**Judy Note:** *Things were getting very confusing with this movie that the White Hats were playing out. The Deep State remained pushing their 16 year plan to destroy America and depopulate the World by presenting the public another untested dangerous vaccine, with Europe stockpiling 40 million Bird Flu Vaccines. Millions have died from their last Plandemic. When was the truth going to come out?*

*For many, many years through their HAARP machine in Alaska, the fake US Inc. government has been messing with jet streams, cutting off countries from rain, blocking the Sun and causing hurricanes, one of which was Katrina. Chem Trails were still floating over the skies. Things were so bad in Oregon that paint was chipping off of cars. When is it going to stop?*

*Certainly not in Idaho where 500,000 acres of farmland contained dying potato crops because the US Department of Water Resources cut off their water – in order to give it to a \$150 million Jervois facility funded by the Department of Justice.*

*Meanwhile the Deep State and Dems continued to send our hard earned tax dollars to Ukraine that was known to be the center of the Cabal, Soros and Nazi activities of illegal US bio-weapon labs in underground tunnels used for Organ Harvesting, Gun Running and Child Sex Trafficking – which ran under a 200 acre property owned by Biden.*

*Way back in 2020 Biden, Pelosi and Obama were said charged with Treason, Collusion with the CCP on 2020 Voter Fraud and a Pedophile Ring Run out of the White House. Long ago Julian Assange claimed, “We have hard proof that President Obama ran a pedophile ring out of the White House.”*

*Yet two years prior in 2018 Hillary Clinton was reported executed at GITMO for Crimes Against Humanity. Now Joe Biden’s Obituary has been found on Ancestry.com saying he also died at GITMO in 2018. So, what’s going on?*

*Worst of all, the remains of humans, mainly children, who have been raped, tortured & murdered have been found in McDonald’s burgers and other fast food chains foods, yet the Cabal franchises continued to exist without the Mainstream Media informing the public they were being fed the meat of children.*

*Disgusting, isn’t it? It’s Time for Judgment Day.*

**Judy Note:** *Jenny Hill and I spent 18 years writing her biography "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.*

*"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*Upon the soon to be re-publication of "22 Faces," it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*

**C. Sat. 15 June 2024 “Ken and Barbie vs. Goliath IRS” Update – The IRS: the biggest most dangerous hoax in the history of the world?**

Dear Patriot Friends and Family,

Satan is so clever. He knows how to seduce people into voluntarily following him. Did you know that when you sign your 1040 Form you’ve actually signed a contract with the devil/IRS? Speaking of contracts, who would you want to sign a lifetime contract with? Your high school sweetheart? Your spouse? A Superbowl champion football team? A deal with Hollywood? Or, would you like to sign a lifetime contract with the IRS?

On June 4<sup>th</sup> a jury found Ken not guilty on one count and guilty on two counts, with sentencing now scheduled for January 9<sup>th</sup>, 2025!?! Does that mean the Barbie & Ken vs Goliath IRS battle is over? Answer: Not even close. Why? Because our ultimate goal is to drive a stake through the heart of the life-blood sucking IRS and see it go down forever. And that needs to happen through the Supreme Court. “The power to tax is the power to destroy.” (McCulloch vs Maryland – 1819)

So, the eight days of trial along with 1,700 pages of verbatim testimony sets up the appeal to the Circuit Court, which then can lead to the Supreme Court. On Tuesday, June 18<sup>th</sup>, we will be filing seven motions for judicial acquittal with proof that the trial results and jurisdiction were unlawful. In other words, we’ve got them right where we want them. However, in a corrupt game of judicial chess the sentencing has been delayed to January, which blocks our appeal because it is not allowed until *after* sentencing.

Some may think that the trial proves that Ken and Barbara are just “lying tax cheats” but actually, what the trial proved is that no one, not IRS agents, not prosecutors, not even the judge were able to point at a law that requires us or most any American to file a federal income tax form. I’ve challenged many accusers that claim I’m a lying tax cheat to prove it by taking a piece of paper and writing down the law they know I’ve broken and sign it under penalty of perjury. No one ever has.

Did you know that when you voluntarily sign your 1040 form you’ve agreed to a lifetime contract with the IRS? In other words, if you had never signed a 1040 Form, they would have no claim over you. Yes, you got tricked and you volunteered! Can you un-volunteer? Answer: Remember, fraud voids any contract.

