Judy Note: *JFK Jr., his wife Carolyn Bessette and Julian Assange all announced we would be having EBS go off last **Thurs. 24 Oct or Fri. 25 Oct**, and it didn't – at least not in the US. There were whisperings that it did, but only in certain areas, and would work it's way up to the US.*

Then on Sat. 26 Oct. Julian Assange said, "Warning: this is not a test. A nationwide state of emergency is now in effect, while Tucker Carlson announced, "Ten days to make America."

Right now the greatest takedown in the financial history of the World was happening. BRICS nations were accelerating de-dollarization faster than anticipated. Brazil, Russia, and China have bypassed the fiat US Dollar in trade agreements. Argentina and Japan were moving to dismantle oppressive tax regimes.

Last Tues. 15 Oct. We the People had had enough and a Federal Class Action Lawsuit was filed against Joseph Biden, Kamala Harris, Pfizer and Moderna. The Lawsuit demanded an end to Covid-19 Vaccines, Chemtrails and 5G Tech.

Sat. 26 Oct. 2024: BOMBSHELL! Star link and Trump Are About to Unleash the EBS – 8-Hour Broadcast Incoming, Followed by 10 Days of Darkness – The Global Elite’s Secrets Will Be Exposed!

- **Starlink isn’t just about providing internet or military defense.** It’s the backbone of something much bigger—a tool for global awakening and exposure of the Elite’s darkest secrets. But that’s not all.
- **The Global Economic Security and Reformation Act (GESARA)** is about to unleash the greatest wealth transfer in history, reclaiming the fortunes stolen by the global elites and redistributing them to the people. For centuries, they’ve hoarded wealth, manipulating economies and keeping the masses in debt slavery.
- **But now, thanks to the upcoming Emergency Broadcast System (EBS)** powered by Starlink, their empire is about to fall, and financial freedom will be restored to the people.

- **As of Sat. 26 Oct.** the pieces are rapidly falling into place. Elon Musk, alongside Trump and the global Alliance, is making massive strides toward the full-scale activation of the Starlink-EBS operation.
- **With every passing day, the elites are losing their grip** on control as new military preparations, strategic takeovers of corrupt agencies, and secret tribunals set the stage for the final blow. The world is on the brink of monumental change, and Starlink is at the center of it.
- **The EBS: Starlink's Role in Exposing the Elite's Secrets** Starlink is unlike any other satellite system in existence. With over 1,700 satellites already in low-earth orbit and more being launched, Starlink provides nearly total global coverage.
- **These satellites orbit at around 550 km above the Earth's surface**, which allows for much lower latency (time for data transfer) than traditional satellite systems. This is why Starlink can stream data, video, and live feeds with near-instantaneous speed.
- **This capability is what makes Starlink the perfect medium** for broadcasting the Emergency Broadcast System (EBS). When it's activated, this system will take over all global communications platforms. Every television, radio, and internet-connected device will broadcast the same message simultaneously.
- **But here's the key: Starlink will be the main satellite system** ensuring that no one can block, jam, or prevent the EBS from being aired. Traditional communication platforms could be easily shut down or interfered with by the elites trying to protect their secrets, but with Starlink, this is impossible.
- **What Will the EBS Reveal? The Truth About the Elite For 8 hours**, Starlink will stream uncensored, undeniable proof of the crimes committed by the global elite. These broadcasts will include pre-recorded confessions, documents, videos, and testimonies from whistleblowers exposing the most horrific and damning evidence of corruption, child trafficking, money laundering, blackmail, and more.
- **As of October 2024, multiple insiders have already confirmed that** footage has been gathered and military personnel are ready to reveal damning information about secret societies, political puppet masters, and the shadowy financial networks that have ruled the world for centuries.

