The capitol of the Sovereign Nation of Hawaii in Lahaina Maui has been destroyed. Hundreds of men, women and children were presumed dead. Over two thousand children were still missing.

At least 4,500 displaced. Any aid you could give to help those suffering tremendous losses would be greatly appreciated.

*After caring so diligently for earthly concerns, we need a day to care for the needs of our souls. After six days of the worries and work of the world, we need a day of Heaven where we can set aside the cares of the world, connect with God and remind ourselves of what really matters.*

*“A world without a Sabbath would be like a person without a smile, like a summer without flowers and like a homestead without a garden. It is the most joyous day of the whole week.”*

Why? The answer lies in the intricate web of Humanitarian funding. These centers, strategically placed with a maximum distance of 70 to 80 miles between them, await the green light. The more populous the region, the more Med Beds it boasts.

## **K. White Hat Intel "Massive Failure: NATO's War in Ukraine":**

- **In a jaw-dropping twist of events, NATO's much-anticipated war effort in Ukraine has turned out to be a colossal failure**, more reminiscent of a theatrical fiasco than a military campaign led by the likes of the CIA and the U.S. military.
- **The recent NATO-controlled drone strikes on Moscow turned out to be mere pinpricks on Russia's armor, as they triggered a retaliatory move that took everyone by surprise: the Revenge Strike by Russia.** In a series of calculated moves, Russia obliterated Ukraine's Intelligence headquarters, decimated nearly all weapons depots, and laid waste to military warehouses housing critical equipment for tank and fighter jet repairs, not to mention heavily armored attack vehicles. As if that wasn't

enough, Russia systematically dismantled over half of Ukraine's NATO-backed air defense systems strategically scattered across the region.

- **The most devastating blow to NATO came with the annihilation of the Ukrainian intelligence headquarters.** Alongside the obliteration of this vital center of information were intelligence operatives carrying highly classified codes and top-tier information, crucial for military operations and communication between NATO, the CIA, Ukraine, and U.S. mercenary groups. Reports from multiple U.S. intelligence agents have surfaced, suggesting the presence of American boots on the ground in Ukraine, actively engaged in training soldiers, handling tanks, and even piloting fighter jets.
- **But the shockwaves don't end there. It's now glaringly evident to the Western Deep State Cabal and their leaders that their grand plan to impose sanctions and embargoes on Russia has backfired spectacularly.** Instead of crippling Russia's economy, these measures have inadvertently catapulted it into an unprecedented era of prosperity. Countries like Pakistan, China, India, and South America are forging robust trade partnerships with Russia, leading to record-high trade volumes. Russia's economy is thriving, and the construction of an infrastructure empire, estimated at a staggering trillion dollars, is attracting investments from over 120 countries, ever since the inception of BRICS. A burgeoning Russian market in housing, construction, and financial systems is experiencing exponential growth and smashing records left and right.
- **Behind the scenes, an intriguing plot unfolds. Putin and Russia appear poised to unravel a forthcoming fake alien invasion scheduled for 2024, meticulously orchestrated by Western powers, including the likes of DARPA, the CIA, and the Pentagon.** Mass psychological operations are in full swing to prepare the global populace for a purported violent alien invasion, an event designed to push humanity into lockstep operations. However, a colossal counteroffensive is brewing worldwide, poised to thwart this impending assault.
- **Cast your mind back to 2021, when Q, the enigmatic figure known as the White Hats, hinted at an impending collapse, complete with nuclear standoffs and escalating military operations in Ukraine, Africa, and the Taiwan-China region.** Deep within these conflicts, Project Blue Beam is expected to make its sinister debut, a grand plan involving the Rockefellers, DARPA, and the Military-Industrial Complex War System. This elaborate scheme aligns with a significant Western electrical grid blackout event, paving the way for the impending grand illusion.
- **Amid these revelations, the existence of the TR-3B and several other U.S. man-made UFOs has come to light.** The military's capability to project colossal UFOs is awe-inspiring, and what's more, they command a colossal one-mile-long man-made UFO.
- **As we journey deeper into this enigma, it's crucial to remember that reality often surpasses imagination.** Whether you believe in gods, demons, skin walkers, spirits, inter-dimensional entities, or ghosts, it's time to acknowledge the plausible existence of aliens.

**L. NESARA:** Because President Clinton had no interest in signing NESARA into law on October 10, 2000; under orders from U.S. military generals, the elite Naval Seals and Delta Force stormed the White House and under gunpoint forced Bill Clinton to sign NESARA. During this time Secret Service and White House security personnel were ordered to stand down, disarmed, and allowed to witness this event under a gag order.

**NESARA implements the following changes:**

1. Zeros out all credit card, mortgage, and other bank debt due to illegal banking and government activities. This is the Federal Reserve's worst nightmare: a "jubilee" or a forgiveness of debt.
2. Abolishes the income tax.
3. Abolishes the IRS. Employees of the IRS will be transferred into the USTreasury national sales tax area.
4. Creates a 14% flat rate non-essential 'new items only' sales tax revenue for the government. In other words food and medicine will not be taxed; nor will used items such as old homes.
5. Increases benefits to senior citizens
6. Returns Constitutional Law to all courts and legal matters.
7. Reinstates the original Title of Nobility amendment. Hundreds of thousands of Americans under the control of foreign powers will lose their citizenship, be deported to other countries, and barred from reentry for the remainder of their life. And millions of people will soon discover their college degrees are now worthless paper.
8. Establishes new Presidential and Congressional elections within 120 days after NESARA's announcement. The interim government will cancel all "National Emergencies" and return us back to constitutional law.
9. Monitors elections and prevents illegal election activities of special interest groups.
10. Creates a new U.S. Treasury, 'rainbow currency,' backed by gold, silver, and platinum precious metals, ending the bankruptcy of the United States initiated by Franklin Roosevelt in 1933.
11. Forbids the sale of American birth certificate records as chattel property bonds by the US Department of Transportation.
12. Initiates new U.S. Treasury Bank System in alignment with Constitutional Law

13. Eliminates the Federal Reserve System. During the transition period the Federal Reserve will be allowed to operate side by side of the U.S. treasury for one year in order to remove all Federal Reserve notes from the money supply.
14. Restores financial privacy.
15. Retrains all judges and attorneys in Constitutional Law.
16. Ceases all aggressive, U.S. government military actions worldwide.
17. Establishes peace throughout the world.
18. Releases enormous sums of money for humanitarian purposes.
19. Enables the release of over 6,000 patents of suppressed technologies that are being withheld from the public under the guise of national security, including free energy devices, antigravity, and sonic healing machines.

#### **N. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

*Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney*

*General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

***There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.***

***To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.***

**O. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube** <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**P. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**Q. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
