We glorify God whenever we lovingly create, whenever we carefully beautify, whenever we lift others with our creative acts of loveliness & we bring ourselves and others closer to the Divine.

Judy Note: What we think we know as of Sun. 28 Jan. 2024: *For many years the White Hats of the Global Military Alliance have, on purpose, been feeding us false information in order to successfully complete their Sting Operations on the Deep State Cabal.*

Today's Texas standoff of The People vs. the Feds was likely a cover for completion of that Sting Operation mass arrests of Global Elites using over 700,000 sealed indictments of completed court cases.

The good news was that those Sting Operations appeared nearly completed.

Now Worldwide Martial Law and ten days of communication darkness could ensure long hidden Truth was at last revealed, while a Global Currency Reset slid into place, along with transparent elections of government officials for the now new Sovereign Nations of the World.

Judy Note: I apologize to Ben Fulford. He said in his latest video that I was posting articles in my update that he did not write. I was not aware of that and certainly wouldn't have done so if there were indications they were written by someone other than himself. Since at this point there was no way of telling if articles posted on the web bearing the Fulford name were really written by him or not, I will no longer be posting Fulford Reports.

If you were reading this Update on, or from Operation Disclosure Official, be aware that the information has been redacted. For a complete un-redacted version, see a PDF copy at the end of the Update on Operation Disclosure Official, or read an un-redacted version on the Rumor Mill Website.

A. Timing:

- **Fri. 26 Jan. Holly This is how I have been told things go:** It's RV, then the government take down and EBS/EAS including NESARA. The RV funds the Republic which they can then stand up. The Government take down is done publicly and does away with the corporation and Federal Reserve. The Republic has the US treasury which is backed by gold and the gold standard is implemented.

- **Sun. 28 Jan. Charlie Ward:** The Event should be about three days based on Bay Of Pigs. Then 10 day shutdown of Earth and Activation of Military EBS to TVs & Radio's Worldwide. At the same time all Governments Worldwide will be stood down as well as further arrests. We will then be having GESARA Blockchain Elections. We will be having govts 10% the size of what they are currently. All new people.
- **QUANTUM GESARA aka TRUMPSARA.** Quantum Financial System, Quantum Voting System, Quantum Healing, Quantum Physics. Quantum Internet. Everything is going Quantum.
- **Nesara states Rainbow "Treasury" Notes** backed by precious metals. Adding Quantum Starlink & ISO20022 Internationally Regulated USA Coins also backed by metals. See above posts for this.
- **QVS** - Blockchain no longer like the way we do it.
- **Quantum Internet.** The Internet is Rebooted. No more Microsoft. Everything wiped. The current internet is Operation Mockingbird. Same as TV, Newspapers etc. Will not be anywhere near the same. One news channel etc. All media/papers is owned by the Mossad..all being removed. All Private Intelligence owned by the UK Royals to be removed. No more Mossad, 5 eyes, CIA etc. Only intelligence will be Military Intelligence.
- **MOAB** = Global Currency Reset (1955) + Precious Metal Standard + Quantum Gesara + DECLAS of Everything on Earth.

B. Global Currency Reset:

- **Sun. 28 Jan.** The US Treasury has confirmed that the new Iraqi Dinar Rate goes live on **Mon. 29 Jan.**
- **Sat. 27 Jan. MarkZ:** **From the bond side** the majority of my Bond folks are expecting things to happen the last two days of the month ...so that is **next Tues and Wed.**
- **Sun. 28 Jan. Wolverine:** I know I've been told to be quiet but I'm allowed to share things are have already been discussed before and allow me to refresh your memory. The paymasters have received the money days ago.1% will be paid out this week (please stay grounded). This was confirmed. Bonds will be paid out first which then triggers the 4B to go. All this needs to go before the end of this month. Just stay grounded and have faith that this is coming. God bless
- **Fri. 26 Jan. Wolverine Chat Room:** "People are wondering what is going on. Many are saying things are not going to start, till Feb or longer and that is not so. Things are happening. Now in The Pentecostal group, ONE of the leaders has distributed the blessing to its members. He made that announcement on a radio broadcast in Colombia and everyone in that particular group was paid about an hour or so ago! This is Good news! We are also getting good news that today may be the day we are waiting for. There is still time for me to receive the announcement for bonds to be released, and then I will release the Opera. I will not wait for Tier4b, because once bonds go then Tier

