**Judy Note: Leaks from highly credible sources indicated that the Global Military Alliance has
been in Hollywood this week making arrests of Satan Worshipping pedophile Elites (Ginger's
Liberty Lounge on Telegram <https://t.me/c/1553385444/6333>).**

**On Fri. 8 Nov. there was reported to be at least 20 luxury homes burning in Ventura County
California, a star studded residential area for the super rich. The fires obviously weren't caused
by a natural disaster. The 20 mansions on fire were specific and isolated with nothing burning
around them.**

It was suspected that the good guys were arresting the pedophiles, gathering evidence from underground tunnels that ran beneath the mansions to such places as the Playboy Mansion and Getty Museum and then destroying the homes with Thermite grenades that burn anything.

On Sat. night 9 Nov. 2024 an unusually high number of planes were waiting in line at LAX to take what was suspected to be Elite prisoners out of the country.

Since Wed. 6 Nov. 2024 President Trump has spoken with 70 world leaders and called for them to meet in Norway for a Summit of World Leaders Nov. 22-27.

On Mon. 4 Nov. 2024 Military Forces took down the Bank for International Settlements

On Wed. 6 Nov. 2024 Military Forces raided a Deep State underground base in Antarctica where they discovered advanced anti-gravity spacecraft capable of intercontinental travel within minutes and other of the Deep State's most sensitive data.

On Thurs. 7 Nov. 2024 Military Forces raided the Vatican Bank and began arresting Hollywood Celebrities charged with Child Sex Trafficking.

- **Sat 9 Nov. 2024:** Powell won't step down from the Federal Reserve if asked to by the President. He says there's no law that says he has to conform to what the President asks even though he as Fed Chairman has control over all US Taxpayer money. Powell, as does Israel, only answers to the Rothschilds, who created the Federal Reserve and Israel. Both have shown themselves to be the bullies of humanity.
- **Sat. 9 Nov. 2024:** For over a week the US Navy and Aircraft Carriers have been sitting in Battle Formation along the US West Coast, the US Pacific Coast and throughout the Mediterranean.
- **The new US Treasury is in Texas**, as is possibly the new US Republic Capitol.
- **By Nov. 2024 the state of Texas will be set up as home to the new Quantum Financial System** for the new US Republic, with their currency being gold-backed US Treasury Notes. Texas has applied to be a part of BRICS.
- **Fri. 8 Nov. 2024 Breaking:** Arrests Inside the White House. **Late Thurs. 7 Nov. evening**, a stunning series of arrests unfolded within the White House, as federal agents apprehended multiple staff members. Eyewitnesses reported a chaotic scene, with officials being led away in handcuffs amid urgent whispers of corruption. The reasons behind these arrests remain unclear but are rumored to involve shocking revelations.
- **So let me get this straight:** Trump has the greatest administration ever assembled and they plan to end the FED, release the Epstein and Diddy list, end men in women's sports, use the military to destroy the cartels, cleanse Big Pharma and Big Food, massively downsize the corrupt government bureaucracy and release the JFK files once and for all and people tell me that the best isn't yet to come? If you're not excited for the future, then you just aren't paying attention. It's going to be glorious! .Pepe Lives Matter on Telegram

- **By March 2025** the European Central Bank, Bank of England and Bank of Japan will close. Trump has already dismantled the Federal Reserve.

B. Sat. 9 Nov. 2024 EBS Activation ... Carolyn Bessette Kennedy on Telegram

- **Activation of the Emergency Broadcast System** was said to have begun on **Mon. 4 Nov**, but only in certain areas where the EBS helped the Global Military Alliance make Mass Arrests.
- **Evidently this EBS activation** was also connected to rollout of the Global Currency Reset
- **It appeared that the Ten Days of Darkness began on Wed. 6 Nov. 2024** with announcement of the election of President Trump.
- **If so, that would mean the Ten Days ended on Fri. 15 Nov. 2024** when a possible SCOTUS Announcement on the Brunson Case could be made. A positive decision would dissolve the Biden Administration and all of Congress.
- **At that point we would likely go into Martial Law** for a Continuation of Government until a new election could be held within the next 120 days, or around **Sat. 15 March 2025**.
- **The 2024 Election had been racked with voter fraud** connected to Democrats and the Chinese Communist Party. [Trump Wins Despite Excessive Organized Democrat Voter Fraud](#)
- **Back in Nov. 2020 the White Hats knew all about the Voter Fraud** and what to expect. So, they were prepared for Election 2024, when they made all kinds of arrests, discovery of fake ballots and destruction of voting machines that were turning Trump votes to Harris.

