I see trees of green
Red roses too
I see them bloom
For me and you

And I think to myself
What a wonderful world

I see skies of blue
And clouds of white
The bright blessed day
The dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
Are also on the faces
Of people going by
I see friends shaking hands
Saying, "How do you do?"
They're really saying
I love you

I hear babies cry
I watch them grow
They'll learn much more
Than I'll ever know
And I think to myself
What a wonderful world
Yes, I think to myself
What a wonderful world
Ooh, yes

Judy Note: *On Friday July 4 2025 Independence Day President Donald J. Trump was expected to legally restore the Constitutional Organic Republic, which would officially dissolve the foreign banker-controlled US Corporation, along with their Federal Reserve and IRS – all of which would usher in a Global Currency Reset of 209 nations to gold/asset backed currencies that traded at a 1:1 with each other.*

Destruction of our God given freedoms began back in 1871 when the Deep State Globalist's US Inc, UK Crown, Vatican and their ancient descendants of Cain Satan worshipping, child sacrificing Pedophile Khazarian Mafia changed the Constitution for their own carnal desires.

Past Deep State Cabal US Inc. Administrations such as Obama and Bidens, have been funded by global bankers, advised by foreign think tanks and infiltrated by Five Eyes intelligence. Their mission was simple: criminalize opposition, erase sovereignty and preserve control over elections, speech, and resistance. Thanks to Trump and the Global Military Alliance, they failed.

Over the last several years and to accomplish this great feat of independence from Satan worshipping aggressors, Trump and his Global Military Alliance has destroyed the Khazarian Mafia's infrastructure engrained into the Vatican, UK Crown, Mainstream Media, Hollywood, Education System, Agriculture controllers, Big Pharma, UK Crown, Vatican and their Worldwide Satan Worshipping Central Banking System.

A huge step will be taken toward Freedom and Independence for the common citizen when Trump's "Great Big Beautiful Bill" is finally passed by Congress. Such will complete demise of the Deep State Globalist's Federal Reserve and IRS – already ruined by the military's reclamation of \$17 trillion worth of gold from Asia and Europe. This stolen gold was returned to safe depositories around the World, but mainly to the new US Treasury – where it made the new gold/asset-backed US Note become part of the World's Quantum Financial System (QFS).

Establishment of the QFS began in earnest back in 2008 with the so-called Mortgage Crisis – which was in reality finalization of the Deep State Cabal's bankruptcy on the fiat US Dollar. The BRICS nations (Brazil, Russia, India, China and South Africa) got together and decided the fiat US Dollar wasn't working as a basis for international trade. So, they evaluated the worth of 209 nation's currencies according to the individual country's natural resources and gold holdings.

Now with the fiat US Dollar officially dead and buried, along with the Federal Reserve and IRS's demise, upon Congressional passage of Trump's "Great Big Beautiful Bill," the final piece of the puzzle would be in place for that GCR to take place.

Passage of the "Beautiful Bill" would effectively eliminate the fiat US Dollar and erase illegitimate debt and interest linked to fiat currency. The Bill also would allow a Quantum Access Card to be legally recognized for citizen access to the new Quantum Financial System. Most important, the Bill would eliminate US income tax, while switching America's tax base to a tariff-based income from purchases on new items only – none on food or medicine.

Other recent accomplishments by Trump and his administration: (1) MedBed centers were now protected nationally by RFK Jr.'s scientific advisory board. (2) The Supreme Court has given Trump the authority to remove people from unelected organizations like the DOJ, CDC, and DHS. (3) Weather warfare patents (HAARP, chemtrails, and scalar systems) have been declassified. (4) Influence of the evil WHO and WEF on American health policy has been exposed, and (5) a Supreme Court's 2024 ruling struck down §1512(c)(2) and shattered the Department of Justice's legal foundation. Over 300 possibly unjust convictions now faced reversal.

E. Fri. 28 June 2025: SNOWDEN: “THE IRS WAS NEVER ABOUT TAXES. IT WAS ABOUT CONTROL.” ...Edward Snowden on Telegram

- **June 26, 2025 — the day the IRS died.** Trump just lit the fuse on the Deep State's wallet. \$150 TRILLION in stolen wealth is being seized and redirected to the American people. This isn't politics. It's war.
- **Edward Snowden just confirmed what we always suspected:** the IRS was the elite's domestic collection agency, feeding black ops, child trafficking, media control, and mind warfare. Every dollar you paid was fuel for global tyranny.
- **Since 1913, the IRS acted as a parasite.** But today, under military command, Trump ended it. Snowden's leaked intel reveals the operation began months ago, when Space Force intercepted encrypted communications showing elite asset liquidation across Brussels, Geneva, and the BIS.
- **Three Rothschild proxies are now under military detainment**, caught rerouting IMF funds meant for destabilizing the U.S. Snowden warned: “This was their final financial chess move. They lost.”
- **Trump's new directive abolishes the income tax and launches a QFS-backed system.** This means: Global tariffs replace income tax. Elite offshore accounts are frozen and repatriated. FDIC and bank 'glitches' are QFS overwrite protocols in action. Federal Reserve loyalists are being purged from Treasury nodes.
- **Snowden's data confirms:** the IRS funneled trillions into CIA black sites, Epstein networks, bio-labs, and MKULTRA tech. With it gone, the Deep State can't fund their weapons, media lies, or foreign wars.
- **Trump's ally, Commerce Secretary Lutnick, said it best:** “The IRS was their leash. Trump just cut it.”
- **Behind the scenes:** Gold reserves hidden under the NY Fed are now under military escort to White Hat QFS bunkers. 12,000 elite accounts marked “non-domestic HNW”

were seized on June 21. Top IRS execs resigned June 17, implicated in laundering ops for UN operatives. Snowden is sounding the alarm: the collapse is now.

