Trust The Plan

Worldwide EBS Alert Set to Activate October 24-25!

Prepare For Mass Arrests, Military Tribunals

Three Days of Darkness:

Cyberattacks, Internet Down, Communications Cut, Possible Power Grid Shut Off

One Channel Broadcasts 8 Hour Disclosure Documentaries 24/hours Day For Ten Days

It's only wise to have at least a month's supply of food, water, cash, medicine and essential items on hand for yourself, your family and to share with others in case of emergency.

Judy Note: On October 24 and 25, every cell phone on the planet will be hit with a loud, unmistakable alert signal. The signal will be transmitted directly from Starlink satellites, bypassing traditional media channels that are controlled by the elites.

- **The Earth Alliance, Starlink, and the military** are all in place, ready to execute the final phase of this plan. The old world is crumbling, and a new era of freedom is about to

begin. The Earth Alliance has been preparing for this for years, quietly building a network of satellites and secure communication lines that will make this operation possible. Starlink

- **The EBS alert will be initiated globally** but will be activated in phases. Depending on where you are, you may receive the alert slightly earlier or later than others, but make no mistake—it is coming.
- **The goal of the phased rollout is to prevent the Deep State from reacting too quickly and to catch them off-guard.** By the time the full alert has hit every device on the planet, the Earth Alliance will already be executing the next stages of their plan.
- **The signal will be followed by a broadcast**—an unfiltered message from the Earth Alliance, led by Trump and key military leaders. This broadcast will bypass the corrupt media, delivering real-time updates about the takedown of the Deep State, the mass arrests, and the collapse of the corrupt financial system, how FEMA, the FBI, and other government agencies have been weaponized against the people, carrying out false flags and deliberate disasters to maintain control.
- **The EBS broadcast will last up to 10 days** depending on the situation on the ground. During this time, there will be no internet access, no social media, no TV, and no mainstream news.
- **Stock up on food, water, and essential supplies.** Have backup power sources ready. You won't be able to go to the store or access online services during this time.
- **As the EBS alert rolls out,** the military will be mobilizing across the globe. The Earth Alliance, made up of white hat military forces from various nations, has been coordinating this operation for years. In the U.S., militias and other patriot groups have already been activated, and they are ready to confront any Deep State operatives who attempt to disrupt the plan.
- **The Military will be tasked with maintaining order,** but make no mistake—there will be resistance from the elites. False flags will be launched to create chaos and confusion. The globalists know their time is up, and they will do everything in their power to stop the Alliance. But their efforts will fail.
- **During this period, martial law is highly likely.** Military tribunals will be broadcast through the EBS, and you will witness the fall of the corrupt politicians, bankers, and corporate elites who have been part of this evil system. You will see arrests, confessions, and the dismantling of the globalist networks that have enslaved us for so long.
- **The Deep State's financial institutions will crumble,** and the Quantum Financial System (QFS) will officially take over, marking the beginning of the greatest wealth transfer in human history. The elite-controlled banks, stock markets, and fiat currencies will be obliterated, replaced by a fair and transparent financial system that serves the people, not the elites.
- **Part of the EBS alert preparation includes targeting** and neutralizing underground military bases and secret facilities used by the elites.

- **These underground cities**, built by the Deep State to shield themselves from the chaos they've created, are now being identified and destroyed. The Earth Alliance has located several of these bunkers, including one beneath Denver International Airport and another in the Swiss Alps, where top globalists have been hiding.
- **Special Forces Teams are already on the ground**, and once the EBS is activated, they will move in to eliminate these safe havens. This is war on a scale we've never seen before, and it's happening in real-time. Once these underground facilities are neutralized, the elites will have nowhere left to hide.

