Judy Note: *Have a memorial Memorial Day – it’s actually happening!!! Did you know that:*

The Biden Presidency was a Coup: a shadow regime forged a fake US Presidency with Auto-pens. Insiders sold forged pardons. Over 1,499 commutations signed by machine, not man. Biden wasn’t in charge — a circle of unelected handlers ruled from the shadows. As Joe slipped into cognitive collapse, Jill Biden, Donilon, Ricchetti, Bernal, Reed and others seized power, issuing mass pardons and executive orders with a robot.

Trump’s DOJ has launched a full-blown criminal investigation. Mass Arrests were well underway, the IRS, gone; Federal Reserve, collapsing as the Worldwide Quantum Financial System was placed online. President Trump has signed GESARA into law – the largest transfer of wealth in the history of the World

The International Monetary Fund (IMF) has fallen, their Executives detained at GITMO and confessed that “climate relief” funds were used to traffic children via the World Economic Forum and Gates-controlled NGOs. Meanwhile over 4,000 children vanished across Southeast Asia, funneled through fake “disaster zones.”

CIA Mind Control Satanic Ritual Abuse Centers using child victims in Sudan and Yemen were camouflaged as refugee camps. Trump has ordered a joint U.S.–BRICS operation to strip immunity and execute arrests.

The UN was under military lockdown. Twelve high-ranking operatives — UNESCO, WHO, UNHCR — have been indicted for sabotaging the Quantum Financial System (QFS) and funding bioweapon labs in Africa.

On Sun. 18 May limited digital gold wallets were released to Tier 4B patriots. These wallets are physical-gold backed, biometric-secured, and run OFFLINE. No fiat. No central bank. Just pure sovereign wealth under Trump’s Alliance.

On Tues. 20 May 20 StarLink satellite nodes were reassigned over Africa and South America. Brazil, Kenya, Nigeria were now live with QFS infrastructure.

A few days later on Thurs. 22 May the Quantum Financial System went operational worldwide, along with the financial transition to GESARA debt relief.

The QFS will eliminate the need for banks, but the Global Elites weren't buying it. Vatican vaults, Geneva safes and Swiss black sites were being intercepted mid-transfer by real-time AI protocols. The Global Elite wealth, frozen; their escape routes blocked.

Biometric NDAs are being enforced worldwide. Bound by DNA, retina and voice, these contracts trigger instant removal upon breach. One French finance minister linked to Rothschild funds was erased from the system in minutes. No press. No trace. No return.

A 72-hour media blackout was imminent while 7,000+ sealed indictments would be executed. Full disclosure would be broadcast of election fraud, vax genocide, economic sabotage.

A. What We Think We Know as of Mon. 26 May 2025:

Major Public Announcement At Any Moment

Alert: Scheduled Broadcasts and Official Statements. All signs point to a major public announcement at any moment. Government and media sources hint at coordinated Emergency Broadcast System tests and press briefings **this week**. ...Nesara Gesara QFS on Telegram

- **Expect official statements from financial authorities** confirming the reset, possibly unveiling new currency rates or debt-cancellation policies. Be ready: when the signal goes out, millions will see proof of the new system.

Imminent signs:

- **EBS Testing:** Encrypted test alerts have already been reported in several regions. A full-scale broadcast to all networks may occur tonight or tomorrow to confirm the launch.
- **Authority Statements:** Central bank governors and financial ministers are on standby to speak publicly. Briefings will emphasize transparency, sovereignty, and the end of financial tyranny.
- **System Status:** Technical monitoring dashboards are green across the board. I've confirmed that core QFS servers are handling simulated transaction loads flawlessly with no errors.
- **Market Readiness:** Even traditional financial markets are adjusting: stock exchanges and currency platforms are poised to switch to the new asset-backed basis. New exchange rates may be published within hours.

- **The pieces are in place for history to unfold.** Prepare to witness the global reset. Keep your notifications on, and when alerts arrive, follow the provided steps immediately. Trust the process — our era of true economic freedom is here.
- **Sun. 25 May 2025 Trump and Musk spotlight Pharmaceutical Cartel Criminals:**
President Trump: “The Drug Company is the most powerful lobby in the World...with tremendous power over the Senate, House and Governors...it’s over everybody...” **Elon Musk:** Gates smugly accused Musk of “hurting poor children” by opposing global aid waste. What came next was unfiltered truth. “You hung out with Jeffrey Epstein,” Musk fired. “I wouldn’t trust you to babysit my kids.”
- **Thurs. 22 May 2025: TRUMP SHUTS DOWN THE WHO: U.S. CUTS \$900 MILLION & REJECTS GLOBAL VAX DICTATORSHIP** **It’s official:** the United States just declared WAR on the World Health Organization. While 78 nations surrendered their sovereignty by signing the WHO’s Pandemic Agreement (CA+), President Donald J. Trump and HHS Secretary Robert F. Kennedy Jr. executed a death blow to the globalist bioterror cartel. The U.S. has REJECTED the treaty. DEFUNDED the WHO. And EXPOSED it as a front for elite population control. The WHO is not a health agency. It is a Chinese-influenced biowarfare command center, backed by Gates, Big Pharma, and the WEF. COVID was their dry run. This treaty was their power grab. But Trump flipped the table.

