[Master, the Tempest Is Raging](#)

Master, the tempest is raging!
The billows are tossing high!
The sky is o'ershadowed with blackness,
No shelter or help is nigh;
Carest Thou not that we perish?

How canst Thou lie asleep,
When each moment so madly is threat'ning
A grave in the angry deep?

The winds and the waves shall obey Thy will,
Peace, be still!
Whether the wrath of the storm-tossed sea,
Or demons or men, or whatever it be,
No waters can swallow the ship where lies
The Master of ocean, and earth, and skies;
They all shall sweetly obey Thy will,
Peace, be still! Peace, be still!
They all shall sweetly obey Thy will,
Peace, peace, be still!

Master, with anguish of spirit
I bow in my grief today;
The depths of my sad heart are troubled—
Oh, waken and save, I pray!
Torrents of sin and of anguish
Sweep o'er my sinking soul;
And I perish! I perish! dear Master—
Oh, hasten, and take control.

Master, the terror is over,
The elements sweetly rest;
Earth's sun in the calm lake is mirrored,
And heaven's within my breast;
Linger, O blessed Redeemer!
Leave me alone no more;
And with joy I shall make the blest harbor,
And rest on the blissful shore.

Judy Note: On Tues. 15 July 2025 as major airports grounded all flights due to a huge tropical storm in the Gulf, large herds of bears began to leave Yellowstone National Park, heading south along the road to Salt Lake City. Yet, bears were not known to travel in herds, let alone leave the National Park. Very strange, – as were the mountain lions that left the Park in droves during the last few days. Yellowstone's bison herds were expected to exit next. [Major US airports ground all flights](#)

The famous first National Park which lay on top of a massive non active, but could erupt at any time Yellowstone Volcano, has had an unusual amount of small earthquake tremors and geyser eruptions in the last week.

Was there a catastrophic event about to take place? Would it be natural, or manmade by the Globalists?

The July 4 Independence Day Texas floods were not a natural disaster. They have found to be a targeted weather weapon strike, engineered by rogue FEMA assets under elite command. Now

excessive man made rain was again threatening to flood Texas, this time on the Mexican Border, along with heavy rain in Chicago, Oklahoma, Florida and on up the East Coast. Was the suddenly disastrous weather natural or manmade by the Globalists? It appeared to be a coordinated effort.

On 14 July 2025 Trump's Global Military Alliance launched full-scale military operations against those Global Elites.

Trump's "infrastructure" bill was a actually a war chest budget, funneled into tech operations to burn down the shadow intelligence networks. Black ops teams were using QFS trace- designed routes to identify financial nodes that feed shell foundations, think tanks, embassies and Cetral Bank intermediaries. The Epstein firewall wnas collapsing.

Military tribunals have begun. In March over 30 embedded assets were exposed — including Pentagon aides, NGO execs and intelligence handlers.

Musk was building the digital battlefield. Starlink nodes were being used to sever elite communications and track hidden assets.

Internal cyber-forces have decrypted archives once frozen by compromised DOJ handlers. The full trafficking network — names, routes, transactions — was now in the hands of Trump's team. White Hat cyber teams have frozen IMF accounts used for blackmail payments, dark NGO funding and CIA proxy wars.

The QFS was rising. Every gold-backed transfer logged. Every false flag traced. Every shell account exposed.

International sovereign leaders, diplomats and generals have been meeting behind closed doors to on-board the QFS. This was the end of the Central Banking Cabal and rise of sovereign finance.

B. Possible Timing:

Judy Note: It is my personal opinion that everything – the EBS, GCR, new American Republic – will happen on **Thurs. 17 July 2025**.