- **Israel** is the only country in the world with a 3,000 year history that began in 1948. This is when the Rothschilds got together with the British Crown and founded the State of Israel. They conned Jews to believe they needed to found Zion in Israel, but they were really founding the Deep State headquarters for their Child Trafficking Ring. Israel of today is not the Biblical Israel. It's leaders are fake Jews of the Khazarian Mafia who are direct descendants of Cain, perpetrate pedophilia, crimes on Israelis and practice Child Sacrifice.
- **Sat. 12 Oct. 2024:** In the aftermath of Hurricane Helene Democrats in Washington and the Democratic governor of North Carolina Roy Cooper were blocking people and money from coming into North Carolina to help people in desperate need. Biden and Kamala not only knew about it, but did nothing about it.
- **Sat. 12 Oct. 2024:** Tim Walz has been accused of sexually assaulting a boy when he worked as a high school football assistant coach. The claims suggest Walz took the high school boy to a Gay Bar and engaged in inappropriate behavior and had the kid spend the night at his house. Further accusations included lying about his coaching role, and covering up a school board investigation that took place.
- **Sat. 12 Oct. 2024:** A foreign exchange student has accused Tim Walz of grooming and sexually assaulting him, claiming Walz threatened him with deportation if he spoke out.

D. Sat. 12 Oct. 2024: [Everything Is Related: QFS, GCR/RV, ISO 20022, BASEL III, Protocol 20, STARLINK, DINAR, GESARA, and BLACK SWAN EVENT are Components of the New Financial System! - amg-news.com - American Media Group](#)

AN ANCIENT DEAD SYSTEM

- We will never go back to the old currency system
- No more printing money out of the blue
- All existing fiat money is being replaced
- The Central Bank system will no longer be owned by the Federal Reserve
- The Cabal department’s entire former slavery financial system is dead!
- No more paper notes (fiat)

- No more SWIFT
- No more monetary slavery!

As we exchange our old Fiat coins for the new gold-backed coins, we are actually exchanging the entire old Cabal Debt Slavery Financial System for a new Financial System supported by QFS Gold.

GCR – THE GLOBAL CURRENCY RESET Gold/Precious Metals and Nesara/Gesara. Two different factors for the GCR event:

- Factor 1: The RV (the revaluation of world currencies)
- Factor 2: The Quantum Financial System

In order for rainbow coins, bonds or ISO20022 assets to start moving in value, physical precious metals must first undergo a reassessment! Once the new assessment is defined, the weight of compliance with Basel III + Bretton Woods 3 will bring legitimacy to everything else, triggering ISO20022 regulation.

GOLD STANDARD (asset-backed currencies)

- Physical and digital assets
- Independence from existing centralized systems
- All other systems will be obsolete
- Protection against corruption, usury and manipulations
- CBDC (Central Bank Digital Currency). Sovereign digital currency for each country
- Digital assets backed by precious metals (gold, silver, copper, platinum, etc.)
- Rainbow Coin – Treasure rainbow banknotes tracked
- Instant digital payments via QFS
- Death in Dollar, Pound and Euro – DS
- Death of BTC, ETH and Tether – DS
- Rise of the Phoenix. XRP, XLM and XDC – WH military blockchains

FACTOR 1: REVALUATION

- 209 countries signed a treaty to redefine the value of their currency

- Even coins. Example: 1 Dong for 1 Dollar
- Level playing field for everyone
- Unprecedented prosperity fund release for We The People
- Humanitarian projects – wealth transformation – reconstruction
- “Share the Wealth Redistribution Program” to every individual on Earth
- Currencies: Iraqi Dinar, Vietnamese Dong and Zimbabwe ZIM.
- Stellar Network – Bringing banking to the unbanked around the world. Designed to help ALL humanity! Connected to the RV. Military OP.

Basel III

- A worldwide standard that enhances international banking regulation structure, greatly improving risk management and promoting transparency
- Gold moving from asset tier 3 to tier 1, which allows physical gold in bars form to be accounted for at 100% of the amount for booking purposes
- Due to the 2007-2009 financial meltdown, Basel III was introduced
- International regulatory framework for banks
- Deadline on June 28, 2021
- The requirement that banks maintain a minimum capital value of 7% in reserve
- Require banks to hold unencumbered physical gold valued at 100%
- This will make banks less profitable as they will no longer be able to make money about the interest rate

Breton Woods 3

- BW3 = A move from FIAT to a commodity-based monetary system, where currencies needs to be supported
- With BW3 – The US Dollar is no longer being set as the world reserve currency
- According to Credit Suisse BW3 started in March 2022 when sanctions and freezing of its Dollar reserves started to rain down on Russia for invading Ukraine
- The death of the USD FIAT = The death of the Euro

The Bretton Wood Agreement 1 was established in 1944, when the USD was defined as the world's reserve currency, where you could hold the US dollar and convert it into physical gold at a ratio of 35\$ per 1 ounce of Gold. **In 1971**, Nixon discontinued the convertibility of dollars into gold and took the monetary system out of the Gold Standard introducing the FIAT system, moving to the BW2.