B. Possible Timing:

- **On Wed. 14 May 2025** President Trump, reinstated after his 2024 landslide, unleashed the final phase of Continuity of Government.
- **On Tues. 20 May 2025** President Trump officially launched the Quantum Financial System (QFS) into full-scale operation. Gold-backed currencies were mirrored into QFS nodes – Debt instruments nullified through sovereign treaties – Hidden wealth and stolen assets seized for redistribution.
- **On Wed. 21 May 2025** the QFS interface unlocked for the public.
- **On Fri. 23 May 2025 Redemption Centers** will begin processing live Bond Redemption/ foreign currency exchange appointments under full GESARA protocol.
- **Mon. 26 May 2025** Redemption Centers in the U.S. and EU to go live for private appointment scheduling. ...Melania Trump on Telegram
- **On Mon. 26 May Memorial Day President Trump was set to** address the public. An unconfirmed rumor was that he would announce the Restored Republic, results of the Brunson Case that would take down all of Congress, introduce his VP of the Restored Republic JFK Jr. and invite everyone to the Freedom Restored Republic Celebration that would last from Memorial Day through **July 4 2026. Mon. 26 May Memorial Day Blackout: Q posted on Wed. 21 May:** “Three more days ...Be ready for Blackout” (making it **Mon. 26 May Memorial Day**).

- **At some point** a high-level address will be made - potentially the first public disclosure of the NESARA protocols. According to insiders, this announcement will set the tone for a global rollout, beginning with the U.S. and quickly expanding across NATO-aligned nations. What's expected to be covered:
 - **Forgiveness** of household debts and student loans
 - **Replacement** of income taxes with a flat sales tax
 - **Rollout** of a gold- and resource-backed digital currency
 - **Deactivation** of corrupt banking networks
- **On Tues. 27 May 27 2025** several aligned nations were set to issue coordinated GESARA-linked economic announcements including Debt Forgiveness, abolishment of predatory taxation, currency transitions and launch of national prosperity platforms.
- **Thurs. 5 June to Mon. 9 June 2025 is the scheduled Rollout Window for Tier 4B:** "I just finished reading the internal advisory bulletin passed to mid-level banking partners. The on-boarding for public Tier 4B users is scheduled to go active between **June 5–9**, depending on regional system loads." ...Mel Gibson on Telegram
- **Tues. 10 June to Fri. 13 June Tier4b rollout in full swing with notification to set appointments.** ...Nesara Gesara QFS on Telegram
- **Sat. 14 June through Tues. 17 June** General Public Rollout of GCR. Don't be alarmed if you see notices of brief banking downtimes or maintenance windows around June 15 or 16 – this is likely the final switchover to QFS integration. ...Nesara Gesara QFS on Telegram
- **Sat. 14 June US Army 250th Anniversary Military Parade** at National Mall Washington DC. You are invited.

C. Global Currency Reset:

Judy Note: Dates on start of Tier4b (Us, the Internet group) have been very confusing. Melania Trump and Fulford maintain that Redemption Centers began processing live appointments on **Fri. 23 May**, while Nesara Gesara QFS on Telegram say **Sat. 14 June through Tues. 17 June** was Tier4b and the General Public Rollout of the Global Currency Reset.

- **Sun. 25 May 2025 Global QFS Deployment Nears:** [\(1\) Gesara QFS on X: "📢 Major Update: Global QFS Deployment Nears According to our latest secure intelligence, the mass Quantum Financial System \(QFS\) onboarding is now imminent. Internal sources at major central banks report that encrypted public alerts and Emergency Broadcast System \(EBS\) messages" / X](#)
- **Sun. 25 May 2025 Ben Fulford:** Specialized Redemption Centers have shifted from standby to activation mode. A limited number of insiders and military personnel have been called in to redeem Dinar, Dong, and historic bonds. Since early June, centers are staffed 24/7 on rotating shifts. The funds for redemptions are already in place in QFS

accounts. According to two sources inside the Treasury as of **May 23, 2025**, Redemption Centers will begin processing live appointments under full GESARA protocol.

