**Judy Note: You’ve heard it all:** *Trust The Plan. EBS, Worldwide Martial Law Imminent During Mass Arrests, Possible Cyberattacks or Power Grid Shut Off. Mass Media & Internet Blackout As One Channel Broadcasts Disclosures. Global Bank Asset Seizures, Nesara/Gesara Activation, Global Currency Reset.*

***The problem was...it’s all true and coming to you this week.***

***The Plan actually started on Sat. 14 June 2025 during the big 250 Year Army Military Celebration.*** *The flag that was flown over the Capitol during the Military Parade on Saturday was given to President Trump. In the ceremony the soldier giving him the flag said, “Mission completed. We’ve arrested them all in the Capital. We’ve captured their flag.”*

***So, what was that all about?*** *What mission? (Likely Trump’s takedown of the Deep State Cabal). Who was arrested? (Likely Globalist political elites). Captured what flag? (Likely of the US Incorporated). Get the feeling Trump knows more than he’s letting out?*

***There was a lot more going on that we had yet to find out. The FBI recently announced that the Los Angeles rioters*** *have a large network of individuals organizing, funding and supporting the riots. U.S. Attorney Bill Essayli called the riots “highly orchestrated and coordinated,” vowing to uncover the source behind it all.*

***To top it off: Al-Qaeda commander Sa’ad Bin Atef Al-Awlaki*** *has ordered jihadist cells embedded on U.S. soil to launch direct assassination operations against Trump, VP J.D. Vance, and Elon Musk.*

***After Russian soldiers uncovered illegal US bioweapon labs*** *and rescued thousands of brutalized children in Ukraine, now Putin was having to prepare a Nuclear Response after Ukraine had attacked Russia on their soil. Who was the bad guy here?*

***There were good things going on. Like, the Deep State Cabal fiat financial system was finished as of June 13, 2025.*** *Trump’s Gold Directive, signed in January, triggered full-scale military seizures of underground vaults across 42 countries. The banks were finished. Over 12,000 branches have closed in 30 days. Accounts were frozen. Assets were blocked. QFS*

*command nodes were under military jurisdiction. Space Force has neutralized every attempt to stall this operation.*

***However in retaliation for taking away their money supply the Deep State Cabal has planned False Flags for July: EMP blackouts, synthetic virus drops, staged Trump arrest footage and disinformation campaigns targeting Redemption Centers.***

***Trump was prepared: According to Q on Telegram, the US Northern Command has activated the 2nd Battalion, 7th Marines, 1st Marine Division to support federal personnel in the greater Los Angeles area in what NORTHCOM described as “Homeland Defense Operations.” The Commander of the joint-agency Task Force that will act as the overarching command structure for the Marines is Army Major General Sherman.***

The Deep State Cabal goal: brain-computer interfaces, digital ID currencies, and total immune system control.***

***Lebanon's Hezbollah official said their group will not "initiate" attack on Israel in response to strikes on Iran. That promise went out the window on Sun. 15 June when Iran attacked innocent civilians in Israel.***

### **Global Financial Crisis:**

**C. Sat. 14 June 2025** As of this moment, QFS wallets are already being issued, secured, and linked to verified users across all Basel IV compliant jurisdictions. This is no longer theory — it is happening.

- **Basel — The Heart of the Reset:** Basel, Switzerland is the command node. It is home to the Bank for International Settlements and the Basel Committee on Banking Supervision — the very framework behind global compliance standards. Since 2023, Basel IV regulations have quietly forced banks worldwide to back their assets with real commodities, not speculative digits.
- **Gold-Backed Authentication Has Replaced Fiat Trust:** Old fiat currencies like the USD, Euro, Pound, and Rand are being phased out. Every transaction inside the QFS now requires a digital gold certificate — without it, the system rejects the funds. This guarantees that only clean, asset-backed money enters circulation.
- **Legacy Banking Is Collapsing:** Thousands of banks have closed, merged, or silently folded under the weight of Basel IV. The remaining few that are compliant are now syncing directly with QFS. Since February 2023, select institutions have tested public gold/commodity rates tied to the revaluation of global currencies — starting with the Iraqi Dinar.
- **The Role of the QFS Wallet:** You do not need to wait. QFS wallets are already being assigned. You operate them from your phone, secured through biometric access, immune from banking manipulation. Fiat funds stored in legacy accounts will be converted upon activation, provided the system verifies the origin and assigns a gold certificate.
- **Parallel Systems Are Ending:** The use of fiat in parallel with QFS is nearing its cutoff. April 30 was one of the final grace periods for unconverted balances. Now, every deposit, exchange, or transfer requires compliance with the new standards. The QFS portal filters every movement — clean in, certified gold out.
- **Who Oversees the Transition?**

1. **Swiss Banking Group AG** — Structural Oversight
2. **INDUS & BRICS** — Commodity Anchors
3. **U.S. Space Force** — Quantum Grid Enforcement

- **The pieces are in place. The system is live.** And if you're already inside — your wallet, your funds, and your future are protected.

**. Sun. 15 June 2025: As of June 14, 2025, the final sequence has quietly begun in regions the mainstream refuses to mention.** While distractions dominate the surface — elections, celebrity trials, false cyber “attacks” — the real shifts are buried under classified financial audits and joint military operations. The Quantum transition is no longer theoretical. It's visible in every collapsing structure that once held the world hostage. ... Gesara Nesara QFS on Telegram

### **What They're Not Telling You:**

- **The Bank of England and Deutsche Bank both received silent override signals on June 12.** Their private ledgers were frozen, pending seizure by international trustees operating under QFS enforcement.
- **3,100+ shell companies linked to trafficking,** pharma laundering, and fake climate funds have been digitally disbanded across Luxembourg, Cyprus, and Israel.
- **Over 41,000 inactive fiat accounts tied to corrupt political figures and NGO networks** have been flagged for full liquidation — with funds rerouted into Sovereign Reparation Pools.
- This isn't just the death of the old banking order. This is a planetary exorcism.