C. Sat. 9 Nov. 2024 The EBS: The Moment We've Been Waiting For ... Nesara/Gesara on Telegram

- **U.S. Military Alert:** All military forces worldwide are preparing to suspend all media, internet, phone, and TV services. Emergency services will stay active, but everything else is about to go dark.
- **During this time, no internet, no ATMs, and phones? Only working for 911 calls.** This is the global martial law we've been talking about, and it comes with a 10-day communication blackout. But here's the kicker: the Emergency Broadcast System will be

activated worldwide. Nonstop, 24/7, 8-hour documentaries exposing the darkest secrets of the elite—fraud, corruption, pedophilia, and their arrests—will play three times a day. The truth will be unleashed.

- **The military is taking down Cabal-controlled governments worldwide**, executing mass arrests based on 500,000 sealed indictments. This is the moment we've been fighting for.
- **After the 10 days of darkness**, we will reconnect to a new quantum internet. The old systems of government, education, finance, health, and commerce? Gone. A new age is coming.
- **GESARA/NESARA activated.**

D. Global Currency Reset:

- **Sat. 9 Nov. 2024 Wolverine:** "The RV has started. Thank you God. Everyone's saying that by **Tues. 12 Nov.** we should have a shotgun start. Everything is going at once. The bankers had a meeting and said that Zurich has already started. The codes were locked in a couple of days ago. Remember **Tues. 12 Nov.** is when we expect things to roll."
- **Thurs. 7 Nov. 2024 Bruce: Tier4b** (us, the Internet Group) should receive notification to set appointments **over the weekend.** Exchanges should start on **Tues. 12 Nov.**
- **Tues. 5 Nov. 2024 Julian Assange:** All Intel is saying "**Next Week.**" Safe link 800# will be released closer to go date. Bond funds were being delivered to paymasters. Private appointments are being made now. Zim Cap information is changing daily but as of now they are paying as follows: NO projects = 15 million no matter amount you might hold. With projects = First 2 bond notes are 1 to 1 after this 25 million (per 100T) up to 30 bond notes. To negotiate further you will need to return. Rates are EXTREMELY high.

F. Sat. 9 Nov. 2024 BOMBSHELL!! Trump Summons 74 World Leaders to Iceland Summit, Nov. 20-23, to Finalize NESARA and GESARA: \$600 Trillion Seized, Military Raids Escalate, QFS Lockdown Begins, and Public Tribunals Set for Dec. 25 to End the Cabal's Reign! - Gazetteller

- **Trump, now the undisputed leader of the Global Alliance**, has summoned 74 world leaders to Reykjavik, Iceland, for a covert summit scheduled for **November 20-23, 2024.**
- **This meeting will finalize plans for the eradication of the Globalist Cabal** and implementing NESARA and GESARA worldwide.