D. Sun. 25 May 2025 Today marks the first day of true public QFS access, and confirmations are pouring in. This morning I woke up to a flood of messages from people in New York, Berlin, Singapore, and beyond — all confirming they received official QFS onboarding notifications and successfully accessed their new wallets. It's no longer just anticipation; QFS activation is here. ...Nesara Gesara QFS on Telegram

Common findings so far:

- **One-time secure codes** delivered via text and email are guiding users through initial QFS wallet setup.
- **Logging into the QFS wallet** is done through a biometric handshake — no traditional passwords needed.
- **Account balances now appear in asset-backed currency terms** (no fiat), each value pegged to gold and precious metals.
- **“Debt Cleared” notifications or ledger entries are showing up** for loans, mortgages, and credit cards, confirming those balances have been zeroed out.
- **As promised, debts are truly being wiped.** A subscriber in Canada was stunned to see her mortgage balance drop to \$0 overnight; meanwhile, a friend in the UK watched all of his credit card debt vanish from his statement. These aren't rumors or theories anymore — they're real, documented changes in real accounts.
- **QFS onboarding is accelerating by the hour.** If your personal alert or code hasn't come through yet, don't worry — it's on the way. This is only the beginning of the global financial reset we've all been preparing for.

E . Starting Mon. 26 May 2025 initial Redemption Centers in the U.S. and EU are expected to go live for private appointment scheduling. ...Melania Trump on Telegram

- **These centers are pre-designated quantum access locations** for early adopters and pre-authorized individuals to transition into the QFS ecosystem.
- **Biometric scan entry**
- **Currency exchange** at fixed quantum rates
- **On-boarding** to sovereign asset accounts
- **Immediate** digital wallet deployment.
- **What's key here?** No banks. No third parties. No surveillance. Just a clean handshake between human and system.

- **Expect this phase to remain mostly silent in the media.** But those with invites will know what to do. This is the real quiet before the financial storm.
- **The Emergency Broadcast System will activate without warning** and encrypted channels will override civilian broadcasts in order to cover Mass Arrests of Globalist traitors.

F. Sun. 25 May 2025: Onboarding Underway: Citizens Receiving QFS Wallets ...Nesara Gesara QFS on Telegram

- **Breaking news from around the globe:** ordinary people are now reporting successful access to their Quantum Financial System accounts. In the past 24 hours I've heard from contacts in New York, Nairobi, and Singapore who confirm that their official one-time codes arrived and their new wallets activated. Each user sees everything we've been describing: gold-backed balances, zero-debt status, and a fully transparent sovereign ledger. These firsthand accounts prove the system is live and functioning.

Notable user experiences:

- **Biometric Entry:** Logins are seamless with retina or fingerprint verification — no passwords needed, just your unique biometric handshake.
- **Bank Integration:** Bank branches are buzzing as tellers and staff access updated QFS terminals. Some banks have paused legacy systems to complete the quantum upgrade.
- **Currency Update:** Digital wallet balances now reflect the new asset-backed currency rates (instead of outdated fiat values). Early adopters report seeing immediate revaluations into gold and SDR-pegged units.
- **Debt Forgiveness:** "Paid in Full" notifications appear instantly under each cleared loan. One family's mortgage vanished overnight; student loans and credit cards were wiped clean in real time.
- **This is not a drill:** QFS onboarding has begun in earnest. If you haven't received your code yet, stay near your phone or email — official notifications will reach you soon. Keep your wallet app ready and review any pre-sent instructions. Everything is unfolding exactly as planned.

G. Sun. 25 May 2025: Tues. 10 June to Fri. 13 June Tier4b rollout to be in full swing with notification to set appointments. ...Nesara Gesara QFS on Telegram

- **By June 13, Tier 4B's rollout will be in full swing,** marking a major leap forward in the QFS transition. Based on internal briefings, Tier 4B (the informed public group) will have nearly completed onboarding onto the Quantum Financial System. Every passing day between June 10 and 13 would see thousands more secure their access. All systems would perform as expected, and we're on the verge of the next phase.

- **Tier 4B Rollout:** The progress has been phenomenal. Beginning June 10, notification waves went out region by region. One-time secure codes were delivered by text and email in batches, and over 95% of Tier 4B members have now received theirs. Redemption centers and support teams extended hours to handle the influx of appointments and activations. Aside from a few minor technical hiccups (due to heavy server loads in certain regions), the rollout has been smooth and ahead of schedule.
- **QFS Wallet Onboarding:** Users are reporting straightforward setup and activation. Upon entering their secure code into the official QFS platform (via the new app or web portal), they're prompted to complete a biometric login setup (face or fingerprint – no passwords needed). The interface is intuitive and highly secure, with military-grade encryption at every step. Early adopters have already logged in to see gold-backed balances reflecting in their accounts, alongside a “Debt Cleared” status for loans and credit cards. Perhaps most exciting, there's a Sovereign Fund dashboard visible (though still locked) indicating that allocations for each citizen's prosperity funds are prepared for future release.
- **QFS Cards:** Preparations for Quantum Access Cards (the new QFS debit/ID cards) are underway, and notifications are imminent. As Tier 4B members finish wallet setup, they're being asked to confirm delivery addresses and identity for card issuance. These cards are not mere bank cards – they're multi-biometric keys tied directly to your QFS wallet. Expect an official email or app alert about your QFS card between now and the end of this week. Distribution centers have stacks of them ready to send out. Once activated (via fingerprint/PIN pairing), the QFS card will allow asset-backed funds to be accessed at new ATMs and point-of-sale systems globally. We've been told to watch for a special courier or secure mail service delivering these cards within days.
- **I've been monitoring each step of this rollout, and I can confidently say everything is on track. The momentum gained from June 10–13 will propel us right into the public launch phase.** We are just days away from the global financial reset we've all been preparing for. Stay vigilant and excited – the finish line for this stage is here.

