Judy Note: A **Global Economic collapse was on it's way** after the largest bank in the World, the UBS Bank of Switzerland, collapsed on **Friday 24 Nov**, and fiat World currencies combined with the Bond Market to make that market collapse this **past weekend**. Presently Germany holds up the Euro, so once it joins BRICS, which it has applied to do, the whole Euro will collapse and those countries will go back to their own currencies. Also affecting the Market were US Government Bonds that became worthless a week prior on **Sun. 19 Nov**, leaving the US Federal

Reserve with no monies. Any bank not ISO20022 compliant by that same **Sun. 19 Nov.** was going to be put out of business, allowing banks to begin to fail Worldwide **last week**. ... Yet no Mainstream Media has yet found time to report on the drastic changes in the financial system across the Globe.

- **All the while the Deep State Cabal** was trying to start a World War III by involving the US and Chinese in the Middle East conflict so they could activate their “Great Reset” of non-asset/backed Digital Currencies they intended to use for control of the population.
- **White Hats to the Rescue: Roundup and arrests of major Mainstream Media personalities** was believed to be underway. JAG had well prepared for the mass arrests by opening a new 200 cell penitentiary on Marine Corps Base Camp Blaz in Guam. The prison was designed just for Media types who deceived Americans into believing that Joseph R. Biden legitimately won the US Presidency. Among the 200 on the arrest list destined to take a one way trip to Guam to face a Military Tribunal were Oprah Winfrey, Jimmy Kimmel, Whoopi Goldberg, Joy Behar, Rachel Madow, Jim Acosta, Chris Wallace, Savannah Guthrie, Kaitlan Collins and Arie Melber. A. What To Look For With Implementation of the Quantum System: [UPDATE! The Quantum Revolution: Q Phones, Fraud-Free Voting, Medbeds, GESARA Debt Cancellation! | Alternative | Before It's News \(beforeitsnews.com\)](#)

- **Over one hundred and seventy thousand sealed criminal reports** lie in wait, their content explosive, their targets undisclosed. Some have already been executed, and many more are expected to follow.
- **The formidable Quantum Computer System** is capable of assigning a unique digital identifier to every piece of fiat currency—be it dollar, euro, or yen—and vigilantly monitors the ebb and flow of money with a hawk’s eye. Bankers misusing the system will be arrested.
- **All major companies will go bankrupt.** A total of 1,700 companies in general will go bankrupt in the next 1-2 years. Rakuten, Softbank, NTT Docomo, as well as companies affiliated with Zaibatsu, such as Mitsubishi, Mitsui, Sumitomo, and Yasuda, as well as Toyota, Honda, and others.
- **In the future wealthy individuals will support the economy through currency revaluation.** Citizens will receive a UBI (Universal Basic Income: Minimum Income Guarantee System) of 245,000 yen per person per month, but in Japan, this amount is around 30 quintillion, so there is no problem.
- **Under the direction of the US military,** 120 million Q phones were manufactured by a Japanese manufacturer (SHARP). Distribution will be done by postal services.
- **In the future, a fraud-free QVS (Quantum Voting System) will be implemented using [Q phones, and Medbed usage information will also be included.](#)**
- **The only connection to Starlink** is AU, and KDDI has a contract with SpaceX. NTT sold its own radio tower for 100 billion yen and started transforming its business into areas such as real estate.
- **The QFS (Quantum Financial System) is only connected to Japan Post Bank and Mizuho Bank.** The remaining financial institutions will come under its purview. However, about half of them will be eliminated. Personal account books from other banks will be transferred.
- **The virtual currency that is the source of funds for the Cabal such as Bitcoin,** will disappear after the collapse.
- **As for healthcare, hospitals will no longer be needed** after the use of Medbed. However, specialists in DNA, rehabilitation therapists, massage therapists,

acupuncturists, etc., will be needed. What we won't need are hospitals, doctors, and nurses. [The Med Bed Revolution: Transform Your Age with the DNA Replicator and Restorator!](#)

- **At the end of November, Trump will sign GESARA in Switzerland.** GESARA is led by the BRICS. The United States eventually joined, and Japan has already joined. The number one holder of US debt is China, followed by Japan. From now on, I will sell and criticize. Shoichi Nakagawa was drugged for his comments on the sale of US bonds and was excluded after a drunken press conference. With GESARA, debts will be canceled, and most taxes will be abolished and refunded.