In the case of Barbie & Ken, this 1040 contract has never existed. Therefore the IRS fabricated what's called "a substitute for return" (SFR) to create a tax liability that never existed. In court the IRS was unable to produce a lawfully subscribed –USC Title 26 Section 6020(b) (signed under penalty of perjury) contract between us and the IRS and therefore proved for us that we were right. However, the judge circumvented that proof with his jury instructions telling them that virtually everyone is liable to pay federal income taxes. Therefore, the poor jury, though they deliberated for three days, was "required by their oath as a juror" to do what the judge told them to and had to vote me guilty on two counts. Miraculously, the three-day deliberation resulted in at least one win, though clearly a number of jurors wanted three guilty verdicts.

Is it really possible that no law to file federal income tax exists. It takes a humble and intellectually honest person to realize that just because "EVERYONE" believes something doesn't make it true. "Surely, there's a law that requires 'everyone' to file federal income taxes. Just look at the two thick IRS Code volumes – all those laws! Surely one of them must require filing federal income tax – right?" But, that law does not exist.

Once you understand the IRS has no influence on your life by you volunteering with your signature on a 1040 Form - POOF! Those two volumes of IRS Code books disappear.

But some say, "Well, how would we ever pay for government?" Great question! Easy answer, "We pay for government the way the Constitution says, as we did for the first 124 years of our nation's history - through duties, imposts, and excise taxes, which are on luxuries and imports, etc.

The Founding Fathers knew that the power to tax was the power to destroy their newfound nation. Therefore, they made taxes difficult to impose and required that no income taxes were possible except through "apportionment", which means that taxes for the federal government would be collected by the states and not the federal government. The Founding Fathers knew this would help keep government small and focused on serving the people and protecting their God-given rights and for 124 years it was enough. Government stayed small. Government served the people. Government didn't think itself to be our god. That's all changed since 1913 and the birth of the IRS.

Is it possible that little ol' Barbie and Ken know more about the IRS law than IRS agents and the court doesn't want you to know that they know the truth?

The ONLY lawful federal income tax is the one that has not yet been created. So, a trial was held during which the IRS prosecuting attorneys from Washington, D.C. claimed that I, Ken, had violated three specific IRS Codes but were never able to prove that I actually owe one penny because they couldn't provide the contract signed by someone under penalty of perjury agreeing that the money is owed. If I never owed federal income tax, then it's impossible to be held accountable for any spin-off code violations. Remember, I asked two veteran IRS agents who were under oath, "Can you point to the law that requires me to file federal income taxes?" They both said, "No." they couldn't cite the law. That was a 22-year veteran IRS agent and a 38-year veteran IRS agent. Others similarly testified regarding that same fact. However, the judge

instructed the jury to the contrary, saying, in essence, that the IRS Code applies to virtually everyone and that therefore you must convict Ken Cromar.

Therefore, in conclusion, it is a lie to claim that I, Ken Cromar, is a lying, anti-government, tax cheat, when the exact opposite is true, I love and support and promote Constitutional, limited government that serves the people, NOT enslaves the people. Is it patriotic to pay your hard-earned money that you don't owe to a government where it is wasted, grows tyrannical government bigger and to corrupt and treasonous leaders who spread corruption, death, and misery throughout the world -- IN OUR NAME, with our own money? Is it possible that we as American taxpayers have innocent blood on our hands?

Is it actually more patriotic, when having learned there is no obligation to pay federal income tax, to obey the law, by not giving your money to a government that grows ever larger and spends this nation into massive debt, and spreads blood and horror throughout the world? Those who give their money unnecessarily may be held responsible by God for what government does with that money. So, what can we do about this great IRS hoax? Remember, if you weren't fully informed about the IRS "contract", that's FRAUD and the contract is bogus and VOID! What can possibly kill the giant IRS? Answer – the Supreme Court, by taking away its oxygen (Money\$). Even monsters have to breathe, or they die. Take away their money, you take away their power and their oxygen, and they die.

As you know, our nation is in deep trouble, and we are in decline. The world is also in chaos and spinning out of control. But, as per Matthew 24:30-31 and 42-46 (see below) there is no need to despair. Keep calm! Babylon is falling! (See Revelations 14:8) Hallelujah! As prophesied, the wicked of this world will destroy themselves. That includes the IRS and corrupt governments everywhere. Christ WILL return to rule and reign over a cleansed world for a thousand years of glorious peace during the millennium with his perfect government.