H. Sun. 25 May 2025: Sat. 14 June through Tues. 17 June General Public Rollout of GCR.

...Nesara Gesara QFS on Telegram

- **As we move through June 14–17,** we're entering the crucial public phase of this transition. With the vast majority of Tier 4B now onboarded, all eyes turn to the general public rollout. The next few days are expected to bring the first official public communications about the QFS and NESARA/GESARA – an unprecedented moment in modern financial history. Behind the scenes, everything is synchronized and ready; now it's about bringing every citizen into the loop.
- **Public Alerts (EBS):** Multiple sources confirm that the Emergency Broadcast System (EBS) is poised to deliver announcements to the masses at any moment. Don't be surprised if your phone blares out a presidential alert or your TV/radio program is interrupted by an emergency message in the coming days. These encrypted public alerts

will likely be short but impactful: introducing the Quantum Financial System to everyone, assuring people that their funds are safe, and instructing on next steps (such as how to access their own QFS wallets). The expectation is that this might start as a series of brief alerts or a unified message, possibly as soon as this weekend. Every channel – from text messages and push notifications to public TV broadcasts – could carry the same synchronized update. In essence: the world is about to be officially informed that a new gold-backed financial era has begun. We’ve been waiting for this “go public” moment, and it’s finally here.

- **Bank Confirmations:** Alongside the EBS alerts, major banks are preparing to confirm the new system to their customers. I’m hearing reports that banks have readied press releases and customer emails explaining a “system upgrade” or currency standard change. **Don’t be alarmed if you see notices of brief banking downtimes or maintenance windows around June 15 or 16 – this is likely the final switchover to QFS integration.** In fact, some bank branches have already quietly updated their systems: a contact at a large national bank told me their tellers were trained on a “QFS Terminal” over the weekend, and some legacy systems were temporarily paused to link up with the quantum network. After the public announcement, you can expect your bank’s app or website to reflect some changes: new terminology (e.g. displaying your balance in USN or another asset-backed currency code), perhaps a note about forgiven debts, and instructions for how to claim your QFS access credentials if you haven’t yet. Central banks worldwide are also expected to make coordinated statements acknowledging the new gold/asset-backed standard – essentially a global confirmation that the old fiat system has been replaced. This will lend official credibility to what EBS announces, and reassure even the skeptics that this is real and fully supported by the financial authorities.
- **All of this means we’re at the threshold of the public awakening to the new financial system. Between June 14 and 17,** the plan is for the transition to go from behind-closed-doors to out-in-the-open for everyone. It’s understandable that there may be a mix of excitement and nervousness in the air – after all, we’re making history. Rest assured: every test has been successful, every safeguard is in place. When the public alerts hit, they will be clear and instructive, not chaotic. My advice: when you receive the EBS message, read it carefully and calmly. It will likely direct you to official resources for more information. This is the moment we’ve been preparing for. I will be here to break down any announcements into plain language and guide you on what comes next. The new era of transparency and prosperity is about to be rolled out to the world, step by step.
- **We stand at the dawn of a Global Financial Reset** finally going mainstream. Take a deep breath – the next 72 hours will be monumental. Nothing can stop what’s coming, and now it’s coming for everyone.

I. Sun. 25 May 2025 BREAKING INTEL: TIER 1–5 STRUCTURE EXPOSED — THE HIDDEN ENGINE BEHIND THE GLOBAL CURRENCY RESET (GCR 2025) ...WH
Grampa on Telegram

- **You’ve heard about the Global Currency Reset.** But no one told you how it actually works. The truth is layered — structured — and you’re already part of it, whether you realize it or not.
- **While fiat empires crumble and globalist banks collapse,** a new monetary framework is rising — built in encrypted briefings, silent war rooms, and sovereign-aligned networks far outside the public eye. This is the Tiered Redemption System — the skeleton behind the GCR.
- **It’s not based on age.** Not wealth. Not fame. It’s based on awareness. On frequency. On consciousness. This is how it’s structured:

Tier 1 — Central banks, sovereign treasuries, and legacy financial dynasties. IMF. BIS. World Bank. Federal Reserve. Rothschilds. They’re not the enemy — they’re infrastructure holders being forced to flip the switch. Liquidity can’t flow until they trigger the valves.