4b will go very soon. It seems the Pentecostal group was the lynchpin to start the bond payments, it has more than 3 million members. It has happened. That leader has about 80 thousand members, and it has started guys. It is done, and people have been blessed. I just wanted to say this to you guys that it has started. What was told me to yesterday, again, was this" Wolvie nothing is going to stop it now! This needs to be finished before the end of the month. Some whales will be paid hopefully by Monday Please try to relax, it is coming. This news is coming from people who are actually doing this. Love you guys! Remain in faith to God that we are going to be receiving this blessing very soon. Wolverine.

- **The gold-backed US Dollar** was introduced from Reno on **Thurs. 25 Jan. at 4:47 am.**
- **All 86 Global Currency Reset platforms** were loaded with monies and launched on **Fri. 26 Jan.**
- **Anywhere from Sat. 27 Jan. through Tues. 30 Jan.** Tier 4b (us, the Internet Group) would be receiving emails that say how to set currency exchange and Zim Bond redemption appointments.
- **There were 400,000 of those emails** that would go out in groups during a 18 hour period.
- **Payouts would be given first** to governments, then businesses, then individuals.

D. Restored Republic: Texas Showdown With Feds At Eagle Pass

- **Civil War Update Texas:** Massive military deployment of forces from the National Guard of Republican states to the state of Texas. This step comes out in defiance to the administration of President Joe Biden and federal forces, to combat the increasing waves of migrants on the border between the United States and Mexico, coinciding with escalating tensions between Greg Abbott, Governor of Texas, and the Biden administration. <https://t.me/c/1545617426/74313>

- **The Texas National Guard responded to the Supreme Court's order to remove the razor wire in Eagle Pass by installing even more. The White Hats have sent in Green Berets, 700,000 Truckers,** tens of thousands of volunteer militia and farmers in tractors. The force was not only guarding the Texas Border, but all states which border Mexico. There were 27 states that have signed a letter pledging their support to Texas and its Constitutional right to defend the Border. The Texas National Guard is sending 10 tanks to combat the invasion at the Southern Border.

- **Governor: Texas can defend itself against border 'invasion:** https://youtu.be/WSiwRDQp_DA?feature=shared
- **Sat. 27 Jan. Goldilocks:** It is important for us to watch what happens in Texas. Governor Abbott was in India this past week talking about trade deals between Texas and India. Texas has their own shipping port capabilities that will allow them to trade globally with the rest of the world. Texas has 29 official ports of entry into the Global Economy. They literally have the capability of being a self-sustaining Financial System within their own state. If these new trade deals are successful and Texas begins to move into the new Digital Asset Based Trading System utilizing the UPI or Unified Payment Interface mechanism in trade, we will literally be witnessing the first state in the US to move into our new Global Economy. Watch the water.
- **Sat. 27 Jan. Massive Trucker Convoy Heads to Mexican Border:** <https://beforeitsnews.com/alternative/2024/01/massive-trucker-convoy-heads-to-mexican-border-at-eagle-pass-texas-700000-trucks-and-vehicles-to-back-up-gov-of-texas-to-stop-illegal-invasion-videos-3807014.html>
- **Now with a Civil-War-like Standoff at Eagle Pass the way to a Restored Republic has been paved in Gold for the rest of the US states.** The State of Texas has

maintained their Constitutional right to protect their own border against Washington DC, which was not only allowing, but encouraging murderers, terrorists, Child Sex and Human Traffickers invade. Biden will learn the hard way that you don't mess with Texas.