- **On Sun. 6 July 2025 the independently owned by foreign bankers US Inc. (corporation) was officially dissolved.** The 1871 Act — which turned America into a foreign-owned entity — was reversed. Common Law was restored. The Quantum Financial System (QFS) was now online, signaling the dawn of a sovereign, debt-free world.
- **On Monday, July 7, the U.S. Treasury and Department of Defense green lit final payouts under the Global Currency Reset.**
- **On Friday, July 11 at 7:00 PM ET** — the old Fedwire® FAIM wire format for bank money transfers ended permanently.
- **On Sun. 13 July night at 9:00 PM ET the ISO® 20022 standard went live.** Any financial messages not compliant was now rejected, as new digital rails took over with precision-timed data flows.
- **On Mon. 14 July at 8:33 PM EST (Tues. 15 July 2025 at 03:33 UTC Universal Time),** Operation Chrysalis launched. The global currency values quietly recalibrated — marking the final reset. Treasury quantum nodes took full control. Legacy banking systems went into read-only mode. Payment processors now have 11 milliseconds to handshake with the new system, or be frozen and flagged for forensic audit.
- **Mon. 14 July** was a big date for XRP – the Ripple CEO Brad Garlinghouse has it tattooed on his arm. The final migration day before all Banks and FedWire went live on ISO20022. The day before “Crypto Week” began as labeled by US President Trump. [Digital Assets Daily on X: "Today is a big date for XRP... - **On Tues. 15 July, the Emergency Broadcast System locked in.** All frequencies shifted from 60Hz to 432Hz, signaling activation.
- **A 72-hour blackout would begin shortly, followed by a 10-day global shutdown.** The Military control would override all media and the Mainstream Media collapsed.
- **Military Tribunals would go live on every screen.** The world will see: - Puppet unmasked (Biden, Macron, more) - Deep State bases raided - HAARP and weather weapons seized globally - Names, files, and footage never shown before.
- **Redemption Centers were now opened worldwide.** Citizens will be invited in to create their own secure QFS wallets through StarLink terminals. Quantum phones will be distributed — each one biologically linked to the user to prevent fraud or interference.
- **On Wed. 16 July 2025 7000 sealed indictments will begin to be executed.** Nearly 90% of global Elites will be removed, Rothschilds and Rockefellers taken into custody. Hollywood collapses. Media giants fall. Their propaganda playbooks are made public.
- **Thurs. 17 July 2025** was rumored to be a celebration day for the new American Republic and Global Currency Reset.
- **On Fri. 18 July revalued currencies will be made public.** Fiat collapses instantly. QFS wallets activate globally for Tier 5 (the people). Energy, food, and commodity values shift in real time. It's the end of centralized debt slavery.
- **GESARA is officially launched:** - Global debt wiped - Central banks absorbed - Deep State wealth returned to the people - Patriot-controlled banking systems emerge
- **Then comes the next phase: Quantum Blockchain Elections.** With all corrupt structures dismantled, new governments form under military protection, with voting powered by secure StarLink quantum devices.

C. Global Currency Reset:

- **Tues. 15 July 2025 Texas Snake:** Received some positive news to remain alert prior to our stock market openings in the morning, just an FYI. A Banker has alerted all his staff in his 5 state area to be on alert starting at 0800 in the morning.
- **Wed. morning 16 July 2025 (in Australia) Wolverine:** "It's happening, guys. I'm told to get out the Champaign bottle. The reset has begun."

Tues. 15 July 2025 Bruce:

- **Advances** will go out first to certain people
- **Bond Holders** were next and thought they would get access today – didn't happen
- **It's looking very good for Tier4b** (us the Internet Group) to receive the toll free numbers to set appointments to exchange currencies and redeem Zim Bonds **Wed. or Thurs of this week.**

- **There were 25,000 Redemption Centers** in US, Canada and Mexico
- **Outside the US and Canada and in Mexico** you would call a large national bank to receive your appointment.
- **Bruce** was told last night that everything was done.
- **The 800 number would go out in your email.**
- **If you're a Zim holder, you have automatic priority for medbeds.** If you have a direct need and are a Zim holder, you are at the top of the pile! Head of the Class! You can recommend 6 people with phone numbers they can contact and invite to use a medbed.