Tier 2 — Private banks, multinational trusts, religious financial networks. Think UBS, Credit Suisse, Vatican Bank. These are the distributors, not creators. They masked, moved, and monetized stolen assets for decades. Now they’re being forced to redeem — or be dismantled.

Tier 3 — Historical bondholders, royal families, and “whale-class” asset holders. Their holdings date back generations — railroad bonds, stolen gold, ancient trusts. They’ve held it all. Now they’re under military command. Their redemption is underway under sealed oversight.

Tier 4A — Alliance insiders. Military-connected operatives. White Hats embedded in strategic banking, logistics, and ops teams. They’ve already begun the process — not for profit, but for mission execution.

Tier 4B — YOU. The awakened digital soldiers. The citizen researchers. The patriots aligned with truth and sovereignty. You are not last. You are not forgotten. You are the bridge between darkness and mass awakening. Once Tier 3 clears and Tier 4A stabilizes, you go live.

Tier 5 — The unaware public. The masses still asleep. For them, GCR will look like “miraculous policy shifts” or new government programs. But they won’t realize what really happened. Not yet.

- **This structure is not theoretical — it’s operational.** Redemption codes are being issued. Liquidity pathways are mapped. The QFS knows your frequency. Your intention. Your resonance.

- **The GCR is not about money. It's about energy.** Tier placement is not reward or punishment — it's alignment. Tier 1 built the system. Tier 2 moved it. Tier 3 held the keys. Tier 4 breaks the silence. Tier 5 wakes up last.
- **You're not watching a financial event.** You're living through a consciousness-based reallocation of planetary wealth.
- **Tiers are not status. They are stages.** And your time is coming. Prepare for the shift. Stay alert for codes. And never forget — you were never at the bottom. You were The Plan.

K. Sun. 25 May 2025 INTEL DROP: TRUMP INITIATES FINAL GESARA STRIKE – IMF CONFESSIONS, GITMO TRIBUNALS, UN EXPOSED, QFS LOCKING OUT THE DEEP STATE ...Matt Wallace

- **As of May 22, 2025, the GESARA transition is LIVE.** The Quantum Financial System (QFS) is operational. Trump is in full control. StarLink is locking global grids. Redemption Centers are processing. The old system is collapsing — and the deep state knows it.
- **The IMF has fallen. Executives detained at GITMO have confessed under oath: “climate relief” funds were used to traffic children via WEF and Gates-controlled NGOs.** Over 4,000 children vanished across Southeast Asia, funneled through fake “disaster zones.” Every transaction was cloned into the QFS — immune to deletion.
- **Biometric NDAs are being enforced worldwide.** Bound by DNA, retina, and voice, these contracts trigger instant removal upon breach. One French finance minister linked to Rothschild funds was erased from the system in minutes. No press. No trace. No return.
- **The UN is under military lockdown.** Twelve high-ranking operatives — UNESCO, WHO, UNHCR — are indicted for sabotaging the QFS and funding bioweapon labs in Africa.
- **Ritual abuse centers in Sudan and Yemen** were camouflaged as refugee camps. Trump has ordered a joint U.S.–BRICS operation to strip immunity and execute arrests.
- **May 20: StarLink satellite nodes were reassigned over Africa and South America.** Brazil, Kenya, Nigeria are now live with QFS infrastructure. Gold-backed wallets are syncing via AI blockchain. Only quantum-verified citizens gain access. The old banks are OUT.

- **As of May 18, limited digital gold wallets** have been released to Tier 4B patriots. These wallets are physical-gold backed, biometric-secured, and run OFFLINE. No fiat. No central bank. Just pure sovereign wealth under Trump's Alliance.
- **The elite are scrambling.** Vatican vaults, Geneva safes, and Swiss black sites are being intercepted mid-transfer by real-time AI protocols. Their wealth is frozen. Their escape routes — blocked.

- **Trump never stepped down. He stepped ahead.** The world is being reshaped under military command. This isn't coming — it's happening. The fake world is gone. The storm is NOW.

