...Q

Think About This:

It has been said that the real reason Speaker of the House Mike Johnson decided not to go forward with impeaching Joe Biden was because Joe Biden didn't win the 2020 Election. You can't impeach a president who isn't the president. On the other hand, the Democrats voted to impeach Donald Trump AFTER he supposedly “lost” that 2020 Election – they impeached Trump as president at the same time they claimed he wasn't the president.

Daaahhhh!!!

You can lead a person to knowledge, but you can't make them think.

So if you get frustrated, just know that it's not your job to make them think.

The media does that for them.

“Cheerful Givers”

[November 12, 2023 - #4913 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org)

When we live in cheerful Thanksgiving for God's generosity toward us, it's easier to generously share that abundance with His other children. True happiness comes from making others happy and helps us reset our perspective. We can extend friendship, listen, share our time and love in

order to lift another's burden and serve our community and country in worthy causes. Our service doesn't necessarily have to come from our wallet; it just needs to come from our heart.

Judy Note: The US Corporation declared bankruptcy long ago. GESARA/ NESARA has been signed into law. We're now seeing the cleanup and final stages before full disclosure. The Q Clock has run out. The Clown Show was about to end. Checkmate!

- **When Russia went into Ukraine,** some US Inc. bio weapon labs in Ukraine were moved to Romania. If Russia invades Romania it would be to destroy those bio weapon labs.
- **China will invade Taiwan** to remove all the Deep State pedophiles and Child Sex Trafficking, which is the worst on the planet. After that is accomplished Taiwan will go back to it's own government and military. The two have already agreed to this.

- **On January 20, 2024** the fiat US Dollar would be replaced by the gold/asset-backed US Note; all such gold/asset-backed currencies across the Globe would be on par 1:1 with each other, Social Security benefits will be much higher and the SS R&R payments would start on a monthly basis. The Global Gold Monetary Fund will launch its gold backed currency in the Philippines. They have invited other countries to do the same. Many countries have already started this process including the United States on the state level. It is a movement that is growing and rapidly becoming an alternative to the current monetary system. At this time, the Philippines are expected to be done with their revisions and legislation process by the end of the year. The Philippines have created what is called a Sovereign Wealth Fund capable of being backed by precious metals, and they are expected to be fully operational by the end of this year. © Goldilocks

C. Recent History of the Global Currency Reset:

- **Overnight Sun. 15 Oct.** the Banks completed the remaining layers of payments, plus the IMF and World Bank held their last meeting.
- **By Mon. 16 Oct.** the Iraqi Dinar had revalued and began trading on the back screens of the Forex.
- **On Fri. 27 Oct.** the Dinar went international according to Alex Collier and the US began pulling 3,600 US troops out of Iraq so Iraq could declare Iraq a Sovereign Nation.
- **Around Mon. 30 Oct.** the country of Columbia revalued their currency – so now we have at least two countries – Iraq and Columbia – which have revalued their currencies, perhaps more.

- **Oct. 31 All Hallows Eve** Israel lost Corporate status (meaning Israel Inc. was bankrupt, along with other corporations of the Cabal) and no longer considered a nation, all of which, along with Middle Eastern nations no longer accepting the fiat Petro US Dollar for oil trade, was expected to soon cause a devastating Stock Market Crash – bringing in the need for a Global Currency Reset.
- **On Thurs. 2 Nov.** Donald Trump posted “It’s Time” and stated that the biggest event we will have in this country will happen this **month of November 2023**.
- **Fri. 3 Nov. 10:42 am:** Dubai International Financial Center gave Greenlight for XRP and the House Financial Services Committee passed a bill to prevent the Federal Reserve from creating a Central Bank digital currency.
- **Sat. 4 Nov.** NESARA/GESARA was activated; the US was no longer privately owned by foreign entities and under the Restored Republic (designed after the Republic of 1873); the gold/asset-backed BRICS countries were paying with their own currency for international trade (the demise of the fiat US Dollar) and the new gold/asset-backed US Note went live according to Dr. Charlie Ward, Head of the Redemption Committee for the Global Currency Reset.
- **Wed. 8 Nov.** the Military gave the GCR a go ahead; the Green Light from the US Treasury was turned on; Activation Codes were sent to the US Treasury; the Iraqi Government released to the US Treasury the new International Rate for their Dinar and Codes were entered at the Redemption Centers that allowed the new currency rates to go from the back screens to the front screens.
- **Reno released funds Thurs. 9 Nov.** that triggered transactions on **Thurs. 9 Nov. and Fri. 10 Nov. On that same Thurs. 9 Nov.** RV exchanges started in the UK and France.

