Judy Note: *The Storm is upon us, and we are grateful that we can celebrate the glorious birth of Jesus Christ and enjoy the love He brought to this Earth. We are grateful we can participate in the greatest transfer of wealth that the World has ever known. We are grateful for the brave men and women of the Global Alliance Military who were cleaning our planet from abuses of the Cabal and thus made the Global Currency Reset and changeover to free Republics of the World, possible. We are grateful we can join in the fight with our weapon of choice, the Truth. The Time is Now. The Clock is Ticking.*

A. Global Currency Reset: On Fri. night 8 Dec. the GCR started to roll out when the Admiral in Reno gave the Green Light; Zurich went liquid on **Sun. 10 Dec** and Whales were being paid; the IMF released the GCR funds to all countries a week later on **Sun. 17 Dec**; the Iraqi Dinar was on the back screens of the Forex and was tradable. **As of this week** US banks had live rates on their bank screens. Everything was done. Everyone was just waiting for the Green Light.

B. Global Financial Collapse:

- **Croatian MEP, Mislav Kolakušić exposes the WEF's 'Great Reset' agenda, in the EU parliament:** "There is no greater danger to the rule of law, democracy and the free market than this sect... - **Mike Cristo8 on Telegram:** Why were China-Russia-Iran using gold? To collapse the U.S. Dollar as a global trade settlement (payments). It's the transition away from the King dollar as the basis for the NEW monetary system and trade payment. This is a Global transition away from the King Dollar toward Gold for Forex Reserves, meaning central bank savings accounts and trade settlement payment (balance of payments). The U.S. Treasury manipulates exchange rates of poor countries to create this artificial demand more dollars (credit). You collapse the demand for Dollars in global balance of payments, You collapse the Globalists power

C. Restored Republic:

- **A Storm Is Coming:** Military Insiders Prepare to Unleash "Sky Blue" Ops Against The Shadow Government
- **A secret battle between good and evil** is raging behind the scenes for the soul of American democracy. Rogue intelligence elements and military contractors have exploited National Security operations to illegally siphon unfathomable sums into undisclosed black budget programs for decades, subverting Constitutional checks and balances. But the days of this secretive "Deep State Cabal" may finally be numbered.
- **Ever since President Kennedy's assassination** - potentially tied to his realization the CIA had spun dangerously out of control - a cryptic alliance has fought tirelessly to uphold JFK's unfinished legacy from the shadows. This quiet defense has intensified behind a new vanguard under President Trump, himself long aware of the existence of UFO and advanced technologies sequestered from public view.
- **But Trump's Executive Order to declassify the JFK files** appears to have drawn the Cabal dangerously out of hiding. Mere weeks later, beloved champion of truth John F. Kennedy Jr. tragically died in an all-too-mysterious plane crash eerily reminiscent of dark Deep State tactics.
- **Yet now, Military sources confirm Trump has activated the enigmatic "Sky Blue" contingency plan** aimed squarely at the black heart of this corrupt leviathan once and for all. By formally declaring this organized crime syndicate as felony racketeers under hard-hitting RICO laws meant for the Mafia, all roads lead inexorably towards military arrests and trials at GITMO when these ruthless traitors are finally flushed from the shadows.
- **With the stage set, Trump's Secret Service code name "Mogul" affirms his solemn vow to see this secret criminal enterprise dismantled under his watch**, while Melania's iconic "Tiffany Blue" inauguration ensemble secretly honored the fallen JFK's own righteous crusade. From the SPY op Q group formed after JFK Jr's untimely demise to the continuity of Trump's stormy Presidency, could the aggregate "Sky Blue" military operations now closing in on Satanic Cabal leaders explain the rash of Generals surrounding an ostensible political outsider?
- **Fulford: So what have the "Conspiracy Theorists" gotten right so far:**
 - 1) No Weapons of Mass Destruction in Iraq
 - 2) Hillary Stole the primary from Bernie
 - 3) No Russian Collusion
 - 4) Covid was complete bullshit
 - 5) The Vaccine didn't work
 - 6) Everyone is connected to Jeffery Epstein
 - 7) JFK was an inside job
 - 8) J6 was a intelligence operation
 - 9) BLM was a Marxist front
 - 10) Cancel Cultural was Corporate driven
 - 11) Smollet was a fraud

12) Obama spied on Trump

13) Assad didn't gas his own people

So we were right about all of this but we are completely wrong about the 2020 election being rigged and stolen! Gotcha!

D. Christmas Day Message 2023, Tom Fairbanks: <https://www.rumormillnews.com/cgi-bin/forum.cgi?read=234062> <https://beforeitsnews.com/crime-all-stars/2023/12/christmas-day-message-2023-2495336.html>

As we approach Christmas day with a realization that our anticipated expectations have still been left unfulfilled, let us take a moment to consider the good things that have come to us over this last year. I personally thank God that I am still standing, free, breathing-in-and-out, much to the consternation of those who seek to silence me. His (God's) protection has been miraculously present with me on a daily basis. While others, like Ken Cromar, Ammon Bundy, the January 6ers, President Donald J. Trump, and countless others, have sacrificed their lives, fortunes, and sacred honor, in this great cause of liberty and justice for all.

Sacrifice is defined as "the act of giving up something valued for the sake of something else more important or worthy." Sacrifice can come in many forms and most often it is less than convenient. I have often been reminded that our covenant with the Lord to sacrifice and surrender our will to His, along with the dedication of our lives to the building up His kingdom, and serving His children can only result in a sacrifice that brings forth the blessings of heaven. – Thus, a life of sacrifice is worth living.