B. Make America Great Again (MAGA):

- **MAGA isn't homophobic, xenophobic or transphobic.** We aren't racist, prejudice or sexist. We don't care who you date marry or have sex with. We won't hunt you down, scream & yell at you while eating dinner. We won't take to the streets cause a riot burn the place to the ground & loot stores of their belongings. We will not force our beliefs on you, nor will we try to make you conform, to anything. We will not tell you how to raise your children & we will never indoctrinate them. We want everyone to live their lives as they see fit. We will not tell you what car to drive, what appliance to use or how to heat your home. We are not evil. We are American loving extremely patriotic citizens who want the gov't out of our lives and God in it. We want a Justice system that is fair to all. We want a gov't that works for the people, not against us. We want our tax dollars to better America not other countries. We want a safe and secure border. We want an honest gov't. We want our freedom. We want our country back!

- **Posted Sat. 25 Nov. Texas Snake:** “I was included on an international call from several countries all over the world including US cities of NYC, Reno, Miami, plus Zurich, Hong Kong, and Iraq. All the money reorganization to be introduced to the citizens **this**

week and the CBI wanted this nation to announce our new currency in conjunction with them but if not then the CBI and Iraq would RV on their own. Please realize folks we cannot have two US currencies at the same time, how do they cover this situation? They create a meltdown in banking and securities markets and suspend trading and access to your funds, then they announce the return to asset backed currencies and direct you to take the currency in your position to your bank to exchange for the new Treasury backed currency and we foreign currency holders will be exchanging at the same time.”

- **Sat. 25 Nov. Rubix Q 777:** ABSA Bank in South Africa linked to Barclays of England has said that all banks in South Africa will be closing down and all currencies will be 1:1. ABSA also acknowledged that the Quantum Financial System will be launching soon in South Africa.

- **In 2021 a team headed by Dr. Charlie Ward took 650 plane loads of gold** from the 1500 mile tunnel that runs from deep beneath Vatican City to Jerusalem and placed back with it's rightful owners, mainly the new US Treasury near Reno Nevada. The tunnel runs almost in a direct line to Jerusalem. The actual direct flight distance is 1,432.90 miles (2,306.03 kms). The length of the tunnel was given as approximately 1,500 miles, so it cuts through underneath both land and water.

- **RE Patterson:** The Fulford Report said that the Biden Administration offered California to China for money to keep the USA Corp. going. China turned them down. CIA and Russian sources said the US Aircraft Carriers in the Persian Gulf area have skeleton crews and the plan is to have an Israeli underwater drone destroy one of the Carriers and have Iran blamed. He said aircraft carriers at this point are white elephants and have no military value and are sitting ducks. They are expensive to run so the plan is to blow them up. Israel will likely become a Turkish protectorate. The Japanese military sources he has say North and South Korea will be re-united and Taiwan and China will be re-united. He believes the head of WHO will be arrested instead of imposing a world dictatorship.
- **Dr. Jan Halper holds dual UK and US DOD Security Clearances and has a Military Contact who feeds her information.** Her contact confirmed that there was a Global Military Alliance being spearheaded by Space Force. Court Martials Include Civilians:** [EO13825—2018 Amendments - Manual for Courts-Martial, Now Includes Civilians - They Are All Going Down! \(justonefocus.org\)](#) **When Donald Trump became President he, through a team of advisors, adjusted the Manual for Courts Martial to the extent where everything the Black Hats were doing from the top down was a crime and if they repeated it they could be charged and if found guilty, executed.** While the Trump team and military went to work dismantling the Deep State, the Cabal, they all continued to commit the same crimes, which means that under the new rules they can charge everyone who needs

to be charged. This also includes civilians who were previously excluded. If you have been following transcripts of those who have been charged under Martial Law be it on Naval vessels offshore or elsewhere you will have noticed that the indictments are unsealed in the courtroom, charges read out, the defendant has an opportunity to defend themselves and if found guilty are executed almost immediately. For those Australians who believe this has nothing to do with us, remember, YOU turned our government into a corporation, enjoyed all its benefits. As a result of your treasonous actions the US now controls Australia and Australian civilians are now subject to the revised Manual for Courts Martial. They are ALL for the high jump, ALL of them. These next few weeks and months will be excruciating as the White Hats will make sure they get absolutely everybody.