- **Texas is offering cash for Texas Military Department (TMD)** members who will man the borders - the latest development amid tensions with the Biden administration over the southern border. According to the TMD website, the state is aiming "to deploy border security assets to high threat areas to deny criminal organizations the ability to illegally move drugs and people into Texas."
- **The Civil War Standoff at Eagle Pass Texas** boils down to the Sovereign State of Texas utilizing private citizens across the US to protect our border against a Treasonous Biden Regime that invites human trafficking and drugs into the country. It's been labeled the CIA's Black Swan that was designed to divide the country – but it's actually paving the way for a Restored Republic.
- **"We are being invaded by murderers, terrorists, and rapists."** ... Texas Lt Gov. Dan Patrick
- **Fri. 26 Jan. BAKU, Azerbaijan:** "The Governor of Texas activated Article 1 of Section 10, Paragraph 3 of the US Constitution, which allows to declare martial law in the state and act without regard to the federal government," The Economist said, Trend reports.
- A state can now bypass US President Joe Biden by requesting assistance from other states or even foreign countries. Some other US states have already expressed support and willingness to send aid.
- **On January 22, the US Supreme Court** supported Biden in a dispute with Texas and declared the actions of state security forces to capture migrants unconstitutional
- **Fri. 26 Jan. Biden gave Gov. Abbott a 1 PM EST deadline** to remove his National Guard troops. Abbott refused. So Biden issued punitive sanctions against Texas by pausing liquid natural gas development opportunities, which will directly hurt the Texas economy. That's not a coincidence. This is how evil Biden is. He is suffocating Texas jobs b/c Gov. Abbott is protecting our border.
- **Sat. 27 Jan. [Special Report! Judy Byington: Biden's Cabal is Coordinating a "Border Crisis Civil War" to Bring Down the Fiat System Rather than Face Military Tribunals – The CIA's "Black Swan" and it's About to Get Ugly. . . - American Media Group \(amg-news.com\)](#)**
- **The Texas National Guard** has military vehicles, ten tanks, shipping containers lined with barbed wire setup & are patrolling the US Mexico Border. Texas Governor Abbott: "We have every right to protect our homes, our children, no matter what others say. During the last few days, military equipment has been actively deployed throughout the country."
- **Fri. 26 Jan. Texas AG Ken Paxton says** "the state's battle with the Biden administration over razor wire at the border will go back to the Fifth Circuit court for a

ruling. A separate Shelby Park case is before a judge, and a new law allowing the state to deport immigrants will take effect in March.”

- **Sat. 27 Jan. Bill Gates & The World Economic Forum Are In The Process Of Genetically Modifying Our Seeds & Changing The Genes Of Our Plants to have Complete Control Of Our Food While Preaching Depopulation.** In The Name Of “Climate Change”, They Need To Completely Modify Natural Seeds. Imagine A World Where All Agriculture Is Dependent On Bill Gates & The WEF. “You’re quite focused on smallholder farmers because the predominant number of Africans farming today are small holder farmers and they’re on pieces of land that are less than two hectares. So it’s quite a small farm. There are agro dealers that exist in these countries. We need to get that network up and running just like we’ve got the vaccine network up and running and getting vaccines out, getting up and running so they’re teaching people proper planting, proper fertilize, proper irrigation and getting them new seeds as they come out.
- **"The greatest perpetrator of misinformation during the pandemic has been the US government."** Surgeon, professor and medical commentator, Dr. Marty Makary, speaking at the House Select Subcommittee on the Coronavirus Pandemic, in February 2023. "Misinformation that Covid was spread through surface transmission, that vaccinated immunity was far greater than natural immunity, that masks were effective... That Myocarditis was more common after the infection than the vaccine. We've seen something which is unforgivable, and that is the weaponization of medical research itself... Public health officials were intellectually dishonest. They lied to the American people."
- **Ebola Pandemic??** Nurses being injected with Brand New Ebola Vaccine in Colorado. Nurses in Colorado are starting to be injected with this new Ebola vaccine as they create Ebola virus research centers close by. We know this is around the time where they’re going to pull their BS. New bio weapon, new pandemic, just remember this life is temporary anyway just enjoy the ride.
- **Sat. 27 Jan. [Exposed: Ibuprofen as a Covert Weapon in Agenda 21’s Population Control Scheme! - American Media Group \(amg-news.com\)](#)**
- **Magnetic Graphite Found in Vaccine – PROOF.** Graphite (/ˈgræf,at/), archaically referred to as plumbago, is a crystalline form of the element carbon with its atoms arranged in a hexagonal structure. It occurs naturally in this form and is the most stable form of carbon under standard conditions. Under high pressures and temperatures it converts to diamond. Graphite is used in pencils and lubricants. It is a good conductor of

heat and electricity. Its high conductivity makes it useful in electronic products such as electrodes, batteries, and solar panel.