### **NESARA/GESARA Integration Updates:**

- **June 16–18:** Initial rollout of Level 1 Community Restoration Credits will begin in select areas. These are the first direct public payments distributed via QFS.
- **AI-driven fraud detection (code name: Orion Shield)** is sweeping through the final legacy nodes. Nothing dirty will pass. Every transaction is quantum-verified, time stamped, and archived permanently.
- **Internal documentation shows Med Bed Phase 3** entering pre-launch — now tied to biometric QFS Wallet access. This ensures healing tech goes only to real, living sovereigns — not actors, clones, or imposters.
- **And here's what you need to prepare for next: From June 20,** you will be asked to re-verify your QFS identity using a one-time biometric handshake. This will activate the full functions of your wallet — including direct communication with local Med Bed assignment hubs and the Rainbow Treasury Allocation system.
- **Nothing about this is casual.** Every step has been engineered for precision, protection, and permanence. We are no longer hoping for disclosure. We are living inside it. And the noise you hear on the surface? That's the sound of the old system suffocating on its final lie.

**D. Sat. 14 June 2025 UPDATE: QFS IS LIVE — BANKS ARE COLLAPSING, REDEMPTION CENTERS ARE SECURE — CLAIM YOUR GOLD-BACKED FUNDS NOW ...QFS on Telegram**

- **The fiat system is finished. As of June 13, 2025**, global banking infrastructure controlled by bloodline elites has collapsed beyond repair. The mainstream media calls it a “recession.” But the truth is clear: the Quantum Financial System is online, the Cabal is crumbling, and Redemption Centers are now the only portal to real, gold-backed currency.
- **Trump’s Gold Directive, signed in January**, triggered full-scale military seizures of underground vaults across 42 countries. What’s being recovered? Stolen gold, bearer bonds, and biometric files used in ritual finance networks. These assets are now being verified through Light Intelligence Technology and funneled directly into QFS — backed by the U.S. Space Force, authenticated through your Redemption appointment.
- **The banks are finished.** Over 12,000 branches have closed in 30 days. Accounts are frozen. Assets are blocked. Why? Because they’ve been severed from QFS. Without quantum clearance, they’re just digital ghosts. This is not a reset. This is an exorcism.
- **Every transaction is now biometric**, quantum-logged, and immune to corruption. No laundering. No theft. No puppet masters.
- **RLUSD and XRP are now the only digital assets integrated into QFS.** RLUSD is backed by seized gold and linked to your verified identity. XRP handles real-time liquidity. SWIFT, ACH, and CBDCs are obsolete. The globalists tried to stop it — failed cyberattacks on RLUSD servers were shut down in seconds. Their weapons no longer work.
- **But they’re not done.** CIA documents from Operation LAST BREATH reveal false flags planned for July: EMP blackouts, synthetic virus drops, staged Trump arrest footage, and disinformation campaigns targeting Redemption Centers.
- **Ignore it. Get to your appointment.**
- **Your biometric sovereignty has been restored.** Social Security-linked trading has ended. You are no longer collateral. The system that sold your identity is being dismantled — and the R&R program (Restitution & Reparation) will begin issuing gold-backed reparations within 30 days. Calculations are based on QFS data, banking abuse, and pharmaceutical injury — with tribunals already underway at GITMO and Diego Garcia.
- **Trump is in full control.** QFS command nodes are under military jurisdiction. Space Force has neutralized every attempt to stall this operation. The fake media is running out of pre-scripted stories. The banks are panicking. The elite are in hiding.

**E. Sun. 15 June 2025** Since the June 14 trigger protocol, entire banking networks have entered forced compliance with quantum directives — and most of their own employees don’t even know it yet. Everything still looks normal on the surface. But under the hood, the software that once empowered fraud is being dismantled line by line. ...Gesara Nesara QFS on Telegram

#### **Covert Intel Now Confirmed:**

- **Over 400 high-level bankers across Switzerland, UAE, and Canada** have been quietly removed since June 10 — officially “resigned,” but internally flagged by Earth Alliance AI sweeps as obstructions to global asset transition.

- **The World Bank has lost over 70% of its private gold reserves** — reclaimed through tribunal orders and redirected into humanitarian QFS allocations.
- **IMF task teams are undergoing mass restructuring;** 13 out of 15 internal data centers have been rewired with QFS relay systems and encryption governed by U.S. Space Force command.

### **Dark Fiber Activations:**

- **What most people call “the internet” is only 10% of the real data grid.** The other 90% is dark fiber — hidden infrastructure, now being flooded with QFS traffic as of June 13. This is how the system bypasses central bank firewalls without alerting legacy monitoring tools.
- **Why aren’t you hearing about this?** Because they’ve lost the narrative. And when that happens, silence is their only defense.

### **Coming Next:**

- **On June 17, select national vaults will begin physical conversion of old fiat into gold certificate equivalents.** Most will be stored digitally, but watch for leaks from Italy, Kazakhstan, and Norway.
- **Med Bed Location Codes will begin distribution** to verified QFS users in Tier 1. Codes are linked to private healing pods, pre-authorized for veterans, children, and trauma victims.
- **Rainbow Wallet Full Mode goes live June 19** — unlocking sovereign payout options and historical bond credit assignments.
- **This is the dismantling of a century-long system of slavery** wrapped in paper money and televised lies. And the most beautiful part? They can’t stop it. They already failed. The system is quantum. The future is ours.

### **G. Riots, Protests, Demonstrations**

- **Sat. 14 June 2025 LA California:** Karoline Leavitt revealed that 330 ILLEGAL ALIENS were arrested after they participated in the LA riots. 113 of them had prior criminal convictions.