- **Sat. 11 Nov. Disastrous US almost couldn't borrow money:** Yesterday, the US government attempted to borrow \$24 billion by selling some fresh 30-year debt. It was a huge disaster. In order to attract enough buyers, the rate had to be raised sharply. And even so, the major US banks had to buy 25% of the debt because there were no other buyers at all. Even frequent buyers like Japan didn't participate this time. With buyers catastrophically scarce, the US government is borrowing more than ever and has no intention of stopping. It has borrowed \$1.5 trillion in the last 4 months and has announced another \$1.5 trillion in the next 6 months. Well, if they really want to borrow

such amounts, they will be forced to offer ever higher rates to attract lenders. And we all know what the high interest rates are doing to the economy. The Biden administration's debt isn't just getting more expensive to service. It's also getting harder and harder to sell at all.

- **The largest bank in Japan has fallen 10%** in the last 96hrs, and is showing no signs of bouncing back.
- **Sat. 11 Nov. Greg Hunter:** For the first time in the history of federal banking, the ACH (automated clearing house) problem happened . . . multiple millions of people, from my sources, were waiting to get paid their paychecks. For the first time in history, you know what the Fed said to the banks? 'It's your problem. You deal with it.' I believe the Fed is in survival mode. It's treading water. There is simply no more money to back up the big 5 or the big 12 banks. We are seeing a focused liquidity crisis in the United States of America. Our T-Bonds, T-Bills and T-Notes are selling at horrific discounts. What people need to understand is banks of all sizes park their excess capital or their client's funds in T-Bonds, Bills and Notes . . . and when the value goes down, that puts them into a position of financial jeopardy. . . . We are watching a breakdown, a takedown and a meltdown of the Federal Reserve Bank. . . . You need to get out of the big banks, and you need to get out of online banking because of cyberattacks and hacks . . .and the U.S. dollar is being vomited out by other nations.”

E. BREAKDOWN OF GROUPS THAT WILL GO AHEAD OF TIER 4B - US, THE INTERNET GROUP

- **SKR: Stands for Safe Keeping Receipt.** This is where someone who is licensed and authorized to be a Paymaster (usually an attorney) represents a group of currency holders (were originally done prior to ZIMBABWE / ZIM being included in the offering for humanitarian projects). They sign a contract and agree to a specified rate. There are not and have not been any new SKR groups for several years.
- **Prosperity Packages: These cover a very wide area.** Includes funds from large trusts such as St. Germain, Rodriguez, Heritage and Mitterrand Trusts will be used to assist the Common Man and help with some debt relief.
- **Adjudicated Packages: These are lawsuits** where plaintiffs won the legal cases. The largest are: CMKX, Native American Claims, Farm Claims, and others. You will know if you are already a part of these.