L. Sun. 25 May 2025 Special Operation Teams have been deployed to key domestic and foreign targets. ...Julian Assange on Telegram

- **Q Force Command Centers**, operating in conjunction with Space Force, were monitoring Digital infiltration attempts in real time. Safe channels for civilian alerts were now primed for activation.
- **EBS Broadcasts were loaded.** High value targets have been extracted and processed. Their Tribunal footage has been cleared for release.
- **The Quantum Financial Reset has been synchronized with Military phase timelines.** The Quantum Financial System (QFS) has been under intensive testing behind the scenes. The infrastructure to convert the old fiat money into new value-backed currency was now in place and active. The QFS was stable, interfaced and synchronized with legacy banking networks of 209 countries and as of now, was fully operational.
- **The Quantum Financial System (QFS) operates** with instant transactions, impenetrable security and every transaction recorded on a distributed ledger that cannot be altered or deleted.
- **Starting in late May, select groups of everyday people were invited to set up QFS-linked accounts** as part of a controlled pilot program. A few customers have noticed faster transfers or “glitches” that were actually QFS transactions in action. A small number of folks received instructions to download a new “digital wallet” app under the guise of a beta financial service. These were real QFS wallets, and those users were now unknowingly transacting on the quantum system.
- **There have been community training sessions** run by insider volunteers (under NDA) teaching people about asset-backed currency and how to use the new system. Some banks have quietly updated their software to route certain transactions through the QFS for testing.

- **In test runs debts were being erased** in stealth mode, loan balances disappearing. Individuals across various countries were waking up to find their credit card or student loan balances at \$0 with no clear explanation. Homeowners were receiving letters about mortgage “recalculations.” Tax Debt Cancellations.

M. Global Financial Crisis:

- **Sun. 25 May 2025 Denver, Colorado:** “Denver Public Schools has been taking public buildings and giving them to a private corporation that then turns around and charges Denver Public Schools rent to use those buildings. While reviewing Denver Public Schools documents, attorney Lisi Owen discovered a financial transaction with an unknown company and unknowingly uncovered the district’s longstanding practice of leasing district buildings to a private corporation, which it then pays rental fees to’ - Denver Gazette. N. Sun. 25 May 2025 AUTO-PEN COUP EXPOSED: SHADOW REGIME FORGED A FAKE PRESIDENCY ...Nesara Gesara 2.0

- **BOOM: The Biden autopen scandal just detonated.** Over 1,499 commutations signed by machine, not man. Biden wasn’t in charge — a circle of unelected handlers ruled from the shadows. As Joe slipped into cognitive collapse, Jill Biden, Donilon, Ricchetti, Bernal, Reed, and others seized power, issuing mass pardons and executive orders with a robot. Trump’s DOJ has launched a full-blown criminal investigation.
- **THIS WAS NEVER A PRESIDENCY — THIS WAS A COUP. Rep. Byron Donalds didn’t hold back:** “You can’t use an autopen to run the country.” He compared this to Watergate — but said it’s worse. Pardons for Hunter Biden, Adam Schiff, and Anthony Fauci were reportedly signed by machine. Null and void. Criminal.
- **INSIDERS NOW ACCUSED OF SELLING PARDON** Leaked reports suggest **pardons were not only forged — they were sold.** High-level Biden aides are lawyering up, preparing for federal subpoenas. Trump-appointed Pardon Attorney Ed Martin is hunting every name in this treasonous scheme: “This is the biggest abuse of clemency in U.S. history.”
- **THE SMOKING GUN: AUTOPEN A** The Oversight Project traced mass clemency orders directly to a mechanical device called Autopen A — used to sign:

June 2022: Brittany Krambeck

Dec 2022: 7 pardons incl. DeCoito III & Jackson

April 2023: 31 commutations

Sept 2023: 6 Iranian-linked names

Dec 2023: 11 commutations

Dec 2024: 39 pardons + 1,499 commutations

- **These weren't signatures.** They were digital forgeries rubber-stamped by tyrants in suits.
- **GOVERNANCE BY FRAUD — OR ELDER ABUSE?** Even mainstream outlets now admit: this could be elder abuse disguised as governance. Instead of invoking the 25th Amendment, they kept Joe breathing long enough to sign blank pages.

Q. Sun. 25 May 2025 Exposing the Dark Underbelly of US Intelligence: Mind Control, Torture, and Ritual Abuse ...Red Hats on Telegram

- **Recent revelations have unveiled a disturbing reality:** US military intelligence and the CIA have engaged in covert operations involving trauma-based mind control, child abuse, and satanic ritual networks. These initiatives, supported by elite bloodlines and funded through black budgets, have operated with impunity, shielded by globalist allies. Key figures like Trump and Flynn possess crucial evidence, making military tribunals not just necessary, but imperative.
- **The Intelligence Hydra:** A Shift from Protection to Domination: What was once perceived as a protective measure against foreign threats has transformed into a multi-faceted apparatus of psychological manipulation and domestic terror. The evolution from the Office of Strategic Services (OSS) to the CIA marked a shift from intelligence gathering to the institutionalization of psychological warfare. Under the guise of national security, the CIA has morphed into an enforcement arm for a global elite, acting outside the bounds of the Constitution and Congress, and manipulating truth while cloaked in diplomatic language.