- **Sat. 14 June 2025 Salt Lake City Utah:** A man is in critical condition with a gunshot wound, three others arrested after shots were heard in the middle of a crowd during a 10,000 person No Kings demonstration in Salt Lake City on Saturday. Otherwise the demonstration was peaceful, as were other demonstrations in the state of Utah on Saturday.
- **Sat. 14 June 2025 WA:** Crowds of protestors outside the ICE Seattle field office. Antifa militants have surrounded the building with blockades. Several illegal aliens are detained inside and anti-ICE activists are attempting to prevent ICE agents from transporting them out of the facility.
- **Sat. 14 June 2025 NY:** Police disperse anti-ICE pro-Hamas dirtbags from Foley Square after they lit a pink smoke bomb across from Federal Plaza building.
- **Sat. 14 June 2025 Texas:** The Texas Capitol has been evacuated following a "credible threat" directed at state lawmakers. Fort Hood Army base in Texas has been placed on lockdown following reports of an active shooter incident.
- **Sun. 15 June 2025:** Democrats and George Soros are funding the ICE Riots and No Kings Protests with our tax money. Bill O'Reilly "So they did some research to find out who pays for these kinds of demonstrations in Los Angeles. The main agency is the Coalition for Humane Immigrant Rights. Coalition for Humane Immigrant Rights. This is funded by far left people like the George Soros Open Society foundation, pours a lot of money into it, and then these people organize the protests. But this isn't the worst part about this. The state of California finances another group, okay. And it is called the LA Rapid Response Network. It also finances the state of California, the Coalition for Humane Immigration Rights. So that's tax money going into this organization. So during fiscal year ending June 30, 2023, the Organic Coalition for Humane Immigration received from the state of California \$34 million. \$34 million. So the state of California paid for those rides with tax money. Hear that anywhere else."
- **Sun. 15 June 2025:** Driving through Florida, at a rest area somewhere outside Tallahassee, there's this charter bus carrying about 50 to 60 young military age Hispanic males. I imagine they must be on their way to a No Kings event in FL, maybe Brevard County, Ocala, Tampa, etc. Their tags are from Texas. To be clear: No Kings is not an organic movement. Agitators are being distributed around the nation to act like organic protesters. We will see if the events have bricks, shields, and helmets delivered. This is what the political leaders like Karen Bass, Gavin Newsom, Alex Padilla and almost ALL on the left support. What a clown show. Florida is not California. Do what you did there and the Brevard sheriff says we will be calling your family to pick up your remains. ...Elon Musk on Telegram

#### **H. Sun. 15 June 2025 82ND AIRBORNE LOCKED IN — TRUMP PREPARES DOMESTIC STRIKE TEAMS FOR URBAN WARFARE ...Julian Assange on Telegram**

- **The order is imminent. The 82nd Airborne Division has been placed on high alert.** Fort Bragg's elite paratroopers are prepared for rapid insertion into hostile urban zones — beginning with Los Angeles — as Trump signals the next phase of his mission: DEPORT THE INVADERS. RESTORE THE REPUBLIC.

- **Yesterday, President Trump personally met with Major General James Work at a secured military compound.** After addressing 1,200 troops face-to-face, Trump didn't mince words: "WE WILL NOT ALLOW FOREIGN ENEMIES TO OCCUPY OUR CITIES."
- **Over 4,000 National Guardsmen and 700 Marines have already been activated across LA's most compromised zones.** But intelligence briefings confirm that LA is just the opening salvo. Sanctuary insurgencies in New York, Chicago, Seattle, and San Francisco are now designated hostile zones. Trump has drawn the line — and crossing it means war.
- **Sources confirm a three-hour classified briefing took place behind closed doors between Trump and Gen. Work.** At the core of the operation: mobilizing the 82nd Airborne for direct confrontation with domestic insurgent cells embedded in urban sprawl. Paratroopers are now training for precision landings across LZ coordinates including Hollywood Hills and high-rise rooftops — bypassing lawless terrain to strike at Deep State hubs surgically and without warning.
- **This is not civil unrest.** This is an organized invasion. Embedded agents, cartel runners, human traffickers, and paid saboteurs are using the banner of "activism" to shield their operations — but the illusion is collapsing. The so-called sanctuaries are now identified as corridors for drug smuggling, child trafficking, and the financial lifeblood of the globalist war machine.
- **Command Sergeant Major Randolph Delapena's final words** to Trump before departure said it all: "WE ARE LOCKED. WE ARE LOADED. WE ARE READY TO DEFEND THE CONSTITUTION FROM DOMESTIC THREATS."
- **The Deep State is out of moves.** Once the 82nd is deployed, the war becomes visible. The arrests will be fast. The tribunals will be brutal. There is no safe zone for traitors.
- **THE REPUBLIC IS STRIKING BACK.**

### **Wars and Rumors of Wars:**

**I. Sun. 15 June 2025:** Military Red Alert: Trump activates undeclared Wartime protocols in the Gulf. No pentagon orders. No MSM headlines. Trump moves in silence. The Deep State is frozen. ...Carolyn Bessette Kennedy

- **CODE RED INTEL:** Trump rejects Iran deal. Embassies evacuate. Gulf shipping locked down. Staff pulled from Iraq, Bahrain, Kuwait. Orders bypass Pentagon chain of command. This isn't diplomacy — this is battlefield prep.
- **CAMP DAVID WAR ROOM** Trump meets generals. Outcome: "No confidence" in Iran deal. Not politics. Not negotiation. It's operational. Behind closed doors, the warboard lights up.
- **THE SIGNALS ARE LIVE:** Rare UK maritime warnings across Gulf waters. U.S. embassies rapidly evacuating Iraq. Bahrain military dependents pulled. Kuwait nonessential State staff removed
- **Orders not from CENTCOM** — but directly from the Resolute Desk

- **STRAIT OF HORMUZ: THE CHOKEPOINT OF GLOBAL POWER:** 20% of global oil flows here. Iran's playground. UK maritime command now issues alerts for "rising threats." Translation: hardware is in position, and missiles are armed.
- **THIS IS NOT A DRILL. THIS IS NOT NORMAL.** These evacuations are high-cost. High-risk. High-priority. NONE announced by military briefings. ALL ordered from the top. Trump has bypassed the Deep State's filters.
- **PATRIOT COMMAND TAKES CONTROL:** Under Obama: think tanks, UN, and globalist chains. Under Biden: woke generals and foreign appeasers. Under Trump: DIRECT ACTION. SWIFT STRIKES. NO MERCY.