D. Mon. 14 July 2025 HOLY LIES & DIRTY MONEY: NESARA/GESARA EXPOSES THE VATICAN'S GLOBAL BANKING CONSPIRACY — DEEP STATE WEALTH UNDER EXORCISM AS ROME BURNS ...QFS on Telegram

- **The veil has been torn off the most sacred deception on Earth.** As NESARA/GESARA activates, the Vatican's centuries-old financial empire is being dragged into the light — exposing a system of spiritual blackmail, money laundering, and elite trafficking hidden behind altars and incense. What we called "faith" was a front. What we trusted as holy... was a bank.
- **The Vatican wasn't just the guardian of souls — it was the vault of the Deep State.** Through black ops charities, rigged investments, and covert gold channels, trillions flowed through Rome's blood-soaked hands. But that era is ending. As Rome burns, the world watches the exorcism of an empire that once ruled both heaven and Earth.
- **President Trump's public acknowledgment of NESARA/GESARA marked the trigger** — a financial reset backed by 209 nations, armed with the Quantum Financial System (QFS), and destined to vaporize the Luciferian money web. Global debt? Canceled. Fiat currency? Finished. The future belongs to asset-backed currency, biometric QFS wallets, and justice-fueled redistribution. The rich will no longer feed on the poor. The pyramid has inverted.
- **And the numbers are biblical. \$100,000 a month for every eligible adult.** Eleven years. Over \$13 million per citizen, issued directly via satellite-based QFS systems.

Every birth certificate tied to a stolen trust — now unlocked. The Vatican's ancient wealth, stored in underground vaults and offshore ghost accounts, is being returned to the people they deceived.

- **The global payout structure is already aligned:** • Group 1 – Seniors 60+ • Group 2 – Ages 40–60 • Group 3 – Ages 21–39
- **Lawful citizens outside the U.S. and EU can also claim this wealth** — with proof of birth, work, and identity. This is not a fantasy. This is restitution. And those who engineered the theft — Popes, Presidents, Prime Ministers, CEOs — will face the consequence in military tribunals.
- **Social Security payments will skyrocket to \$5,000 per month**, possibly more. The elderly will never suffer again. This is a rebalancing of civilization, one long denied by elites who worshipped secrecy and sacrificed innocence for profit.
- **The so-called "Unholy Trinity"** is collapsing before our eyes:

1. **The Crown and the City of London** — gone.

2. **The Pope and Vatican** — collapsing.

3. **The fake President (Biden, others) in Washington D.C.** — on borrowed time.

- **None of them were ever real leaders.** They were installed symbols of control. And behind them, the same network — banking dynasties, Luciferian orders, and compromised intelligence agencies — is now being dismembered operation by operation.
- **Mr. Pool's cryptic signals** have aligned with these takedowns. The Queen's death was the first bell. The Pope's declining health signals the next. And Biden, the last mask of the cabal, is visibly deteriorating. The Vatican will fall before the world — not just spiritually, but financially.
- **Gold-backed currency will replace every worthless fiat dollar.** By September, every nation will confirm the transition. Paper money will be obsolete. Every transaction will be traceable, sovereign, and theft-proof. The Quantum era begins not with celebration, but with silence — because the enemy is still cornered, and desperation makes them reckless.
- **Watch the banks.** Watch the ATMs. Watch Rome. The exorcism is not metaphorical. It is economic. It is spiritual. And it is irreversible.

Restored Republic

E. Tues. 15 July 2025: LEAKED MILITARY OPERATIONS CONFIRMED: GITMO EXPANDED, IMF SEIZED, QFS RESET UNDERWAY ...QFS on Telegram

- **As of July 14, 2025, Trump's alliance has launched full-scale military operations** against the global elite. What began as covert raids has evolved into strategic war across land, sea, cyberspace, and the financial grid. This isn't a drill. It's the controlled

demolition of the Deep State — and the activation of the Quantum Financial System has now reached critical phase.