- **In an interview a few months back, Alan Dershowitz** — who taught constitutional law at Harvard for 40 years, is a lifelong Democrat and never voted for Donald Trump said he'd been watching the tactics and of the Department of Justice and law enforcement, and we may be only "a few bananas away from a banana republic." In another recent interview recently, talking about the Trump trial in New York, Mr. Dershowitz challenged any attorney, judge or legal-minded person to explain Trump's crime "in a few short sentences that would be easily understood by the average American." That challenge still stands without the hyperbole and boilerplate narratives or other bull that essentially says, "He's a meanie, I hate him and he makes me mad"
- **Sat Oct. 26 2024: Alexis Nungaray lost her 12-year-old daughter** as a result of Kamala Harris's open border policies. Kamala never reached out to even offer her condolences.

- **Sat Oct. 26 2024 Iowa:** Iowa poll watcher claims illegal migrants are being allowed to vote. "I feel like this is something I need to share with every US citizen — I signed up to work this November 5th election poll — The reason why I did this was because I wanted to see firsthand for myself if illegal immigrants are actually being allowed to vote. And I'm here to tell you that yes they are." She goes through her official instructions manual and gives MANY examples of how illegals migrants CAN VOTE. "I contemplated whether I wanted to make this video or not. I didn't sleep last night. I've been awake since 1 o'clock this morning. Just thinking about this. — You all need to know this. You need to be aware of this."
- **Sat Oct. 26 2024:** BREAKING: The 5th Circuit Court just ruled that ballots MUST be received by Election Day and any state laws that allow them to be received and counted after Election Day violate federal law THIS CHANGES EVERYTHING. I kid you not. "Congress statutorily designated a singular "day for the election" of members of Congress and the appointment of presidential electors. Text, precedent, and historical practice confirm this "day for the election" is the day by which ballots must be both cast by voters and received by state officials. Because Mississippi's statute allows ballot receipt up to five days after the federal election day, it is preempted by federal law. We reverse the district court's contrary judgment and remand for further proceedings." Because this is a decision by one of the highest courts in the nation, it impacts elections EVERYWHERE. The joy I'm feeling right now is unbelievable. This one decision has done more to restore election integrity than anything I've ever seen. God bless the 5th Circuit.

Genocide in Canada by Kevin Annett Part 2

The Resistance July 1970

It was not always so. A spark of resistance endured. **One July morning in 1970** in Alberta, some Cree men and women whose children were prisoners in the Bluequills Catholic 'Indian residential school' invaded the premises. They were armed with rifles. Quickly taking the principal hostage, they told the RCMP and the press that unless the priests and nuns vacated the school immediately and for good, the principal would die.

Two days later, Ottawa ordered the clergy out. Soon after, the feds began phasing out church control over the 'Indian residential schools'. It took the barrel of a gun to make it happen. (6)

Irene Favel

Irene Favel was not surprised when the Catholic priest appeared in the kitchen bearing a newborn baby. Although Irene was only ten years old, she had seen it all before. The cleric walked quickly past her and ordered the nun who was baking bread to open the oven door. In an instant he threw the baby into the flames, alive.

"It gave a little cry and then you could hear its body go 'pop'. There was an awful stench and you could smell its flesh cooking. It was the child of one of the girls who had got pregnant from the priest, and they got rid of it. That happened all the time."

Irene Favel's words had caught the shocked CBC interviewer off guard. The cameras stopped rolling. By the next day, Irene's interview had been erased from the CBC website.

Genocide Coverup Kevin Annett June 1998

Like genocide, a coverup is an abstraction until it has you by the throat. "He pushed me into a corner and started choking me," recalls Kevin Annett. "He told me that if I didn't stop looking into the dead residential school children, I'd be dead, too. He said that Eddie John had sent him to tell me that."

The assailant seemed an unlikely one, at first. After all, Dean Wilson was an aboriginal man who'd been incarcerated in 'residential school' himself. But his boss was 'chief' Ed John from the northern Carrier-Sekani tribe, a close confidant of the feds and a notorious child trafficker.

It was June 12, 1998: the opening day of the first public Tribunal to investigate the Canadian 'Indian residential schools'. By the end of that day, Dean Wilson had scared into silence many of the survivors who had come to tell their stories.