ISO 20022 STANDARD

- An international standard for relaying electronic messages between financial institutions
- Created to provide the financial industry with a common platform to send payment messages and exchange payment data
- Banks and financial institutions around the world are ready to transition their payment systems from SWIFT to New, highly structured and data-rich ISO 20022 standard.
- Better quality and faster payments for everyone in the payment chain
- An open standard used by anyone in the financial services industry and implemented on any network
- Instant payments

F. Wars and Rumors of Wars:

- **Sat. 12 Oct. 2024:** Israeli special forces have broken through the Syrian border from the Golan towards the village of Kwdana with armored vehicles. The initial push began today early evening, and have said to pushed into Syrian territory by at least 500 m.

G. FEMA Disaster Crime

- **Sat. 11 Oct. 2024 Burnsville North Carolina:** Kamala Harris' FEMA left these people alone and with nothing. Unpaid American volunteers providing their own equipment

risking their lives, sometimes almost fully submerged in water clearing Hurricane destruction in Burnsville, North Carolina.

- **Trump:** Immediately visible with relief efforts and funding. Went boots on ground IMMEDIATELY with Helene and staged massive efforts in advance of Milton. Locals are WELL aware of everything he has done to mitigate the stress of not just TWO massive storms but also the pain of the aftermath.
- **The Biden/Harris Administration... Absolutely useless.** In fact, they 100% pissed pretty much everyone off with exception to die hard Democrats who would vote for a transvestite cockroach before they'd vote Trump.
- **The Longshoremen strike added fuel to the fire** against Biden/Harris as our Port is NECESSIC to getting goods and fuel into the affected areas quickly. Allowing the Union to hold a population hostage for a 66% pay increase to NOT digest well down here.
- **FEMA... is a word that is being uttered with absolute disgust as they sit in their air conditioned hotel rooms,** trailers and vehicles and fret about volunteer donations and funding simply because they don't control it. Those volunteers have been the difference between life and death in EVERY affected state along with local and state emergency response. Had it NOT been for them, the number of casualties would be Much higher. Not to mention the number of people we lost to these storms is being suppressed in a massive way. There are still thousands missing.
- **Just giving you guys some perspective.** Understand this: Those of us living in impacted areas don't care if we have to canoe, backstroke or crab crawl to our voting precinct... We WILL be there, and this time people WILL NOT tolerate "3am power outages", mail in votes appearing suddenly or mass ballot harvesting. People ARE DONE.

H. Sat. 11 Oct. 2024 IT ONLY TOOK BLACKROCK 27 DAYS TO STEAL THE NORTH CAROLINA LAND ...Q News Patriot on Telegram

Judy Note: Kamala Harris obtained the permits for BlackRock to do this. Her husband owns major stock in the mines. If it were any one of us doing this we wouldn't be running for President, we'd be in court right now answering to a judge and charged with theft and murder.

- **August 31, 2024** - BlackRock increased their position in Albemarle up to 12 million (12,183,614) shares.
- **September 12** - DoD enters agreement with Albemarle and provides \$90 million to open the NC mine.
- **September 24** - Albemarle submitted State and Federal Permits for Kings Mountain, North Carolina lithium mining.
- **September 24** - Albemarle received \$250 million in grants from the departments of Defense and Energy to boost lithium production.
- **September 27** - Hurricane Helene hits North Carolina with ravaging floods and total devastation.

- **Local homeowners** were protesting against the mining in North Carolina. Their homes and properties were destroyed.
- **Chile is one of Albemarle's** other prime mining locations.

I.Sat. 11 Oct. 2024 : Milton Is No Accident: Another Engineered Storm, Nadine, Set to Strike Florida—HAARP’s Next Attack and the Globalist Plan Revealed!