#### **REMEMBER HIS STRATEGY:**

- **Syria:** Withdrawal announced. Targeted strike followed.
- **North Korea:** Fire and Fury. DMZ handshake next.
- **Iran 2019:** Drone downed. Trump aborted strike at final second.
- **THIS IS TRUMP'S TACTICAL AMBIGUITY: CONTROLLED CHAOS.**
- **Iran now faces the wall.** No more backroom deals. No more delays.
- **THE DEEP STATE CAN'T STOP WHAT'S COMING** Fleet Forces remain silent. Embassies evacuate. Oil routes locked. THIS IS UNFILTERED COMMAND AUTHORITY.

#### **WHAT COMES NEXT?**

- **False flag in Gulf?** Possible.
- **Cyber strike on Iran?** Likely.
- **IRGC missile launch?** Expected.
- **U.S. surgical retaliation in under 8 minutes?** LOCKED. THE STAGE IS SET. THE CLOCK IS TICKING.

- **Edward Snowden's latest drop has triggered panic inside the Deep State.** Classified intercepts confirm Al-Qaeda commander Sa'ad Bin Atef Al-Awlaki has ordered jihadist cells embedded on U.S. soil to launch direct assassination operations against Trump, VP J.D. Vance, and Elon Musk.
- **This is not a drill. Snowden's intel exposes the fusion of terror networks with Deep State assets.** DHS, CIA, and FBI have been compromised. Alphabet agencies are actively suppressing the truth. Biden's handlers are fully aware but remain silent as traitor operatives inside U.S. borders mobilize.
- **THE TARGET LIST IS CLEAR DONALD J. TRUMP:** The immovable object against globalist takeover. He shattered their plans, exposed their rituals, and is preparing military tribunals at GITMO. Eliminating Trump is the Deep State's FINAL CARD.
- **J.D. VANCE:** The Marine warrior who stands between sovereign America and globalist collapse. His America-First stance threatens every WEF proxy embedded in D.C.
- **ELON MUSK:** The digital insurgent who dismantled their censorship architecture. His survival blocks their AI totalitarian grid. They need him gone to complete global information control.

**M. Sat. 14 June 2025 BREAKING MILITARY BULLETIN: “DISPROPORTIONATE RETALIATION” — RUSSIA SET TO STRIKE BACK HARDER THAN EVER BEFORE**

...The 17<sup>th</sup> Letter on Telegram

- **This is the warning before IMPACT.** U.S. military intel has just issued a classified-level alert to NATO allies: Russia is preparing a massive and asymmetric response after a direct strike on its soil. This isn’t about defense — it’s about DOMINANCE. The Kremlin is ready to rewrite the rules with fire. This isn’t a reaction — it’s a MESSAGE.
- **Inside private briefings across Europe,** American officials are telling their counterparts: Brace for disproportionate retaliation. That’s the term — and in military doctrine, it means one thing: obliteration with intent. This isn’t diplomacy anymore. This is a live-op scenario.
- **The data pouring in confirms the shift:** U.S. embassies in Eastern Europe are on silent alert. Russian non-conventional assets have moved into forward positions. NATO airspace protocols have shifted — corridors closing. Defense grids in Warsaw, Berlin, and Vilnius are running blackout drills. Cyber Command is surging encrypted comms — something’s coming. This is NOT simulation. It’s a PRE-LAUNCH environment.
- **The Kremlin no longer considers “balance” relevant.** Its goal isn’t parity — it’s terror-dominance. If NATO fires once, Russia answers with a fist made of electronic warfare, energy blackouts, and devastating missile strikes on command centers, power grids, surveillance hubs. This is chess at gunpoint. And the West is cornered.
- **The silence is deafening** because it’s STRATEGIC. No media, no leaks — just the cold calculations of power. The longer they wait, the more it signals: they’re not in control.
- **INTEL CONSENSUS:** The Bear isn’t bluffing. The Bear is STRIKING. They warned us for years. Each line crossed was met with mockery. But the doctrine is clear: Touch sovereign soil, and Moscow responds with superiority. We are beyond the phase of rhetoric. “Disproportionate retaliation” is not politics — it’s the military execution of supremacy.

- **THE NEXT HOURS MATTER.** Once the first launch happens, this stops being a Ukraine-Russia issue — and becomes a full-blown NATO-Russia standoff with nuclear shadows.
- **Washington knows. NATO knows. Now YOU know.**

- **The fire has begun. In the early hours of June 14, Israel launched a major assault on Iran.** Top IRGC generals, nuclear scientists, and military sites were obliterated. Civilian areas were hit. The regional war Trump fought to prevent is now here — and there's no turning back.
- **This is not Trump's war. He didn't authorize it. But he predicted it.** For years, he warned Iran to abandon its nuclear ambitions. He offered deals, time, and clear red lines. They refused. Now, as he said: "They got hit hard. Very hard. And there's more to come."
- **Israel's strikes killed Commander Hossein Salami** and others. The Natanz facility was hit. In response, Iran launched over 100 armed drones. Tel Aviv is locked down. Sirens blare. Streets are empty. The war is real, and it's just beginning.
- **The U.S. didn't fire missiles — but they helped.** Rubio confirmed Washington supplied intelligence and missile defense systems. Speaker Mike Johnson warned: if Iran targets U.S. assets, retaliation will be swift. Lines have been crossed. The fuse is burning.