- **The Science of Torture: MK Ultra and Project Monarch:** Under programs like MK Ultra and Project Monarch, the objective was not merely experimentation but the systematic destruction of human consciousness. These operations targeted vulnerable individuals, particularly children, employing horrific methods such as forced drugging, electroshock, and ritual abuse. Survivors like Cathy O'Brien and Brice Taylor have bravely shared their experiences, exposing the chains of command and the systematic abuse they endured, only to be marginalized by media and academia.
- **Bloodlines and Black Projects: The Hidden Power Structure:** At the heart of this sinister system lies a network of interlinked families and bloodline dynasties whose influence is rooted in occult practices and control over capital. Figures like the Rothschilds, Rockefellers, and Windsors wield power not through democratic means but through manipulation of perception and engineered chaos. They orchestrate conflicts, fund opposing sides, and install puppet regimes, all while shaping beliefs through trauma and cultural subversion.
- **From Mengele to Majestic-12: A Legacy of Experimental Evil:** The atrocities committed during Nazi Germany did not end at Nuremberg; they were relocated and rebranded under Operation Paperclip, bringing Nazi scientists like Josef Mengele to the US to continue their inhumane experiments. Under the guise of national security, these individuals perpetuated trauma-based programming, with figures like Sidney Gottlieb conducting non-consensual psychological torture. The deep state's involvement in human experimentation is not a relic of the past; it is an ongoing reality.
- **Psychotronics and the War on Consciousness:** Modern tools of domination have evolved beyond traditional methods. Today, we face invisible coercive technologies such as microwave-directed energy weapons and nanotech neural implants, capable of manipulating human behavior from a distance. These advancements represent a strategic evolution in warfare, targeting the very sovereignty of the human mind.
- **The Necessity of Military Justice:** Reform within civilian institutions is no longer viable; the courts, agencies, and media are complicit in this systemic abuse. This is not merely a scandal but a calculated assault on human sovereignty. The only viable solution lies in a robust military tribunal system, empowered to expose and dismantle this corruption. With the classified evidence in hand, the time has come to act decisively against this pervasive rot.
- **The call for justice is urgent,** and the means to achieve it are at our disposal.

R. Sun. 25 May 2025: TRUMP SHUTS DOWN THE WHO: U.S. CUTS \$900 MILLION & REJECTS GLOBAL VAX DICTATORSHIP ...Edward Snowden

- May 22, 2025 — It's official: the United States just declared WAR on the World Health Organization. While 78 nations surrendered their sovereignty by signing the WHO's Pandemic Agreement (CA+), President Donald J. Trump and HHS Secretary Robert F. Kennedy Jr. executed a death blow to the globalist bioterror cartel.
- The U.S. has REJECTED the treaty. DEFUNDED the WHO. And EXPOSED it as a front for elite population control.
- The WHO is not a health agency. It is a Chinese-influenced biowarfare command center, backed by Gates, Big Pharma, and the WEF. COVID was their dry run. This treaty was their power grab. But Trump flipped the table.
- THE TREATY WAS A TRAP The CIA agreement would've granted the WHO: Power to declare pandemics at will. Authority to override national health decisions. Tools to force experimental vaccines on citizens. A global surveillance system called PABS to control treatment access. The ability to seize 20% of all "pandemic" resources —without a single vote from the American people.
- Trump said NO. RFK Jr. said NEVER. \$900 MILLION CUT OFF — INSTANT DEATH BLOW
- Trump terminated U.S. funding immediately. That \$900M was the WHO's lifeline—used not for health, but for gene-editing, mRNA bioweapons, and tyranny enforcement. With that money gone, WHO's command structure is collapsing. Their fiscal plan is in shambles. Layoffs are already underway.
- RFK Jr. DROPPED A NUKE IN GENEVA Kennedy took the mic and unleashed it all: the Wuhan coverup. The fake wet market story. The censorship machine. The blood money from Pfizer and Moderna. And he said it plain: "The WHO serves CORPORATE MASTERS — not the people."
- A NEW MEDICAL ORDER IS COMING Trump is forming a new global health alliance — free from elite chokeholds and pharma corruption. Nations like Hungary, Brazil, and India are joining the revolt. Even parts of Europe are breaking ranks. The WHO is hemorrhaging legitimacy.
- This is not reform. This is REVOLUTION. THE GLOBALISTS LOST CONTROL This wasn't about "public safety." This was about total control. Lockdowns. Digital IDs. Climate restrictions. Food rationing. Thought policing. The WHO was the enforcement arm. Now it's crippled. And the war isn't over. It's just begun.
- The same hands that pushed COVID tyranny are pushing CBDCs, AI health passports, and "climate emergencies." But Trump is ten steps ahead — backed by Cyber Command, the Pentagon, and global patriots. THE MESSAGE IS CLEAR: AMERICA BOWS TO NO ONE.

