Judy Note: Donald Trump's historic return as the 47th president of the United States tomorrow January 20, 2025 was under siege with lots of surprises awaiting in his Inauguration activities.

Safety concerns began when a top Pentagon advisor was fired after revealing a plot of some Military Leaders to undermine Trump. Alex Jones felt that President Trump's Inauguration may be hit by Deep State Terrorists and said that there was an attempted coup against Trump by the CIA, Department of Justice and Pentagon. <https://rumble.com/v6acj81-infowars-the-alex-jones-show-1-15-2025.html>

To add to concerns, local Washington DC Police, known to be Deep State loyalists, were refusing to help secure Trump's Inauguration: <https://www.thegatewaypundit.com/2025/01/just-local-police-are-refusing-help-secure-trumps/>

Then there was that chilling prophecy by Brandon Biggs, famed for his unnervingly accurate foresight of a past assassination attempt on Trump. Biggs warned of a possible attack on ten US cities by more than a thousand terrorists who were targeting the inauguration and beyond.

Many suspect the inauguration was going to be staged as something else because Biden was no longer around. They feel he was executed at GITMO even before he took office – that what we have been viewing were actors playing Biden’s Presidential part. **Mon. 28 Dec. 2020:** [Biden Charged With Stealing Ukraine Billions, Treason for Communist Interference in 2020 Election | Politics | Before It's News](#) **Sun. 7 Feb. 2021:** [Congress, Biden Arrested as Military Rescues Tortured Children From Tunnels Beneath Capitol Hill | Politics | Before It's News](#)

If so, Trump may have never left office. He may have turned over his authority to the Military right after the 2020 fraudulent election. If so, he would have been acting as the Military Commander in Chief over mass arrests of Deep State players in order to fulfill his promise of “cleaning the DC Swamp.”

Actually, a US President-elect does not have to wait until January 20 to be sworn in as President according to the U.S. Constitution’s Twentieth Amendment. While the usual and traditional date for the swearing-in ceremony is **January 20**, if circumstances require, the transition can happen earlier.

The term of the so-called President Biden ends at noon on January 20, but if Biden were already dead as reported, the President-elect Trump would be sworn in earlier.

And, maybe he was. It was rumored that President Trump’s Inauguration actually took place on Thurs. 16 Jan. 2025. [Michael Jaco 1.18.2025 "Stunning Trump's Return" - They Were all Executed at GITMO! | Prophecy | Before It's News](#)

It has been said we were living in a movie, and to keep up the show, on Sat. 18 Jan. Trump, Melania and Barron were said to have flown to DC on Air Force One – which Trump couldn’t do unless he was President – which he could be.

But, president of what? Perhaps the new Republic of the United States of America? After all, US Inc. was broke and defunct, so Trump can’t be inaugurated to something that no longer existed.

Then there were all those drastic last minute changes to the Inauguration Schedule. Because of weather and security concerns the Trump Inauguration was first moved inside the US Capitol, and then it was moved to the White House, and now no one knows where it’s going to occur.

And, barricades were coming down for what was supposed to be the Trump Inauguration parade on Monday. The parade has also been called off. Trump said the outdoor festivities were being cancelled due to extreme cold and that many acts of the parade will perform inside the Capital One Arena after the viewing of his inauguration. https://x.com/elex_michaelson/status/1880657712234820003

It’s all such a mystery – just like the last four years of the fake Biden Administration have been. With all the Deep State dignitaries coming, wouldn’t it be amazing if the inauguration were actually a Sting Event? C. Sat. 18 Jan. 2025: TERROR PREDICTION: Prophecy of More Than a Thousand Terrorists Targeting Over 10 US Cities! ...Gitmo TV on Telegram

- **The countdown to Donald Trump's historic return as the 47th president** of the United States on January 20, 2025 is under siege with a chilling prophecy. Brandon Biggs, famed for his unnervingly accurate foresight of a past assassination attempt on Trump, warns of an unprecedented, multi-city terrorist attack targeting the inauguration and beyond.
- **Biggs' vision details coordinated bombings** using unassuming vehicles like trucks laden with explosives, hidden in underground garages, waiting to unleash chaos on the most pivotal day in modern American history. His warnings go beyond speculation, drawing from a track record that's silenced skeptics before.
- **"Unstoppable Chaos: A Chilling Warning"** The attack, Biggs claims, is designed to shake the very core of American democracy. Trucks parked where no one would suspect, poised to turn celebrations into carnage. Fertilizer bombs, precision-timed detonations—this isn't an isolated event but a synchronized strike on freedom itself.