- **Sun. 15 June 2025 Julian Assange: MILITARY ARRESTS CDC TRAITORS AFTER KENNEDY PURGES VACCINE PANEL.** The Deep State’s biomedical house of cards is collapsing. After HHS Secretary Robert F. Kennedy fired the CDC’s entire vaccine panel, U.S. Army CID agents moved in SWIFTLY. Five traitors are now in custody. These were no random arrests — this was a precision strike. The Army had foreknowledge. The arrests were timed to hit IMMEDIATELY after Kennedy’s purge. The crimes? DESTROYING GOVERNMENT EVIDENCE that linked COVID-19 vaccines directly to skyrocketing coronary deaths, immune failure, and sudden onset epilepsy. Every deleted file was a smoking gun. When Kennedy took control of HHS, he unleashed Trump’s handpicked digital forensics teams to infiltrate CDC headquarters in Atlanta under the cover of darkness. They cloned hard drives, extracted hidden files, and bypassed Deep State sabotage. The CDC’s ancient hardware became their downfall.

Spinning platters and USB drives surrendered terabytes of incriminating data. Between **May 15 and June 1**, elite teams recovered mountains of evidence. They identified five key operatives who had authored, altered, and attempted to erase critical data during **2020 and 2021**. Their plan: bury the vaccine genocide under digital rubble. They failed. The evidence went straight to Kennedy. Then to Trump. The order was given: **ARREST THEM**. Yesterday, CID executed military warrants at multiple locations. Three men and two women, all career agency operatives, were seized. No names released yet. Their betrayal is now in GITMO's jurisdiction. Kennedy dismantled the entire panel to prevent further sabotage. The swamp is deeper than anyone imagined. The purges have begun.

**R. Sun. 15 June 2025:** The New York Times and other Pharma-funded MSM outlets contacted my office this morning, feigning indignation that Robert W Malone, MD has a conflict that they suggest might impair his scientific judgment as a member of the new ACIP panel.

- **The NY Times' sudden squeamishness** about conflicts of interest on the ACIP panel begs the question: Where has the Times been for the last 20 years during which individual panelists regularly voted to recommend new vaccines owned by companies with which they personally had obscene financial conflicts?
- **The New York Times reporter objected to the fact that, in 2017**, Malone drafted an expert report for a federal case on behalf of a whistleblower, Merck's laboratory director Stephen Krahling, who accused the company of forcing him to falsify lab reports to inflate the efficacy of the mumps component of its MMR jab. The Times claims that its "experts believe" that Malone's involvement in these legal proceedings should make him ineligible to vote on future ACIP recommendations.
- **In fact, HHS will, for the first time in history**, institute bias policies recommending that ACIP panelists recuse themselves from decisions in which their current or former clients have a financial interest.
- **Vaccine mandates give these panelists** the awesome power to guarantee billion-dollar annual profits to their Pharma benefactors from trapped markets of 74 million American children now compelled to purchase a zero-liability product with no legitimate safety testing. Despite years of complaints about conflicts and corruption at ACIP—from congress, the HHS inspector General, and others—the mainstream media has largely remained silent. The single exception to this omerta has been United Press International (UPI) reporter Mark Benjamin who summarized the committee's pervasive putrescence in 2003. Benjamin wrote that ACIP panelists often share vaccine patents, own stock in vaccine companies, "receive payment for research or to monitor vaccine trials, and receive vaccine-maker funding for their academic departments."
- **A 2000 Congressional investigation** offered one example of those conflicts: "Four out of eight CDC advisory committee members who voted to approve guidelines for the rotavirus vaccine in June 1998 had financial ties to pharmaceutical companies that were developing different versions of the vaccine."

- **Despite all the critiques, my predecessors at HHS** did virtually nothing to purge the corruption at ACIP. We now have a slate of scientists, physicians, and public health experts of impeccable integrity who will vote to promote public health rather than the private profit interests of the New York Times' advertisers.

**S. Sun. 15 June 2025 BIO-WARFARE STOPPED — CCP AGENT CAUGHT, QFS & TRUMP SHUT DOWN PANDEMIC 2.0. ...The 17<sup>th</sup> Letter (JFK Jr.) on Telegram**

- **On June 8, 2025, a silent war broke into the open.** At Detroit Metropolitan Airport, federal agents intercepted a Chinese Communist Party operative — Chengxuan Han — carrying undeclared biological materials tied directly to the Wuhan Institute of Virology. Labeled as “surprises,” these packages were not just academic samples. They were the raw ingredients for programmable bioweapons. This wasn't science. This was sabotage.
- **Han isn't a student. She's a state-sponsored biowarfare courier** trained to bypass detection. Digital scrubbing of her devices, falsified documents, and covert CCP affiliations prove it. Her work involved DNA plasmids and roundworm-based neural research — the same tools Chinese military documents outlined for ethnic-specific and brain-targeted bioweapons. She came from Huazhong University, just miles from the Wuhan lab that Fauci's NIH helped fund through EcoHealth. And she came at the exact moment Trump's intelligence task force prepared to unveil Fauci's involvement in COVID's engineered release.
- **This was no accident.** It was a second strike — COVID 2.0 in motion.
- **Packages were sent to labs.** Some never arrived. Others are unaccounted for. Where are they now? Who holds them? Why was there no nationwide biohazard alert? Because the Deep State is in cover-up mode. Again. The same intelligence networks that ignored Wuhan in 2019 were ready to ignore this too — until Trump's team intercepted it. The QFS-enabled security grid flagged her movement. The Quantum Voting System (QVS) teams, now repurposed for biometric border tracking, traced the irregularities. The arrest wasn't luck. It was protocol.
- **The media won't report this.** But insiders confirm Han's mission was coordinated through pro-CCP academics embedded in U.S. universities. The goal? Not just infection, but disruption. Roundworm models like *C. elegans* are used to program neurological responses. This isn't about health. This is about control — gene-targeted shutdowns, brain-affecting pathogens, and synthetic immune manipulation designed to weaken populations before an election year.
- **COVID was the dry run.** This was the next deployment — stopped just in time.
- **But this goes beyond one arrest.** The global bio-deep state — WHO, WEF, NIH, Gavi, Big Pharma — is preparing to reset the world again. More lockdowns. More forced jabs. Mail-in ballots. Censorship. Panic. It all begins with another outbreak. And Chengxuan Han was their courier.
- **Trump's reactivated tribunals are moving.** The Global Health Crimes task force is tracking the NIH-CCP-WHO network. Biotech labs are being audited. Patents reviewed.