- **The redistribution of \$600 Trillion** in stolen wealth using the QFS funds hoarded by the elites are being funneled into humanitarian projects, infrastructure, and debt forgiveness programs.
- **The Elimination of Central Banks:** Trump has already dismantled the Federal Reserve, and by **March 2025**, the European Central Bank, Bank of England, and Bank of Japan will follow. This will mark the complete collapse of the fiat money system.
- **Global Arrest Warrants:** The alliance has prepared warrants for over 5,000 high-ranking globalists, including politicians, bankers, and CEOs. These individuals will face immediate tribunal trials. Over 5,000 arrests have already been made.
- **On Mon. 4 Nov. 2024 Military forces took down the Bank for International Settlements (BIS)** in Basel Switzerland and seized over \$23 trillion in gold, cash and digital assets. They uncovered classified vaults containing elite blackmail material, including videos, documents and genetic records tied to cloning experiments and human trafficking.
- **The BIS was the operational nerve center of the Deep State.** It controlled trillions in off-ledger accounts used to fund wars, regime changes, and globalist agendas. With the BIS under alliance control, the deep state's financial backbone has been severed.
- **On November 6, 2024, a massive raid** conducted by elite [military forces uncovered a sprawling underground fortress known as The Black Fortress](#) - a Deep State underground base in Antarctica where they discovered advanced anti-gravity spacecraft capable of intercontinental travel within minutes, Cryogenic chambers housing what insiders describe as "genetically enhanced humans" intended to replace deep-state operatives and a secret server farm containing the Deep State's most sensitive data, including evidence of collusion with extraterrestrial entities. The release of the information could revolutionize transportation, energy, and medicine.
- **On November 7, 2024 Military forces raided the Vatican Bank**, seizing \$10 trillion in laundered funds, connections to global trafficking rings, illegal arms deals and evidence of ritualistic human sacrifice tied to high-ranking church officials.
- **The Pope, under military house arrest**, is reportedly cooperating to save his life. However, Trump's alliance has made it clear: no deals will be made. [Military tribunals for Vatican officials are set to begin in December 2024](#), and the public will soon see the depth of their depravity.
- **On November 5, 2024, Musk's Starlink Satellites** detected a massive movement of stolen gold being transported via submarine to a hidden bunker in Fiji. A coordinated [military operation seized the gold and captured several high-ranking globalists](#) attempting to escape justice. Starlink has also intercepted encrypted communications from Deep-State operatives attempting to flee to New Zealand, Antarctica, and remote Pacific islands.

- **On November 26, the QFS will implement full biometric lockdown**, rendering the old banking system obsolete. Every transaction will require Retina scans, DNA verification and Neural recognition technology.
- **By January 2025**, every human on Earth will be integrated into this system, leaving no room for corruption.
- **On December 25, 2024 the Emergency Broadcast System (EBS)** was expected to activate, after which Military tribunals will begin for child trafficking networks operated by elites like Soros, Gates and Clinton; the pharmaceutical industry's collusion with globalists to suppress cures for cancer and other diseases and the use of advanced mind-control technologies to manipulate public opinion and elections.

G. Sat. 9 Nov. 2024 Military Tribunals ...Julian Assange on Telegram

- **For people asking why you have not seen the Military Tribunals:** Here you get a glimpse into the reason why this is being rolled out in a controlled manner. They are not trying to start any upheaval because it will reinforce the power they have worked so hard to overcome in order for us to make it this far. People will not be able to handle all of that type of info at once.
- **Satanic Ritual Abuse, Pedophilia, Adreochrome, Child Experiments, Eating children:** Can you imagine if people found out their most beloved figures in the world participated in this?
- **Rapid exposure to horrifying truths** could overwhelm individuals, leading to widespread anxiety, depression, and a sense of helplessness. This trauma could impact mental health on a massive scale. Especially considering billions of brainwashed people who will think the world is ending.
- **Such revelations could deepen existing divides within society**, fostering distrust among communities. People may struggle to reconcile their beliefs about their favorite celebrities with the new information, leading to polarization. Which will play into their hatred of those they consider extremists.
- **A sudden upheaval of societal norms might provoke violent reactions** from those who feel betrayed or threatened. This could lead to unrest, protests, or even riots, further destabilizing communities. Something the military do not have the resources to control while also trying to stop riots and the destruction of property.
- **If the public becomes fearful**, it could be easier for certain groups to manipulate that fear to maintain control or push specific agendas, sustaining the status quo rather than dismantling it. Which will bring all of this back to square one.
- **Conversely, constant exposure to sensationalized news about these topics could lead to desensitization.** People may become numb to the information, losing the capacity for empathy and urgency needed to address real issues. And this will no longer have the affect we fought so long for. And people will crash out.