Jill Jackson-Miller, who had been suicidal after the failure of her marriage to screenwriter Felix Jackson, in 1955 Jill with her husband, Sy Miller, wrote "*Let There Be Peace On Earth*" after discovering what Jill called the "life-saving joy of God's peace and unconditional love."

Their song is performed worldwide throughout the year, and particularly during the Christmas season, which has led to it being considered a Christmas song. It is included in the hymnals of a variety of Christian denominations, and is used in worship services all across the world. - I leave this message with you as a reminder of our obligation to one another in this holiday message.

Let there be peace on earth
And let it begin with me.
Let there be peace on earth
The peace that was meant to be.
With God as our father
Brothers all are we.
Let me walk with my brother
In perfect harmony.

Let peace begin with me
Let this be the moment now.
With ev'ry step I take

Let this be my solemn vow.
To take each moment
And live each moment
With peace eternally.

I wish you all a Merry Christmas and a most prosperous new year. Victory is closer than you think (wink).

E. Sat. 23 2023 Merry Christmas Thank You Letter from Patriot Ken Cromar of “Barbie & Ken. vs. Goliath IRS” Case, who has had his home and all his possessions stolen by IRS SWAT Teams and been sitting in jail for 118 days without committing a crime:

Dear Friends, Family, and all We The People,

Merry Christmas, as I write to you from my jail cell!

Thanks to all who have been following our Barbie and Ken vs Goliath IRS story, and have prayed for our safety and success against the most feared, powerful, and dangerous collection agency in the history of the world. Your prayers for us are working! Against all odds miracles are happening.

UPDATE: On Christmas day it will be 118 days since an 11 man FBI SWAT kidnapped me in Thayne, Wyoming and without an extradition hearing transported me to the U.S. District Court in Salt Lake City in chains and shackles, falsely claiming criminal charges and requiring I be held in jail until trial because, "Cromar is a danger to the public", despite not one person EVER claiming I had ever physically hurt or threatened anyone or ever even carried a weapon -- NEVER--! No judge or prosecutor should ever be allowed to take office until they themselves have been booked into a jail, strip-searched, put in maximum security for three days, had to eat bad food, suffer the abuse of the guards, and the indignity of sharing a common toilet with 12 with no privacy. Then and only then after two to four weeks of understanding "justice" should they be allowed to take office.

The prosecution has delayed and prolonged a "speedy trial" with a 47 day delay in providing discovery! And more recently, the U.S.A. prosecutor has blown off our Writ of Mandamus with a response that is pure deceit and "pathetic B.S." We demanded that their secret Grand Jury transcripts and audio be provided to us, as is our right, to determine if they even held one. Just yesterday we filed our reply to their "B.S." saying that "if you don't provide the evidence proving that actually convened a lawful Grand Jury, then by law it is VOID and the court is asked to DISMISS the case with prejudice." That filing is attached for your reading entertainment.

Secondly, we also filed an important Motion to Dismiss with my accompanying sworn affidavit on December 4th. The USA Prosecutor RESPONDED With another bogus, pathetic attempt to blow us off, completely ignoring the facts and law which prove they have no authority to prosecute me in federal court.

We've proven that this IRS "crime" must be prosecuted in a state court. This revelation should bless many others with our important discovery. Therefore, their entire case is VOID, and I've been illegally kidnapped and am held as a political prison for show and intimidation for all Americans.

But, thanks to the many faithful prayers, even the sentencing from last year's "trial" for "burglary" of our own home, resulted in "only" 364 days jail time when they admitted they planned something much, much worse, until they heard my comments at the sentencing hearing. HALLELUJAH! It was a miracle and that sentence will be appealed soon in the Utah Circuit Court for many reasons, the most significant which is they completely ignored a Constitutional Habeas Corpus, which should have STOPPED the trial.

Yes, the once admired U.S. judicial system is completely broken. Injustice is wide-spread. But there is a merciful God who prizes and promotes Life, Liberty, and Property, and Freedom for those who love and follow Him and His Son, Jesus Christ whose birth we are celebrating now. Sadly, my life and liberty hangs in the balance today, and by extension that of my wife Barbara, my children, my grandchildren, and my many, many friends.

Barbara is safe but we have not been able to speak to each other since August 30th, for her protection. We miss each other desperately. The postcards that have come from all over the country have been mailed to her so she could enjoy the encouragement from you, too. Do you understand how many of you have acted as earthly ANGELS (Note from Wendy - Ken became very emotional at this point and it became difficult for him to continue.) to strengthen, inspire, and encourage us along our heavenly appointed showdown in the name of God, with the Barbie and Ken vs Goliath IRS, and all the theft of money, freedom, and funding of so much BIG government, and blood and horror spread throughout the world in our name!

As you well know, our world is spinning out of control in the middle east and here at home, as we all face challenges, but God remains in charge. Please remember, Christ descended below all evil, pain, and suffering, to save each and every one of us. "Be strong and of good courage; be not afraid, neither be dismayed: for the Lord thy God is with thee." Joshua 1:9 Thank you for loving Barbara and I. We love you, too! Believe in God's MIRACLES!

Ken

Ken really appreciates encouraging messages. White, pre-stamped postcard with hand-written complete return address only.

M. Judy Note on Satanists in Your Neighborhood: *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

O. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube http://www.youtube.com/watch?v=F626Lsrdwg4](#)

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

P. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Q. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