Remember, "...Thus saith the Lord God..., let my people go, that they may serve me." Exodus 10:3 The price of freedom is not free. It requires our sacrifice.

Please continue to pray for the deliverance of our nation. And, for Barbara and I. We face impossible odds? Of course! But that's when God performs his greatest miracles.

Humbly and gratefully, Your Friend, Ken

- **Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS.** Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living.

**E.Sat. 15 June 2024:** [BOOM!!! Proof of NESARA GESARA: Donald Trump Proposes Abolishing Income Tax and Introducing Import Tariffs - American Media Group \(amg-news.com\)](#) The NESARA GESARA agenda, short for the National Economic Security and Recovery Act (NESARA) and the Global Economic Security and Recovery Act (GESARA), encompasses a wide range of reforms designed to overhaul the financial and legal systems. Below are the key components that define this ambitious plan:

### **1. Forgiveness of Debts**

One of the most groundbreaking elements of the NESARA GESARA agenda is the forgiveness of credit card, mortgage, and other bank debts. This measure aims to rectify the damages caused by illegal banking practices and governmental activities. By erasing these debts, millions of Americans would experience immediate financial relief, fostering economic stability and growth.

### **2. Abolition of Income Tax and the IRS**

Trump's proposal includes the complete abolition of income tax, a move that would fundamentally alter the way Americans interact with their government. In place of income tax, the plan introduces a flat-rate sales tax on non-essential new items. This shift not only simplifies the tax system but also eliminates the need for the Internal Revenue Service (IRS), streamlining government operations and reducing bureaucratic overhead.

### **3. Increased Benefits for Senior Citizens**

Recognizing the contributions and needs of senior citizens, the NESARA GESARA agenda proposes significant increases in benefits for this demographic. This measure ensures that those who have spent their lives building the nation are adequately supported in their later years, enhancing their quality of life and financial security.

#### **4. Return to Constitutional Law**

A cornerstone of the NESARA GESARA reforms is the return to Constitutional Law. This initiative aims to restore the legal framework established by the Founding Fathers, ensuring that all judicial and governmental activities adhere strictly to constitutional principles. This return to foundational legal standards promises to enhance justice and fairness across all aspects of society.

#### **5. New Elections and Election Monitoring**

Within 120 days of NESARA's announcement, the agenda calls for new Presidential and Congressional elections. These elections will be closely monitored to prevent illegal activities and the undue influence of special interest groups. By ensuring the integrity of the electoral process, NESARA GESARA seeks to establish a government that truly represents the will of the people.

#### **6. Introduction of the "Rainbow Currency"**

A new U.S. Treasury currency, known as the "rainbow currency," will be introduced under the NESARA GESARA plan. This currency will be backed by precious metals such as gold, silver, and platinum, providing a stable and secure monetary system. The introduction of the rainbow currency is intended to eliminate inflation and stabilize the economy.

#### **7. Elimination of the Federal Reserve System**

The Federal Reserve System, a central element of the current financial structure, will be dismantled under the NESARA GESARA reforms. In its place, a new U.S. Treasury Bank System will be established, operating in alignment with Constitutional Law. This change aims to restore financial privacy and independence, reducing the power of centralized banking institutions.

#### **8. Global Peace and Prosperity Initiatives**

Beyond national reforms, the NESARA GESARA agenda includes measures to cease all aggressive U.S. military actions worldwide and establish global peace. This initiative reflects a commitment to resolving conflicts through diplomacy and cooperation rather than force. Additionally, the first phase of worldwide prosperity distribution will release vast accumulated wealth for humanitarian purposes, addressing global poverty and inequality.