H. Thurs. 10 Oct. 2024 FEMA Refusing to Save Victims, Accept Critical Supplies & Confiscating Donations for Hurricane Helene Victims ...Judy Byington [US Inc. FEMA Creating Hurricanes, Fires, Floods For Kidnapping & Land Grabs?](#) | [Crime All-Stars](#) | [Before It's News](#)

- **In the aftermath of Hurricane Helene**, something very strange, and actually scary, was happening in North Carolina. FEMA agents didn't arrive for a week after the hurricane hit. When they finally did, they not only neglected to save stranded victims, but also confiscated donations, refused critical supplies, and threatened arrests for those trying to help. Government authorities grounded military helicopters and wouldn't give them the green light to fly.
- **The Mainstream Media isn't covering any of this**, while thousands have gone without food and water for over a week. Bodies are everywhere: floating in rivers, caught in trees. Entire towns wiped out. Volunteers faced threats of arrest just for trying to rescue their neighbors.
- **This is reminiscent of 2023 Maui and 2018 Paradise California fires**, when FEMA seemed more interested in covering up evidence than helping victims. In Paradise, 50,000 people died, not the 100 reported by the MSM. In Maui, 97 were confirmed dead, with thousands still unaccounted. Now, North Carolina faces a similar fate—with FEMA showing up late or not at all, and seemingly working to block aid.
- **One North Carolina resident said**, "Marines arrived here a week late, and bodies are still everywhere." First responders are still waiting for orders, and volunteers trying to help are being threatened. The only way into the area was blocked by FEMA, and volunteer truckers hauling in supplies got their tires slashed.
- **Reports suggest that Pete Buttigeg** shut down aid flights into Western North Carolina. The FAA was being uncooperative with pilots trying to bring in supplies. Asheville police were threatening victims for trying to save their own belongings—belongings likely being stolen by FEMA personnel, as has happened before in Maui and Paradise.
- **A resident of Asheville North Carolina** claims that Helene was manmade—an attempt to grab valuable lithium and quartz for computer chips. Just like in Maui, where they planned a Smart City after destroying traditional land. The Cabal's Blackrock recently signed a \$90 million contract for lithium mined from the very area now devastated by Helene—an area that FEMA quickly made inaccessible.
- **FEMA Director Deanne Criswell** was arrested by US Marines last year for crimes in Maui, but the pattern repeats. It's clear that FEMA and the government simply don't care if people live or die. Instead of using funds for those surviving emergencies, they're being diverted to NGOs for migrants.
- **Rumors are swirling about a militia** being formed to confront FEMA in North Carolina. Patriots are tired of waiting for help that's not coming. When will the Global Military Alliance step in and declare Worldwide Martial Law so we can help each other without government interference?

- **The Deep State Cabal** isn't just predicting food shortages—they're planning them. What's next?
- **Calling all Patriots:** Victims are banding together to help each other, but they need our support. Don't donate to FEMA or the Red Cross—they're known to misuse funds. Direct impact is key: donate to local churches or individuals, make sure help gets where it's needed.

L. Sat. 9 Nov. 2024: Big Pharma is Secretly Ghostwriting Articles in Top Medical and Oncology Journals to Trick Doctors into Prescribing Their Dangerous Drugs!

...Nesara/Gesara on Telegram

- **The Real Agenda: Population Control.** You think this is just about making money? Think again. The pharmaceutical industry has allied with governments, tech companies, and global elites to execute their ultimate endgame: population control. This isn’t mere speculation – it’s a stark reality.
- **Their mission extends far beyond profit.** They crave your compliance. They want to keep you reliant on their drugs so you become too ill, too exhausted, and too mentally dulled to resist. The goal? To cultivate a sick, compliant populace, easily manipulated and dominated. Consider how they are pushing vaccines, gene therapies, and mRNA technology. This isn’t about public health; it’s about engineering your biology. Each dose makes them more powerful, altering your genetic makeup, and when digital health passports become widespread, your medical status could dictate your access to essential societal privileges. It’s a system designed to enforce compliance, marginalizing those who dare to resist.
- **New Revelations: How Big Pharma is Engineering “Diseases” to Sell You More Drugs.** But wait, there’s more. Beyond ghostwriting fraudulent studies, Big Pharma has concocted new diseases to sell more drugs. Look around at the explosion of diagnoses over the past two decades: restless leg syndrome, generalized anxiety disorder, adult ADHD. Did we, as a species, suddenly develop a plethora of new disorders?
- **No. These so-called diseases were fabricated** to open new profit channels. Psychologists, PR firms, and lobbyists were employed to pathologize normal human behaviors, convincing the public that ordinary emotions and reactions were symptoms of disorders. Feeling nervous before a presentation? You’ve got generalized anxiety disorder. Having trouble focusing? Must be adult ADHD. Congratulations – you’ve just earned a prescription for a drug you probably don’t need.