Human rights violations are being filed. The QFS is not just financial — it's forensic. It sees the coded patents, the funding trails, the viral genomes. And it's closing in.

- **This time, the virus won't slip through unnoticed.** This time, Patriots are watching. And this time, the next attack may not make it off the tarmac.

**T. Sat. 14 June 2025 BOMBSHELL: IT WAS NEVER A PANDEMIC — IT WAS BIO-WARFARE! ...Q on Telegram**

- **Fauci. Biden. The CCP. The Pentagon. The DIA. They ALL knew.** COVID-19 was manufactured as a bioweapon. Leaked military intel confirms the Deep State's great culling operation is real.
- **This was NOT a virus accident. It was a planned biological strike,** developed through secret U.S.-China military cooperation at the Wuhan Lab. Taxpayer-funded gain-of-function experiments created the perfect weapon, designed to trigger mass sterilization, collapse fertility, and enslave humanity under digital control.
- **In 2019, U.S. intelligence KNEW.** Classified signals intel tracked the Wuhan lab breach before the "outbreak." Biden's handlers ordered the deletion of lab-leak data from ODNI reports. It was never about public health — it was mass depopulation.
- **The true weapon was THE JAB. The virus was fear propaganda. The mRNA injections contained synthetic spike proteins targeting the heart, brain, and reproductive system.** DARPA whistleblowers confirm forced exposure aimed to cut global fertility by 70%. Fertility collapse is now unfolding across Europe, the U.S., Canada, and Australia. Mission accomplished for the globalists.
- **Fauci's house of lies is collapsing.** His seized phones and internal emails prove he knew the virus was engineered as early as January 2020. He silenced the truth while funneling money into the Wuhan lab, fully complicit in this global crime.
- **Trump stood alone. While Biden sold out to Beijing,** Trump blocked China travel, defunded the WHO, and exposed WIV's role. In return, the Deep State unleashed their full arsenal: impeachment, indictments, FBI raids, election fraud. Yet Trump has returned — and so has the TRUTH.
- **The next phase is locked and loaded.** Leaked Geneva biolab files reveal VX-9 — an aerosolized neurotoxin tested on civilians — designed to paralyze and enslave. Their goal: brain-computer interfaces, digital ID currencies, and total immune system control.
- **This was NEVER about saving lives.** It was a declaration of war. Expose it. Spread it. Fight it.

tech once hoarded by the elites is now under strict Earth Alliance control. But only THE PREPARED will access it.

- **MIND CONTROL IS THE FINAL BATTLEFIELD.** No longer about money, bloodlines, or politics — IT'S YOUR BRAINWAVES. Space Force, under the restored Republic, has enforced the Quantum Healing Directive. BRAINWAVE COHERENCE IS NOW MANDATORY. WHY? Because these Med Beds interface directly with consciousness. They scan intention, coherence, and emotional stability. If your mind is fragmented by trauma or programming, the Bed WILL NOT ACTIVATE.
- **TRUMP'S LONG-PLANNED OPERATION IS NOW LIVE.** Before his return in 2025, Trump secured these devices from elite bunkers in Ukraine, Switzerland, Australia, and D.C. - **Edward Snowden is sounding the alarm** louder than ever. 31 U.S. STATES HAVE DECLARED WAR ON THE GEOENGINEERING PROGRAMS that have poisoned our skies for decades under Deep State control. The fog of secrecy is shattering.
- **For years, they mocked us.** They called it conspiracy. But Snowden's intel confirms: STRATOSPHERIC AEROSOL INJECTION, SOLAR RADIATION MANAGEMENT, AND CHEMICAL SKY WARFARE HAVE BEEN ACTIVE FOR YEARS. The white trails, the aluminum, barium, strontium raining down. The respiratory illnesses. The neurological disorders. The crop failures. The weaponization of weather to control economies, elections, populations.

- **THE SILENCE IS DEAD. THE STATES ARE STRIKING BACK.** 31 states, with support from RFK Jr. and President Trump, have passed CLEAR SKIES LAWS banning unauthorized weather manipulation and aerosol warfare. This is not politics. This is survival.
- **Snowden has exposed the secret funding** pipelines running through black budget operations, DARPA, and corrupt factions within NASA and NOAA. Billions funneled into UNREGULATED CLIMATE WEAPONIZATION programs designed to bypass Congress, the Constitution, and your consent.
- **THE COVER-UP IS GLOBAL. THE TREASON IS DOMESTIC.**
- **Mainstream science, bought and silenced, refuses to debate.** Their peer-reviewed lies crumble as independent labs expose toxic spikes in rainwater and soil. THE EARTH HAS BEEN A TEST SITE. The people have been human experiments.

- **One of the most shocking whistleblowers in the history of whistleblowing.** "I Couldn't Believe That We Were Giving These People Social Security Cards And U.S Passports, Free Medical, Free Housing, Free Food, Free Everything."

- **"They wanted us to try to identify them in such a way that they would qualify for long-term social security disability.** Now long-term social security disability is for life. So if they get identified and qualify for long-term social security disability, they are as good as set up for life"
- **"That doesn't sound like a refugee to me.** Just being honest, that sounds like someone who's planning on staying here."
- **"So they instructed us to try to identify,** to try to get the client, because once they arrive here, they're now called clients. —So they told us that we needed to talk to the client and ask them if they had any headaches, recurring headaches, or any lower back problems, anything that would qualify them for Social Security Long Term Disability"

- **“Yes, it is insanity.** But in order to get Social Security disability benefits, don't you need a Social Security number? Well, we were instructed in the meeting that one of the first things we were supposed to do was sign them up for Social Security.”
- **“This is unbelievable.** So they come over here and they get a Social Security number. Right. They become legal.
- **“Correct.”**