- **The Deep State's surveillance grid**, their pandemic agenda, their climate tyranny—all depended on YOUR tax dollars. Trump just shut their faucet off. This is not reform. This is resurrection.
- **The IRS was never for you. It was built against you.** Now it's DEAD. And America is being reborn in fire

Restored Republic

F. Sat. 28 June 2025: RAIDED AND EXPOSED! TRUMP FORCES SMASH IRANIAN TERROR CELL IN LOS ANGELES — QFS NOW TARGETING THEIR FUNDING NETWORKS ...QFS on Telegram

- **It wasn't just a raid. It was a surgical strike** on a foreign-backed infiltration base operating in the open — right in Los Angeles. Trump's forces, under direct federal authority, just took down an Iranian safehouse tied to terror operations, human trafficking, and financial warfare inside U.S. borders.
- **This wasn't about immigration.** It was a covert invasion, shielded by Biden's open-border agenda, sanctuary city policies, and globalist legal protections. For four years, the Deep State used asylum fraud, parole programs, and fake family reunification scams to flood America with unvetted operatives — all while dismantling biometric tracking systems and gutting national defense.
- **Inside this LA house?** Iranian nationals tied to terror networks — including names from the FBI Watchlist. They weren't hiding. They were positioned. Embedded in a known sanctuary zone. Protected by Democrat-run city policies.
- **Trump's revived ICE and CBP task forces** are now in full activation. Just days before the LA raid, 11 more Iranian nationals were arrested in coordinated sweeps across seven states — many with serious criminal records and links to weapons smuggling, narcotics, and terror finance. These were not refugees. These were soldiers in a shadow war.
- **And here's where the deeper operation begins: the money.** This isn't just about bodies crossing borders — it's about how they're funded, moved, and protected. The same routes used to smuggle these operatives were tied to off-book wire transfers, encrypted transactions, and dark finance pipelines. These aren't just illegal channels — they're anti-QFS networks built to bypass the system Trump is now activating.
- **Trump's Quantum Financial System (QFS)** is not just a new economic model — it's a weapon. With biometric security, transaction tracing, and gold-backed precision, it's exposing the Deep State's dirty funding trails — and cutting them off at the source.
- **That LA house? It was more than a safehouse.** It was a financial node in an international black market system run through NGOs, rogue banks, and elite-backed shell networks.

- **Now it's gone.** And the Deep State is panicking.
- **Biden wasn't blind to it** — he was complicit. His regime used loopholes, corrupted agencies, and weaponized immigration law to build the very networks now being dismantled. While American families suffered, Iranian operatives were escorted into sanctuary cities with full elite protection — awaiting activation.
- **But Trump flipped the board.** Under QFS oversight, military intelligence is now tracking not just people, but every illegal dollar flowing through these networks. The system that once funded terror, trafficking, and bioweapons has been caught in a net — and QFS is the net.
- **This isn't just domestic cleanup.** It's a financial war on globalist insurgency. And now the pieces fall fast: - ICE raids tied to QFS intel - Biometric recon of suspected operatives - Encrypted comms intercepted through White Hat systems - Military tribunals activated for those who enabled infiltration
- **The arrests in California, Texas, New York, and Alabama** weren't random — they were precise extractions, coordinated to dismantle elite-aligned urban nodes protecting foreign assets.
- **And it's far from over.** As QFS expands, dark finance dies. That means no more funding for NGO smuggling ops, no more black-market wire transfers, no more globalist cash loops to destabilize America from within.
- **This was never just about borders.** This was always about control — of people, of movement, of money. And now Trump has flipped the control grid back in favor of the Republic.

G. Sat. 28 2025: A LOT OF PANIC! Musk's "betrayal" causes global exposure: 16,000+ traitors logged, Gitmo lists updated, and Vatican accounts frozen. ...Nesara Gesara QFS on Telegram

- **The fake fight between Elon Musk and Donald Trump was a trap.** And it did work. The Deep State is in full panic mode as of **June 9, 2025**. What started as a public "break" on June 5 turned out to be a military-grade sting that caught thousands.
- **SPACE FORCE INTEL: 16,000+ TRAITORS FOUND:** Within 72 hours of Musk's signal, digital fingerprints, communication logs, and biometric data from globalist NGOs, banks, tech companies, and intelligence agencies were all taken. The QFS has recorded the names of 16,382 people.
- **Most of them are linked to:** - NGOs that aren't part of the UN - Financial channels connected to Soros - EU intelligence nodes turned on in a hurry. They thought Musk had gone crazy. They showed themselves.
- **The Vatican has frozen channels linked to Epstein.** The Vatican Bank froze wallets linked to UNICEF Italy, WFP Europe, and Earth Now—an operation linked to Epstein's money laundering—just hours after the Musk drop. At the same time, EBS testing started

in 9 U.S. states without anyone knowing. The rich people know what's going to happen. They're trying to cover up the evidence. It's too late.

- **BIG TECH IS IN PANIC MODE: On June 7**, Microsoft, Meta, and Google started trying to sync silently in order to: - Stop leaks between Musk and Trump - Mix up the QFS nodes - Mark "sting operation" stories as false information.
- **It didn't work.** You can't get to Starlink's secure nodes or Musk's backdoors. The data has already been collected.
- **STARLINK KEEPS TRACK OF GLOBALIST ESCAPE ROUTES:** Starlink lit up over South America and Antarctica on June 8. Space Force kept an eye on private escape flights linked to wealthy European families. One of these flights, linked to the Rothschild family, was trying to escape through Patagonia. A real-time exfiltration reveal was set off by Musk's "betrayal." The alliance was keeping an eye on things.
- **CLINTONS DISAPPEAR AFTER EPSTEIN NETWORK IS BACK UP:** The Clintons canceled all of their public appearances after Musk brought Epstein back into the news. They can't fly their plane because it's stuck in Arkansas. Why? Two people who used to work for Epstein are now under federal protection and getting ready to testify. Their testimony connects unlogged "charity" flights to Africa, which were caught on satellite.
- **EBS WINDOW AND GITMO MOVES HAVE BEEN CONFIRMED** - The last EBS test window is from June 10 to 17. - Three sealed indictments from the Obama administration are on their way to GITMO. - 1,100 media people connected to Deep State info warfare have been flagged for tribunal review. Musk's post wasn't dramatic. It set it off.
- **TO THE ELITES:** We keep an eye on your jets. Your vaults are locked up. We have a record of your secrets.
- **The data is with Trump.** The system is working. And the takedown has begun.

H. Sat. 28 June 2025: As the Director and I close out our first few months in our roles, I want to provide another update on our efforts to both reform the FBI, and hunt down bad actors. ...Dan Bongino on Telegram

- **Some of these action items you may have already read about**, some you may have not.
- **We are mission-focused on crushing violent crime** and making your neighborhoods noticeably safer. Here are some of the early results. We have arrested 14,000 violent criminals. This represents a 62% increase from the same period last year. Many of these violent criminals are cartel leaders, and child predators, and they'll be looking at long prison terms. We also located and apprehended three of the FBI's top ten "most wanted," and we are closely tracking others. As a result, the murder rate is currently tracking to be the lowest on record. This is not a victory lap, we are doubling down hard.

- **We have arrested over 825 violent child predators**, and 140 human traffickers, as we aggressively pursue the filth that prey on our children. If you're preying on our children, we are coming for you. It's only a matter of time.
- **We warned those violently acting out in the recent riots** that we would restore order, and pursue you if you chose violence. Over 700 arrests have been made in coordination with our federal and state partners. Many of those arrests are members of organized groups, and we are pouring through data in pursuit of more bad actors. We are not done.
- **In conjunction with our federal partners**, we apprehended, imprisoned, and deported over 18,000 illegal aliens. Many of these illegal aliens had violent criminal histories. As a result, last month, ZERO illegals were admitted into our country. We are fully engaged in this mission, and we will move around our manpower as determined by conditions in the field.
- **We made numerous personnel and structural changes** to the leadership of the FBI to ensure the mistakes of the past are not repeated. Those changes continue. And, as a reminder, things are happening that we cannot publicly discuss. It does not mean they are not happening.
- **I will send a separate, more detailed post shortly** about our arrests of multiple foreign intelligence targets engaged in illegal activities. These cases continue as we move quickly to round up these threats to our Homeland.
- **We are hyper-vigilant in protecting our Homeland** given the current heightened global threat environment, while we deal with our CI, criminal and other critical responsibilities.
- **There's more work to be done.** Stay tuned on additional disclosures, and updates on public corruption cases. And again, for those who have been patient with us, thank you. For those who are out of patience, thank you too. We understand we are in a RESULTS business.

J. Sat. 28 June 2025 OBAMA, BIDEN, & HILLARY'S MULTIBILLION-DOLLAR SECRET & THE BLOOD MONEY BEHIND OSAMA BIN LADEN & SEAL TEAM 6.

...EBS on Telegram

- **Karoline Leavitt just blew up the press room** calling out Obama's \$1.7 billion dollar cash payments given to Iran, stacked on pallets in the back of airplanes, which helped Iran build there nuclear program.
- **What if the total amount given exceeded the \$1.7 billion dollars?** Not only did a U.S. president give a foreign nation billions in cash, the cash was traced to Iran backed terrorist groups and went towards building Iran's nuclear program which was just shut down by President Trump's precision military airstrikes.
- **The story gets even deeper.** What if the money was also connected to something else? Another monumental event. A monumental event that we, the American people believe went down a certain way but actually ended up happening completely different.
- **Alan Parrot breaks down the full story** and what the money sent to Iran was really for and where the money actually ended up. Not only was the cash connected to Iran's nuclear programs and other Iran backed terrorist groups.
- **It was also connected to the trophy kill of Osama Bin Laden**, which was set up by Hillary, Biden, and Obama, right before his reelection, an arranged death that went wrong and ended up costing members of SEAL team 6 their lives in Benghazi.
- **How is Biden involved**, what was John Brennan's role, and what really went down in Benghazi and how is it connected to Hillary Clinton and her involvement with the members of SEAL team 6 and their demise?
- **There's a reason they never released any photos** or videos of the raid on Osama Bin Laden. There's a reason why they "buried him at sea," even though they never have done this ever before. And that reason is exactly why they took out SEAL team 6.
- **The truth is what we are fighting for**, and we won't stop until we get it. The lies, the corruption, the murders, and the trafficking of innocent children ends now. We can't go on anymore like this and we will not move forward in a positive direction as a society until everyone involved is held accountable. Period.

K. Sat. 28 June 2025: WORLD WAR 3: ROTHSCHILDS JUST LIT THE FUSE THROUGH ISRAEL ...Matt Wallace on Telegram

- **THE STRIKE ON IRAN WASN'T A REACTION — IT WAS A RITUAL.** This is NOT about Israel vs Iran. This is the globalists pulling the final lever. The same

bloodline elites who engineered WWI, WWII, and every "conflict" since. June 17, 2025 — the day the Rothschild-Zionist death cult declared war on humanity.

- **Israel's attacks were pre-funded**, pre-approved, pre-scripted. Targeted airstrikes on Natanz and Fordow weren't about defense — they were about triggering global chaos to collapse the system. Sixty civilians, 20 children, incinerated in Tehran. That wasn't collateral — it was a calling card. A message from the Luciferian oligarchs who profit from blood.
- **CENTCOM insiders confirm US military satellites** were rerouted to support Israel days before the first bomb dropped. This wasn't defense. It was orchestration. A trap meant to corner President Trump into a war he never wanted.
- **Trump's enemies launched this war to sabotage him.** They failed to stop him in the elections. They failed to control him with COVID, with impeachment, with lawfare. Now they want to force his hand into backing the war machine. He hasn't flinched. But they're escalating.
- **Netanyahu doesn't serve Israel.** He serves Klaus Schwab, Larry Fink, and the pedophile cartels of Davos. Israel is the puppet — the missile is the message.
- **Iran's response?** 370 drones and missiles — not revenge. Justice. Years of sabotage, assassinations, sanctions. Now? Israeli apartment blocks flattened. Iron Dome overwhelmed — cyber-jammed by BRICS-aligned forces. Russia and China are watching — and ready.
- **Why now? Because the globalists are pushing the final stage:** – Collapse the petrodollar. – Launch digital currencies with biometric ID. – Freeze retirement accounts "for national security." – Justify AI surveillance and censorship under martial law. – Flood Europe with migrants to crush nationalist resistance. – Use World War 3 to erase national sovereignty — forever.
- **Gaza is a distraction.** The real mission: reset the world. Force humanity into total control. And yet — truth is leaking: – Russian intel confirms Israeli bombs targeted civilians. – Mossad insiders are leaking the plan. – CENTCOM whistleblowers admit: it was never about nukes.
- **Trump is now working with BRICS behind the scenes.** A parallel peace summit. No NATO. No U.N. No WEF. The goal? End the slaughter. Break the system. Free the world.
- **To the elites:** your ritual has failed. Humanity sees you. And the storm you wanted? It's turning against you.
- **THIS ISN'T A WAR. IT'S A GLOBAL RESET REBELLION. AND THIS TIME, YOU LOSE.**

International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and housed in China's Three Gorges Dam in a tunnel that eventually connects to a 1,500 mile long tunnel that runs between the Vatican and Jerusalem:

M. Sat. 28 June 2025: SPECIAL INTEL DROP: 2,100 CAGED CHILDREN RESCUED FROM DEEP STATE TORTURE TUNNELS ...Gesara Nesara QFS on Telegram

- **Confirmed by the Pentagon Pedophile Task Force:** 2,100 children were rescued from cages beneath the China Lake military base. These children had been subjected to unthinkable horrors—rape, electrocution, organ harvesting, forced pregnancies—all for Adrenochrome. This was just one operation. Hundreds more are underway.
- **US Marines and Navy SEALs, under direct command from Trump and allied forces, launched these secret missions** as part of a global takedown of Deep State strongholds. The tunnels—spanning California to the Vatican, Denver to Germany—have been packed with children, mutilated bodies, cash, weapons, and gold.
- **Since 2020, over 50,000 children have been pulled from these underground hells.** Entire generations born and bred in darkness, never seeing the sun.
- **Some tunnels ran from the Clinton Foundation HQ to NY Harbor.** Others were found under the Vatican, Black Forest in Germany, and Ayers Rock in Australia. This is a centuries-old blood cult system—built by elites, royals, and Hollywood insiders—now crumbling.
- **The military operations were so large that “small earthquakes” were reported globally.** These were caused by controlled demolitions of DUMBs—Deep Underground Military Bases—used for trafficking, ritual abuse, and elite hideouts.
- **30,000+ pedophiles have been arrested worldwide.** Over 125,000 sealed indictments tied to treason, trafficking, and satanic ritual abuse are being unsealed. The storm is here.
- **Intel confirms rescue teams encountered piles of child corpses in Reno, Nevada.** Others were saved in Spain, England, Italy, Australia.
- **The largest global trafficking ring**—run by the CIA, UK Royals, Vatican, and the Cabal—has been dismantled piece by piece.
- **Dark web takedowns have led to 338 arrests across 38 countries.** 250,000 videos of child rape and torture—paid in Bitcoin—have been confiscated. The elites drank the blood of tortured children to reverse aging. Now their supply is gone.

- **Trump is draining the swamp with military precision.** Media silence = complicit guilt. These monsters are being hunted. The children are being avenged. There is no going back. You are watching the greatest rescue mission in human history.
- **BURN IT ALL DOWN. THE DEEP STATE IS DYING. TRIBUNALS ARE COMING.**

N. Sun. 29 June 2025: The Clintons frequently traveled straight from the White House to Epstein's ranch. Epstein regarded Bill Clinton as his closest "celebrity mate." Why would a sitting president and his spouse regularly hang out with Jeffrey Epstein, if at all? ...Ben Fulford on Telegram

- **It gets better. For some reason, Epstein met with Barack Obama DOZENS of times,** including with members of his own administration and his own top attorney. Epstein even attempted to connect Obama's attorney with none other than Bill Gates.
- **Of all people, Bill Gates was going to establish a multibillion-dollar foundation with Epstein,** even after Epstein was found guilty for the first time of crimes against a minor.
- **When asked about his numerous meetings with Jeffrey Epstein, Biden's own CIA director claimed to be receiving "financial advice."** Is this the reason why so many of the evidence and tapes disappeared? Were they searching for secret tapes or the dead man's switch? You simply cannot make this stuff up.
- **The names of the CIA and Mossad** are all over this clear intelligence operation. You cannot use children as sexual extortion tools and get away with it for decades, especially if you are blackmailing world leaders, celebrities, and wealthy elites.
- **Zorro Ranch is the subject of extremely unsettling rumors.** Epstein was more than just an intelligence asset and a terrible pedophile. Like the other psychopathic elites, he was a crazy scientist who was obsessed with life extension and wanted to personally seed humanity.
- **Epstein wanted to impregnate 20 women at a time beneath Zorro Ranch,** where witnesses claim there is a whole underground laboratory where other elites and prominent people met and were experimenting on other people, because he believed a cataclysmic event would eventually occur. The more you dig, the stranger the story becomes.
- **Ghislaine Maxwell had a submarine pilot's license and a private submarine for the island,** and it was rumored that Epstein's island had a whole subterranean area used for God knows.
- **Before being discovered and raided, Epstein even had a cement truck delivered to the island;** he paid for it in advance, requested that it be delivered right away, and promised to cover any damage incurred during the trip. Unless you were trying to fill in the entrance to an underground facility that you were trying to hide before the feds arrived, what would he need a cement truck for in such a hurry?

- **Ironically, Joe Biden's brother and his business partners own an island called Water Island**, which is located close to Epstein's island. Across the street from that is a military base that also has a submarine port.
- **You must comprehend. Many of these individuals are so wealthy that they no longer find pleasure in material belongings** and other things. Additionally, they are brought up with quite different beliefs, most of which are Luciferian or Satanic in nature.
- **These individuals pursue control**, power, and other things that ordinary people wouldn't even consider. They could care less who they harm or destroy in order to obtain their lust for literal power and the key to life.
- **"What was really going on and why was our own government involved**, how deep does this entire operation go beyond the blackmail aspect, and how evil really are these people?" are the questions you should be asking yourself.

O. Sun. 29 June 2025: RFK Jr. CALLS OUT & TESTIFIES AGAINST THE BIDEN ADMINISTRATION'S INVOLVEMENT IN CHILD TRAFFICKING. Everything transpiring is building up and showing you, the people, the truth. From the stolen 2020 election, the Autopen, the fake Russian dossier, Biden's mental decline, the open border, USAID, the riots, protests, and the massive child trafficking operation that has been going on for decades, etc. ...Jim Caviezel on Telegram

- **The mainstream media denied and hid all of this** and more for decades and lied to the American people, causing this great divide. But now, the people are waking up. They're not buying the lies and propaganda anymore. Sometimes, you can't just tell the people. You have to show the people. There is no way out of any of this. Once the trigger is pulled, it's over.
- **RFK Jr. testified that the Biden administration and Biden's own HHS handed missing and trafficked migrant children from other countries and the U.S. to unvetted or approved adults, including past child predators** using empty lots stacked with shipping containers as fake addresses, strip clubs, factories, vacant addresses, without and oversight, background checks or ID verification.
- **They also recycled the same adults**, repeatedly picking up different children using fake names and addresses. They even found single locations packed with missing migrant children in unsanitary conditions and in spaces extremely small for the number of children found in a single location.
- **The evidence is clear.** The pickup locations also included strip clubs and parking lots. These aren't just random child predators. These are sophisticated, global child trafficking operations, which include the cartels and our own governments involvement. This is what they've been hiding from you. This is the big secret.
- **Why do you think Justin Bieber was posting pictures of shipping containers with babies underneath them** and eating pizza on Instagram? Why do you think Diddy owns

locations right near shipping ports? Diddy's head bodyguard also owns a large property right off the U.S. and Mexico border, not too far from other shipping container locations.

- **Remember Haiti and the Clinton Foundation, Epstein?** How do you think children get shipped all across the world and from different continents? Everything is connected in one way or another and leads to the same corrupt families and globalist deep state players. The evidence being exposed is monumental, and when it's go time, nothing will be able to stop what's coming.

Q. Sat. 28 June BOMBSHELL: IT WAS NEVER A PANDEMIC — IT WAS A MILITARY-GRADE BIOWEAPON LAUNCHED BY FAUCI, BIDEN & THE CCP USING YOUR TAX DOLLARS. ...Carolyn Bessette-Kennedy on Telegram

- **They KNEW. Fauci, Biden, Pentagon brass, and CCP scientists. COVID was not a fluke — it was a weaponized assault on humanity,** greenlit by traitors inside the U.S. government and masked as a public health emergency.
- **As of June 26, 2025,** the dam has shattered. Leaked classified intel CONFIRMS: COVID-19 was engineered in the Wuhan lab via U.S. taxpayer-funded gain-of-function programs, with Pentagon oversight and Fauci's fingerprints all over it. The virus was just the distraction.
- **THE REAL BIOWEAPON WAS THE JAB.** Designed for infertility, clotting, turbo cancers, and neurological shutdowns. DARPA insiders now confirm the spike protein injections were a depopulation tool, aimed at collapsing birth rates by 70% within 10 years. Europe, Canada, and the U.S. are already reporting historic fertility crashes.

- **INTELLIGENCE COVER-UP DIA** analysts warned of the Wuhan breach as early as late 2019. Instead of stopping it, Biden's handlers purged the evidence, scrubbed ODNI reports, and enforced media blackouts while unleashing Operation Warp Speed into Big Pharma's claws. It was a coordinated genocide.
- **TREASON AT THE HIGHEST LEVELS** Fauci ran the operation. He was warned. He lied. His private communications — now under federal seizure — show he knew the virus was lab-made from the start. And he kept the truth buried while pushing injections that were NEVER ABOUT HEALTH.
- **TRUMP TRIED TO STOP IT** He called out the WHO. Blocked CCP flights. Demanded WIV investigations. That's why they came after him with impeachments, indictments, raids, and election fraud. But now in 2025, he's back — and so is the truth.
- **THE NEXT PHASE IS HERE** Leaked intel from Geneva shows a new aerosol neurotoxin (VX-9) tested in Africa and Brazil. Not a flu — but a paralysis weapon designed to force humanity into brain-computer dependency and CBDC-controlled survival.
- **WAKE UP.** This was NEVER about saving lives. It was warfare. The jab was the kill switch. And the same monsters are prepping the next release.
- **NO AMNESTY. NO FORGIVENESS.** The architects of COVID must face tribunals, not talk shows. The truth is classified no more.

R. Sun. 29 June 2025: GATES, BLACKROCK, AND NESTLÉ MOVE TO CONTROL AMERICA'S WATER SUPPLY — THE FINAL RESOURCE WAR HAS BEGUN.

...Trump Force One on Telegram

- **While the nation is distracted, the real war is already underway** — not over oil, or land, or even currency — but water. And the attackers are not foreign invaders. They're globalist billionaires in suits: Bill Gates, BlackRock, and Nestlé. This isn't a climate policy. It's a power play. Because when you control water, you don't just control economics — you control life and death.
- **Bill Gates, the unelected architect of vaccine policy**, farmland monopoly, and synthetic food, is now targeting the last uncontested resource: fresh water. In partnership with BlackRock's Larry Fink and Nestlé's Peter Brabeck — who once claimed "water is not a human right" — Gates is buying his way into the American water grid. Not to preserve it. But to own it.
- **They are acquiring water rights**, buying up aquifer-rich land in agricultural strongholds, and seizing private water infrastructure under the guise of "climate resilience." Processing plants. Pipelines. AI-powered distribution hubs. All being funneled into elite ownership, while the public remains asleep.
- **This is not theoretical.** This is operational. Their plan is chilling in its simplicity: privatize the supply, then weaponize the demand.

- **The tools? Climate panic.** ESG metrics. Drought emergency declarations. Digitized rationing systems. AI-enforced "smart" valves that can turn off a region's water like flipping a switch — all from a central command dashboard.
- **What's being set up is not sustainability. It's domination.** Gates already controls vast farmland and medical policy influence. BlackRock controls global finance. Nestlé controls global food distribution. Now they want the faucet. And once they have it, they can: - Deny access to non-compliant communities or farmers - Create artificial droughts by hoarding or redirecting supply - Price water based on carbon scores or digital ID status - Enforce health mandates under water-use pretexts - Collapse independent agriculture by starving the soil.
- **This is resource warfare.** Not with bombs — with contracts, algorithms, and supply chains.
- **You can resist a vaccine.** You can grow your own food. But you can't generate water from nothing. There is no black market for rivers. No underground spring for every household. If they win this round, there is no parallel system.
- **This isn't just economic. It's existential.** Look at the blueprint: Gates buys farmland, bans seed ownership, promotes lab-grown meat. BlackRock inflates housing costs, collapses currencies, funds surveillance tech. Nestlé siphons water, sells it back in plastic bottles, and lobbies to redefine "public access." Together, they are merging food, finance, and water into a single point of control.
- **The water wars have begun** — and most people haven't even noticed. Because by the time you realize what they've done, your taps won't work without permission.
- **This is not stewardship.** This is conquest disguised as conservation. And if they win, the future won't be owned by governments. It will be owned by shareholders. You can survive without electricity. You can last without gasoline. But without water, you're done in 72 hours.
- **And that's exactly why they want it.**

S. Why Was Israel Left For Last? ...Author unknown

Judy Note: Although the author of this article could not be located, the information herein appears to line up with my own research.

- **Israel was the final domino because it was the crown jewel of the Khazarian Mafia** — Satan-worshipping descendants of Cain who birthed both Ukraine and Israel.
- **When Ukraine fell, Israel and the world would be freed** from centuries of blood rituals, child sacrifice, and black-magick financial domination.
- **The Khazarian Mafia's roots go back to the 6th century**, when Turkic tribes in Khazaria (modern-day southern Ukraine , Crimea, Kazakhstan) openly practiced child sacrifice and Baal worship. Their satanic religion merged with a counterfeit Judaism called Babylonian Talmudism, invented after their forced "conversion." They became

masters of disguise, infiltration, identity theft, and deception, continuing ritual torture and sacrifice in secret.

- **Russia had enough. In the 1200's**, a military coalition led by the Czar invaded Khazaria, but the Khazarian king and his court escaped west with their Gold, plotting revenge for centuries.
- **By 1649, they had infiltrated England**, funded Cromwell to kill King Charles I, and launched the banking empire of the Crown. The Khazarian Rothschilds and Rockefellers then created the Federal Reserve and IRS, draining US taxpayers to fund the UK Crown and Vatican, using London and Rome as laundering nodes. From there, the money returned to New York — charging interest on funds stolen from the people.
- **By 1918, the US monetary system was owned by the Cabal's private banks**, with wars manufactured to profit both sides. Their crown move was the Balfour Declaration — not to create peace, but eternal war in Palestine, ensuring perpetual bloodshed and elites profiteering.
- **By World War II, the Cabal had weaponized the CIA's Black Budget** with proceeds from a Vatican-backed, Satanic child sex trafficking ring — centered in Ukraine. The same tunnels that ran blood for rituals now ran with Adrenochrome, harvested from tortured children for the Elite.
- **This is why Russia and Putin invaded**. To collapse the Khazarian fortress in Ukraine where the Deep State harvested children like livestock. Thousands were rescued from tunnels — organs stolen, blood drained, innocence destroyed.
- **Once Ukraine falls, Israel** — the Khazarian final stronghold — dies.
- **The storm is already raging**. Their blood empire ends now. Watch Israel. Nothing can stop what's coming.

Med Beds

U. Sat. 28 June 2025 WHAT IS A MEDBED: It's not magic. It's quantum bio-resonance fused with AI diagnostics, scalar frequency therapy, and zero-point field harmonics. Think of it as a quantum MRI, AI surgeon, and cellular regeneration system — all in one.
...Tucker Carlson on Telegram

HOW DOES IT WORK?

- 1. FULL BODY QUANTUM SCAN:** Scans your biofield — your body’s energetic blueprint. Detects anomalies at the subatomic level — long before symptoms appear. Quantum sensors read your body like a hyperdimensional fingerprint
- 2. CELLULAR TIME REVERSAL:** Taps into your original DNA blueprint. Uses field harmonics to “remind” your cells of their ideal state. It doesn’t just treat — it restores
- 3. ZERO-POINT ENERGY FIELD:** Draws limitless energy from the quantum vacuum. Cells absorb this power to accelerate repair and restore harmony. This isn’t “energy healing” — it’s quantum field engineering
- 4. SCALAR FREQUENCY CORRECTION:** Sends targeted scalar waves to reprogram damaged cells. Think frequency acupuncture — no needles, only light & precision. Tumors, inflammation, scar tissue? Neutralized.

WHO CONTROLS THIS TECH?

- **Classified military** medical programs
- **Breakaway scientific** divisions
- **The same forces behind quantum finance**, AI defense, and free energy. It’s all connected.

WHY NOW?

- **Because the financial reset**, quantum computing boom, and collapse of health tech suppression are all converging.
- **They mocked “medbeds”** to make you laugh. But now they’ll launch them as a miracle when the old world collapses.
- **This isn’t sci-fi.** It’s classified technology bleeding into public reality.
- **The future is not about pills** and surgery. It’s about energy, frequency, and restoring the original blueprint.
- **They’ve had the cure.** They’ve just kept the key.

V. Fri. 27 June 2025: MILITARY INTEL: TRUMP SIGNS QRHS ORDER AS MED BEDS DEPLOY NATIONWIDE—NECES BRAINWAVE PROGRAM NOW REQUIRED FOR ACCESS. ...Ezra A Cohen on Telegram

- **The time of fake medicine is coming to an end. President Trump signed the Quantum Restorative Health Systems (QRHS) Executive Order on June 27, 2025.** This order allowed the full deployment of Med Beds with military protection. There are now healing centers in 41 states. The pharmaceutical empire of the Deep State is falling apart right now.
- These aren't just rumors. These are operations that the military is in charge of. There are now more than 113 Med Bed facilities in use, and they are protected by U.S. military

police under Presidential Emergency Action Documents. No rogue agency can get in the way. No federal bureaucrat can come within 500 meters without immediate detainment.

- But you have to meet a requirement to get in. The Neuro-Energetic Consciousness Enhancement System, or NECES, is now required. The Med Beds won't work without it. These chambers don't just heal physical injuries; they work at the quantum level. Scalar fields, zero-point resonance, and plasma-pulse DNA recalibration. Your brain has to be in sync, or the technology won't work. You have to do this. It's a limit for safety. A frequency firewall that keeps the system from going down and sovereignty.
- On June 3, NECES quietly went live, and more than 600,000 Americans have already signed up through secure military portals. The program has wave synchronization audio, pineal recalibration, and deprogramming protocols that can undo decades of brainwashing by the Deep State, which includes TV, school indoctrination, and EMF behavioral loops.
- This isn't a "wellness initiative." It's the first step toward getting back control over the body and soul. The powerful tried to hide this with censorship, war, and bad medicine. They didn't succeed. Now their strongholds are being turned into places where people can heal. NATO tunnels in Germany. Properties in Italy that are connected to the Vatican. Romania has CIA bases. All of them are being changed and made NECES-enabled.
- They called it "terrorism on a quantum level." But they are afraid of freedom. And getting better.
- Sources inside the White House say that Trump has also given the go-ahead for Operation Lazarus Protocol, which will fully combine NECES training and access to Med Beds in U.S. quantum health facilities. Only people who have been verified will be able to get in. No easy ways out. No paying off. No override by the company.
- Why? Because the enemy's last weapon was the mind. The body can finally heal if you break the programming. And that's why not everyone will make it.
- NPCs still hooked on Netflix, GMOs, endocrine disruptors, and mass sedation won't even make it past the NECES threshold. The beds won't work if the signatures are broken. This is the last nightmare for the elite: the people they tried to poison waking up and healing without their help.
- The news won't cover this. The WHO won't say it. But their silence is the key.
- People in charge at Pfizer are disappearing. GSK's meetings in London have stopped. The World Health Organization (WHO) has just canceled its summit in Geneva. Indictments are moving behind the scenes. The real medicine is coming back.
- Stage 4 cancers went away in less than an hour. Veterans who were paralyzed are now able to walk again. Old injuries going away in the middle of a session. This is the power they kept secret for years.
- Trump didn't just say that he was going to war with the drug cartel. He just finished it. There is no promise that humanity will heal. It's going on. And it can't be stopped.

X. Fri. 28 June 2025: WEATHER WARFARE: GEOENGINEERING THE COLLAPSE

...John F. Kennedy Jr. on Telegram

- **New military intel confirms:** toxic snow, engineered hail, and artificial ice storms are not “climate change” — they’re weather weapons. The U.S. sky has become a militarized kill grid, silently wiping out crops, sickening millions, and collapsing ecosystems by design.
- **June 24, 2025 — it snowed in Tennessee at 38°F.** Kansas had an ice storm at 42°F. Texas saw 96°F heat followed by apple-sized hail 48 hours later. This is not “extreme weather.” This is climate warfare.
- **Independent observers report:** Snow falling at above-freezing temps. Chemically altered rainfall with oily residue. Aircraft forming sky grids in coordinated dispersal patterns. Unnatural storm colors, smells, and effects
- **Symptoms in exposed populations:** Burning eyes, sore throats, nosebleeds. Metallic taste in the mouth. Hospitals reporting 320% spike in respiratory cases since March. The soil is dying. Farmers in Iowa and Nebraska report trees dropping leaves in May, berries shriveling mid-bloom, and up to 58% crop loss in key zones. Dormancy agents are being dumped over farm belts to simulate winter, sabotage yields, and collapse food independence.

Y. Fri. 28 June 2025: This is not climate control — it’s a genocidal agenda.

- **Bee populations are collapsing across the Northwest.** Independent estimates show a 90% biomass loss since 2020. No bees means no pollination, no fruit, no survival. At the same time, mass fish die-offs are linked to chemical agents dumped in rivers and lakes.
- **Lab tests in Montana, Ohio, and California** show trillions of aluminum nanoparticles per liter in snow samples. These are not trace — they’re deliberate. Inhalation triggers neurotoxicity, immune failure, and multi-organ collapse, now appearing in ERs as “unknown syndromes.”
- **They’re not spraying to help the Earth** — they’re poisoning it to enslave you.
- **This ties directly to the larger elite blueprint:** spray poison, kill food, and force a synthetic food system of lab-grown meat, digital rationing, and biometric ID control. Your weather, food, and breath are under siege.
- **ACT NOW:** Document skies and symptoms. Grow food, save seeds, purify water. Expose this — break their illusion. Reject all “climate emergency” mandates. They’ve

militarized the sky. What's falling isn't just snow — it's a weaponized soft kill operation. You're breathing their control grid. Now FIGHT BACK.

Z. Sat. 28 June 2025: EMERGENCY REPORT: CHEMTRAILS TASK FORCE EXPOSES BILL GATES' BIOWEAPONS — “RARE CANCERS SURGING IN SPRAY ZONES” ...Ben Fulford

- RFK Jr.'s Chemtrails Task Force has detonated the cover-up. Rare cancers. Autoimmune eruptions. Bloodborne metals — barium, strontium, aluminum — off the charts in every U.S. state. These aren't coincidences. They are casualties in a sky-borne war. This is not climate science. It's biowarfare.
- Trump appointed RFK Jr. as Secretary of Health — and what he uncovered is a biochemical kill grid masked as geo-engineering. Blood from tens of thousands. Spray zone footage from every state. Cross-referenced. Mapped. Proven.
- Where silver streaks filled the sky — people below are dying. Strontium — bone cancer agent. Barium — suppresses your immune system. Aluminum — melts your brain.
- Hospitals in spray zones are quietly logging rare cancers in children, explosive autoimmune disorders, and violent neurological damage. This isn't an anomaly. It's a targeted operation.
- Geoengineering? No — this is geo-genocide.
- Bill Gates: The Bioweapon Banker. Gates didn't “fund research.” He funded a covert depopulation agenda. Through GAVI, WHO, and synthetic climate firms, he built a global spraying network. And now his name is all over the Task Force data. He's been caught.
- RFK Jr. didn't build a commission. He built a war room. Whistleblower pilots. Defector scientists. Rogue intelligence. All united to expose a biochemical assault on the American people.
- No more denials. No more delays. Drone footage. Flight logs. Thermal imaging. Spray planes with no call signs. Synchronized flyovers. Dispersal patterns matching military-grade aerosol arrays. The result? A perfect overlap. Where they spray — sickness. Spray heavier — death.
- This is no longer conspiracy. It's confirmed targeting.
- Trump and RFK Jr. are initiating battlefield response: DECLASSIFY all weather warfare ops. FREEZE every contract tied to geoengineering. SUBPOENA the entire chain of command. CRIMINALIZE aerial bioweapons under military code
- “This is not climate science. This is battlefield chemistry.” — Presidential Directive, Office of Trump
- The sky is no longer safe. It is a crime scene. And the blood of the innocent is now evidence.

- Spray the sky — and you answer to the people. Spray the sky — and tribunals await. Spray again — and you will be hunted.
- THE WAR JUST WENT VERTICAL. THE STORM IS HERE.

Za. Sat. 28 June 2025 WEATHER WARFARE: GEOENGINEERING THE COLLAPSE

...John F. Kennedy JR. on Telegram

- **New military intel confirms:** toxic snow, engineered hail, and artificial ice storms are not “climate change” — they’re weather weapons. The U.S. sky has become a militarized kill grid, silently wiping out crops, sickening millions, and collapsing ecosystems by design.
- **June 24, 2025 — it snowed in Tennessee at 38°F.** Kansas had an ice storm at 42°F. Texas saw 96°F heat followed by apple-sized hail 48 hours later. This is not “extreme weather.” This is climate warfare.
- **Independent observers report:** Snow falling at above-freezing temps. Chemically altered rainfall with oily residue. Aircraft forming sky grids in coordinated dispersal patterns. Unnatural storm colors, smells, and effects.
- **Symptoms in exposed populations:** Burning eyes, sore throats, nosebleeds. Metallic taste in the mouth.
- Hospitals reporting 320% spike in respiratory cases since March
- **The soil is dying.** Farmers in Iowa and Nebraska report trees dropping leaves in May, berries shriveling mid-bloom, and up to 58% crop loss in key zones. Dormancy agents are being dumped over farm belts to simulate winter, sabotage yields, and collapse food independence.
- **This is not climate control** — it’s a genocidal agenda.

Alien Technology

Zb. Sat. 28 June 2025: Alien Technology and the Shadow Space Race: ...The 17th Letter on Telegram

- **The so-called “Space Force”** has been reclaiming alien technologies hoarded by corporations. Advanced devices such as gravitational manipulators, teleportation systems and Vibration Healing Chambers have been seized.
- **A June 3, 2025 Antarctica Raid carried out by U.S.,** Russian and Chinese forces under the BRICS Alliance, uncovered an underground base holding crystalline power generators capable of providing free energy and healing technologies. These were weaponized by the Cabal to control global energy and healthcare markets.
- **The QFS Exposes the Shadow Grid:** The Quantum Financial System (QFS) has dismantled a clandestine banking network used by elites to fund illicit activities, including trafficking and bioweapons research.
- **Dubbed the “Shadow Grid,”** this system funneled trillions undetected.
- **With over 300 arrests already made,** high-profile figures are set to face public tribunals throughout July 2025, signaling the end of financial tyranny.

Zc. Sat. 28 June 2025 STOLEN URANIUM, SILENCED TRUTH: HOW ISRAEL ROBBED AMERICA'S NUCLEAR FUTURE ...Kerry Cassidy on Telegram

- **THIS WAS AN ACT OF WAR** Declassified intel confirms Israel stole U.S. uranium in the 1960s to build its secret nuclear arsenal. JFK tried to stop them. After his death, no president dared confront it. The theft was massive. Hundreds of pounds of bomb-grade uranium vanished from NUMEC in Pennsylvania. Not grams. Hundreds of pounds — enough for dozens of Hiroshima-level bombs.
- **MOSSAD INSIDE AMERICA** NUMEC's founder **Zalman Shapiro** wasn't just a nuclear engineer. He was deeply tied to Israeli intelligence. Mossad agents posed as "scientists" and visited NUMEC repeatedly. The CIA confirmed many were spies. This was a covert foreign intelligence operation on U.S. soil, executed with political cover.
- **THE COVERUP MACHINE ACTIVATED** The Atomic Energy Commission, FBI, CIA — all launched investigations. All blocked. National security used not to protect Americans, but to shield Israel. Declassified CIA assessments later confirmed the uranium ended up in Israel. No one was charged. No public accountability. Washington buried it.
- **DESTINATION: DIMONA** The uranium fed Dimona, Israel's undeclared nuclear weapons factory in the Negev Desert. Untouched by international inspectors. Shielded by U.S. silence. Powered by stolen American material.
- **KENNEDY'S RED LINE** JFK confronted Israeli PM Ben-Gurion directly, demanding transparency. He ordered inspections. Ben-Gurion stalled, then resigned. Kennedy was

assassinated soon after. His death erased the last real challenge to Israel's nuclear ambitions.

- **AFTER JFK: TOTAL SURRENDER** Lyndon Johnson replaced confrontation with full support. Washington's "nuclear ambiguity" began: don't ask, don't tell. Israel expanded its arsenal unchecked while receiving billions in U.S. aid and protection.
- **TODAY: THE UNTOLD ARSENAL** Modern estimates suggest Israel holds 90 to 400 nuclear warheads. No inspections. No accountability. Protected by the very country it deceived. **IRAN IS THE DISTRACTION** While Iran is demonized for a program it never completed, Israel operates its illegal arsenal in full view, immune from consequence.
- **JFK TRIED TO WARN US** He stood for truth. He stood for America. He was silenced. The betrayal continues.

Zd. Sat. 28 June 2025: Why would the so-called "Supreme Leader," Ayatollah Ali Khamenei, of the war torn Country of Iran, say so blatantly and foolishly that he won the War with Israel, when he knows his statement is a lie, it is not so. As a man of great faith, he is not supposed to lie. His Country was decimated, his three evil Nuclear Sites were OBLITERATED, and I knew EXACTLY where he was sheltered, and would not let Israel, or the U.S. Armed Forces, by far the Greatest and Most Powerful in the World, terminate his life. I SAVED HIM FROM A VERY UGLY AND IGNOMINIOUS DEATH, and he does not have to say, "THANK YOU, PRESIDENT TRUMP!" In fact, in the final act of the War, I demanded that Israel bring back a very large group of planes, which were heading directly to Tehran, looking for a big day, perhaps the final knockout! Tremendous damage would have ensued, and many Iranians would have been killed. It was going to be the biggest attack of the War, by far. During the last few days, I was working on the possible removal of sanctions, and other things, which would have given a much better chance to Iran at a full, fast, and complete recovery - The sanctions are BITING! But no, instead I get hit with a statement of anger, hatred, and disgust, and immediately dropped all work on sanction relief, and more. Iran has to get back into the World Order flow, or things will only get worse for them. They are always so angry, hostile, and unhappy, and look at what it has gotten them - A burned out, blown up Country, with no future, a decimated Military, a horrible Economy, and DEATH all around them. They have no hope, and it will only get worse! I wish the leadership of Iran would realize that you often get more with HONEY than you do with VINEGAR. PEACE!!! DJT ...Dan Bonjino on Telegram

Ze. Sun. 29 June 2025 ACTBLUE MUST FACE CONGRESS AFTER MASSIVE FRAUD & FOREIGN ELECTION FUNDING DOJ PROBE. ActBlue officials have been subpoenaed and are now legally obligated to testify before Congress over years of enormous fraud regarding their fundraising platform directly connected to the Democratic Party. ...Jim Caviezel on Telegram

- **They are alleged to have been laundering money** through ActBlue for years using unaware American citizens' personal information in an attempt to cover up the illegal donations, especially coming from foreign nations.
- **Biden's Treasury Secretary stonewalled Congress** refusing to release ActBlue information, the top seven executives at ActBlue resigned as billions of taxpayer dollars in small dollar donations to ActBlue coming from USAID to Democrat-aligned NGOs began to disappear.
- **Pam Bondi has also been ordered by President Trump** to investigate ActBlue. One person summoned is a current senior workflow specialist, and the other is the former VP of customer service, Alyssa Twomey, per NYP.
- **Are you starting to understand how these illegal operations** steal and launders your taxpayer dollars and hides foreign money and why USAID and all these front companies and NGOs were so important?
- **And it's all being used to undermine the American citizens**, their interests, and the United States in general all while using your own taxpayer dollars and information to cover it all up, steal elections, destroy the country, and enrich themselves.

Zf. Sat. 28 June 2025: Don't let this story die. New York Mayor candidate Zohran Mamdani is a Trojan Horse ...Truth Social on Telegram

- **"Great GPS tracking information — Zohran Mamdani**, who just won the New York City Democrat primary for mayor there, appears to have been at Barack Obama's place in Washington, D.C. twice in just 6 weeks. Who else was there? Leaders of the Muslim Brotherhood.
- **And if you don't know who they are**, you might want to study up on their history. They've been outlawed in Egypt, Syria, Russia, Saudi Arabia, the UAE, Bahrain, Jordan, and, oh, Austria under their anti terrorism laws.
- **So yeah, just those guys and what appears to be a couple of Iranian operatives, both who are linked to Maajid Farani** because they met with him in Venezuela last summer. So sure, this is going to go great for New York City about the way it's gone for the US since Obama was president, but on steroids."

Zj. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed,** but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Zk. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zm. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist's negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zp. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you’ll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: “You’ve been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we’re offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