- **The Texas floods were not a natural disaster. They were a targeted weather weapon strike, engineered by rogue FEMA assets** under elite command. Their goal was to wipe digital archives linked to Deep State banking nodes operating in safe houses across Texas. But they failed. The White Hats intercepted the attack, took control of NOAA systems, and exposed classified aerosol trails that confirm geo-engineering in real time. Florida is next — but this time, QFS-linked weather command is prepared. The storm will turn, and traitors will be flushed.
- **White Hat cyber teams have taken control of IMF systems. Accounts used for blackmail payments, dark NGO funding, and CIA proxy wars have been frozen.** ECB nodes are being dismantled. Space Force assets are now rerouting global transfers through the QFS — a clean system that bypasses SWIFT, bypasses banks, and bypasses the corruption. The military isn't just chasing criminals. It's replacing the entire financial operating system beneath their feet.
- **Trump's "infrastructure" bill wasn't for roads. It was a war budget, funneled into tech operations designed to burn down the shadow intelligence networks.** Black ops teams are using QFS trace-routes to identify financial nodes that feed the beast: shell foundations, think tanks, embassies, and central bank intermediaries. They're not just watching transactions. They're seizing entire payment corridors.
- **GITMO has expanded. Annex 9 has been activated.** Military tribunals have begun. Over 30 embedded assets were exposed through a controlled intel leak in March — including Pentagon aides, NGO execs, and intelligence handlers. They were baited, monitored, intercepted, and removed. No deals. No appeals. The media silence is not denial. It's fear.
- **Musk is not just building rockets. He's building the digital battlefield.** Starlink nodes are being used to sever elite communications and track hidden assets. His crypto ETF is a front — designed to fund QFS-linked tech without Deep State oversight. Trump protects Musk because he's the digital architect of the new economy. Every satellite launched since July 4 is part of this operation. Not for the moon — for the kill switch.
- **Meanwhile, the Epstein firewall is collapsing.** Internal cyber-forces have decrypted archives once frozen by compromised DOJ handlers. The full trafficking network — names, routes, transactions — is now in the hands of Trump's team. Resignations, breakdowns, and "health issues" are signals. The blackmail empire is collapsing.
- **And through it all, QFS is rising.** Silent. Immutable. Military-controlled. Every gold-backed transfer logged. Every false flag traced. Every shell account exposed. The old system is being amputated. The fiat beast is bleeding out. And the Deep State can't stop it.
- **The media distractions are war theater. Trump's appearances, scandals, and speeches are tactical cloaks** — while generals, diplomats, and sovereign leaders meet

behind closed doors to finalize the handoff. Nations are already on-boarded to the QFS. The IMF wipe is coming. Global liquidity is shifting. And digital chains are breaking.

- **This is the end of the central banking cabal.** This is the rise of sovereign finance. This is how the war ends.
- **Trump never left. QFS never sleeps.** And justice is no longer coming. It has already begun.

F. Mon. 14 July 2025: US DEBT CLOCK: THE FINAL PIECES ARE FALLING INTO PLACE — JFK, TRUMP, AND THE FEDERAL RESERVE EXPOSED ... Trump Force One on Telegram

- **It was never about a lone gunman.** It was about silencing the one President who dared to take on the banking cartel. **On June 4, 1963**, John F. Kennedy signed Executive Order 11110 — a direct threat to the Federal Reserve's private monopoly. It gave the Treasury the power to issue silver-backed currency and bypass the central bank. That meant no more borrowing at interest. No more debt enslavement. No more control. Less than six months later, he was murdered in broad daylight. The order vanished. And the machine resumed.
- **They called it conspiracy.** But now, Trump is releasing the files — and what's in them doesn't protect national security, it protects elite corruption. Oswald was never alone. Witnesses heard multiple shots. The CIA had their fingerprints all over him. And Jack Ruby finished the job before Oswald could speak. The truth was buried under decades of sealed records and redacted lies.
- **Every President since JFK was controlled.** Nixon was pushed out. Reagan was shot. Clinton, Bush, Obama — groomed for obedience. Trump? He broke the chain. He faced their coups, their media onslaught, their indictments. And now, he strikes back. The JFK files are coming out. The names, the agendas, the true reason behind the assassination — all of it.
- **What connects JFK's murder and today's economic collapse is the same beast** — the Federal Reserve. Since 1913, they've flooded America with debt, siphoned wealth through inflation, and turned every taxpayer into a slave to interest payments. The US Debt Clock isn't just numbers — it's a countdown to the collapse of a system designed to fail. And as of 2025, the cracks can't be patched anymore. The façade is gone. Americans are waking up to the greatest financial deception in history.
- **Trump is not just exposing the past.** He's dismantling the future they planned. The collapse of the Fed is underway. The illusion of free markets, sound money, and honest leadership is shattering. The globalists are desperate. They will unleash chaos. They will try to distract, suppress, and censor. But it's too late.
- **JFK tried to free the people.** He was killed for it.
- **Trump is finishing the mission.** The world is watching. The files are coming. And the truth is radioactive. The age of secrets is over. The war for sovereignty has begun.