- **Bill Gates invested a whopping \$55 MILLION in BioNTech that made the Pfizer mRNA injection. The company that partnered with Pfizer to make their mRNA covid vaccine and drove Pfizer's revenue to a record \$100 billion in 2022.** Turns out that it was on the 4th of September 2019. Covid was “discovered” just two months later in November 2019 (at least the first time we got to hear about it). This turned out to be very profitable for Bill Gates, his investment increasing by 10 times. The original \$55 million was worth over \$550 million just a few years later. Bill Gates has also donated some \$20 million to the BBC. Now it is being reported that the BBC misrepresented the risk of covid in order to boost public support for lockdown. In other words, the mainstream media deliberately mislead the public and scared them into supporting draconian lockdown measures, and also probably scared people into rushing to get the brand new mRNA injections. "One example is that they gave the impression that hospitals were being overwhelmed during the first wave. Some (mainly in London) were, but overall hospital bed occupancy was at an all-time low during that period" said Professor Mark Woolhouse. Remember when we were told that the hospitals were completely full and we had all the dancing nurses on TikTok? Remember how some people were labelled "conspiracy theorists" for questioning this? Turns out that the so called "conspiracy theorists" were right once again. The hospitals were not full. We were being lied to. What do you think about all of this, surely it is just a coincidence that Bill Gates just happened to invest large amounts of money into BioNTech just two months before covid?

Over 25 U.S. States support Texas White Hats operations and also began sending Military National Guards.
- **Military Green Beret** gives military COMMS "Calls to dispatch" on massive nationwide broadcast. "We defy tyranny" and also gives important message that military operations are happening worldwide.
- **The rise of the People And World Patriots** against the corrupt system, from Germany, France, Netherlands, New Zealand to Ireland into the United States are silently being guided by military COVERT operations w/INTEL.
- **JFK created the Army Special Forces Green Berets.** They were created in part to fight after a domestic totalitarian system and had Special Privileged military codes to defend the United States citizens against U.S. government tyrannical control and oppression. Remember this is why JFK wanted to dismantle the CIA.

- **NOW Green Berets in Texas with National Guard, Army, Police Sheriffs, ex military** and over 34,000 military oath keeper loyal to Constitution and over 700,000 U.S. citizens are heading to the Texas to defend the country.

- **Doc Chambers in his nationwide broadcast intentionally names " DAVOS GROUP"** "ELITES" controlling the operations with the Biden administration. He also mentions Military guided operations happening in Europe.
- **It is important to understand** the time is now for the U.S. citizens to stand up against the WEF/ DAVOS/ CIA operations in all countries and join your local movement and peaceful protest.
- **It's very important as much as the Deep State CABAL is trying to intentionally cause war** and racial wars through the world, we as peace Patriots and freedom fighters must stay as peaceful as we can.
- **MSM is pushing CIVIL WAR** news cycles in the U S. And will push this EU in the coming months. So please stay peaceful as you can when you go to support your country against the globalist tyranny happening worldwide.

- **Why is the U.S. so important to world freedom?** Why is the U.S. 1st amendment important? In order to free the world from the DARPA/ CIA (Rockefellers/ Rothchilds) DAVOS + operations. The fall of the Cabal must start from the U.S. and exposure of the Corrupt system
- **The United States is the child of Europe**, the Elites corruption system of KAZARIAN money through fake stolen Jewish identity (kazars who became into Judaism through political movements) who help create the U.S. financial institutions . The Rockefellers and Rothchildss both from South Germany help create the U.S. financial corrupt system with JP Morgan and their powerful control over the military industrial complex system, DARPA CIA and corrupt military intel networks controlled large portion of the world banks institutions and deep state cabal networks.
- **From the United States the CIA overthrew over 70 countries** and installed central banking systems and democratic governments loyal to the cabal globalist regimen.
- **The European people cannot overthrow the deep state** and cabal in their own countries as all operations come from U.S. and Elites through military deep state

operations that ratify all revoluts, in prison , kill ,torture out infiltrate movements that are against the CABAL deep state regime and agenda operations.