- **This isn’t natural. Hurricane Milton is an engineered disaster**, created through geo-engineering and HAARP. The elites have used electromagnetic pulses and ionospheric tampering to escalate it into a Category 5 monster, and it’s not over yet.
- **Hurricane Nadine is the next part of the plan**—don’t believe the 20% chance the media tells you. This storm is already primed to strike seven days after Milton, another calculated takedown of Florida. The goal? Domination and control.
- **Florida is no random target.** It’s been a symbol of resistance against federal overreach, and the elites want it crippled. Milton is the first punch, Nadine the second blow—all part of a larger strategy to destroy Florida’s infrastructure and break the backbone of its economy.
- **The elites are using advanced satellite-based technologies to manipulate these storms.** HAARP and black-budget programs have been working for decades to weaponize weather. These storms aren’t natural disasters—they are part of the Great Reset, a plan to force dependence on the government and control every aspect of your life.
- **And what about the strange purple sky seen before these storms hit?** It’s the elites tampering with the atmosphere, using electromagnetic energy to manipulate weather. They’re not even hiding it anymore.
- **FEMA isn’t there to help.** They’ll drag their feet and cripple local governments, creating chaos that globalist corporations will profit from. This is a disaster capitalism in action.
- **Prepare now, because when Nadine hits, it’ll be too late.** We are the targets, and the battle has already begun.

K. The Real News for Sat. 12 Oct. 2024:

- **Sat. 12 Oct. 2024:** The Trump campaign recently had to cancel a public event at the last minute because of a “lack of personnel” from the Secret Service, instead only putting Trump in a small room with reporters. Trump has begun traveling with additional decoy

planes and dividing his motorcade at times and putting Trump in nondescript planes that do not have his name on the side instead of his longtime 757 jet due to security concerns.

- **Sat. 12 Oct. 2024:** Three years ago, Kamala's and Biden's incompetence left 13 dead warriors, hundreds of civilians killed and grievously wounded, and \$85 billion worth of the finest military equipment on the planet abandoned to the Taliban.
- **Sat. 12 Oct. 2024:** Donald Trump has called for the immediate execution of any illegal immigrant convicted of killing an American citizen or law enforcement officer. He also announced plans to unleash elite federal squads tasked with hunting down, arresting, and deporting every illegal gang member until none remain in the U.S.
- **Sat. 12 Oct. 2024 Aurora Colorado:** In Aurora, multiple apartment complexes have been taken over by the savage Venezuelan prison gang known as “Tren de Aragua”—or as law enforcement calls them, “T.D.A.” Last month, six men armed with rifles and handguns were caught on camera as they forced their way into an apartment building and threatened the tenant at gunpoint. Ten minutes later, they opened fire on a 25-year-old man outside the building, fatally shooting him. Of the barbaric thugs who have been identified, at least THREE are illegal aliens who were in Border Patrol custody but were ordered RELEASED into the United States by Kamala Harris
- **Sat. 12 Oct. 2024 Donald Trump:** We will send elite squads of ICE, border patrol, and federal law enforcement officers to hunt down, arrest, and deport every last illegal alien gang member, until there is not a single one left. If they come back, it’s an automatic ten years in jail with no possibility of parole—and I am hereby calling for the death penalty for any migrant that kills an American citizen or a law enforcement officer. We will close the border. We will stop the invasion of illegals into our Country. We will defend our territory. We will not be conquered. We will reclaim our sovereignty—and Colorado will vote for Trump as a protest and signal to the world that we are not going to take it anymore. I will liberate Colorado. I will give you back your freedom and your life!

Behind the public image of George H.W. Bush lies a story that has been buried for decades. This isn't just politics as usual; this is about child sex rings and blackmail at the highest levels of government. Accusations of George H.W. Bush orchestrating a child sex ring to blackmail Congress and top officials have surfaced under the names “Operation Brownstone” and “Operation Brownstar.” If true, this dark operation involved luring children to Washington D.C. under false pretenses and exploiting them in the most horrifying ways imaginable. The time for silence is over. It’s time to expose this horrific conspiracy and demand justice for the countless children whose lives were destroyed.

N. Sat. 12 Oct. 2024: Exposed! 2024’s CHAOS Is a Carefully Crafted Elite Psy-Op—Every ‘Disaster’ You Fear Is an Engineered Attack to Keep You Controlled and Compliant!