## **X. Sun. 15 June 2025 QFS COUNTERSTRIKE INITIATED — THE VOTE INFILTRATION ENDS HERE ...QFS on Telegram**

- **On June 11, 2025, the enemy crossed the line.** In a single ruling, Judge Denise Casper — handpicked by Obama, protected by Soros — officially blocked Trump’s Executive Order 14248 and opened the gates for non-citizens to vote in federal elections. But what they didn’t calculate was this: the QFS is active, and it was built for moments exactly like this. The days of paper ballots, hacked machines, and unverifiable votes are over. What they just triggered is a nationwide digital counterstrike — and it’s already in motion.
- **Executive Order 14248 was not just a legal reform. It was a front-facing component of “Operation Red Seal,”** a classified integration of Quantum Voter Shield (QVS) technology into the U.S. electoral infrastructure. Each section of the order was tied directly to QFS nodes — designed to verify identity, citizenship, and authenticity in real time. That system is still operational. And despite Judge Casper’s ruling, the tech cannot be reversed. The Patriots saw this coming, and they encoded the fallback layers deep into QFS architecture. Their ruling only bought them time — not control.
- **Let’s be clear: the QFS is not just about finance anymore. It’s about national restoration.** When they allowed over 9 million illegal migrants to flood into the country, they weren’t just seeking cheap labor. They were importing votes. Under the old system, those votes could be laundered through welfare offices, fake addresses, and sanctuary states. But now, every fraudulent data point is traceable. Every digital signature, every false registry, every coordinated NGO drop — it’s already mapped, timestamped, and stored. The QFS sees all. And soon, so will the world.
- **Trump’s next move won’t rely on court appeals.** It will run through military infrastructure. Already, QVS modules are being deployed to verify ballots before they ever reach final tabulation. Blockchain-verified voter IDs. GPS-tagged ballot entries. Quantum-coded audit trails that no judge can erase. And while the legacy media crows about a “victory for democracy,” the real system — the secure one — is bypassing their narrative chokeholds. You won’t see it on CNN, but you’ll feel it on Election Day.
- **This isn’t the end. This is the bait.** They’ve exposed every corrupt lever they still control — the judges, the states, the media, the NGOs. Now, it’s all cataloged. The QFS is a weapon of precision, and the strike package has been uploaded. There will be no repeat of 2020. No delay ballots. No ballot-harvesting in the shadows. Casper’s ruling was a desperate move — and it just activated the final phase of military-grade election defense.

- **The Deep State built a system of lies.** The Patriots built one of truth. And only one of them will survive.

**Y. Sat. 14 June 2025: The July 4 celebration was never just a tribute to the past — it was the ignition of a new future.** ...Gesara Nesara QFS on Telegram

- **Right now, behind the scenes,** systems are executing with mathematical precision. The Starlink relay continues uninterrupted. QFS wallets are being pinged with digital handshake protocols. The gold certificates assigned to each sovereign ID are being validated in real time. What began as a silent shift is now an unstoppable current flowing across all continents.

**As of June 13, 2025, intelligence teams have confirmed that:**

- **Over 89% of fiat-structured banking systems** are now fully disconnected from central control grids.
- **Parallel sovereign ledgers are live** and mirroring activity across IMF, BRICS, and new Eurasian exchange nodes.
- **Final decryptions of Rothschild global account** holdings have been completed — assets locked, repurposed, and redirected.
- **In short:** the monetary parasite has been excised. And the host — humanity — is healing.

**QFS Access Milestones:**

- **All verified users born 2001 or earlier** are now confirmed eligible for full wallet deployment.
- **Redemption Centers** have begun scheduling Level 2 Med Bed intake — with biometric matching linked to sovereign medical profiles.
- **Real-time analytics show over 12 million users** have logged in to verify credentials and view preliminary fund allocations.

**But here's the real signal you've been waiting for:**

- **June 15–17:** The EBS will broadcast specialized instructional segments globally via Starlink, showing exactly how to use the QFS wallet, navigate the Sovereign Dashboard, and apply for quantum healing access through Med Bed portals.
- **During this period, expect all legacy media to go dark.** Not just news, but entertainment, commerce, and foreign broadcasts. Why? Because the illusion must be completely removed before the truth can stand on its own.
- **Stay grounded.** Stay connected to this channel. We are now past the point of return. There will be no rollback. No delay. No second chance.
- **Everything is in motion.** The lights are coming on. And this time — they stay on.

**Za. Sun. 15 June 2025 JUST IN: SEAL TEAM 6 WAS NEVER MEANT TO SURVIVE — OBAMA, HILLARY, BIDEN ACCUSED IN WHISTLEBLOWER BOMBSHELL — AMERICA'S MOST EXPLOSIVE COVER-UP EXPOSED ...The 17<sup>th</sup> Letter (JFK Jr.) on Telegram**

**Sat. 22 April 2023:** [Obama/Biden Behind Arming ISIS, Benghazi, Seal Team Six Massacres, 2020 Election Fraud, Child Sex Trafficking? | Politics | Before It's News \(beforeitsnews.com\)](#)

- **April 25, 2025 will be remembered not as the day a new scandal broke, but the day an old betrayal finally bled into the light.** A whistleblower has shattered a decade of silence, confirming what many feared and few dared to say: SEAL Team 6, the elite warriors sent to take down Osama bin Laden, were never meant to return. They weren't victims of war. They were targets of a political machine. And their deaths were orchestrated by the highest levels of U.S. power — Barack Obama, Joe Biden, and Hillary Clinton.
- **This is not speculation.** Audio recordings, buried for over a decade, now prove it. Gary Franchi and the Next News Network detonated the evidence — a clear, forensic link tying the chain of betrayal directly to America's so-called leaders. The mission wasn't botched. It was compromised. Coordinates leaked. Extraction cancelled. SEAL Team 6 walked into a trap laid not by terrorists, but by traitors in suits.
- **Their blood was never honored** — it was buried under ceremony and deception. Fake speeches. Staged tears. Flags folded by the very hands that gave the kill order.
- **The media called it a tragedy.** Now we know it was an execution.

