakable crimes against humanity, are also doing it for us, for humanity and for their fellow human beings who, sooner or later, will be met with the same fate.

V. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

W. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

X. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Y. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