- **Sat. 15 June 2024 Europe Prepares for Another PLANDEMIC: 40 Million BIRD FLU Vaccines Stockpiled.** Disturbing headlines are bringing back old memories to the beginning days of COVID. One reads, “With bird flu tests hard to get, how will we know when to sound a pandemic alarm?” Another says, “EU to secure 40 million avian flu vaccines for 15 countries - officials” The EU is “not screwing around,” remarked Highwire reporter Jefferey Jaxen. “People need to take this really seriously.”
- **Vaccine-Injured Pharmacist Breaks Down Into Tears Testifying Before Ohio State Senate.** This is absolutely heartbreaking. “I was a father, a husband, a pharmacist, and a healthy person prior to being coerced into receiving the COVID vaccine ... I would never have taken the vaccine voluntarily.” Mike Yoha suffered from Guillain-Barré syndrome (GBS), a severe neurological disease associated with paralysis, after being coerced into taking the COVID shot. He says, "My liberty was violated when vaccine status discrimination forced me into taking a medical intervention that almost cost me my life. If we do not have the right to decline a known risk of death without facing discrimination or loss of employment, then we are no longer free. I implore the committee to vote yes on HB 319." Ohio House Bill 319, also known as the “Conscientious Right to Refuse Act,” aims to end “no jab, no job” policies for good. The legislation states that businesses, employers, health care providers, and other institutions CANNOT deny or terminate employment, deny services, or otherwise treat individuals differently based on their refusal of any biologic, vaccine, pharmaceutical, or gene-editing technology for reasons of conscience.

- **Japan's most senior oncologist prof. Fukushima: "Genetic vaccines are totally unacceptable.** The introduction of trans genes into the human body is gene therapy. How can this be considered acceptable for creating vaccines? If you encapsulate mRNA in nanoparticles and administer it you only get off target effects starting from the ovaries, to the brain, liver, spleen and bone marrow. The biggest problem is going to the bone marrow, the reproductive organs like the ovaries and then every possible organ. The fact that spike proteins are still detected in the rash after more than a year makes it obvious that mRNA is producing spike proteins. There is no way for a year old spike protein to

remain in the rash and be detected. I didn't choose to get vaccinated because I think it was a foolish decision from the beginning.

### **K. Judy Note TRB Trump Products SCAM Update: FBI Investigation Opened**

- **Since last week I have received 280** emails from TRB victims who purchased Trump products with a promise of a sizeable payoff. Not one has received their promised payout. All appear to have been scammed out of thousands of dollars – some their life savings.
- **On Sat. 14 June** I received an email from a person who claimed she received a partial payment for her TRB claim, but I remain highly suspect because valid receipts and contact information have yet to be submitted.
- **The so-called Trump Coins, Badges and Stickers were NOT, as the advertising claimed, endorsed by Trump**, Tucker Carlson, Trump family members, the Trump Organization, or its affiliates.
- **Alan Garten, General Counsel to the Trump Organization, stated: "The Trump Organization has no affiliation or association whatsoever with TRB products.** ...They illegally use pictures of Trump and others associated with Trump to sell their products. ...They are engaged in a scheme to deceive and scam the public. ...We have launched our own investigation and have shared information with federal law enforcement agencies. ...They have gone so far as to send emails falsely representing to be from our employees." ...letter signed by Alan Garten **March 2024**
- **Apparently for years Chairman of the now-bankrupt US Federal Reserve Jerome H. Powell** has been running this Scam that sells so-called "Trump Gold Products,"

promising huge returns. [Fed Chair Powell Heading Trump Gold Products Scam? | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)

- **Sites on Telegram that advertise the TRB products** appear to be run by Zionist Deep State Globalists using fake IDs of well known persons connected to Trump, or even use Trump's name. If I find a site advertising TRB products I erase it from my inbox. It's easy to use someone else's name for your Telegram site. There are two sites that use my name of Judy Byington, yet I do not have an active Telegram site, have nothing to do with sites in my name and have no control over the situation.
- **Patriots, TAKE ACTION: If you feel you have been a victim** to a scam it is recommended that you report such to your local law enforcement and Business Bureau.
- **Victims of the TRB Scam are urged to type up their TRB experience** including products bought and monies paid out, plus your contact information. Sign two notarize copies, keep one and send the second notarized copy of the TRB write up to: Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.
- **It is my understanding that Garten's Office** will record your notarized statement and then send it on to an FBI investigation of TRB Products.
- **I would appreciate an email about your TRB experience.** This would not be in lieu of the notarized statement you send to Mr. Garten, but I will document it for the ongoing investigation: [info22faces@yahoo.com](mailto:info22faces@yahoo.com)

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated.
- **Every day since** Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day to their now 2,369 still-displaced fellow victims. However, the Deep State Cabal Red Cross has recently cut funding down to one meal a day for those victims.
- **Any amount you could give** would be greatly appreciated. There was \$500K needed right away to continue the three meals a day. The Deep State not only took the Native Hawaiian homes and livelihood away, now they were going to starve them out of the land of their inheritance.