- **Obama knew the optics.** Hillary protected the agenda. Biden played the fool, while knowingly approving actions that sent warriors to their deaths. SEAL Team 6 had seen too much. They knew the Bin Laden raid wasn't what it seemed — a staged narrative held together with duct tape and blood. Their survival was a risk the Deep State could not afford.
- **And what came next?** The same signature pattern of deception we saw in Benghazi. American lives sacrificed. Truth buried beneath bureaucracy. And no accountability.
- **But this time, the dam broke.** From inside the Pentagon and intelligence circles, more whistleblowers are stepping forward. Their message is clear: this was not an isolated betrayal. It was part of a system — a machinery that silences heroes, protects cowards, and destroys truth to maintain power. And that machine is now collapsing.
- **The global stage is shifting.** Patriots are rising. Tribunals are on the horizon. And no lie can outrun the weight of justice forever.
- **SEAL Team 6 didn't die in vain. They were silenced** — but now they speak louder than ever. Their story will shake the foundations of the Republic. And those responsible... will fall.

**Zb. Sun. 15 June 2025 TOTAL WAR: TRUMP FREEZES THE IRS FOR 90 DAYS, 45,000 AGENTS TO BE FIRED.** ...The 17<sup>th</sup> Letter (JFK Jr.) on Telegram

- **The Deep State's financial enforcers** just got their leash yanked. In a historic move, President Trump and Treasury Secretary Scott Bent announced a full 90-day shutdown of the IRS to investigate fraud, corruption, and weaponization. Nearly half the agency's workforce — 45,000 agents — are now slated for removal. No more audits. No more taxpayer harassment. The regime's favorite weapon is being dismantled in real time.
- **For decades, the IRS has operated like a domestic terror group in suits** — draining the working class, shielding the elites, and punishing political dissent. That era is over. Trump has declared the IRS a failed institution that must be reset or removed entirely. The freeze halts all new audits, suspends enforcement, and opens a full-scale probe into internal abuse. Behind closed doors, officials are now examining offshore connections, dark money trails, and unlawful asset seizures. The panic inside D.C. is real — and growing by the hour.
- **At the same time, gas prices are collapsing.** Inflation is falling. Core grocery costs are stabilizing. The era of Biden's runaway spending is being reversed. With Trump's return, energy independence is back — and so is economic confidence. Georgia gas now sits at \$2.89, and prices in Texas, Ohio, and Pennsylvania continue to plunge. Eggs are back under \$5. Core inflation just dipped for the first time in months. What the media won't say: these are direct results of Trump's executive decisions — cutting regulations, reopening pipelines, and ending globalist economic sabotage.
- **And the global battlefield? It's shifting fast.** Trump authorized surgical military strikes on Houthi strongholds in Yemen, directly targeting Iran-backed terror groups the Biden regime refused to confront. Pentagon insiders confirm the strikes were precise, effective,

and demoralizing to enemy networks. Under Trump, weak diplomacy is over. America is once again feared — and respected. Meanwhile, a bizarre deep-state proposal to return the Statue of Liberty to France was crushed instantly. Trump's response was clear: "The Statue stays. America will never surrender its symbols of freedom." That symbolic line in the sand sent shockwaves through globalist circles aiming to erase national identity.

- **And in orbit? Trump and Elon Musk** just brought astronauts home. A high-risk recovery mission, coordinated between SpaceX and military flight command, retrieved U.S. crew members left stranded by NASA's crumbling infrastructure. The mission marks the return of bold American space dominance through public-private partnership. No more dependency on foreign tech. No more outsourcing dreams. America is rising in every dimension — Earth, air, and space.
- **This isn't a phase. It's a full-spectrum reset.** The IRS is falling. The economy is recovering. Enemies are being struck. Borders are closing. The machine is breaking. And the Republic is awakening. The storm isn't coming. It's already here.

**Zc. Sun. 15 June 2025 SHOCKWAVES THROUGH THE SYSTEM — THE IRS IS A FRAUD.** A leaked 1985 letter from inside the agency proves beyond dispute that the 16th Amendment was never legally ratified. Meaning: the IRS has no lawful authority to collect income tax — and everything you've paid since 1913 was stolen under false pretenses. Over \$330 TRILLION has been extracted from the American people under a system built entirely on a lie.

- **The 16th Amendment was marketed as a patriotic necessity**, wrapped in duty, and sold as the price of civilization. But behind the red, white, and blue banners was deception. According to the IRS's own documentation, states never properly ratified the amendment. Some voted no. Some were miscounted. Others were recorded fraudulently. It was a constitutional coup that enabled the creation of a private, weaponized collection agency masquerading as government.
- **The 1985 letter, authored by a sitting IRS Commissioner** and buried for nearly 40 years, spells it out clearly — the legal foundation for income taxation does not exist. This isn't theory. It's a documented, signed admission from the system itself. If the amendment wasn't ratified, then the IRS has been illegally extorting citizens for over a century — and punishing them with audits, penalties, and seizures for refusing to participate in their own enslavement.
- **This wasn't just about collecting money.** It was about control. The IRS became a financial surveillance weapon — a tool used to crush dissent, silence opposition, and fund globalist agendas. From unconstitutional wars to banker bailouts, from black budgets to corrupt NGOs, your labor funded it all. You were told it was for roads and schools — but it was funneled into offshore accounts, intelligence networks, and institutionalized theft.
- **Trump knows.** That's why, in private briefings, he's vowed to dismantle the IRS from the top down and return what was stolen. The plan is already in motion. With the

exposure of this letter, the final domino has been pushed. The Deep State never thought this would surface. Now it has. And it changes everything.

- **They stole from you. They lied to you.** They turned patriotism into a racket and taxes into chains. But the illusion is cracking. The \$330 trillion question is no longer whether the IRS broke the law. It's what happens next.

**There was 170,000 metric tons of Gold** sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

**The request was accompanied** by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

**Zh. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **Zj. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

*Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>*

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.*

*“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*