- **CMKX: A diamond mine** that oversold stock with the help of the SEC. They were sued by key stockholders and won – often referred to as an Adjudicated Package.
- **Farm Claims: Lawsuit that involved farmers** who were unfairly taken advantage of by bankers. They sued and won.
- **Currency Basket: Originally there were a few baskets** with different countries' currencies revaluing approximately six months apart. There are 22 currencies that are scheduled to go initially.
- **Once all currency are asset backed**, that currency will be exchanged at 1:1 and it will not matter if it is a Mexican Peso or a Dinar. The RV is about creating a level playing field. Not all currency rates will rise in value and some will fall.
- List of "currencies":

- US
- UK
- Kuwait
- Canada
- Mexico
- Russia
- China
- Venezuela
- Iranian Rial
- IRAQ
- Indonesia Rupiah
- Malaysia
- Vietnamese
- Brazil
- Saudi Arabia
- Qatar
- United Arab Emirates
- Turkey

- Afghanistan
- India
- Libya
- Japan

Zim is considered a bond, and will be a major part of the RV for humanitarian projects

- US bond market crash, visualized: You may have seen our post earlier where we reported US bank stocks hitting historic lows against the S&P 500 index due to a bond market collapse. <https://t.me/multipolarmarket/6922>
- We now have a detailed chart from the FT illustrating this: <https://www.ft.com/content/06f851b4-5d16-4ba3-a4f3-3f18092af443>
- **The price drawdown over the past 18 months has led to a liquidity shortage among multiple market participants** and has particularly affected regional banks. These institutions were forced to sell their bonded securities at a loss, exacerbating their financial difficulties. Moody's estimates that US banks now have \$650 billion in unrealized losses on such securities with Bank of America alone dealing with \$130 billion.

- **Gaza is rich in recently discovered natural gas and oil.** Is this why western leaders give Israel free reign to kill and displace Palestinians and take administrative control of Gaza? All in times when Europe coincidentally suffers from gas starvation.
- **Israel is reportedly developing a biological weapon that would harm Arabs while leaving Jews unaffected**, according to a report in London's Sunday Times. The report, citing Israeli military and western intelligence sources, says that scientists are trying to identify distinctive genes carried by Arabs to create a genetically modified bacterium or virus. The "ethno-bomb" is reportedly Israel's response to the threat that Iraq may be just weeks away from completing its own biological weapons. The "ethno-bomb" program is based at Israel's Nes Tziyona research facility. Scientists are trying to use viruses and bacteria to alter DNA inside living cells and attack only those cells bearing Arabic genes. The task is very complex because both Arabs and Jews are Semitic peoples. But according to the report, the Israelis have succeeded in isolating particular characteristics.. - **When talking about the Jews:** There's the Jewish people who inherited the title by race; there are Jews who reverence the Jewish Religion; there's the controlling Italian families who are Zionist Orsini Tuscan Jews; there's the Vatican who dress up as Catholics, but are Zionist Jews, while George Soros pretends to be Catholic but is a Hungarian Zionist Jew and there's the evil Talmudic Jews Khazarian Mafioso who hijacked the Jewish religion.
- **When talking about Israel** which was founded by those Zionists Jews with help of the Rothschilds, we find ourselves in the US tax system of all things. Woodrow Wilson sold America to those Zionist Bankers by creating the Federal Reserve Bank and was an architect of what was now the UN. Then there's the IRS which was not a US Government agency, but a debt collecting agency for the International Monetary Fund and that's how the Ashkenazi Jews Khazarian Mafia Control America: **Revelation 2:9:** "I know thy

works, and tribulation, and poverty and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.”

- **When talking about the Israeli-Palestinian War** there’s the Israeli Mossad Chief and Director for the CIA who were behind the present Israeli-Palestinian war and were desperately trying to make it into World War III – with the help of Bibi Netanyahu of all people. Netanyahu actually told his troops to stand down and invited Hamas into his country – so where do you think he’s coming from? Well, it’s the same place where the CIA and Mossad are sitting – to make money off both sides of a war. After all, they have to get it from somewhere since the Global Currency Reset was taking the US Taxpayer dollars away from those in the Deep State.

