Where Have All The Children Gone?

To Feed Politician & Global Elite's Sick Addictions To Satan Worship?

“The Vatican regularly funnels children through international pedophile rings to Satan worshipping, child sacrificing businessmen, politicians and European royal families.”

...Findings of ICLCJ Court in Brussels **May 2014**

“Be the Reason Someone Believes God is Good.”

Judy Note: For big bucks, the Vatican and their drug cartels regularly funnel children through international pedophile rings to Satan worshipping businessmen, politicians and members of European royal families according to victim testimonies eleven years ago at the International Common Law Court of Justice in Brussels.

Beginning in May 2014 more than 34 eyewitnesses gave their depositions to the ICLCJ Court about their childhood sexual abuse and forced participation in child sacrifices by these global elites of the Ninth Circle Satanic Child Sacrifice Cult.

Five international court judges considered evidence against Ninth Circle Cult members including the trial's chief defendant, Pope Francis, plus former Pope Ratzinger and Queen Elizabeth.

In 2013 this same ICLCJ Court found Queen Elizabeth and Pope Ratzinger guilty of Crimes Against Humanity and issued arrest warrants against them.

A European mafia known as “Octopus” or Ndrangheta, was said to make considerable money by securing drugs and children for the upper echelons of Pope Francis’ Catholic and Queen Elizabeth’s Anglican Churches, royal family members and European, Canadian, Australian and US politicians and corporate heads.

“The Catholic Church is clearly the largest baby trafficker in human history, making billions each year by selling Catholic newborns to orphanages, foster agencies and undisclosed parties” Antonio Barrero testified before five judges of the ICLCJ Court. “In Spain alone

between 1940 and 1980, the Catholic Church reaped over \$20 billion by trafficking more than 300,000 children.”

“The now Pope Francis organized the marketing of those more than 30,000 children of Argentine political prisoners” according to a ICLCJ Court witness identified only as Number 32. In the 1970s-1980s the witness was a former Argentine civil servant who was present in meetings between the now-Pope Francis and the Junta Military during Argentine’s Dirty War.

The Court recessed to do further research after the ICLC Court Chief Prosecutor professed a link between the British, Dutch and Belgian royal families and the disappearances and killing of Mohawk children at Queen Elizabeth’s Church of England or Anglican’s [Brantford Indian Residential School](#) in Ontario Canada.

“The ‘Ndrangheta syndicate obtains its child fodder through its deep involvement with the child-snatching Roman Catholic Church and top Vatican officials” a Radical Party member of the Italian Parliament, Matteo Maceo, told Kevin Annett of the ICLCJ Court. “The modern Mafia are the same people who run the Catholic Church and Italian government. They’re indistinguishable. They’re all in the same club. Their main concern is their assets, which come from organized crime: drugs, arms dealing and human trafficking.”

“Crime pays and nothing pays as well as selling human beings, especially children” Annett said. “Last month, I was contacted by a retired Dutch lawyer whose former husband is a member of the criminal syndicate that provides the children and adolescents used in Ninth Circle ritualistic “hunting parties” in Belgium. I’ll call her Josephine. According to Josephine, in the Springs of 2000 and 2004 her ex-husband, along with Octopus members, provided ten children and adolescents who were then stripped naked, let loose, hunted down, killed and mutilated by wealthy men in forests near Oudergem, Belgium.

“She was told the victims were kids from the juvenile detention centers in Brussels. The global elite killers were thought to be members of the Ninth Circle and included Prince Friso of Holland, Dutch Prime Minister Mark Rutte and Prince Albert of Belgium. Satan worshippers are known to think that certain numbers have mystical qualities. Notice their use of the number ten when choosing their victims. After they shot down the ten young ones they cut off the boys’ penises and held them up like trophies, cheering and applauding.”

According to last year’s ICLCJ Court findings, on Oct. 10 1964 Queen Elizabeth and Prince Phillip took ten children around the age of ten from the Kamloops Residential School in British Columbia. Their native parents haven’t seen them since. The Kamloops school closed in 1978, though a [child mass grave site](#) wasn’t discovered on the Kamloops school grounds until last year. Since 2008 Queen Elizabeth and the Canadian government have refused Annett’s [ITCCS’s](#) continuous requests for excavation of [34 child mass grave sites](#) discovered on some of the 80

native residential school grounds across Canada.

Vatican and European Royal family members of the Ninth Circle were said to have scheduled child sacrifices for **August 15 (2014)** and on the new moon in **September (2014)** at the Carnarvon Castle in Wales, Balmoral Castle in Scotland and Marie Reine du Monde Catholic Cathedral in Montreal Canada.

The court was presently in recess while evidence was being gathered in hopes the five judges and 27 jury members could reach a verdict by this Fall. Because of the large amount of victims coming forward to testify about Ninth Circle activities more indictments were expected to follow. A third international court was planned for **next year (2015)**.

Last year's 2013 ICLCJ Court found 40 global elites guilty in the disappearance of over 500,000 native Canadian children. A few days later Pope Ratzinger resigned from his office. Evidence presented at last year's court could be found in Annett's book "Hidden No Longer."

The [ICLCJ International Court](#) has over **450 Common Law Peace Officers** in 13 countries, with 51 local chartered groups operating.

D. Sat. 12 April 2025 GLOBAL TRADE RESET IGNITES – THE GCR/RV IS LIVE.

...John F. Kennedy Jr. on Telegram

- **The storm has arrived, and the reset we've been warning about is no longer a theory — it's underway.** The U.S. just triggered the Global Currency Reset (GCR) and the Revaluation (RV), shattering the corrupt system that's enslaved the world for decades.
- **Trump's trade war was never about tariffs. It was about taking down the rigged currency game.** The U.S. Trade Representative is now enforcing currency revaluations as part of new deals. No more manipulation. No more fake valuations. No more China cheating the dollar.
- **And here's the signal that set the elites on fire — gold just broke \$3,200.** The dollar? Bleeding. Nations? Scrambling. Global commerce is being rebuilt from the ground up, and WE are the architects.

This is the economic 9/11 of the Deep State.

- **Behind the scenes, China is pushing the digital yuan,** rolling it out in key cities like Shenzhen and Beijing's shadow metropolis. Why? Because they know what's coming. They see the collapse. They're racing for survival. But they're too late.
- **And while they roll out their surveillance coin, we've got something else moving in the shadows:** Extraterrestrial forces protecting POTUS? Nephilim giants spotted near Trump's plane? Dan Scavino's “coincidental” images? Nothing is random.
- **Behind the curtains, good forces beyond this world are standing with us.** The Cabal isn't just facing patriots. They're facing a power they can't comprehend.
- **Meanwhile, the STORM Act is LIVE —** passed to empower FEMA with emergency financial force. But ask yourself — why would they green light disaster mitigation RIGHT NOW? What disaster are they bracing for? What do THEY know that we don't?

- **The Supreme Court is shifting too.** Amy Coney Barrett pledges loyalty to the Constitution. Is she preparing for the trials to come?
- **And then comes the nuclear option:** The Federal Reserve plans to print \$9.5 TRILLION to buy out global gold. They want it all. But the moment they move, the dollar hits ZERO. Gold will shoot to infinity. This is economic warfare, and it ends with the death of fiat.
- **This isn't a drill.** This is the reset. We told you it was coming. Now it's here. The world will never be the same.

E. Sat. 12 April 2025 DOSSIER: THE SIGNAL THEY WON'T NAME ...Julian Assange on Telegram

- **Inside the Tier 1 Blueprint for a Silent \$500 Trillion Reset** as Global Financial Realignment Is Already in Motion
- **April 11, 2025 will not be remembered for its headlines—because there won't be any. Yet behind that silence, a classified Tier 1 operation has quietly begun.** A financial injection of \$500 trillion is now moving through the global system, not with press conferences or media alerts, but through perfectly timed veils of tariffs, engineered to mask the largest wealth realignment of our era. This isn't theoretical. It's already happening.
- **This isn't a trade war. It's wealth repositioning.** What appears as tough economic retaliation is actually a coordinated act of global balance—justification for the reactivation of long-suppressed capital. Over \$500 trillion in frozen or hidden assets is now being introduced back into circulation under humanitarian cover, without destabilizing markets or triggering media panic. The optics are deliberate. The silence is strategic. What we're seeing is a planetary accounting maneuver—an extraction of stolen value hidden under decades of systemic control.
- **The capital isn't flowing through central banks or supranational institutions. It's being managed by decentralized custodians—**individuals or legal entities granted legal visibility but no ownership rights. This structure prevents manipulation, bypasses corruption, and protects the mission: 80% of the funds directed toward humanitarian infrastructure, 1% for logistical discretion, and 19% anchored in U.S. Treasury bonds to stabilize the sovereign narrative and avoid inflationary shocks.
- **Tariffs provide the smokescreen.** Governments declare economic wins as hidden financial pathways quietly funnel resources through redemption frameworks unknown to the public. This is not chaos—it's camouflage. The world believes it's witnessing geopolitical hardball, while behind the curtain, the largest restructuring in financial history is being deployed with mathematical precision.
- **This operation will never be called a reset.** It will be labeled as “liquidity flow alignment,” “sovereign debt stabilization,” or “post-pandemic optimization.” But make no mistake: this is a reverse-engineered correction of economic plunder. The theft of wealth, time, and global potential is being quietly reversed—without ever admitting the theft occurred.

- **The shift is real. It's happening now.** And by the time the world realizes it, the structure will already be in place.

F. Global Financial Crisis:

- **Sat. 12 April 2025:** [The Gold is Gone!? - Elon Musk & Trump Visit Fort Knox | Prophecy | Before It's News](#)

G. Sat. 12 April 2025 MASSIVE QFS ACTIVATION UNDERWAY — GLOBAL BANKS COLLAPSE, VISA DISAPPEARS, AND DEEP STATE FORTUNES SEIZED BY MILITARY STRIKES. THE SHIFT IS REAL — AND IT'S ALREADY BEGUN. ...QFS
on Telegram

- **What the media calls “banking failures” are coordinated takedowns.** Deutsche Bank, HSBC, JP Morgan — gutted. Executives removed. Tribunals underway. Sentences sealed. What's replacing them isn't reform — it's revolution. The Quantum Financial System (QFS) is here.
- **Legacy payment giants like VISA and Mastercard?** Being quietly phased out. Their purpose was never convenience — it was control. Hidden fees, predatory surveillance, backdoors for data theft — now exposed. The QFS replaces all of it with quantum-secured, fraud-proof infrastructure. Every account is biometric. Every transaction instant, traceable, unhackable. The global elite never saw it coming.
- **Stripe, PayPal, even mobile wallets — all flagged.** These weren't platforms; they were gateways into the Deep State's funding pipelines. The Alliance is severing them in real time, while military units retrieve stolen assets and dismantle trafficking routes hidden in financial code. This isn't a software upgrade. This is total reset.
- **And the Quantum Internet? It's operational.** It's not just a faster net — it's a secured global matrix designed to annihilate censorship, end manipulation, and erase the deep state's last digital strongholds. The current internet was a trap. This one is a liberation grid.
- **Fiat currency is finished.** The dollar, euro, yen — unbacked illusions. The petrodollar system has been neutralized. Asset-backed currency is rising, and at its core: gold. Welcome the Rainbow Currency — a gold-anchored financial weapon immune to inflation and manipulation. Over 60 nations have already converted. The switch wasn't announced. It was executed.
- **Zim bond redemptions have entered critical stages.** Bondholders once mocked are now key. Behind high security, redemption centers operate under military guard, using biometrics and encrypted Q comms to identify every move. NDAs protect the process. Any leaks, and the consequences are immediate. The Deep State has tried infiltrating the system — and failed. The Alliance is watching every access point.
- **January saw coordinated raids across London, Zurich, and Hong Kong.** Hidden vaults seized. Gold recovered. Illicit funding pipelines cut. Over 80% of deep-state financial networks destroyed. These raids weren't symbolic. They were surgical.

- **South Africa is purging its captured regime.** New leadership aligned with the GESARA blueprint is rising. Iraq's central bank is preparing a revaluation that will ripple across the Middle East and force a global asset-backed rebalancing. These aren't theories — they are active phases.
- **You may not have received your QFS login yet** — but the account already exists. It's linked to your ID. When the full switch hits, you'll receive quantum-level instructions via the new secure communication grid.
- **March 2025 was not just a month — it was a turning point.** The Cabal's wealth is gone. Their systems burned. Their shadows fading. What comes next isn't chaos — it's calibration. Stay alert. Stay quiet. Stay ready. The future isn't coming. It's here.

Restored Republic:

H. Sat. 12 April 2025: WORLDWIDE MILITARY TAKEOVER IN PROGRESS. 300,000 TROOPS DEPLOYED. EBS BROADCAST ACTIVATION IS HAPPENING. MASS ARRESTS UNDERWAY. THE FINAL PHASE OF THE DEEP STATE DESTRUCTION HAS BEGUN. ...QFS on Telegram

- **The illusions are collapsing. Humanity is waking up.** What was once hidden is now undeniable. The multi-decade plan to liberate the planet has reached its most visible and irreversible stage.
- **Led by Donald J. Trump and a global military coalition, over 300,000 troops are now executing the final wave of takedowns.**
- **As of April 12, 2025,** the Emergency Broadcast System (EBS) is no longer a rumor—it's a mission in motion. Worldwide military coordination, digital control, and real-time operations are converging.
- **Phase Zero of the global operation was completed last weekend. Escape routes sealed. Financial systems disrupted. High-value arrests made.** The Deep State has been cornered with no way out. Their last attempts to trigger war, pandemics, and collapse have failed. Their networks are being dismantled before our eyes.
- **Ukraine's war narrative was a cover for something darker.** Raids have exposed underground biolabs tied to global depopulation plans. In the U.S., black sites like Denver and Dulce were taken down—housing cloning labs, human trafficking hubs, and off-the-record tech. These operations are finished. Footage will be shown to the world.
- **The global tunnel networks are deeper and more sinister than expected.** Beneath Los Angeles and the Vatican, elite bunkers, trafficking corridors, and ritual chambers were destroyed. Military units have documented everything. Humanity will see the truth for the first time.
- **Above us, Starlink has become the central weapon of this war.** With the Prometheus AI fully active, it now controls all comms, detects sabotage, and strikes DS facilities via EMP from orbit. Retaliation is impossible. They're exposed. They're finished.
- **The EBS broadcast will show what they never wanted us to see: —** Robotic impostors replacing world leaders. Biden and Macron among them. — Secret space operations on

the Moon and Mars. Escape routes for the elite, now dismantled. — Climate control weapons used to manipulate populations. Seized. Neutralized. The world is about to change forever.

I. Sat. 12 April 2025 THREE MAJOR MILITARY OPERATIONS ARE IN MOTION

...EBS Activated With Trump on Telegram

- **BLACK EAGLE targets the Vatican, City of London, and ancient Swiss vaults** — recovering bullion stamped with pre-WWI seals, looted over centuries by monarchies and war financiers.
- **SOVEREIGN SWORD is dismantling the Digital Babylon Network** — a satellite-linked web once used by the IMF, World Bank, and BIS to funnel trillions through dark channels into weapons labs and surveillance programs.
- **OPERATION IRON JUDGMENT is storming elite island compounds**, exposing quantum-encrypted terminals not tied to SWIFT, used by the world's most powerful families to control untouchable wealth.
- **All assets recovered are being integrated directly into the QFS.** Not one dollar is being returned to the corrupt elite. The stolen wealth of the world is being reclaimed — not just as justice, but as restoration.
- **Trump never left the battlefield. He operates from secure command under the restored Constitutional Republic.** While D.C. plays politics, the real command structure resides in hidden bunkers and Space Force outposts. The Continuity of Government protocols signed in 2020 weren't a fallback plan — they were the trap. And now it's been triggered.
- **GITMO is expanding.** Black sites in Greenland, Antarctica, and beneath Cheyenne Mountain are fully operational. They are no longer prisons — they are war crime tribunals.
- **As of April 9, over 1,700 indictments have been unsealed.** More than 8,000 arrests have taken place in 45 days. Among the detained: central bank heads, globalist lawyers, intelligence chiefs, biotech billionaires, and elected officials tied to the WEF and CCP. Sentences are being handed down. Executions have already occurred.
- **And now, the biggest shock of all — The Federal Reserve has been seized. On March 27, military cyber teams took full control of Fed servers**, exposing quantum cloaking code used to cover massive currency creation during every “crisis” — from 9/11 to C***D to the SVB collapse. This wasn't stimulus. It was digital slavery. But the Fed is finished. Its links to the Treasury have been severed. Fiat printing is dead. All future currency will be asset-backed, and under NESARA provisions, all debt created through fraudulent lending systems is nullified — including mortgages, student loans, credit cards, and more. This is not a theory. This is the final phase.
- **Expect a full public announcement by July 4.** The era of silent control is ending. The people are rising. And the QFS is the foundation of a future that cannot be corrupted. The storm is not coming — the storm is now.

J. Sat. 12 April 2025 MILITARY INTEL DROP: STARLINK, QFS & PROJECT ODIN — THE FINAL SATELLITE WAR HAS BEGUN. ...Quantum Financial System on Telegram

- **While the world sleeps, the skies above us are being weaponized** — not with missiles, but with information, frequencies, and control. What you thought was just internet from space is actually the front line in the final war against the Deep State. The moment has arrived. The curtain is lifting. And what's revealed is beyond imagination.
- **Starlink — Elon Musk's constellation of satellites — is not what it seems.** Sold to the public as a communications system, it was always something more: a Trojan Horse positioned in Earth's low orbit, building an invisible grid designed to replace the corrupted infrastructure of global surveillance. But Starlink doesn't stand alone. It is the delivery system for Project Odin — a classified military protocol created to neutralize Deep State control over media, finance, and psychological warfare.
- **And it's already begun. The Mossad's media satellites — long used to hijack global narratives, influence elections, and manipulate reality — are being taken offline.** Not hacked. Not interrupted. Obliterated. This silent takedown will trigger a communication blackout that reshapes the world. No more CNN. No more BBC. No more puppeteered talking heads spinning lies for the elite. When the lights go out, the truth will come in. This isn't just about satellites. It's about freedom.
- **Behind the scenes, the Quantum Financial System (QFS) is already live** — bypassing central banks, bypassing SWIFT, bypassing the IMF, BIS, and every globalist institution that built a prison out of paper money. QFS is quantum-secured, military-run, and incorruptible. It records every transaction with unbreakable encryption, immune to manipulation, fraud, or theft. For the first time in history, money will serve the people — not enslave them.
- **And while QFS restores financial sovereignty, Project Odin serves as the sword.** Designed to replace the current media matrix, Odin will unleash a secured Emergency Broadcast System — Starlink-powered, White Hat controlled. When the Deep State's web collapses, Odin will take over. It will broadcast truth directly, bypassing every gatekeeper that once controlled what the world was allowed to know.
- **Some say the Mossad satellites are already down.** Others say the command has been issued and the sequence is underway. Either way, the outcome is the same: a total blackout followed by revelation. Imagine a world where the screens go dark — and then flicker back on, not with propaganda, but with tribunals, confessions, and undeniable proof. This is not fantasy. This is the plan.
- **Even Elon Musk has dropped clues:** trillions in phantom payments uncovered. Fraud systems built by the Deep State to drain the people dry. That system is dying — and QFS is the kill shot. Meanwhile, RFK Jr. and Trump's war council are attacking from every front — ending forced medication, exposing fluoride toxicity, and dismantling the health cabal piece by piece.
- **This is a Biblical shift. A cosmic war.** And we are in the final act. Starlink is the grid. QFS is the engine. Odin is the trigger. You are living through the takedown of a global

control system older than most nations — and when it ends, everything will change. Time will split. Reality will shift. And a New Earth — powered by energy, frequency, and truth — will emerge from the ruins of deception.

- **Stay grounded. Stay alert.** The storm above is real. PROJECT ODIN IS LIVE.

M. Sat. 12 April 2025 Tom Fairbanks Update:

All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

On Fri. 11 April 2025 Tom wrote the following upon finally receiving his trial transcript from the Utah Attorney General's Office:

"I was consumed with reading through my trial transcript and when I looked up it was lockdown time for the nightly count. - My cellmates, individually, repeatedly commented about the volume of work I was reading and one even asked if I was writing a book.

"This has been a rather disturbing activity because through all of this, I guess I have still had a naive belief (hope or wish) that there would be an intent, by the officers of the court, to follow the lawful procedures guaranteed us in the Constitution. Unfortunately, that hope was shattered last night with the realization that my trial transcript has been edited or altered in a conspiratorial fashion.

"I have not yet finished going through the transcript, but it is painfully obvious that RuthAnn Holloway's testimony on the witness stand is missing questions asked by my public defender, Spencer Rice, about rehearsing her testimony, the night before - Sunday night) in the courtroom. Everything from that question to Spencer Rice's return to the defense table with his declaration that Ruth Ann had lied on the witness stand has been removed from the transcript. The prosecutor's rebuttal that he told her just to tell the truth is there, but all of the actions between have been removed.

"There is also an acknowledgement in the transcript by Spencer Rice that the witness from the Adult Protection Services, who would be testifying on my behalf, was being prevented from

appearing by the Utah State Attorney General's Office. However, the theatrical performance by Judge Parrish about holding the witness in contempt of court, until he appeared, through the agreed upon stipulation of the things he would testify to have all been removed from the transcript.

“These are not simple deletions, too many people are involved. Judge Parrish, the clerk of the court, the court reporter, the other assistant court clerk, the prosecutors, my public defenders, and the transcriptionist are all involved or have knowledge of the deletions. They are the conspirators and the conspiracy is the fraud perpetuated upon and in the court.

“My email to Spencer Rice, that very day, asking him how he knew about RuthAnn's practicing her testimony on the witness stand the night before, my questions about who allowed that to happen, and my demand for a mistrial went unanswered. Now, we know why!

“So, when I filed the appeal to JAG, which was ignored and then sealed, I actually provided them with a roadmap of what needed to be removed from the transcript. I am sure that the electronic records has been destroyed, God help them if it hasn't. Fortunately, for me there has to be a weakest link in the conspiracy. The three most plausible are Spencer Rice, since he was appointed to protect my Constitutional rights; the court reporter, whose job it is to take an accurate record of the trial; or the one who transcribed the electronic record. (I seriously doubt that the transcriptionist was the one who made the deletions and don't believe she would be willing to take the fall.)

“Having just read about the government corruption in the Randy Weaver criminal trial and having witnessed the lawfare used against President Trump and almost countless patriots trying to defend the Constitution along with the government's double jeopardy used against Ken Cromar, I recognize a cover-up when I see one! But I have never seen such effort like this, involving every party in the trial system, the court, Judge Parrish, the prosecutors, and the defense team, to bury the truth.

“Why would they go to such trouble? Satanic Ritual Abuse (SRA) and those whose involvement I have exposed in the Friend of the Court Brief, my meeting with the Utah State Attorney General's Office, along with John Huber's acts of treason in covering up the Hillary Clinton investigation.

“Oh God, Help Us. Where there is smoke, there is fire!”

N. Sat. 12 April 2025 GRAPHENE OXIDE (GO) discoveries: ...JFK Jr. on Telegram

- GO fibres are in plastic masks.
- GO fibres are on PCR test swabs.
- GO is in all Covid-19 vaccines.
- GO creates thromboses.
- GO causes blood clots.
- GO disrupts the immune system.
- GO can trigger a cytokine storm.
- GO toxicity can instigate pneumonia.
- GO creates a metallic taste in the mouth.
- GO causes inflammation of the mucous membranes.
- GO produces a loss in the sense of taste and smell.
- GO is magnetic (especially at the injection site.)
- GO blocks detoxification in the body by blocking glutathione.
- GO may be activated by 5G frequencies.
- GO was already included as an adjuvant in the flu shots in 2019.
- GO passes thru the blood-brain barrier.
- So graphene oxide can act as a solo trigger for most COVID symptoms. This is not a VIRUS or spike protein, but a chemical warfare agent

O. Sat. 12 April 2025 This Wasn't Medicine. This Was War. ...John F. Kennedy Jr. on Telegram

- **The COVID jab wasn't a health response.** It was a globally coordinated act of biological warfare—disguised as medicine. Moderna raises death risk by 20%. Pfizer by 14%. And that's just the start.
- **Ceramides—foreign lipid compounds triggered by the jab—are flooding your bloodstream.** Once inside, they choke your organs, smother your heart, and hijack your metabolism. Your body goes into survival mode. You trap fat. Everywhere. You gain weight that won't come off. Your energy vanishes. Your detox systems collapse. And your cells are being starved—by design. This isn't "side effects." This is engineered metabolic warfare.
- **The Czech Republic released the mortality stats.** They proved it. Meanwhile, the U.S. buries the real numbers—because truth equals rebellion. They don't want you asking why your healthy friend "died suddenly," or why your body started falling apart after the jab. They want you silenced. Compliant. Inflamed. And dying slowly enough not to spark riots.
- **There's a reason they won't do autopsies.** Because they'd find: Ceramide buildup. Mitochondrial shutdown. Fat-smothered organs. Microscopic clotting and spike protein residue.
- **This is not over. It's accelerating.** People are bloated, brain-fogged, fatigued, hormonally wrecked. It's not "post-COVID." It's post-vaccine poisoning. And millions are still sleepwalking through it.

- **They injected the mechanism of control—a slow, internal death spiral that keeps you fat, sick, and dependent.** All while your “digital health pass” decides if you’re allowed to exist in their collapsing system.
- **This was never about a virus.** This was about: Metabolic destruction. Pharmaceutical enslavement. Biological compliance.
- **They want your immune system tethered to a needle.** Your body locked in a feedback loop of weakness. Your mind dulled. Your resistance broken. This was the ultimate soft kill. Needles over nukes. Syringes over soldiers.
- **And the only question now is:** How long will you stay silent while your body bleeds out in slow motion? The war came. It never ended. And it’s inside you now.

P. Chemtrails

Sat. 12 April 2025 BOOM! OPERATION SKYWATCH IGNITED: TRUMP & RFK JR. LAUNCH GLOBAL CRACKDOWN ON CHEMTRAILS | ARRESTS IMMINENT — NUREMBERG 2.0 IS LIVE ...The 17th Letter on Telegram

- **President Trump and RFK Jr.** have declared war on the chemtrail agenda. A historic task force — Operation Skywatch — has been activated with full legal and military authority to dismantle the global spraying program. Pilots, scientists, and elite financiers are being hunted down. No immunity. No more cover-ups.
- **TRUMP: “THIS IS NUREMBERG 2.0”** They called us crazy. They told us the lines in the sky were harmless. Now? The curtain has dropped. Trump and RFK Jr. are moving in — and the arrests are coming.
- **Aircraft involved in geo-engineering will be forced to land.** Forensic teams are standing by. Evidence is already pouring in. Private defense contractors, foreign actors, deep state scientists — no one is safe.
- **THE AIR IS TOXIC — AND THEY KNEW** Independent labs across the U.S. confirm what we’ve been screaming for years: aluminum, barium, strontium raining down on us. Neurological decay, dying crops, poisoned water. This was never a theory. It’s a chemical assault.
- **Farmers in the Midwest and South** are reporting massive soil collapse. “The soil is dying,” one farmer said. “And it’s falling from the sky.”
- **THE PEOPLE STRIKE BACK** The task force is calling on PATRIOTS NATIONWIDE to document chemtrail activity. Post time stamped images to Soju. Build the archive. Flood the system. “Your camera is a weapon now,” one insider said. “Use it.”
- **NO MORE CENSORSHIP. NO MORE SILENCE.** Soju — the only uncensored platform — is now being pushed directly by the Trump team. No algorithms. No filters. The truth will be seen.
- **RFK JR: “WE’RE BEING POISONED FROM ALL SIDES”** Chemtrails are just one battlefield. RFK Jr. is connecting the dots: fluoride, Big Pharma, toxic food. They’ve been attacking us for decades — and this is the counterstrike.

- **ARRESTS WON'T STOP AT PILOTS** This isn't just about spraying. It's about crimes against humanity. The task force is targeting: Pilots, Scientists, Agencies who funded the ops, Media outlets who helped bury the truth. "This isn't a probe," a senior official said. "It's a reckoning."
- **FINAL WARNING: THE SKIES AREN'T THEIRS ANYMORE** Trump and RFK Jr. have flipped the script. The silent war in the skies is no longer silent. The traitors will be exposed. The poisoners will be prosecuted. This is Nuremberg 2.0. And it's happening NOW.

Q. Trump/Musk DOGE Audit Investigations:

- **Sat. 12 April 2025: CNN Audience Member** "What are you doing to control Elon Musk? He was not elected by the voters and is running completely unchecked. His actions and specifically his treatment of federal workers are heinous" ...Wall Street Apes on Telegram
- **(R) Rep Ryan Mackenzie** "Every administration is staffed with unelected individuals who are tasked to carry out the wishes of the president. That is every single administration.
- **That is nothing new in the case of Elon Musk.** And so what is happening right now is Democrats want to demonize the person that created and popularized the electric car, that created and popularized so many other great inventions, because he wants to come in and look at waste, fraud and abuse. Again, they are fighting against change. They are fighting against cutting waste, fraud and abuse in our government. That's what people are fighting against when DOGE fighting against Elon Musk and the Doge Initiative, the Department of Government Efficiency.
- **We spend more than \$2 trillion of deficit spending** every single year in this country. Simply unsustainable. So the fact that we want to go in and look for efficiencies is actually a good thing that the majority of people support."

R. Sat. 12 April 2025 SHOCKWAVE: \$382 MILLION STOLEN — BY BABIES, TIME TRAVELERS & 115-YEAR-OLDS ...SGAnonQ on Telegram

- **This isn't satire. It's an official audit.** The Department of Government Efficiency (DOGE) just dropped a nuclear truth bomb: Over \$382 MILLION in unemployment funds were handed out to 1-year-olds, people born in the year 2154, and 24,500 "115-year-olds." While you struggled to buy eggs, they were printing checks for ghosts.
- **Let that sink in:** \$254 MILLION went to toddlers, \$69 MILLION to "people" born in the future, \$59 MILLION to alleged super-centenarians – one of them born in 2154 received \$41,000.
- **This is not a system failure. This is a system DESIGNED TO FAIL.** Built to hemorrhage cash while real Americans suffer. They told us there wasn't enough money for veterans, for food, for small businesses. They lied. The system wasn't broken by accident — it was left broken on purpose.

- **Washington knew.** They processed the claims. The IRS, SSA, Department of Labor — all complicit. They saw it. They did nothing. Because accountability is outlawed in D.C. This is treason through omission. And it's happening RIGHT NOW.
- **No fraud detection. No biometric checks.** No modern tech. Just a conveyor belt of cash funneling your taxes to fake names and future birthdates — while elites pocket bonuses for “good governance.”
- **DOGE's audit is just the tip of the iceberg.** If one agency uncovered this much in a single sweep, imagine what's still buried — untouched, protected, and bleeding us dry.
- **This isn't about the money anymore.** It's about who this government serves. Spoiler: It's not you.
- **We need federal indictments.** Biometric verification. AI-driven oversight. No more bureaucratic immunity. The only reason this got exposed? DOGE cracked the machine open with a sledgehammer. Now we must burn it down and rebuild.
- **This is war. Not left vs. right. Not red vs. blue. It's citizens vs. criminals in suits.** And if we don't take back control NOW, there won't be anything left to save. Enough babies collecting checks. Enough ghosts draining coffers. It's time to break the system that betrayed us.

S. Sat. 12 April 2025 TREASON: BIDEN LET IT HAPPEN — CHINESE SURVEILLANCE, SECRET DEALS, AND MILITARY EXPOSED ...Gitmo TV on Telegram

- **This wasn't a balloon. It was a message. And Biden delivered it for Beijing.** A CCP spy craft floated uninterrupted over top-secret U.S. military bases. Photographing. Transmitting. Mapping. And Biden? He didn't stop it. He let it finish. Then he gave the order—too late—to shoot it down over deep water, ensuring the wreckage couldn't be recovered. This was not weakness. It was betrayal.
- **They spotted it. They tracked it.** They had every second logged. And yet they waited. The only thing shot down was transparency. Instead of a full alert, Biden's White House opened backdoor talks with the CCP—while China's eye in the sky hovered above our military infrastructure. Treason in real-time.
- **The story they fed the media? “It's just a weather balloon.”** Lie. It carried a full surveillance payload, targeted for U.S. strategic bases. This wasn't drift. It was a military-grade breach of American airspace. And Biden's administration enabled it.
- **Ask yourself: Why didn't they shoot it down immediately?** Because they didn't want the world to see what it was carrying. They needed it to vanish. Deep. Gone. Untraceable.
- **Trump would've vaporized it in 5 minutes.** Biden let it float for days.
- **This was a test run.** A CCP op to gauge American response. The result? No resistance. No leadership. No defense. Just delay, deception, and diplomatic surrender.
- **And while the regime paraded weakness, the media ran cover—**burying the threat, silencing the outrage, and gaslighting the public. This wasn't just appeasement—this was coordination.
- **Now ask yourself — who benefits?** Who gave the green light?

- Follow the trail to Guantanamo. This is the pattern. Every foreign op allowed by this White House leads to exposure. Every lie uncovers another actor. Every betrayal inches us closer to mass arrests. GITMO is no longer a theory. It's a destination. And the Blackhawks aren't warming up. They're already in the air.
- **Biden's silence was bought.** The mission was sanctioned. And the balloon? That was just the beginning.
- **America is under siege from within.** And soon — the traitors will answer at Guantanamo Bay. Stay ready. It's happening.

W. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

X. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Y. “Ken and Barbie vs. Goliath IRS”: Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