Hold on tight, because a whirlwind of events is about to unfold, and it's set to rock the world like never before. Stay on high alert as the truth emerges from the shadows.

Countless undocumented stories of Saddam's atrocities and lies about his WMD's were used as justification. Follow the money. What was the financial benefit for the illegal invasion? Saddam Hussein decided to sell Iraqi oil using the EU currency, not the US dollar which would have weakened the US dollar and undermined the US economy. That is the unpublicized reason for the brutal elimination of Saddam Hussein. The theft and control of Iraqi oil also played a large role.

That, I'm 100% confident on. Exactly who did what, we make our best guess based on all the information we have. We name the shooters. We name the positions the shooters were in. - **Companies still in business that supported and made money off of Hitler's Nazi Germany:** Most companies operating in Nazi Germany had to have some sort of arrangement to survive. But some went out of their way to please the government or take advantage of its murderous policies. Shockingly, many of them were not even German. Here are just some of the companies that collaborated with the Nazis. All of them are still in business today: IBM equipment tracked Jews for arrest so they could be sent to Death Camps; Porsche produced Volkswagen Beetle that financed Hitler's War effort; Chase Bank made millions for Hitler and froze Jewish accounts; Bayer used slave labor while producing the poisonous gas used in gas chambers and performed medical experiments on Nazi slaves in the Death Camps; Siemens built the Concentration Camps; Ford did a booming business for the Third Reich and used slave labor in factories; Hugo Boss made Nazi uniforms.

Know your rights and know the law.
- **A secret phone surveillance program Data Analytical Services (DAS), is spying on millions of Americans.** How the government is able to track your every call and invade your privacy. Imagine that every time you make a phone call, someone is listening in and recording your conversation. They also track who you are talking to, when, where and for how long. And they don't stop there. They also monitor the calls of the people you talk to, the people they talk to and so on. This is a reality for millions of Americans who use AT&T's phone network. According to a letter obtained by WIRED, a little-known surveillance program called Data Analytical Services (DAS) has been secretly collecting and analyzing more than a trillion domestic phone records within the U.S. each year. The program, which was formerly known as Hemisphere, is run by the telecom giant AT&T in coordination with federal, state and local law enforcement agencies.
- **The FBI found more than 20,000 images on CD's, hard drives and photos stored in closets & drawers, along with depositions, journals, e-mails, and flight-logs, when searching Jeffrey Epstein's \$17 million Manhattan home.** Imagine the damaging evidence they found in his OTHER 6 homes? It's ALL been sealed since 2019. The FBI won't investigate their OWN COVER-UP'S. They protect the GUILTY. quarterly accounting filed by executors Darren Indyke and Richard Kahn.

More insights from Dr. Makis: “Turbo cancers” are decimating young doctors. Fitness enthusiasts, not just athletes, are dying suddenly.

- **Sun. 26 Nov. Thousands of Pro-Palestine protestors** are occupying the Manhattan Bridge, bringing traffic to a halt and forcing shutdown in New York City.
- **Four Day Peace Treaty:** Qatar's Foreign Ministry announced Wednesday that Hamas and Israel had agreed a four-day "humanitarian pause" in the month-and-a-half long Gaza conflict. Within hours, US media reported on the Biden team's heroic "secret" role in helping to secure the truce. But that's not the way things really went

down, says Qatar-based academic Mehran Kamrava. Hamas and Israel each confirmed in the early hours of Wednesday morning that a humanitarian pause and prisoner exchange deal had been reached. The surprise agreement, made possible thanks to behind-the-scenes mediation led by Qatar, is expected to include the exchange of 50 Israeli hostages (all of them women and children) and up to 150 Palestinian women, children and teenagers held in Israeli jails. The halt in hostilities is expected to start Thursday morning at 6:30 am local time, with Qatari officials saying the four-day truce could be extended. The deal will allow the delivery of hundreds of trucks-worth of humanitarian and medical aid and fuel to the besieged Gaza Strip, and should see the complete suspension of Israeli military flights over its southern areas and restrictions on flights over the north.