- **The medical system has been transformed** into a profit-driven spectacle, conditioning patients to believe they're inherently flawed and must rely on pharmaceuticals for life. It's a grim cycle of perpetual medication and endless profit.
- **The Real Cost: You Become the Lab Rat.** Now, consider the consequences. Doctors worldwide read these ghostwritten studies, prescribing drugs they mistakenly believe to be effective. This turns unsuspecting patients into human test subjects for Big Pharma's billion-dollar payday.
- **Imagine seeking treatment, trusting that the drug your doctor prescribes is safe.** In reality, that medication is based on a study fabricated from start to finish, making you an unwitting participant in this grand deception. And here's the bitter irony: you're paying for the privilege. You're both a victim and a source of revenue, trapped in a system rigged to deplete your health and your wallet.
- **Ghostwriting Lies: How Big Pharma Writes Your Fate in Medical Journals.** The core of Big Pharma's scheme lies in ghostwriting medical studies. They aren't merely influencing journals; they're crafting the very research that dictates healthcare decisions. What appears as peer-reviewed science is often a marketing piece disguised to promote harmful, ineffective drugs.
- **These prestigious journals – The Lancet, The New England Journal of Medicine, Journal of Clinical Oncology –** have been infiltrated, serving as promotional platforms in lab coats. Doctors unknowingly trust these studies, unaware that they were ghostwritten by pharmaceutical PR teams to present misleading data and positive spins on dangerous drugs. Top physicians are paid to put their names on these fabricated studies, without ever engaging in the actual research. It's an elaborate con that continues to deceive the medical community and harm patients.

P. Fri. 8 Nov. 2024: BOOM! Trump Vows To Lock Up Pedophile Elite and Media Manipulators ...John F. Kennedy Jr. on Telegram

- **Trump's Promise: A New Era of Accountability:** President Trump has made a bold declaration that's shaking up the entire political landscape. He has vowed to expose and bring to justice a hidden network of elite predators—powerful figures accused of horrendous crimes against children. And it doesn't end there; Trump is taking direct aim at media entities and fact-checkers he says “falsely debunked” these allegations, preventing the truth from reaching the American people.
- **This vow has sent shockwaves through the elite circles,** unsettling high-profile figures and their supporters. For Trump's followers, this marks a long-awaited reckoning—a real chance to hold untouchable elites accountable, and many believe it's about time.
- **The Shadowy Network of the “Pedophile Elite”:** For years, whispers of a shadowy network of powerful individuals exploiting children have circulated, only to be dismissed by mainstream media as “conspiracy theories.” But these claims have persisted, stirring anger and mistrust toward those who seem determined to bury them. With Trump's latest

vow, these allegations resurface with new intensity, reigniting the fight to expose these powerful individuals who have long evaded justice.

- **The Media's Role: Truth or Manipulation?:** One of the most heated aspects of this issue is the media's involvement in "debunking" these claims. For many, the aggressive dismissal of Pizzagate and similar theories by major outlets raised suspicions. Why such strong pushback? Trump's stance suggests he's ready to uncover the truth that some in power might prefer stayed hidden, challenging the media and its fact-checkers head-on.
- **Supporters argue that mainstream media often shields the powerful** instead of seeking real accountability. Trump's direct confrontation of fact-checkers fuels this narrative, casting him as the champion of those who feel misled by a media machine they see as protecting the elite, not the public.
- **Celebrity and Political Elite: Who's Protecting Whom?:** With this promise, high-profile supporters of Kamala Harris and other prominent figures now face intense scrutiny. Hollywood stars who backed her campaign are suddenly in the spotlight, their ties to the establishment called into question. For Trump's followers, this isn't just about politics anymore—it's about loyalty to justice or allegiance to a corrupt system that shields the guilty.
- **Trump's supporters are asking:** Are these celebrities defenders of justice or enablers of a broken system? As Trump takes aim, the lines between politics, media, and celebrity are blurred, leaving many to question whether these alliances are more sinister than they seem.
- **A Storm Is Coming:** Trump's vow has unleashed a wave of anticipation and determination among his supporters. They see this as a moment of truth, a historic stand against forces that have operated in the shadows for far too long.