- **Countries through Europe and most of the world do not have the weapons** to fight against the deep state military in moments of totalitarianism/military forced controlled by the world ELITES syndicates regimen.
- **The last final stance and hold out in the Western** world that can over through the CABAL, deep state CIA DARPA/ [DS] MIL. regimen is the citizens of the United States who is the only country in Armed with over 120% of guns per 100 people ratio in the world.
- **This is why the 1st amendment is vital to U.S. citizen** and freedom the United States enacts upon the world is important, as over hundred million armed free Americans can defy the absolute totalitarianism agendas by the UN +CIA+DAVOS+world globalist plans to enslave humanity into a one nation world with never ending wars, depopulation agendas and infinite virus and mind control operations through continuous CHAOS EVENTS, where the globalist with deep state military network control the Order out of chaos dark evil control over world society.
- **It is vital the EXPOSURE of the corruption** of CABAL deep deep regimen in the United States be exposed on U.S. soil and bring down the houses of the CABAL fraction began in the United States. The fall of cabal and [ds] U S. Institutions and corrupt banks WILL THE FULL DEEP STATE INFRASTRUCTURE OF THE EUROPEAN UNION. UN. NATO AND SEVERAL MAJOR COUNTRIES ACROSS THE WORLD.

- **We are all united across the world** to bring down the Globalist operations hidden and known that is oppressing our societies across the world.
- **It is time now in the year of 2024** world United open Revolution begins against the deep state infrastructure and behind the scenes the heart of light of creation is guiding Military Alliance operations to activate society to fight for there God given freedom.
- **It must look like the citizens of the world fought for their freedom** and the military only intervned at the end on the behest of the suppressed nations under Totalitarian government corrupt control and Agendas.
- **The Alliance military operations have already brought down the Globalist...** You are only watching and experiencing the ending SCENES of the military operations unfolding in overt operations and continuity of government control and DEVOLUTION OPERATIONS
- **But still you must rise and be part of the revolution** in you countries and go through the dark part of moments of world collapse coming Martial Law and near Civil War Events.

L. Sun. 28 Jan. David Wilcock: White Hats to Texas

- **A White Hat convoy carrying crates of rifles and spools of razor wire** arrived in Eagle Pass, Texas, Friday afternoon to support the Texas National Guard in its regional border dispute with unlawful federal forces, a source in General Eric M. Smith's office told Real Raw News.
- **General Eric M. Smith and the White Hat council**, he said, approved the rapid deployment as a measured response to the U.S. Supreme Court's ruling that allows federal Border Protection agents to remove concertina wire lain across the Rio Grande to prevent would-be illegals and terrorists from setting foot on Texas soil.
- **The Court's 5-4 decision challenges whether Texas has sovereignty** to safeguard citizens against the migrant tidal wave crashing against its proverbial shore. Texas Governor Greg Abbot has accused the regime of breaking its compact with Texas because it views every new illegal as a lifelong Democrat, and he has labeled the migration surge an "invasion."
- **Although the Court's ruling grants Border Protection permission** to cut down razor wire near Shelby Park, a city-owned public park in the border town of Eagle Pass and an ingress route to the U.S., it does not prevent the Texas National Guard from unspooling fresh wire, which it has done at a record pace. The escalation has sparked several standoffs between the Texas National Guard and what White Hats have called "the Biden cabal's Gestapo."
- **The confrontation has raised the specter of an all-out civil war**, with 20 states' governors pledging to support Gov. Abbott's refutation of federal law.
- **According to our source, Gen. Smith's office spoke** with Gov. Abbott immediately following the Court's deliberate misinterpretation of federal law.
- **"The general told Gov. Abbott he could muster forces** and have trucks ready to roll in 24 hours," our source said. "Texas has helped us in the past, and we weren't going to leave Abbott hanging. He said he'd welcome us with open arms."
- **Our source wouldn't enumerate the number of men sent to Texas**, but he said the task force includes Marines and U.S. Army Rangers. His mentioning "hundreds of spools of wire," each 50 feet long, hints at an armada ready to reckon with federal goons if push comes to shove. He said the task force will be embedded in and wear the uniforms of the Texas National Guard to show solidarity.
- **"Our goal is to gently convince border services to uphold, not violate**, their constitutional oath. We hope they will heed that advice. We're not in this for bloodshed, but we're not shy about confronting federal forces—a fact we've proven time and time again," our source said.