...David Wilcock

- **The chaos surrounding 2024 isn't happening by coincidence**—it's being carefully orchestrated by global elites with one goal in mind: to keep you living in fear, controlled, and compliant. But here's what they dread most—a populace that doesn't fall for their tricks, that remains calm and aware as their engineered disasters unfold.
- **Chaos Engineered for Control:** Look closely at the events of 2024. The riots? They're not about justice or change—they're about social engineering. The flames spreading across cities aren't accidental; the media fans these fires to push fear. Take the October New York Blackout, for example—it wasn't a glitch; it was a deliberate test to see how quickly they could plunge millions into darkness. It's about conditioning you to feel dependent on their “solutions.”
- **The wildfires in California and Nevada?** Witnesses saw energy beams, not lightning. These fires are designed to instill fear even in natural events, making you question everything. The Texas Blackouts in August? Controlled chaos again, used to normalize sudden instability and push the idea that centralized control is the answer. Every one of these disasters is calculated to make you anxious and compliant. Fear is their weapon to control you, and they don't want you to resist.
- **The Patriot Stress Control System: Break Free from Their Chains:** Enter the Patriot Stress Control System, created by Matt Hill. This isn't just about managing stress—it's about mental resilience and unbreakability. Hill adapted techniques from military operatives, used in extreme conditions, to help people remain calm and collected under pressure. The elites fear this knowledge because a populace that stays calm cannot be controlled.
- **Mastering Calmness: Their Worst Nightmare:** This system is like military-grade mental armor. It teaches you how to detect and eliminate stress completely, master your breathing, and maintain calm in the face of crisis. Fear, their primary tool, will lose its power over you once you master these techniques. With this system, you can turn fear into your strength and render their orchestrated chaos ineffective.
- **Take Control of Your Mind:** The elites thrive on keeping you scared—it's their method of control. They manufacture riots, orchestrate blackouts, and create crises to induce panic. They need you to feel powerless, but once you master this system, you become immune to their manipulation, and their control over you crumbles.
- **This is your line in the sand—master your mind or be manipulated.** The Patriot Stress Control System is your path to breaking free from their chains. It will help you stay calm while they try to force compliance. Become the calm in their storm, a person they cannot break.
- **This chaos is intentional**—but it's time for you to refuse to play their game. Master your mind. Be unbreakable. Let them see they cannot control you.

O. Sat. 12 Oct. 2024 MILITARY INTEL: BQQQM! The Event is Here: Activation of Article 2, Section 1, Clause 2 – Military Game Theory, Military Operations, White Hats, and Their Impact on Global Events ...Carolyn Bessette Kennedy

- **BOOM! The hidden hand of military game theory** has been revealed, exposing the Deep State's most devious plot against Donald Trump. What looked like an assassination attempt was a masterstroke of White Hats, triggering Article 2, Section 1, Clause 2 of the Constitution, mobilizing U.S. citizens, and unraveling a plan that goes beyond anything the Deep State ever imagined. The White Hats are on the offensive, tactical genius in action, outflanking the dark forces trying to bring America to its knees.
- **This is military strategy at its finest**—game theory predicting every move the Deep State makes. They can no longer hide, as command and control warfare has left their defenses crumbling. Weapons control warfare means every strike hits with devastating precision, while information warfare is shredding their lies in real time. There is no escape.
- **The staged assassination attempt on Trump was no ordinary attack—it was a brilliantly crafted ruse by the White Hats to smoke out traitors within the Secret Service, military, and government.** The Deep State exposed itself. And now? They're falling, one by one.
- **The financial takedown is just as shocking**—Wall Street and major corporations are panicking, dumping millions in stocks to avoid exposure. Trump's protection is now military, with the Secret Service compromised and unreliable.
- **The Constitution is being invoked**—Article 2, Section 1, Clause 2—by state legislators and representatives, ensuring Trump gets his rightful victory. This isn't just about the Deep State anymore; it's about global control, power manipulation, and decades of corruption being brought to light. The Republican majority is taking back power, bypassing electoral fraud in a televised, unhackable voting process. The Deep State's last play is to cut power, shut down the internet, and blame Russia—but SpaceX, Starlink, and U.S. Space Force have counter-operations in place. They won't succeed.
- **Game theory operations continue** to reveal the military coup that's been waged in secret. But the White Hats are ten steps ahead. Elon Musk holds the Trump card, with information that will obliterate the Deep State's hold over social media, exposing the pandemic lies and government manipulation.
- **This is more than just a political battle**—it's about advanced technologies, energy suppression, and human trafficking rings being run at the highest levels of power. For centuries, the Deep State has engineered global events—this is their final hour.
- **The military's reprisal operations have begun**, and the truth about Biden's death and replacement is surfacing. The fake Biden paraded around on television is just another desperate cover-up. White Hats are closing in, and nothing can stop this final push. The corrupt system is crumbling, and the globalists know it.
- **Stay vigilant, Patriots.** The Deep State's reign is coming to an explosive end.
- **Third assassination attempt on Trump** right before the elections; what are they doing to our Trump?