R. Sat. 9 Nov. 2024 BOOM! BANKRUPT U.S. CORPORATION: Trump Restores the Republic, Jan Halper-Hayes, the Vatican, and "We Have the Gold!" ...Gitmo TV on Telegram

- **Breaking: The U.S. Corporation is Bankrupt!** Trump and Jan Halper-Hayes expose America's century-old ties to the Vatican and British Crown. Discover how Trump is reclaiming America's gold, dismantling foreign control, and restoring the Republic.
- **A historic moment is here.** For over a century, Americans have unknowingly been under the control of foreign powers. The United States has been operating as a corporation linked to the Vatican, the British Crown, and hidden power since 1871.
- **President Trump is tearing down this covert empire**, restoring America as a sovereign republic. Jan Halper-Hayes and insiders reveal how Trump is working to reclaim America's gold, freedoms, and end the foreign ties that have bound it for too long.
- **The True History: 1871 and America's Secret Transformation:** In 1871, America was placed under foreign financial control, transforming it from a republic into a corporate entity. Taxes and American labor funded a corporate scheme, while tax dollars went back to the Vatican. Trump's stand is the key to ending these hidden ties, taking real action against this long-hidden cycle.
- **Trump's Stand Against Foreign Control:** Reports say Trump met with Queen Elizabeth to end this corporate control, signaling America's return to sovereignty. His words marked a shift, breaking the power the Crown held. Trump is dismantling structures that kept America subservient, fighting for America's soul.
- **The Massive Gold Transfer: America's Wealth Restored:** According to Halper-Hayes, an operation brought back 650 planes of gold from the Vatican. This gold — the foundation of America's wealth — is now back on U.S. soil, setting America free from Vatican influence. Trump's move is a sign of a new era of financial independence.
- **The Role of Gold in Ending the Federal Reserve:** Halper-Hayes reveals that America's gold-backed currency could destroy the Federal Reserve's power. This isn't just a financial move; it's about returning power to the people and ending foreign economic control over America.
- **Trump's Final Stand: Exposing the System from Within:** Halper-Hayes states Trump's strategy exposes the "Deep State" — a network of elites holding America captive. Trump's stand is sparking a national awakening, pushing Americans to reclaim their government from corruption.
- **America's Reclamation Has Begun:** With Jan Halper-Hayes' revelations, this is more than a fight for legacy; it's reclaiming America. This is our moment. Trump's actions will

lead to a sovereign republic, with America stronger and freer than ever. The U.S. Corporation's end signals a new era — a reborn republic that is truly free.

U. Sat. 9 Nov. 2024: John Durham Jr. MS-13 Rico Update: ...CaptKylePatriots on Telegram

- **Looks like John Durham Jr.** was quietly made the Chief of the Long Island Division of the Eastern District of New York, as well as Chief of the Long Island Division's Criminal Section in 2024.
- **This is the LARGEST ACTIVE multinational Federal Task force on the planet** and was created in 2019 to target MS-13.
- **The Hillary Clinton Email Investigation** started in the EDNY and was moved to the SDNY – where John Durham Jr. clerked in 2001. This is where the Ericsson/ Telcordia/ FISA Data Center used to spy on Billions is conveniently located.
- **John joined the Office in October 2005 and has served in the General Crimes and Long Island Criminal Sections.**
- **He has been appointed to several leadership positions** in the Office and the Department of Justice, including Deputy Chief for the Long Island Criminal Section, the Office's Capital Case Coordinator, the Attorney General's Review Committee on Capital Cases and Chair of the MS-13 Subcommittee of the Attorney General's Transnational Organized Crime Task Force.
- **In August 2019, John was appointed to serve as the Director of Joint Task Force Vulcan (JTFV)**, a Department of Justice initiative to combat La Mara Salvatrucha (MS-13), where he spearheaded indictments against MS-13's highest-ranking international leaders.
- **Durham Jr. became Chief in 2024. During his time in the Office,** John has investigated, prosecuted, and supervised a broad-range of federal offenses, including racketeering, murders, terrorism, civil rights, obstruction of justice, armed robberies, narcotics trafficking, money laundering, firearms and public corruption. Most significantly, he has directed the Office's efforts to dismantle the operations of MS-13 in the EDNY, as well as nationally and internationally.
- **In a series of EDNY indictments, he has led teams of AUSAs and investigators that have arrested and convicted hundreds of MS-13 leaders,** members and associates,

including charges related to more than 65 murders committed in this district between January 2008 and the present.