- **Biggs insists these warnings are not mere speculation.** Supporters see him as a modern prophet, a patriot risking everything to expose hidden threats. Critics, however, dismiss him as a farmonger. But his previous accurate predictions leave no room for complacency.
- **A Nation at a Crossroads:** Trump's return marks a battle for the heart of the nation. His supporters see it as the ultimate revival of American greatness, while opponents rally against him with equal fervor. The stakes couldn't be higher, with massive crowds expected in Washington, D.C., and tensions running sky-high.
- **Behind the scenes, heightened security measures** are in place. Sources close to Trump confirm additional layers of protection to counter the potential for disaster. Homeland Security urges vigilance, urging citizens to report any suspicious activity immediately.
- **But even with advanced surveillance,** bomb-sniffing dogs, and reinforced checkpoints, the scale of Biggs' prophecy demands unprecedented vigilance. The imagery is haunting: coordinated teams, hidden weapons, a day of celebration transformed into unimaginable devastation.
- **January 20, 2025: Triumph or Tragedy?:** This inauguration isn't just about a president. It's about the survival of America's ideals. Biggs' warning isn't just a prophecy—it's a rallying cry. The question is, will America rise to defend its legacy, or will it fall prey to the shadows lurking within?
- **The storm is brewing.** Stay vigilant. Everything is at stake.

D. Sat. 18 Jan. 2025: BREAKING! WHITE HATS EXPOSE DEEP STATE PLOT TO ATTACK TRUMP'S INAUGURATION! ...Steve Bannon

- **The Deep State's plan to unleash chaos on January 20, 2025,** has been exposed. Leaked intel reveals a coordinated assault on Trump's inauguration, involving explosives, bio-weapons, and infiltrators aimed at framing patriots and recreating January 6 chaos. This isn't just an attack on Trump; it's a direct assault on the American people.
- **Operation Midnight Sabotage: The Deep State's Darkest Plan:** White Hats have uncovered chilling details of the Deep State's Operation Midnight Sabotage, a blueprint for chaos. The plan includes false-flag attacks, sniper deployments, and advanced EMP devices to disrupt communications. Explosives are being smuggled into critical areas, and infiltrators within pro-Trump groups are poised to incite violence, framing patriots as domestic terrorists.
- **Weaponized Pathogens and Bio-Warfare:** The most sinister revelation? The use of weaponized pathogens. Secret biolabs have engineered a virus codenamed "Viper-X," designed for maximum panic. The goal is to release it during the inauguration and blame Trump supporters, paving the way for martial law and draconian lockdowns.
- **Globalist Puppeteers Behind the Curtain:** This isn't just a domestic attack. Leaked communications link the World Economic Forum and United Nations to funding Operation

Midnight Sabotage. Their goal? Prevent Trump's presidency and fast-track their globalist agenda, sacrificing American sovereignty for centralized control.

- **Mainstream Media and Social Media Collusion:** Major networks are already framing Trump supporters as threats, while social media platforms are silencing patriots exposing the truth. Algorithms shadowban posts, delete accounts, and throttle dissent. Journalists are complicit, working directly with Deep State operatives to spin their narrative.
- **White Hats Strike Back:** Patriots in military intelligence are two steps ahead. Covert raids have neutralized key Deep State hubs in Virginia and Arizona, uncovering encrypted communications and plans to deploy drones armed with chemical agents. Directed-energy weapons and psychotronic devices aimed at creating chaos have been intercepted and disabled.
- **The Fight for Freedom:** This is a war for America's soul. The Deep State seeks to destroy the America First movement, but their desperation exposes their weakness. Patriots, the truth is on our side, and their lies are crumbling.
- **January 20: A Moment of Reckoning:** The Deep State's plot is unraveling. Stay vigilant, stay united, and prepare for a new era of freedom. Nothing can stop what's coming.

P. Sat. 18 Jan. 2025 The Private UNITED STATES ...Avatar: Thinker2

- **Every government office in America is in violation of the Constitution.** This is possible because every government office is incorporated under Private ownership, and public tax money is privatized (laundered) before returning to fund government offices. The primary clause being violated is the Emoluments clause, which makes a crime of foreign agents holding public office.
- **Anyone attempting to claim Public Property** or Public Services is deceived and rebelling against the Private Owners, while UNITED STATES is a

Private Corporation. Anyone claiming to be a UNITED STATE (U.S.) Citizen is claiming to be the property of a Private Corporation.