M. Deep State Cabal Illuminati Great Reset Plan To Rule The World:

- **Author of 'The Great Reset', Marc Morano, on Klaus Schwab's recent B20 speech:** "He's talking about us essentially giving up national sovereignty, giving up individual freedoms, and turning over rule to experts... This whole agenda is to make it so we have

no choice on some of the biggest questions of our lives. We didn't get to vote on whether gas powered cars would be banned, we didn't vote for vaccine mandates, we didn't vote for lockdowns, we didn't vote for banning of meat. But all of this is happening, because at these meetings like the World Economic Forum and the United Nations, they meet and they work with government-corporate collusion to bypass democracy and impose stuff through this corporate government fascism."

O. Thurs. 25 Jan. Update "Ken and Barbie vs. Goliath IRS" Patriots like Ken and Barbara Cromar have paid a great price for trying to maintain their God given sovereignty. *Where there is smoke, there is fire!* Tom Fairbanks, intelligence Support Activity (ISA) Community Health Advocate, Community Support Foundation

- **Even though they proved in a US Federal Tax Court** that they owed no money to the IRS, ever since they have been forced into a now-seven year fight with the Rothschild privately owned IRS. The IRS has used Admiralty Law to carry out court orders where on two occasions 24 man SWAT Teams swooped down on their quiet neighborhood, took possession of their fully paid for "dream home" and threw away all their possessions including expensive camera equipment Ken used to make a living. Presently Ken is sitting in a jail cell, having been charged and convicted of residing in his own home and stealing his own possessions. The Cabal was obviously making an example of the Cromars to prove what they will do to you if you don't adhere to their unlawful and unconstitutional demands.
- **Ken really appreciates receiving encouraging messages** in postcards. A white, pre-stamped postcard with your name and complete return address hand-written is the only correspondence accepted at the jail. Paul Cromar #567164 Davis County Jail P.O. Box 130 Farmington, UT 84025-0130

P. Sun. 28 Jan. 2024 Update: Barbie & Ken vs. Goliath IRS: Did the DOJ Just Double Down? <https://beforeitsnews.com/crime-all-stars/2024/01/barbie-ken-vs-goliath-irs-did-the-doj-just-double-down-2-2495357.html>

- **On Tuesday January 23, 2024**, following the filing of the Friend of the Court Brief and Ken Cromar's filing a Response to the Objection to Ken's Motion to Dismiss, Judge H. Howard C Nielson, Jr. announced an unscheduled Status Hearing on Thursday. To date, Magistrate Dustin B. Pead has sat on the bench managing all of the pre-trial motions and has seemed prejudiced against Ken. Now, it appears that Judge Nielson may have read Ken's filings and the Friend of the Court Brief and realizes that something may be very wrong with the United States of America Prosecutor's grand jury indictment, wrongful jurisdiction, and the conspiracy to deny Ken Cromar of his Constitutional Rights. <https://beforeitsnews.com/press-releases/2024/01/barbie-ken-they-lied-and-stole-our-dream-home-3833287.html>
- **Then on Thursday January 25, 2024**, in U.S. District Court before the Trump appointed judge, Howard C. Nielson, Jr., the "Goliath IRS" Assistant U.S. Attorney Mark E. Woolf stepped down from the case as lead counsel! WHAT?! The guy who convinced the allegedly lawful "grand jury" (still not proven) has walked away from his own case against Ken Cromar? I have never heard of such a thing. Could it be that Mr. Woolf didn't like the two complaint letters shared with the Utah and Washington State Bar Associations, which reminded him of his duty regarding "the prosecutor's heightened duty of candor?" Download that letter here: <https://store19.gofile.io/download/direct/1109fdc0-cdfd-4f78-a741-a3440afc2045/KenNoticeOfSecondCommunication%20-%20Mark%20Woolf.pdf>
- **While this may appear to be a reason to rejoice**, let's not forget the past. Mr. Woolf's replacement is a Special Prosecutor, who was sent from Washington DC. This is curious, for such a simple six-year case of Alleged Tax Evasion, the DOJ now send in the big guns from Washington? Looks to me like Washington DC has too much invested in the Story of Barbie & Ken vs. Goliath IRS to simply let it go!
- **But then, the Criminal Referral to JAG that was part of the Friend of the Court Brief may well be causing some heartburn.** After all, Future proves the Past and the DOJ has a lot riding on the line.

T. Judy Note on Satanists in Your Neighborhood: *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

U. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Judy Note: “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

V. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed

herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

W. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

X. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