N. Thurs. 23 Nov. Thanksgiving Day Message 2023, By Tom Fairbanks (ISA) Community Support Foundation

- **On this Thanksgiving Day**, I need to let all of you, who shall remain unnamed in this communication, how thankful I am to Our Father, God, and His Son, Jesus Christ, for their watchful and protective care, not only for me but the thousands of you Committed Patriots, who like Ken and Barbara Cromar, the Bundy family, and Countless Others, have pledged their Lives, Fortunes, and Sacred Honor, to Protect and Defend the Constitution from enemies Foreign and Domestic.
- **The sacrifices** have been great and the burdens upon their families has been staggering, but faithfully they have remained true to themselves and the covenants they made with Our Father and His Son, who gave the ultimate sacrifice for us. His sacrifice, as well as ours, will not be in vain. For Our Father and His Son’s plan shall prevail against that usurper and great deceiver, who sought to dethrone Our Father and to destroy the plan for our salvation. Remember, remember this is the battle between Good and evil and we chose to be here.

O. I want to share the thoughts of Red Skelton on this day of thanks: **Red Skelton's Pledge of Allegiance:** <https://beforeitsnews.com/crime-all-stars/2023/11/thanksgiving-day-message-2023-2495303.html>

- **Red Skelton**, one of America's best-loved comedians, has recited his version of the Pledge of Allegiance on numerous occasions. You can also find it on YouTube at: <https://www.youtube.com/watch?v=i0qBzBSK52>
- **We had just finished reciting the Pledge of Allegiance**, and he [Mr. Lasswell, the Principal of Vincennes High School] called us all together, and he says, "Uh, boys and girls, I have been listening to you recite the Pledge of Allegiance all semester, and it seems that it has become monotonous to you. Or, could it be, you do not understand the meaning of each word? If I may, I would like to recite the pledge, and give you a definition for each word:

I—meaning me, an individual, a committee of one.

Pledge—dedicate all of my worldly goods to give without self pity.

Allegiance—my love and my devotion.

To the Flag—our standard, Old Glory, a symbol of freedom. Wherever she waves, there is respect because your loyalty has given her a dignity that shouts freedom is everybody's job.

Of the United—that means that we have all come together.

States Of America—individual communities that have united into 48 great states. 48 individual communities with pride and dignity and purpose, all divided with imaginary boundaries, yet united to a common cause, and that's love of country.

And to the Republic—a republic, a state in which sovereign power is invested in representatives chosen by the people to govern. And government is the people and it's from the people to the leaders, not from the leaders to the people.

For which it stands!

One nation—meaning, so blessed by God.

Indivisible—incapable of being divided.

With Liberty—which is freedom and the right of power to live one's life without threats or fear or any sort of retaliation.

And justice—The principle and quality of dealing fairly with others.

For all.—which means, boys and girls, it's as much your country as it is mine".

- **Now let me hear you recite the Pledge of Allegiance:** I pledge allegiance to the Flag of the United States of America, and to the Republic, for which it stands; one nation, indivisible, with liberty and justice for all. Since I was a small boy, two states have been added to our country, and two words have been added to the Pledge of Allegiance: Under God. Wouldn't it be a pity if someone said, "That is a prayer" — and that be eliminated from our schools, too?
- **Sadly, his concern about prayer came to pass and the Pledge of Allegiance,** along with God, truth and light, were removed from our schools and everywhere else. Just like the children of Israel, when Moses went up to the mountain to receive the fullness of the Gospel, we turned away from the light back to idolatry and to the practices of a false god.
- **Enough has been enough** and it's time to cast Satan and his minions out. Hold on, the best is yet to come. Where we go one, we go all and Nothing can stop what is happening!
- **Happy Thanksgiving** Tom Fairbanks, Intelligence Support Activity (ISA), Community Health Advocate, Community Support Foundation

Q. New Benjamin Fulford: Satan has Been Defeated and Now his Minions are Being Rounded Up: [New Benjamin Fulford: Satan has Been Defeated and Now his Minions are Being Rounded Up | Prophecy | Before It's News \(beforeitsnews.com\)](http://beforeitsnews.com/new-benjamin-fulford-satan-has-been-defeated-and-now-his-minions-are-being-rounded-up/)