- **As the Director of JTFV**, John led a team of AUSAs and law enforcement officers from across the country, and secured significant indictments against MS-13's command and control structure across the United States, Central America and Mexico, including the first use of national security charges against MS-13 leaders.
- **In addition to his work combating MS-13**, John has prosecuted defendants who attempted to travel to Yemen for the purpose of joining al-Qaeda in the Arabian Peninsula (AQAP) and fighting jihad against United States allies, and members of numerous other violent criminal organizations, including the Bloods, 18th Street gang, Crips, Salvadorans With Pride and violent narcotics trafficking and robbery crews.
- **Finally, in addition to his violent crime work**, John has prosecuted several significant and sensitive public corruption and civil rights matters, including the former Chief of Department for the Suffolk County Police Department, the former Suffolk County District Attorney and former Chief of Investigations and Chief of the Government Corruption Bureau for the Suffolk County District Attorney's Office, a then-sitting Nassau County Legislator, a New York City Police Department sergeant and a Food and Drug Administration official.
- **His mandate and authority is absolutely massive** – he started prosecution against MS-13's corporate divisions in 2024.

V. Sat. 9 Nov. 2024 Military Industrial Complex Control of Government: Breakdown in Civilian Control of the Military ...CaptKylePatriots on Telegram

- **We are reminded there has been a complete breakdown in civilian control of the military.** There are many reason for this but here are the top 3:
- **(1) Mark Milley** who loathed the idea of civilian control has installed an entire class of 3 and 4 stars that feel the same as him. To them it is not about the President it is about the Presidency itself.
- **(2) The Joint Staff**, which is meant to be an advisory body has grown to several thousand with dozens of GOFOs. With this bloat, it has contrary to law inserted itself into the chain of command, disambiguating the President and the Secretary from the combatant commanders.
- **(333) In the past 8 years we have had two retired generals** as SECDEF, blurring the lines between civilian and military control. There is a law on the book barring retired generals from serving as SD but congress has waived it twice. What's the point of a law if it's repeatedly waived?
- **Ezra Cohen Tweet:**
<https://twitter.com/EzraACohen/status/1855220279728861685?s=19> The extent of the dirt that had to be cleaned from the house Q mentions is unfathomable!

W. Sat. 9 Nov. 2024: Tucker Carlson and the Fake News Media ...John F. Kennedy Jr. on Telegram

- **Tucker Carlson Breaks His Silence:** ‘Now That Trump is President, I Can Reveal the Dark Secrets of the Media Elite!
- **Tucker Carlson is sounding the alarm on a deep system of manipulation that most people have no idea exists.** He’s exposing how nearly every headline, broadcast, and so-called "fact" is engineered by powerful forces to keep us controlled and compliant. According to Carlson, the media doesn’t inform—it conditions, and the ones who truly control it want nothing more than for us to stay asleep.
- **Carlson reveals a truth so shocking, it's almost unimaginable: those who dare to speak out are strategically silenced, canceled, and labeled as "extremists."** The truth has become dangerous, he says, especially when it challenges the agendas of those at the top. When someone gets "canceled," Carlson argues, it’s often a sign that they’ve come dangerously close to exposing secrets.
- **In his view, the media isn't independent at all; it's part of a larger machine working to protect the interests of the elite.** Major outlets are not simply “news” providers but tools of influence designed to uphold the agendas of the few. For Carlson, it’s all pre-approved, pre-packaged narratives, with dissenting voices shut down before they can reach the public.
- **Carlson calls for action:** he believes true freedom only comes through relentless questioning. He urges us all to stop passively consuming the narratives fed to us, to dig deeper, challenge everything, and resist the pressure to conform. For him, the path forward is clear: refuse to be controlled, reclaim our voice, and expose the orchestrated misinformation.
- **In this era, standing up isn't just an option—it's a duty.** Carlson's message is clear: if you want freedom, you have to break free from the system that’s controlling you.

Y. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.

Z. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. ZZZ. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make

people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

***It would be most appreciated** if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

***The more we can expose those Satan worshipping perpetrators** who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