Basic Concepts:

- **Legal v. Lawful**
 - The SCOTUS ruled many years ago that a Corporation is a Legal Person (Legal Fiction / Unnatural)
 - All things Natural are Lawful (Creation of Creator)
- **Registration is the act of transferring Legal ownership to another**
 - When I register to vote, I'm transferring my vote to my representative
 - When I register my car, I'm transferring Legal ownership of my car to the State (I retain equitable title)
 - When I register my corporation, I am transferring my company to the State in return for Limited Liability (Protection Racket)
- **What form of government is America**
 - Ben Franklin was asked; "What is it?" he replied; "It's a Republic, if you can keep it."
 - Benito Mussolini was asked; "What is Fascism?" he replied; "Corporatism."
 - Voting is a democratic practice, but it does not make a nation a democracy
 - A Democracy is Mob Rule. America has many Mobs; Democrats, Republicans, Communists, Satanists, Pedophiles, FBI, IRS, CIA, DOJ, DEA, DHS, etc
- **Public v. Private**
 - Public is when a thing is owned or funded by the people of America
 - Private is when a thing is owned or funded by an independent person or interest
- **Dun & Bradstreet (D&B)**
 - D&B is a Credit Bureau of Corporations
 - The Supreme Court of the United States (SCOTUS) is listed on D&B as a Private Corporation (Fascism)
- **Federal Reserve Counterfeiting Cartel**
 - <https://operationdisclosureofficial.com/2024/12/30/counterfeiting/>
- **Up until January 20, 2017 America remained a Private Fascist Enterprise.** Owned and operated by three city state; Vatican City, City of London, and District of Columbia. As these three cities are fascist, and District of Columbia is foreign to America, UNITED STATES is a Fascist Foreign Corporation. America went from Republic to Private Fascist Corporation with the 1871 Act of England. When Ulysses S. Grant gifted America and it's residents to British Bankers to settle Civil War Debt, by signing the District of Columbia Organic Act of 1871. All Corporations and Government offices in America are Registered under the Foreign Corporation District of Columbia.
- **All moneys paid to the private collection agency called the Internal Revenue Service (IRS) are sent to the Bank of England, The Bank of England takes a 40% cut of the money. The other 60% is forwarded to the Vatican Bank. In this way all money paid to the IRS are laundered into Private hands. All UNITED STATES services are paid from by Private Fascist Interests. Nothing of our government is Public. Only the illusion of Public is maintained to keep the**

public from noticing the change. I assume this is why the UNITED STATES Fasci is covered by leaves (see images below).

- **The Private States of America**

- **STATE OF ARIZONA** was incorporated in 1877 (Legal Fiction / Corporate Offices / Private)
- **Arizona joined the American union** in 1912 (Lawful Geography / No Offices / Public)

- **Every American with a Birth Certificate or Social Security**

Number (Federal Reserve Bank Account) is Registered as Private State Property. This is why government employees always want to see License / ID that informs them we are Private State Property (Ward of the State). Wards of the State (Chattel Property) have no Rights, we have Civil Rights. Civil Rights are the rights of Slaves. Civil Rights are Privileges. You need permission to Drive, but Travel is an Unalienable Right.

- **Fact or Fiction**

- "You have owners. They OWN you." - George Carlin (not joking)
- "You are a slave, Neo." - The Matrix (not fiction)

- **District of Columbia Organic Act of 1871**

https://dn790008.ca.archive.org/0/items/pdfy-XuT7yoQ9PctoP2Ac/District%20of%20Columbia%20Organic%20Act%20of%201871_text.pdf

- **The American Civil War was used by British Bankers to Bankrupt America** and make all it's people the property of Private Banks. As all Americans were the Private property of British Bankers (Slaves), only the Bankers had Rights, and everyone else were given "Civil Rights" or the Privileges of Slaves obedient to the Policies of Corporations. The Law governing these slaves is Admiralty Law. The people enforcing Admiralty Law are euphemistically called Law Enforcement, previously known as Slave Catchers. https://en.wikipedia.org/wiki/Slave_catcher

R. Native Hawaiian DEW Victims of Maui Hawaii

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

S. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here;](#)

T. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to

make a living. He was arrested almost a year ago and has been sitting in jail without the ability to file an appeal because he won't be sentenced until **20 Dec. 2024**.

- **Ken really appreciates receiving encouraging messages in postcards.** White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. U. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of "22 Faces" was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of "22 Faces" on Amazon, the pedophiles were effective in plunging book ratings.

"22 Faces" was now re-published and it wouldn't be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