S. Sun. 25 May 2025 BREAKING: LUCY CONNOLLY JAILED FOR A TWEET — SENATOR MARCO RUBIO DEMANDS ANSWERS AS GLOBAL BACKLASH ERUPTS ...Julian Assange on Telegram

- A British mother. Arrested. Silenced. Caged — for expressing patriotic views online. What began as a domestic scandal has now triggered a geopolitical firestorm. U.S. Senator Marco Rubio is personally reviewing the case, and the world is watching Keir Starmer's regime slide into soft tyranny.
- Lucy Connolly didn't riot. She didn't incite violence. She simply posted a message defending Britain's borders, its identity, and its values. That alone — under the U.K.'s new "online extremism" laws — was enough to justify her arrest, a rushed court process, and immediate imprisonment.
- No warning. No due process. No defense. Just digital speech turned into a criminal act. But the walls are closing in — on the system that put her there.
- Inside Capitol Hill, Rubio's team is compiling evidence of systematic free speech abuse in the U.K., citing Connolly's case as the tipping point. Multiple senators and human rights observers are now asking: Is Britain still a free country?
- The answer isn't clear. Because what's happening in the U.K. is starting to look like a global test model — criminalizing patriotism, branding dissent as hate, and silencing mothers who dare speak the truth.

Starmer's record is damning:

- Over 240 citizens investigated for "online nationalism"
- Dozens prosecuted for speech alone
- Veterans interrogated for quoting Churchill or flying national flags
 - And now the American response has begun. Congressman T. Massey didn't mince words: "Starmer doesn't defend Britain — he punishes those who do."
 - Rubio's office called it out clearly: "If Britain is arresting mothers for expressing national pride, it's no longer a domestic issue — it's a global warning sign."
 - Behind closed doors, committees are drafting diplomatic pressure strategies. U.S.–U.K. relations are being reassessed. Because if the U.K. jails citizens for tweets, the free world has a problem far bigger than Britain.
 - This isn't just about Lucy. It's about every patriot being silenced. Every voice labeled "dangerous." Every government that fears its people more than its enemies.
 - Lucy Connolly has become a symbol — of what's at stake if we stay silent. This is no longer a courtroom drama. It's a battlefield over the soul of the West.
 - The world is watching. The patriots are rising. And the days of silent compliance are over.

T. Fiduciary Advisor vs. Wealth Manager

Those looking for Wealth Managers may want to consider a Fiduciary Advisor as well. A Wealth Manager and a Fiduciary Advisor are both professionals who provide financial advice and management services, but there are some differences between them. ...Dinar Recaps.

1. Scope of Services:

Wealth Manager: A Wealth Manager typically offers comprehensive financial planning and investment management services. They may assist clients with a wide range of financial needs, including investment planning, retirement planning, tax planning, estate planning, and risk management.

Fiduciary Advisor: A fiduciary advisor is specifically obligated to act in the best interests of their clients at all times. While they may also offer comprehensive financial planning services, their primary focus is on providing advice and recommendations that are solely in the client's best interest.

2. Fiduciary Duty:

Wealth Manager: While many wealth managers strive to act in their clients' best interests, they may not be legally bound to do so in all situations. Some wealth managers may operate under a suitability standard, which requires them to recommend products that are suitable for the client's financial situation, but not necessarily the best option available.

Fiduciary Advisor: A Fiduciary Advisor is held to a higher standard of care known as the Fiduciary Duty. This means they are legally obligated to always act in the best interests of their clients, putting their clients' interests ahead of their own and avoiding conflicts of interest.

3. Compensation Structure:

Wealth Manager: Wealth managers may be compensated through a variety of fee structures, including asset-based fees, hourly fees, or commissions on product sales. Some wealth managers may receive commissions for selling certain financial products, which can create potential conflicts of interest.

Fiduciary Advisor: Fiduciary Advisors often operate on a fee-only basis, meaning they are compensated solely through fees paid by their clients. This fee structure minimizes conflicts of interest, as Fiduciary Advisors do not receive commissions or incentives for recommending specific products.

4. Regulatory Oversight:

Wealth Manager: Wealth Managers may be subject to regulatory oversight depending on their jurisdiction and the services they offer. However, regulatory requirements may vary, and not all wealth managers may be held to the same standards of conduct.

Fiduciary Advisor: Fiduciary Advisors are typically held to stricter regulatory standards, particularly if they are registered investment advisors (RIAs) in the United States. RIAs are regulated by the Securities and Exchange Commission (SEC) or state securities regulators and are required to adhere to fiduciary standards.

In summary, while both Wealth Managers and Fiduciary Advisors provide financial advice and management services, Fiduciary Advisors are held to a higher standard of care and are legally obligated to act in their clients' best interests at all times. Choosing between the two depends on individual preferences, investment needs, and the level of trust and confidence desired in the advisor-client relationship.

X. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Y. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Za. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic

Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