- **When Asian secret societies first approached me in 2006 they gave me a hand-drawn chart of their power structure.** At the top is the star of Satan (misleadingly called the Star of David) and directly underneath you find Switzerland and the Federal Reserve Board. The Babylonian god-king at the top of this structure was David Rockefeller. Under his direct control, you see Japan, Mexico, Canada, Africa, America, Iran, Greece, England, Russia and Mongolia.
- **On the left side, you see Queen Elizabeth** and the European Commission (now the EU). Beneath her, you find the City of London and something called properties (presumably Crown land including most of Australia and Canada). On the right, you see France and hanging next to it the Fortune 500.
- **What you do not find under their control is Germany** (then headed by Fuhrer George Bush Sr.). You also do not find the Middle Eastern Monarchies like Saudi Arabia, China, ASEAN and South America under their control.
- **Ok, so now let us zoom forward to 2023 and see what has happened. England under Queen Elizabeth split off, hence Brexit.** Since her consort Philip was the monarch of Denmark and Greece, they also split off. Even though Elizabeth was murdered, England,

Ireland and Scotland are now under the control of someone loyal to her spirit. It is not the fake King Charles III. This individual says he will make a public appearance in the New Year.

- **France has also split off.** It is now under the control of Pierre De Gaulle, the grandson of Charles De Gaulle. At the Saint Petersburg Forum, De Gaulle raised the possibility of France joining the BRICS. Russian President Vladimir Putin said that if France presented its candidacy, he would consider it. <https://www.voltairenet.org/article220008.html>
- **Russia, of course, also split off when Czarists** loyal to the Orthodox Church killed 200 Satanist oligarchs and exiled many others before placing the Avatar Vladimir Putin in charge.
- **Africa has also split off**, which is why almost nobody submitted to vaccinations on that continent. The Russians have been providing military support for newly independent African countries. The Chinese have provided economic support. The British Commonwealth African countries are also independent.
- **Next, let us look at Germany. After George Bush Sr. and most of his family were executed for treason**, the new Fuhrer became, according to the elders of the Black Sun Organization, Elon Musk. Donald Trump (the real one, not the fake one), is allied with this group.
- **Japan and the Korean Peninsula** are now a battleground with the Rockefeller clan fighting (and losing) a rear-guard action to stay in control.
- **So, that leaves David Rockefeller Jr.** an inheritance that now consists of the United States Corporation under the fake President Joe Biden, Canada under Castrudeau and many of the Fortune 500 companies. His politburo is the Swiss-based Octagon group. Politburo member Klaus Schwab Rothschild may have been trying to oust Jr. with his “great reset” plan. He failed.
- **In other words, much of the news events of the past several years can be seen as the Rockefeller clan fighting to stay in power.** This is why the first thing they did when they stole the 2020 election was cancel the Keystone pipeline to stop the US from buying non-Rockefeller oil from Canada. They also blew up the Nordstream II pipeline in order to force the Europeans to buy Rockefeller oil and gas at twice the Russian price.
- **Now it turns out one of the big reasons** for the ongoing genocide in Gaza is to secure the huge gas reserves found there. The map above illustrates this.
- **Nonetheless**, despite impoverishing the Americans and Europeans to stay in power, the Rockefellers are still facing bankruptcy.
- **As Kim.com points out “Russia, the most sanctioned country in the world ends 2023 with a \$75 billion profit...The US, the most indebted country in the world will end 2023 with a loss of \$2 trillion.”**
- **Last week the Rockefellers** hoped to stay in business by offering the Chinese pretty much anything they wanted in exchange for more money. They offered California to the Chinese and lined the streets of San Francisco with Chinese flags saying, “Oh look, San

Francisco turned into China for President Xi's arrival. Finally revealing its' true colors." However, if you look at the expression of Rockefeller bagman Anthony Blinken after talks with his Chinese counterparts, you can see sheer terror. We asked Asian Secret Society sources what they told him and they said

S. Thurs. 23 Nov. Ben Fulford Report:

- What is happening is that a centuries-old Satanic plan to use three world wars to turn the planet into a giant slave plantation has ended in failure. The Khazarian Mafia hoped to use this plan to rule the world from Israel and greater Khazaria (Ukraine+Khazakhstan etc.). Instead, as we shall see below, the KM have been decisively defeated in the Ukraine and will soon be in Israel.
- "Ukraine is an essential piece that we cannot afford to lose on the geopolitical chessboard...our current path...means that our global order is dead on its' feet," admits Nathaniel Rothschild who has taken over the KM now that much of the Octagon group has been neutralized.