"Dean's done that all his life," explained one of the survivors who watched him assault Kevin Annett. "He was an enforcer for the whites at the Lejac rez school. If you spoke your language, he'd beat you with a club. He could rape and kill anyone he liked. Just like now."

Violence goes only so far. The swamp had been stirred, and more debris began to surface.

June 12, 1998 Kevin Annett gave his testimony at the first residential school Tribunal, Vancouver “It’s from a child, alright,” said the Ontario coroner. “A very young one.” Greg Olsen turned the brown bone over in his hand and asked the obvious question. “We found it right next to the old school, tangled in the roots of a tree,” answered Kevin Annett. “Along with these buttons. They’re off the school uniforms.”

“They always made us plant a tree over top of where we buried the kids,” explained the aged Mohawk man named Geronimo Henry. “There’s lots of them stuck in those woods.”

Greg Olsen stared at the buttons and bone with a troubled look.

J. Sat. 6 Oct. 2024: GLOBAL SHOCKWAVE!! Explosive Leaks from the BRICS Summit: GESARA and QFS Plans to Destroy the Rothschild Financial Empire – Military on High Alert as BRICS Prepares to End Debt Slavery and Collapse the Old Financial Order!

- **The biggest takedown in modern history is underway**, and the signs are everywhere. What’s hidden from mainstream media? The unstoppable rise of GESARA, the Quantum Financial System (QFS), and a global reset the elites can’t stop. For months, covert military operations have prepared for the Emergency Broadcast System (EBS), soon to broadcast a truth they can’t silence.

- **The recent BRICS Summit in Kazan wasn’t about diplomacy—it was a high-level meeting to finalize GESARA plans.** These nations control 20% of global gold reserves, fueling the greatest wealth transfer in history. GESARA is here to break the chains of debt slavery, with

resources redistributed to the people. The shift to a gold-backed currency is closer than most realize, pushing out the IMF and World Bank, and ending the reign of fiat currencies.

- **These plans are no longer theory—they're in motion now.** Elite banks and global institutions face increasing “technical issues” and “cyber disruptions.” This is no accident; it's the preliminary phase of a massive system purge. QFS tests are already running, silently integrating select financial institutions, readying for a decentralized, tamper-proof network beyond government and elite control.
- **White Hats are ensuring this shift is airtight.** GESARA and QFS implementation is supported by military insiders running drills, securing the EBS's flawless deployment. Starlink is fortified and shielded against interference, ensuring the broadcast will reach everyone when it's activated. The message? We're on the edge of a new world, and the QFS has already begun replacing old banking networks, functioning independently from SWIFT and central banks.
- **Meanwhile, BRICS nations are accelerating de-dollarization faster than anticipated. Brazil, Russia, and China are already bypassing the dollar in trade agreements,** leading a precedent the world will soon follow. The military is primed, with special ops at strategic sites, ready for the EBS's global awakening trigger.
- **Around the world, nations like Argentina and Japan are moving to dismantle oppressive tax regimes,** in line with GESARA mandates. These aren't isolated moves but calculated steps toward financial liberation. The EBS won't only reveal economic truths; it'll expose the entire spectrum of corruption that's infiltrated governments, media, and corporations. The “Red File” is ready, filled with evidence of treason, trafficking, and fraud, a final reckoning for those who have enslaved humanity for centuries.
- **Prepare yourself.** Stock up on essentials. October's “Red October” is the beginning of the end for those who ruled from the shadows. The QFS is not just a new system; it's the foundation of a liberated world. The age of secrecy is over, and the final pieces are falling into place.
- **Brace for the storm**—the EBS signal will be the point of no return, and what follows will reshape history. The awakening is here, and it's unstoppable.

K. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

L. **Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. M. **"Ken and Barbie vs. Goliath IRS"**: Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until next Feb. 2025.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. N. **All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

O. **Judy Note:** [HOME | Judy Byington \(judy-byington.com\)](https://www.judy-byington.com/)

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child

sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.

“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

Now that “22 Faces” has been republished, it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
