Bombshell!!!

The Countdown Has Begun!!!

Collapse of the CIA, Return of Trump and Final Blow to Global Deep State Elites

Doomsday Plane in Air as of Tues. 26 Sept.

The imminent arrival of the Emergency Broadcast System (EBS) is a grim reminder of our impending reality. With promises of a blackout akin to a cataclysmic event, preparations are essential. The Star Link Satellite System will drive the EBS while our lives pivot to a standstill. We may lose access to the Internet for an agonizing span of 3 to 10 days.

It is only wise to put away a month's supply of food, water, cash and essential supplies for yourself and to share with others.

[Song for the Unsung Hero \(thetabernaclechoir.org\)](http://thetabernaclechoir.org)

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected and handed on for them to do the same." ...President Ronald Reagan

C. Rumored GCR Recent History:

- **On Fri. 15 Sept. Iraq** officially RVd their Dinar.

- **On Fri. 22 Sept.** Iraq announced the new Iraqi Dinar International Rate as \$11.90.
- **On that same Fri. 22 Sept.** the Quantum Financial System took over the Global Financial System.
- **On Sun. evening 24 Sept.** the QFS was activated, with all funds gold backed.
- **Sun. 24 Sept. Wolverine:** The funds have been released and placed on the Quantum Financial System.
- **Mon. 25 Sept. TNT Tony:** “I’m not looking for this today, but real soon. Everyone is saying it will be done by the **end of this coming weekend.**”

D. Redemption Centers are gateways to claim our GESARA (globally) and NESARA (US) monetary entitlements via the Quantum Financial Access Card.

- **All accounts in local, commercial and international banks have been closed**, while those same banks were restricting withdrawals of the US fiat dollar, causing chaos among Deep State Elites and corporations doing money laundering.
- **Owned by the Chinese Elders, Wells Fargo** has mirrored all bank accounts onto the Quantum Financial System (QFS). This ensures the safety of our money, including 401ks and retirement funds.
- **A word of caution to those with brokerage platforms:** transfer your funds before ‘the lights go out’ as these haven’t been mirrored like traditional banks.
- **Zim Holder and Humanitarian Redemption appointments are a priority** and will be determined by zip codes.
- **Redemption Centers operate round-the-clock**, prioritizing exchanges based on the gold-backed value of currencies like Zim, Dinar, Dong, and the Dollar.
- **Not all bonds are welcome;** only those under a Special Keep Receipt (SKR) for over five years are eligible.
- **Bond payouts were predicted to span across three years**, although can stretch up to 25 years, marking a gradual transition.
- **It’s a game of value and volume.** Those with container loads of bonds will be in the fast lane, while someone with a mere three pallets might face a longer wait.
- **The rate of foreign currencies, especially Zim, fluctuates.** Although there’s chatter about a hefty 80% humanitarian project deduction from Zim, the narrative is rife with speculation.
- **The transaction is logged, analyzed and monitored** of individuals through screens, be it the innocuous TV or the indispensable smartphone. This new entity claims moral high ground, asserting its invasive methods as a necessary evil to combat heinous ‘Crimes Against Humanity.’
- **Entering a Redemption Center isn’t a straightforward process**, especially if one’s past is tainted with felonies. A felony, typically punishable with a year’s imprisonment, isn’t an automatic disqualification. Yet, the intricacies of Redemption require felons to

entrust their representation to an attorney. This legal mediator serves as the bridge between their tainted past and the promise of a new financial future.

E. Global Financial Crisis:

F. Mon. 25 Sept. Wolverine: The end of fiat money and beginning of the Golden Zion Age of the Maharlika Nation.

- **The Maharlika Nation** is the implementer of the Quantum Financial System (QFS).
- **No fiat currencies are legal on the QFS** because all countries must follow the Gold Standard of finance. Money can only be printed in a country based on that country's Gold Reserve and precious metals they have – the value of their rentable money.
- **All gold and backing assets of countries of the World cannot be ended.** So in all countries which have little gold backage, or have bad influence such as the US (or other countries trying to run cash and make it digital currency), the economy will crash.
- **The US and other countries** that intend to print money without gold backing will have their money lost. It will be considered “play money” or useless paper.
- **Should the currency of each country be revalued?** Yes – to get rid of the fiat money which will no longer be used. And, so that each country can use it's reserves.
- **No country will suffer after the World's illegal system is over.** That's why all countries have to join the new financial system (QFS) to prevent and eliminate any illegal activity or money laundering by banks.

- **So for all countries there will be an obligation to work in their own countries because there is no way to pay the wage.** For instance, the contract they signed may be in US Dollar not the currency of the country for which they worked.
- **Money connected to the US Dollar has been greatly affected.** All debt of every country based on fiat money will be eliminated – no matter how much it is. Large depositors around the World are having a difficult time withdrawing their money.
- **What was not known by many was that all accounts in all local, commercial and international banks were closed before the Pandemic.** These banks will now be strict in allowing the amount of withdrawals of illegal funds. Many account holders connected to Mother Accounts are planning to withdraw their funds, but the banks won't unlock their deposited monies. The contents of their accounts were confiscated and money returned to Nacion Royal.
- **The state of the bank is that it is empty of funds.** All banks are based only on their deposits and that's why the bankers are strict to allow withdrawals of fiat dollars.

M. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and Housed in China's Three Gorges Dam:

- **Maui Hawaii:** Over 2,000 children remain unaccounted for since the Maui fires started on Aug. 8. Not even their bodies have been found, yet no Mainstream Media has covered the story. Why?
- **Ohio: In Sept. 2023** more than 1k kids went missing in Ohio. More than 45 children went missing in the Cleveland-Akron area alone so far **this month of Sept.** In just a span of two weeks in **May 2023**, almost 30 African American children aged 13 to 17 vanished from Cleveland, OH. Echoing the eeriness of the Atlanta Child Murders, these predators are cunning, blending into these communities to enact their heinous crimes.

<https://nypost.com/2023/09/26/more-than-1k-kids-reported-missing-in-ohio-in-extraordinary-surge/>

- **Judy Note: Ohio** was known to be a hub of Satanic Ritual Abuse. Just prior to the **Maui** fires, the US Navy Seals of the White Hat Alliance was ready to file charges on an international Child Sex Trafficking Ring run by Satanists centered in Liahona.
- **California:** In a gut-wrenching rescue mission, Navy Seals managed to save over 300 children, some as young as toddlers, from an oil tanker off the coast of San Francisco. Unfortunately, 15 of these innocent souls didn't make it. These children were transferred to a battleship where they currently receive care and attention. But who's orchestrating these malevolent acts? Who stands to gain from such wickedness?
- **California – on May 27, 1982 approximately 17,000 dead babies** were found in a repossessed storage container in Los Angeles. Many of the babies were over 20 weeks gestation. Many of the children were found missing arms, legs, heads and internal organs. The medical lab that was responsible was an abortion facility.
- **Non-profits in Oakland, CA** have reached a point of such distress over the alarming number of missing Black women and children that they've declared a '[State of Emergency](#)'. And yet, the media remains eerily silent.
- **Around 40,000 child slaves work** in the extremely hazardous conditions of Congo's cobalt mining industry, which produces 72% of the world's cobalt. Cobalt is a key ingredient in the rechargeable batteries used in electric vehicles, raising serious ethical concerns about Net Zero policies which promote the use of electric vehicles.
- **Adrenochrome Black Eye Club:** A side effect of the use of Adrenochrome (blood from a traumatized child) is the black eye we see on many celebrities. When they are injecting or ingesting Adrenochrome, sometimes blood rushes to their face, causing the eye to over flow with blood. When you see two black eyes in young children, (known as Panda Eyes), – it could be the result of being traumatized, usually raped.
- **Operation Paperclip** was a secret United States intelligence program in which more than 1,600 German scientists, engineers, and technicians were taken from the former Nazi Germany to the U.S. for government employment after the end of World War II in Europe, between 1945 and 1959. What they don't say was the "intelligence program" involved torturing, (often in Satanic pedophile parties and Child Sacrifice rites), thousands of young children so their developing brains developed multiple personalities and thus they could be controlled throughout their lives.

N. Covid/ Ebola/ Swine Flu/ Polio/ Small Pox/ BSE/ Zika/ Sars/ Monkey Pox/ AIDs/ Vax/ H1N1/ Graphene Oxide/ Chemtrail/ Fluoride, Processed Foods, Human Clones Hoax:

- **Magnetic Graphite** has been found in the Covid Vaccine. Graphite (/ˈɡræf.aɪt/), archaically referred to as plumbago, is a crystalline form of the element carbon with its atoms arranged in a hexagonal structure. It occurs naturally in this form and is the most stable form of carbon under standard conditions. Under high pressures and temperatures

it converts to diamond. Graphite is used in pencils and lubricants. It is a good conductor of heat and electricity. Its high conductivity makes it useful in electronic products such as electrodes, batteries, and solar panels.

- **Colgate toothpaste and its warning exposed:** Parents teach their kids the importance of brushing their teeth, unfortunately, when most kids do brush, they're using toothpaste made from a slew of dangerous compounds including fluoride, which they make in bright colors and sweet flavors to make them enjoy brushing more. These chemicals are added to the 99% of the commercial brands toothpastes. Fluoride is a poison, destroys your immune system, aids in cancer and destroys your pineal gland.
- **Did you know that LSD and hippies were invented by the CIA in the 1960s?** The idea was to hook kids on sex, drugs and rock & roll (hey, it worked!), so they would not overthrow the Military Industrial Complex. Accomplices in this diabolical scheme were, in England, the Beatles and in America, Jim Morrison, Frank Zappa and other residents of Laurel Canyon in L.A.

O. Tues. 26 Sept. The Fix is In on Joe Biden, Jim Jordan: The fix is in, even with a face-saving indictment last week of Hunter Biden, everyone knows the fix is in. For four and a half years, the Department of Justice has been investigating Mr. Biden. An investigation run by David Weiss that limited the number of witnesses agents could interview. An investigation that prohibited agents from referring to the President as the "Big Guy" in interviews. An investigation that curtailed attempts to interview Mr. Biden by giving his transition team a heads up. An investigation that notified Mr. Biden's defense counsel about a pending search warrant. An investigation run by Mr. Weiss where they told Congress three different stories in 33 days. They told this Committee on June 7, David Weiss said I have ultimate authority to determine when, where, and whether to bring charges. 23 days later, on June 30, he told this committee; actually, I can only bring charges in the District of Delaware.

R. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

T. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

U. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing*

truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