- The defeat of this plan means many borders may return to a situation similar to what existed before the KM engineered World War I, the sources say.
- In other words, Germany will return to something of its' First Reich borders, the Austro-Hungarian Empire may re-emerge as a republic and the Turkish Ottoman Empire may once again turn Judea (misleadingly called Palestine or Israel) into a protectorate. Needless the say the rights and autonomy of the Poles, Jews and Judeans ("Palestinians"), etc. would be protected under such a scenario.
- However, the changes may be more far-reaching than that because the satanic UNITED STATES OF AMERICA CORPORATION is set to be dismantled as a result of the victory of the American people in their second revolution. The Republic of the United States of North America is likely to emerge as a replacement for the corporation when all the dust settles.
- This may all sound far-fetched but facts in the real world make this the most likely scenario.
- The Jews know their own government attacked them to justify war in the Gaza Strip. Also, now even Jewish holocaust survivors are getting arrested for antisemitism [anti-satanism]. Haaretz, a major mainstream Israeli Newspaper said:
Prime Minister Benjamin Netanyahu, who is meant to be leading the country, is a haunted politician facing the end of his career, with the present troubles compounding the serious criminal entanglement into which he maneuvered himself with his own hands. Netanyahu does not enjoy the public's confidence, and most of his efforts are invested in his personal survival.
- Last week leaders of all the Muslim countries gathered in response to the Satanic massacre of Judeans in Gaza ordered by the Satanist Netanyahu.
- At the meeting of the Organization of Islamic Cooperation (IOC) in Saudi Arabia last weekend a consensus was reached to end Israeli mischief once and for all. The IOC countries agreed they would not be fooled by the KM into starting World War III. Instead, they will follow the playbook of the neighbors of the original Khazaria.
- The IOC will issue an ultimatum to Israel and its' KM overlords to stop their criminal and anti-social behavior around the world. They will threaten to attack Israel with an army of over 5 million that outnumbers them by 10 to 1 unless they arrest the war criminals in their government and subject themselves to Turkish guardianship.
- This is why Tass reports Turkish President Recep Tayyip Erdogan is planning a "global initiative" to resolve the Gaza crisis.
- Rockefeller slave Anthony Blinken gets the cold shoulder in Turkey as he tries to forestall this move. The current US regime has no credibility in the region.
- Furthermore, any nuclear blackmail attempt by the Israelis will be countered by Pakistan's nuclear arsenal.
- No matter what though, this is not going to turn into the KM's long-planned Gog (the G7) versus Magog (The SCO) all-out nuclear war scenario to kill 90% of humanity. The US, Chinese and Russian militaries will not go along. The US military is no longer under the control of the KM, Pentagon sources explain. Even if compromised leaders try to order such a scenario, 72% of Americans say they will not support their armed forces in the event of a major war.

V. David Wilcock, For the coming days ahead:

Ask yourself an honest question, why would a billionaire who has it all, fame, fortune, a warm and loving family, friends, etc. want to endanger himself and his family by becoming POTUS? Why would he want to target himself and those he cares about?
Does he need money?
Does he need fame?
What does he get out of this?
Does he want to make the US/world a better place for his family and for those good and decent people who have long been taken advantage of?
Perhaps he could not stomach the thought of mass murders occurring to satisfy Moloch?
Perhaps he could not stomach the thought of children being kidnapped, drugged, and raped while leaders/law enforcement of the world turn a blind eye.
Perhaps he was tired of seeing how certain races/countries were being constantly abused and kept in need/poor/and suffering all for a specific purpose.
Perhaps he could not in good conscious see the world burn.
Why, hours after the election, did seven people travel to an undisclosed location to hold a very private & highly secured/guarded meeting?
Why didn't HRC give a concession speech?
When was the last time a presidential candidate didn't personally give a concession speech?
What happens if the border remained open and the MSM continued to brainwash?
At what point do Patriots, and hard working men and woman, become the minority?
What about voting machines?
Who owns the voting machines?
What about voter ID laws?
Photo ID? When is it necessary and must be presented? Make a list. Laugh.
Reconcile.
Would the chances of defeating evil grow less and less with each passing year?
What does 'red line' mean?
Why, again, were the arrests made in SA so very important?
What strings were immediately cut?
Follow the money.
When does a bird sing?

X. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Y. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. **RAW: Dr. Colin Ross – Robert David Steele**

Z. Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

ZZ. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

ZZZ. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working

with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