P. Sat. 12 Oct. 2024 BREAKING: Trump Campaign Requests Unprecedented Military Support Amid Assassination Threats in Battleground States. Military is the Only Way!

...Mr. Pool on Telegram

- **Military Called In to Crush Assassination Plots:** Trump Under Siege! Donald Trump's presidential campaign has taken an extraordinary step, formally requesting military assistance as the election approaches its final weeks. These drastic measures involve military aircraft, expanded flight restrictions, and ballistic glass protection in seven critical battleground states. Intelligence briefings have uncovered credible assassination plots, raising the alarm for possible drone and missile attacks against the former president. The campaign has stated unequivocally: "Military is the only way."
- **A Nation on Edge: Why Military Support Is Now Essential:** This request for military intervention in a political campaign is unprecedented in modern American history. Yet, this election is far from ordinary. Donald Trump's candidacy is no routine affair, and the stakes for the nation could not be higher. With escalating threats and the intense political climate, Trump's campaign is taking unprecedented steps to protect his life and ensure his return to the White House. The demand for military support highlights the gravity of the threats and the urgency of securing Trump's safety during this turbulent period.
- **Trump has faced threats throughout his political career,** but the intensity of the current assassination plots has reached a critical level, as intelligence briefings reveal. The decision to bring in military protection, especially in key swing states, underscores the seriousness of the situation and the risks involved in this election.
- **Intelligence Briefings Reveal Chilling Plots:** At the heart of this call for military assistance lies a chilling truth: Trump's life is under immediate and credible threat. Recent intelligence reports have exposed highly sophisticated assassination plans, including the use of drones, missiles, and sniper attacks targeting the former president. These are not hypothetical threats—they are real, immediate, and dangerously plausible.
- **This goes beyond typical political rivalry;** it's a direct assault on democracy. These assassination plots are designed not only to remove Trump from the race but to undermine the entire electoral process. The notion that a presidential candidate could be targeted by drone strikes or missile attacks should strike fear into the heart of the nation.
- **The very fabric of American democracy is at stake.** Donald Trump, who has continually positioned himself as a champion of the people, now finds himself in the crosshairs of forces determined to silence him. An assassination attempt on a presidential candidate would be a devastating blow to the democratic system, setting a perilous precedent for the future of political discourse in the United States.

Q. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

R. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: Ballard Family Defense Fund on [GiveSendGo Here](#);

S. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

Fri. 11 Oct. 2024 Update:

Dear Faithful Friends and Family,

This morning, Magistrate Dustin Pead refused to address the new Supreme Court decision that essentially proves we've been right through all 18 court cases since 2018 and that our home was stolen by the IRS.

As our country goes up in flames, Magistrate Pead was offended that anyone would believe that U.S. courts are unjust and used that as his explanation as to why I'm "a danger to society" and that I "would certainly cut off an ankle monitor".

Therefore, I will not be on release until February 6, 2025 sentencing where they appear determined to impose a 78 – 97 month prison term for a "crime" I did not commit. The Department of "Justice"? We don't think so! HELP US SCOTUS!

Thanks for all your kind prayers for us,

Ken (and Barbara)

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. T. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

U. Judy Note: *Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings to four.

"22 Faces" was soon to be re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

If you would like notification of the “22 Faces” re-publication release, please email me at:
