Judy Note: “PROJECT ODIN: The world is on the edge of a Biblical event. The Fall of the Cabal Is Now Unstoppable.” ...Charlie Ward & Friends on Telegram

- **PROJECT ODIN is about to flip the switch—obliterating the Mossad-controlled media, launching a global blackout,** and activating the Emergency Broadcast System. Once it hits, nothing will be the same. This isn't speculation. This is a military operation decades in the making.
- **Starlink satellites are armed and ready.** This is the Quantum backbone, built for one purpose: erasing the old system. When communications go dark, the lies end. When EBS begins, the truth explodes worldwide. Mass arrests. Tribunals. Justice.
- **The Mossad-run media machine will collapse.** Every mockingbird asset, every scripted narrative—wiped. The silence will be loud. It will shake the world awake.
- **Targets? Vatican. Buckingham. White House. CERN. Wuhan.** These aren't just buildings. They're fortresses of evil—34 in total. The Rods of God are locked on, and when they strike, the Satanic Illuminati's reign ends in fire.
- **Bitcoin? Gone. Servers and data centers will be obliterated.** 99.5% of all crypto—vanished. Only ISO20022 coins, backed by gold, will survive. The fiat system dies. The stock market craters. NESARA GESARA floods in.
- **World War 3? It's the greatest psyop of all time.** A scare event to trigger martial law. Sirens. Blackouts. Floods. It's all scripted—to wake the sheep, shield the patriots, and remove the cabal in one final stroke.
- **Behind it all is CASTLE ROCK.** Military tribunals. Election fraud exposed. Secret deals revealed. And when the air clears, John F. Kennedy Jr. returns. His reappearance will ignite the final flame—the resurrection of truth, justice, and the American soul.
- **This isn't a theory. This is the moment.** The Quantum System is here. The blackout is coming. And when it's over, the chains break forever

D. BOOM!!! TRUMP ABOLISHES IRS — AMERICANS FREED FROM INCOME TAX FOREVER!

- **Liberation Day has arrived. April 2, 2025** — President Trump has officially terminated the IRS and launched the External Revenue Service (ERS) in its place.
- **No more income tax. No more IRS.** Trump stood before the nation and made it clear: “We’re done taxing Americans to death. From now on, the world pays us.”
- **This isn’t a campaign promise. It’s not a wish. It’s DONE.** The IRS is DEAD. The American people are no longer the government’s cash cow. We are witnessing a total reversal of power.
- **The ERS will collect massive tariffs from foreign powers**—China, Mexico, Europe—anyone profiting off our markets. Tariffs on foreign oil. Foreign steel. Foreign yachts. Foreign booze. If it’s imported, it’s taxed. If it’s globalist, it’s over. \$700 BILLION a year. That’s what Trump’s team says the ERS will generate. That’s enough to fund the government—without touching your paycheck.

- This is economic warfare and Trump just fired the first shot. “The IRS has been a weapon—now it’s gone.”
- **The IRS was never neutral. It was an attack dog**, used to crush the middle class, intimidate patriots, and punish dissent. That era ends NOW.
- **“The American worker is not a piggy bank for D.C. insiders anymore,”** Trump declared, fist in the air. “The world is going to pay us what we’re owed.”
- **Let the globalists scream.** Let the corrupt media cry. Let the foreign leaders threaten. WE DON’T CARE. America is done apologizing. Done begging. Done bleeding.
- **The ERS is not just a tax agency—it’s a SWORD.** A direct strike against globalism, outsourcing, and economic slavery.
- **Across the country, patriots are rejoicing.** #IRSisDead is trending as families cheer, veterans weep, and business owners feel pride for the first time in decades. “I’ve paid taxes for 45 years,” said a retired welder. “They took my sweat and gave me crumbs. Today, I’m FREE.”
- **This is bigger than tax reform. This is independence.** This is the rebirth of the American dream. We’re not waiting anymore. We’re not asking. We’re TAKING IT BACK. The IRS fell. Who’s next?

E. Sat. 4 April 2025: Every citizen over 21 is slated to receive \$100,000/month for 11 years. That’s \$13.2 MILLION per person through QFS accounts. It sounds unreal... but that’s exactly what they want you to think. This is not a fantasy. This is retribution. ...John F. Kennedy on Telegram

- **Debt Forgiveness is coming.** Mortgage? Erased. Loans? Gone. Credit card interest? Not only returned, but paid back with 3.5% interest PER YEAR.
- **Income taxes? Reimbursed.** All those years you were bled dry—they owe you. You’ve been forced into compliance with threats and lies. Now the tables are turning.
- **Your birth certificates, marriage certificates, even DEATH certificates**—traded on global markets like cattle. That ends NOW. Your value is being returned to YOU. No strings attached. No sign-ups. Just justice.
- **Social Security and Disability Payments? SKYROCKETING.** Seniors and disabled patriots will finally be treated with dignity—\$5,000/month or more, as promised.
- **The Vatican’s power is cracking.** The Jesuit-controlled banking empire is being seized. The Quantum Voting System, Quantum Education, and Quantum Healthcare are ready.
- **We’re not just watching history**—we’re witnessing the destruction of the Deep State’s entire system. A new financial world is being born.
- **Brace yourselves.** The countdown to liberation has begun

G. Sat. 5 April 2025 FULL DISCLOSURE: TRUMP & U.S. MILITARY TRIGGER GLOBAL TAKEDOWN – THE STORM IS HERE ...John F. Kennedy Jr. on Telegram

- **They are parasites.** They were never elected. Never humanitarians. Never “philanthropists.” And as of April 3, 2025, they’re in full-blown panic mode. Trump is back. And the elite control grid is crumbling.
- **For decades, the world was hijacked by Globalist syndicates**—Rothschild bankers, blackmail rings, pharma cartels, Deep State agencies. They rigged elections. Launched false wars. Created pandemics. Enslaved nations with debt and fear. Their goal? Total control. Their tool? Digital slavery. But the plan collapsed.
- **The fake Biden regime? A trap.** The Globalist timeline? Shattered. They wanted WW3, biometric IDs, a cashless society by 2025. But Trump never left. White Hats held the line. The traps were set. The actors exposed themselves.
- **Now: IMF collapsing. World Bank under fire.** CIA black sites raided. Rothschilds vanished. EU leaders hiding. NATO crumbling. And the pedophile network that’s held leaders hostage? Hunted.
- **The same elites who pushed gene-mod injections**, who used Epstein’s island to control presidents, who staged psyops and shootings— They’re being dragged into the light. Because Trump is leading a Global Military Alliance.
- **Gitmo expanded. Tribunals launched.** Thousands detained under classified operations. 2024’s new facilities? Built for traitors.
- **The Emergency Broadcast System is locked**, loaded, and Starlink-integrated. The moment of full disclosure is on deck. That’s why they’re desperate: triggering wars, cyber attacks, blackouts, even alien hoaxes—anything to stall the storm.
- **But they can’t. Pandemics were bio-warfare.** Injections were DNA weapons. Their plan was mass control and population reduction. And those who resisted? Branded as terrorists.
- **Trump exposed the scam.** He crushed mandates. He pushed real therapeutics. And now with RFK Jr. as HHS Secretary, Big Pharma’s web of lies is being torn apart.
- **Executive Orders signed in 2025 are gutting the Fed**, killing the IRS, and launching the Quantum Financial System.
- **Paper money is dying.** Asset-backed currency is rising. The Vatican’s gold? Seized. London’s grip? Broken. Wall Street? Now under military audit.
- **They tried everything to hide this.** Google, Facebook, Mockingbird media—all burning.
- **But digital warriors and awakened patriots** are flooding the world with truth.

- **The sleeping giant is awake.** The elites are terrified—because YOU are awake. Their bunkers won't save them. Their rituals are exposed. And Trump is marching forward.
- **This is not politics.** This is biblical. April 3, 2025 marked the point of no return.
- **This is the storm.** And Trump is the storm-bringer. Nothing can stop what's coming. And now—they know it.

L. Sat. 5 April 2025 BREAKING: KIDFLIX TAKEN DOWN — 1.8 MILLION USERS EXPOSED, 91,000 CHILD TORTURE VIDEOS SEIZED ...EBS Activated With Trump on Telegram

- **On April 2, 2025, U.S. Military Intelligence, under Commander-in-Chief Donald J. Trump, coordinated with Bavarian State Police and Europol White Hats to**

annihilate KIDFLIX, the largest elite child trafficking hub ever built. This wasn't a bust—it was a declaration of war on the global elite.

- **1.8 million users. 91,000+ child torture videos.** A non-stop digital pipeline for satanic exploitation—funded, protected, and consumed by royals, bankers, politicians, CEOs, and media moguls.
- **KIDFLIX was their cathedral.** And now it's in ruins.
- **This platform was no secret—it was a Deep State operation,** shielded by intelligence agencies, corrupt judges, and "child protection" NGOs. It offered encrypted logins, tiered content access, and ritual abuse marketed to elites. It was a satanic Netflix for monsters—and it operated with total immunity. Until now.
- **The full server database is in the hands of the Military Alliance**—logins, IPs, crypto trails, biometric tags—all connected to sealed indictments in the U.S.
- **Germany was the nerve center.** Kidflix was built on German soil, guarded by NATO factions, EU intelligence, and cryptos routed through “humanitarian” orgs. Sources confirm it ties to MK-Ultra continuations, orphan abuse rings, and blackmail tunnels under NGO headquarters.
- **This isn't just trafficking. It's global blackmail.** A weapon to enslave the elite through their crimes.
- **The mainstream media is silent**—because they're complicit. Executives, producers, anchors—many are on that user list. They mocked the truth as "conspiracy" while children screamed into cameras, tortured for clicks and control.
- **And now the game has changed.** TRUMP'S RETURN = HELL FOR THE CABAL Just 75 days after Trump's reinstatement, this takedown proves he reignited COG protocols from his first term. This wasn't Europol's win—it was a joint Allied Military strike led by U.S. Cyber Command, Space Force, and European/Russian patriots.
- **The tribunals are ready.** GITMO isn't just open—it's expanding. Kidflix is only the first. Six more hubs exist. Their names, servers, and dark tunnels are already known. They won't escape.
- **This is the storm.** This is the reckoning. And this is only the beginning.

N. Sat. 5 April 2025 FAUCI'S FINAL ATTACK: MOLECULAR WARFARE AGAINST AMERICANS IN 2025. ...The 47th on Telegram

- **The genocide never ended.** It evolved. In 2025, Fauci's hidden bioweapon is not a needle—it's ceramides. A molecular Trojan horse disguised as skincare, food additives, and "clean beauty" trends. This is not about looking healthy—it's about being silently rewired.
- **These aren't just lipids. They're engineered delivery systems,** designed to: Shut down your hormones; Crush reproductive cycles; Alter behavior; Rewrite DNA through RNA sequences.
- **Fauci knew. DARPA funded it. NIH developed it.** And now, it's everywhere.
CERAMIDES = SOFT KILL BIOWEAPON
- **Leaked DARPA documents and CDC whistleblower memos prove the truth:**
Ceramides in baby formula linked to cognitive delays
- **Fort Detrick-developed Ceramides** in school and prison skincare kits
- **Ceramide oils added to SNAP food** for poor/minority families
- **BARDA's "S.C.A.L.P." program** deployed neuro-suppressant hand sanitizers in public schools and border camps
- **And in March 2025, a Fort Detrick microbiologist vanished** before publishing classified data. His final message was chilling: "The molecules are live. They're rewriting cells. This is the weapon they always wanted—no bullets, no explosions, just invisible surrender."
- **THIS IS A FULL-SPECTRUM BIOLOGICAL COUP:** Fauci isn't a doctor—he's a biochemical war criminal. From gain-of-function viruses to gene-editing shots, to now ceramide-based behavioral control, every step has been war against YOU.
- **They don't need consent.** They don't need injections. You rub it in. You eat it. You breathe it. And you obey.
- **Your lotions. Your food. Your hygiene.** They've turned your daily routine into a delivery system for sterilization and submission.
- **But now, TRUMP IS BACK.** And the tribunals have begun. Military insiders are exposing DARPA's Project Cerberus. Fauci's empire is collapsing molecule by molecule.
- **THIS IS THE ENDGAME.** Biowarfare has gone molecular. The war is real. And with Trump leading the charge in 2025, humanity finally has a fighting chance.
- **Sat. 5 April 2025 Oncologist: I've Never Seen Cancers Behaving Like This.** Young people, in their 20s, 30s, and 40s, are developing aggressive and rapidly-growing "turbo cancers." O. Sat. 5 April 2025 BREAKING: TRUMP SIGNS EXECUTIVE ORDER—QUANTUM VOTING ACTIVATED! ILLEGALS PURGED! DEEP STATE PANICS! ...Charlie Ward and Friends on Telegram

- **America is under siege**—not by foreign armies, but by traitors within. The Deep State got caught red-handed again: 5 MILLION illegal votes exposed. But this time, Trump hit back. On March 25, 2025, he signed Executive Order 1225, flipping the kill switch on the globalists' rigged election machine.
- **Trump's order demands proof of citizenship for every voter.** It restores Election Day as the only voting day and mandates paper trails. But that's just the cover. Behind the scenes, this order authorized full deployment of the Quantum Voting System—a military-grade, unhackable system developed by Space Force and Cyber Command.
- **Elon Musk and Antonio Gracias blew it wide open** during a town hall in Wisconsin: a 10x spike in Social Security Numbers issued to non-citizens under Biden—from 270,000 in 2021 to 2.1 million in 2024. These aren't just on welfare—they're on the voter rolls. Gracias confirmed they're already voting, and cases have been sent to Homeland Security Investigations.
- **This isn't incompetence.** It's treason. The regime has been issuing federal IDs to foreigners and weaponizing them as votes against American citizens.
- **Within 72 hours, Schumer, Jeffries, and their D.C. swamp lawyers** filed a desperate lawsuit, begging the courts to allow illegals to keep voting. They didn't even hide it. That's their defense—illegal voting as a constitutional right.
- **They're not scared of Trump's legality.** They're terrified it's working. Quantum Voting shuts down every trick: fake ballots, rigged machines, mule networks—dead on arrival. Every vote now has a quantum watermark, verified in real time, outside corrupt civilian systems like Dominion.
- **Military surveillance has it all—illegal votes,** hacked servers, every manipulated algorithm. The data from 2020, 2022, and 2024 has been collected. The trap is closed.
- **As of April 2, 2025, Quantum Voting is live in 17 test counties.** Quiet arrests are happening. Judges are flipped. Postal workers under investigation. Red teams are testing for breaches. No more backdoors.
- **Quantum isn't just a fix—it's a weapon.** Every illegal vote is now evidence for military tribunals. Every traitor is being mapped and tracked.
- **This isn't politics.** This is war.

P. Sat. 5 April 2025 Operation Freedom Earth: The QFS Satellite System & GCR Revolution Are Here — GESARA Golden Age Incoming! ...QFS on Telegram

- **The Quantum Financial System (QFS) is no longer theory. It's real, active, and quietly replacing the corrupt global banking model** built by the Deep State. While the masses sleep, the QFS is already running in parallel, capturing illegal transfers, arresting banksters in real time, and preparing the world for a full Global Currency Reset (GCR).

- **This new financial grid operates on quantum satellite architecture**, protected by advanced Secret Space Program tech, and monitored in real time. Every transaction is logged, tracked, and secured by a living AI consciousness — one that cannot be corrupted or hacked.
- **The SWIFT system is obsolete.** Blockchain? Redundant. QFS transactions require gold- or asset-backed currencies, each with a digital certificate tied to a real physical asset, stored in secure vaults. That means no fiat, no manipulation, no speculative games.
- **The Deep State is panicking.** Their money laundering, their offshore accounts, their fake aid packages, black budgets, bio-lab funding, and regime-change ops — all exposed.
- **Politicians who thought their transfers through SWIFT** were untouchable are now discovering QFS has been watching everything. Their digital fingerprints are burned into every wire. That's why they're scrambling. That's why they're desperate.
- **The GESARA framework** will require every participating country to go compliant — total transparency, asset-backed money, debt forgiveness, and an end to income tax slavery. That's why corrupt leaders are being removed. That's why Gitmo is active. That's why tribunals have begun.
- **No more central banks.** No more digital illusions. Only value-backed currency with secured, quantum-clear transfers.
- **This isn't about crypto hype or fiat collapse. This is about the total death of the Cabal financial system** and the rise of sovereign wealth, protected by quantum law.
- **QFS is alive. GESARA is coming.** The system is already online. And soon, the world will wake up...to a new Golden Age.

- **They don’t need consent.** They don’t need injections. You rub it in. You eat it. You breathe it. And you obey.
- **Your lotions. Your food. Your hygiene.** They’ve turned your daily routine into a delivery system for sterilization and submission.
- **But now, TRUMP IS BACK.** And the tribunals have begun. Military insiders are exposing DARPA’s Project Cerberus. Fauci’s empire is collapsing molecule by molecule.
- **THIS IS THE ENDGAME.** Biowarfare has gone molecular. The war is real. And with Trump leading the charge in 2025, humanity finally has a fighting chance.

R. Sat. 5 April 2025 ChemTrails: ...Med Bed Technology on Telegram

- **They told us it was condensation**, a weather pattern, a harmless drift in the sky. But April 2025 shattered that illusion. It’s no longer chemicals—they’re releasing synthetic life. Over Florida skies, weaponized aerosols are raining down on civilians, and the cover story has crumbled. In West Palm Beach, a six-month sample revealed entities not born of nature—engineered organisms with synthetic exoskeletons, self-assembling fibers, and nanotech structures that mimic life. This isn’t pollution. It’s programmable biology, designed to replicate and respond to biological triggers. And it’s being deployed in silence.
- **Independent labs confirmed it: aluminum, barium, and strontium levels far beyond environmental norms**—each linked to neurological damage, infertility, and immune suppression. But what set these samples apart was their response to moisture—egg-like capsules activating when touched by skin or water, some even emitting faint electromagnetic pulses. These are not particles. They are delivery systems. And someone designed them to target us. Not a foreign nation. But rogue elements within. Agencies turned against their own people under the illusion of climate control. They masked biowarfare as environmental policy. But their lie couldn’t hold.
- **Because Trump returned.** And with him, the real chain of command. Military intelligence had been tracking these flights for months—coordinated patterns, strategic dispersals over population centers, and launch signatures tied to covert aerial drones. Since January, Gitmo has expanded. Tribunals are underway. Space Force and embedded Patriot units are identifying the networks behind this assault: UN-linked contractors, Deep State satellites, and compromised domestic agencies. The plan was global

sterilization. Silent genocide. The replacement of human biology with controllable synthetic life.

- **They've done it before—experiments under innocent names.** 1931. 1947. 1950. 2007. But in 2025, they dropped the mask. No consent. No warnings. Just spray, activate, and destroy. But this time, it didn't go as planned. Trump's return wasn't just political—it was tactical. The awakening of real resistance. His forces are now intercepting payloads mid-air, dismantling frequency towers believed to be tied to bioweapon activation, and extracting Deep State operatives from within defense and science agencies. This isn't theoretical anymore. It's operational. And the fight has shifted.
- **We were never meant to find out.** But now the truth is in our hands. These systems—likely activated by 5G arrays or satellite frequencies—were built to control our biology from the inside out. And yet, millions are waking up. Patriots are documenting the fallout, sharing samples, resisting the toxins. The next step is disclosure. Emergency Broadcast protocols are being prepared. The people will know. And once exposed, the entire framework collapses.
- **This is the final stretch. Filter your air.** Clean your water. Watch your skies. Record everything. Trust no official narrative. And when the signal comes, be ready. The storm is not coming—it's here. But we're not alone anymore. Trump's hand is on the wheel. The traitors are being hunted. And this war, silent and deadly, will end with light. The sky will be clear again. And those who tried to play God will meet justice in full.

DOGE Audit Investigations

S. Sat. 5 April 2025: Elon Musk EXPOSES Biden's Full-Scale Operation to Collapse America: Confirms 5.5 Million Illegals Given Social Security Numbers, Medicaid, and Voter Registration — MASSIVE Voter Fraud, Illegal Voting, Human Trafficking, and a Government-Backed INVASION Fully Documented! ...QFS on Telegram

- **BOOM echoes louder than ever**—not from the skies, but from within. Elon Musk just broke the silence, confirming what patriots have been warning for years. The Biden regime, backed by a faceless cabal, has orchestrated a massive internal collapse of America. This isn't about immigration or policy missteps. This is a government-engineered invasion—fully mapped, fully funded, and now fully exposed.
- **At a powerful town hall in Green Bay, Wisconsin,** Musk revealed what the mainstream has buried. He wasn't alone. Joined by insider Antonio Gracias, they presented hard evidence of a systemic betrayal—millions of illegals issued Social Security numbers, signed up for Medicaid, and even registered to vote. Not a glitch. Not a leak. A pipeline. A machine. Built to flood the republic, overwrite the vote, and bury the Constitution beneath a tide of imported compliance.
- **The numbers tell the tale. In 2021, 270,000 non-citizens received Social Security access.** By 2024, that number exploded to over 2.1 million. Add to that the 5.5 million

receiving federal benefits—benefits paid for by Americans, but delivered to those who crossed illegally, never vetted, never checked, never asked.

- **This isn't about compassion. It's about control.** A new electorate has been manufactured. Not earned—engineered. According to Gracias, 1.3 million migrants are already receiving Medicaid, and an alarming portion are now actively participating in U.S. elections. Voting. Deciding the nation's future. While American veterans sleep in their cars and the working class bleeds under inflation, this system rewards trespassers with the keys to the kingdom.
- **Gracias admitted the discovery wasn't even part of their initial search.** They were tracking fraud inside the Social Security system—what they found was the operational core of a silent takeover. Documents show migrants are given a “Notice to Appear,” then left unmonitored for years. No interviews. No background checks. By the time hearings arrive, if they ever do, the individuals are already assimilated—documents in hand, homes secured, and ballots cast. This is bureaucratic warfare.
- **And beneath the surface, it gets worse.** Musk and Gracias didn't just follow paperwork. They went to the border, face-to-face with the human cost. What they uncovered was nothing short of state-sanctioned trafficking. Cartels are making \$15 billion exploiting Biden's open-door model. These migrants aren't paying their way. They're enslaved. They're indebted. And when the cartel comes to collect, the price isn't money—it's blood.
- **Gracias said it plainly:** “They kill your family if you don't pay.” This is real. Verified. Agents on the ground are talking, and their stories are horrifying. Children are being trafficked repeatedly to forge fake family units. ICE has confirmed that 30,000 children never even showed up to their immigration hearings. Another 270,000 weren't issued court dates at all. They vanished. Gone. Stolen into the void.
- **This isn't immigration policy.** This is fifth-generation warfare. Not fought with bombs, but with forms. With votes. With benefit rolls. It's quiet, efficient, and devastating. A conquest not by invaders from without—but by traitors within. Musk's message was clear: this was premeditated. Designed. And now, exposed.
- **The question is:** will America wake up before it's too late?

T. Sat. 5 April 2025 DOGE uncovers US Institute of Peace funding multiple terrorist organizations, paying private accountants to handle outside money, creating slush funds and more with YOUR tax money ...Denzel Washington on Telegram

- **“Remember when the United States Institute for Peace** managed to delay for one day DOGE coming in to investigate them? Well, we recently discovered what they did during that 24 hours
- **The very first thing they did was delete an entire terabyte of data** that linked them to payments to not only Taliban leaders, not only Iraqi leaders, but also leadership from Al Qaeda.

- **Now, thankfully, those kids that DOGE has working for them,** yeah, they're a little bit better with technology than the people at the Institute For Peace.
- **And they were able to recover 99.9 terabytes of the data.** So now we have a record of the United States Institute for Peace funding those three terrorist organizations. Oh, with your money.
- **Oh, they also found that the management of United States Institute for Peace,** they were funneling money into a little slush fund they had, a fund that was mainly used for private events and private air travel.
- **You know, can't have these people flying commercial.** No, they were booking private planes. Oh. And to make sure this money avoided as much congressional oversight as possible, even though they had a full staff of accountants in the building, they were paying a private accountant \$2.2 million to handle the outside money.
- **Oh, yeah. And coincidentally,** that accountant happened to be married to one of the board members.”

U. Sat. 5 April 2025 JD VANCE DETONATES DEEP STATE MEDIA LIE — EXPOSES MS-13 OPERATIVE DEFENDED BY OBAMA'S OLD PROPAGANDIST! ...Melania Trump on Telegram

- **JD Vance just torched a Deep State operation wide open.** A brutal MS-13 gang member, declared as such by an immigration judge, was deported to El Salvador's CECOT super-prison — and the regime media lost its mind. Why? Because this wasn't about justice. It was about protecting a violent foot soldier of their black-market empire.
- **The Atlantic ran a sob story to paint the deportee as some innocent father – total fiction.** And out crawled Jon Favreau—Obama's former speechwriter—to defend it. He tagged Vance, Rubio, and Elon with a smug “Any comment?”
- **Vance obliterated him:** “He was a convicted MS-13 gang member with no legal right to be here. It's gross to get fired up about gang members getting deported while ignoring citizens they victimize.” This wasn't a debate. It was an execution.
- **Favreau helped architect the Deep State's PR machine.** He sold the Hope & Change lie while cartels surged, the border collapsed, and agencies were infiltrated. Now he's panicking—because Trump's team is tearing it all down.
- **And the media's not just lying. They're coordinated.** The Atlantic kicked it off, and others echoed it using synchronized keywords: “father,” “innocent,” “torture.” Classic narrative warfare. These aren't journalists—they're combatants.
- **They whine about CECOT being a “gulag.” Here's the truth:** CECOT is a fortress built to crush MS-13, the very gang that Obama's crew allowed to grow. These aren't misguided teens. They're enforcers in a cartel-intelligence hybrid operation that traffics kids, pushes fentanyl, and carries out hits.

- **And now? That network is being dismantled.** MS-13 operatives are being extracted. Military tribunals are expanding. Secret deportations are rerouting gang assets to Central American black sites.
- **This is war.** And JD Vance just lit the fuse. The regime media is screaming because one of their assets was taken off the board. They're scared—because the next one's coming soon.
- **This wasn't just a deportation.** It was a decapitation strike. The Deep State is bleeding. And they know who did it.

V. Sat 5 April 2025 51 CIA TRAITORS EXPOSED – TRUMP STRIKES BACK! Elon Musk: “The Hammer of Justice Has Come!” ...Carolyn Bessette Kennedy on Telegram

- **BOOM! The house of cards just collapsed.** Donald Trump has officially revoked security clearances from 51 intelligence agents who LIED to shield Hunter Biden. The so-called laptop “conspiracy” is now the smoking gun, and the elites are in panic mode.
- **These 51 agents didn't just lie. They coordinated a cover-up** with the Biden campaign to rig the 2020 election—deliberately labeling Hunter's laptop as “Russian disinfo.” They weren't protecting the country. They were protecting the Biden Crime Family.
- **What's on that laptop?** Crimes. Perverted footage. Foreign payoffs. Drug abuse. Child exploitation. The stuff they hoped would NEVER surface. Now it's all coming out—and it's uglier than anyone imagined.
- **These weren't rogue agents.** Many were CIA-linked, under contract or embedded deep inside the intel machine. This wasn't a slip-up. It was a weaponized hit job against the American people. A repeat of Russiagate, just dirtier. And this time, we have the receipts.
- **The media helped cover it all up.** Not one apology. Not one correction. Just lies on top of lies. Instead of exposing the truth, they parroted talking points straight from Langley and the DNC. They betrayed their duty. They betrayed YOU.
- **And let's say it out loud: This wasn't just corruption. This was election interference** carried out by traitors hiding behind government credentials. They manipulated democracy itself—then laughed about it behind closed doors.
- **But now, the curtain's been ripped down.** Trump is back. Musk is speaking out. And the people are WAKING UP.
- **The 51 must be ARRESTED.** The laptop must be unleashed. And the Biden regime must FALL.
- **This is no longer politics.** This is WAR FOR TRUTH. And the hammer has finally dropped.

He's going to deputize every American to hunt for missing kids. No more silence. No more hesitation. Every second lost is another child gone. If you suspect a child is in danger, being abused or trafficked, don't look away. **Act Now. Call:1-866-347-2423**

Look For:

- Children who are in places they shouldn't be—factories, shady businesses.
- A terrified child with a controlling adult.
- Kids who NEVER play outside, are hidden away from the world, who are isolated.
- Over-controlled children – the adult will not let them communicate with others.
- Children who are always silent or fearful.
- A child who is not allowed to or is afraid to interact with others.

Z. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands
kauliadon@gmail.com trustakua@gmail.com

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Za. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Zb. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in jail having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested almost a year ago and has been sitting in jail since.

Please support Ken and Barbara by writing Ken encouragement and signing the below petition to President Trump asking for their Pardons.

Dear Patriot Friends and Family,

Many continue to pray that justice may finally be served and all charges dropped in state and federal cases against Barbara and Me. Zc. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

"22 Faces" explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