For every \$1 they made off the DTP vaccine, they were losing \$20 to injury lawsuits. So Wyeth (now Pfizer) went to the Reagan White House and demanded liability protections with the threat of getting out of the vaccine business. President Reagan asked Wyeth why they couldn't make safer vaccines. Wyeth answered that they couldn't because vaccines are “unavoidably unsafe. If you could get your vaccine onto the CDC mandatory schedule it's worth about a billion dollars in profit to your company for every vaccine every year. The 1986 Vaccine Injury Act was then signed, which turned vaccines into a "dream product." Here's why:
 - #1 - There's no liability, therefore no incentive to perform safety testing.
 - #2 - No liability means no injury lawsuits, which means big savings for the vaccine manufacturers.
 - #3 - The need for advertising and marketing is also eliminated because the products are mandated for kids to go to school.

O. Sat. 11 Nov. Exposed: The Secret Dominion of the Rothschilds, Rockefellers, and Morgans, Fulford

- **Prepare to uncover the startling reality behind the world's most influential families** and their immense control over the global economy. The Federal Reserve Cartel, consisting of the Rothschilds, Rockefellers, and Morgans, wields unprecedented power that extends well beyond the realm of oil.
- **Imagine this: The Four Horsemen of Banking, including Bank of America, JP Morgan Chase, Citigroup, and Wells Fargo,** unite with the Four Horsemen of Oil, such as Exxon Mobil, Royal Dutch/Shell, BP, and Chevron Texaco. Yet, their dominion

doesn't stop there. Through an intricate web of private banks, they have expanded their influence to encompass the music industry. These colossal entities, along with Deutsche Bank, BNP, Barclays, and other European old money giants, hold the reins of the music industry, allowing them to shape its trajectory and exert their influence.

- **The Machiavellian machinations of the Rockefeller dynasty** reach far and wide, commencing with their commercialization of music in the early 1900s. They orchestrated a sinister plot to shift the world's standard tuning of music to 440 pitch. This insidious frequency was known to provoke heightened aggression, psychosocial agitation, emotional distress, and even physical ailments. Behind closed doors, this manipulation resulted in financial gains for those complicit in the monopoly, including agents, agencies, and companies associated with the North American Rockefeller crime cartel and influential organizations.
- **Fast forward to the late 1980s when the Rockefellers** summoned top music executives and artists to a highly clandestine meeting in Los Angeles. Their sinister agenda? To usher in the era of Controlled Rap Music, intricately linked to the privatization of U.S. prisons. These privately owned prisons, operated by the Rockefellers, Rothschilds, Bush family, and other influential figures, served as money laundering operations, tax exemption schemes, and pyramid scheme enterprises.
- **Crafting a deceitful plan, the Rockefellers** aimed to control the rap industry and target black communities by promoting violent music that fueled oppression and civil unrest. They brought together leading executives and prominent black artists, binding them with strict confidentiality agreements. Their objective was clear: orchestrate violence within the rap music movement while major record labels secured exclusive rights for production and distribution across the United States. In return, they would receive shares and points within the private prison systems.
- **The Masonic scheme unfolded with precision, resulting in over 1,500 private prison systems incarcerating more than 1 million black teenagers by 1990.** These vulnerable youths, expressing the generational trauma imposed upon them, unknowingly contributed to the Rockefellers' malevolent plan. The private prison systems reaped billions annually from the government, establishing an extensive money laundering network through inflated products, such as ramen noodles priced at 8 times their actual value. The flow of hundreds of billions from government funding, pyramid schemes, and insurance companies transformed prison privatization into a multi-trillion-dollar enterprise.
- **Local courts and judges mercilessly sentenced petty criminals** and first-time offenders, filling the expanding private prisons. Consequently, the United States holds the unfortunate record for the highest number of incarcerated individuals in the world, with an unprecedented number of prisons. This was not a coincidence—it was a meticulously orchestrated plan by the Rockefellers.
- **But their influence doesn't stop there.** As the true faces of those who wield global authority are revealed, the Rothschilds and Rockefellers find themselves targeted by

military alliance operations aiming to dismantle the Rothschilds' deep state power in Europe, the UK, Russia, and China

S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

T. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

U. Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

V. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

W. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing*

truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