G. Mon. 14 July 2025: WORLDWIDE STING OPERATION! Trump's Military Destroys Hollywood's Satanic Empire—Thousands of Vials of Elite Drug Seized, Blackmail Tapes Ready for Public Release! ...Kerry Cassidy on Telegram

- **It's happening. RIGHT NOW. As of June 29, 2025,** U.S. Military raids have hit key elite strongholds in California, New York, Florida, and offshore islands—seizing adrencholide, dismantling trafficking routes, and storming black sites once thought untouchable. Under direct orders from President Trump, this is the culmination of a years-long military continuity-of-government op, quietly activated the moment Biden stole power in 2020.
- **Blackmail vaults seized.** Underground facilities destroyed. These are not arrests—they are battlefield takedowns.
- **Trump's 2017 EO targeting human traffickers** is now fully operational. Special Forces and JSOC units have begun enforcing tens of thousands of sealed indictments. Entire estates have been collapsed. Biometric torture chambers discovered. Encrypted hard drives and trafficking manifests recovered.

Phase V Raids Include:

- **Beverly Hills:** Firefight erupts at Disney-linked estate. Tunnel systems collapsed.
- **Hidden Hills:** Satanic chambers and biometric guest access discovered.
- **Florida Gulf Fortress:** Organ harvesting nexus linked to music execs.
- **Manhattan HQ:** Encrypted drives with trafficking manifests and blackmail videos seized.
 - **Adrencholide Is NOT Adrenochrome:** DARPA-level labs during Obama's second term bioengineered a new serum—Adrencholide—crafted from juvenile trauma, boosting brain function, ego delusion, and lifespan. It was funded through NIH and infectious disease grants. Guess who signed off? Hunter Biden's Ukrainian lab networks, backed by Pentagon contractors.

CIA-Hollywood Command Structure FALLING: Pentagon leaks confirm:

- **200+ films shaped by CIA** “consultants” to normalize perversion and dull resistance.
- **Streaming series encoded with subliminals** to weaken testosterone and push Luciferian indoctrination.
- **Top influencers, comedians, and celebs**—funded through laundered NGO cash tied to Obama and Clinton.

Escape Routes Cut Off

- **Burbank**—Mojave tunnel detonated

- • **Manhattan monorail** to offshore docks disabled
- • **Getty Museum chambers confirmed**—ancient torture gear and hybrid genetics inside

Tribunals Begin: Arrestees being held at Camp Blaz (Guam) and a Nevada black site.

Among them:

- • 2 former Academy Award winners
- • A daytime host
- • A tech mogul with celeb wife
- • A Disney exec tied to child tourism

EBS Activation Coming Trump will reveal:

- • Full names
- • Crime videos
- • Blackmail tapes
- • Taxpayer-funded child torture trails

The Military was always in control. Joe Biden is a puppet. The show's over. Trump's America is returning—with vengeance.

International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and housed in China's Three Gorges Dam in a tunnel that connects to other underground DUMB tunnels throughout the World, eventually to a 1,500 mile long tunnel that runs between the Vatican and Jerusalem:

- **Tues. 15 July 2025 CNBC; CONFIRMS BEYOND THE SHADOW OF A DOUBT, The Obama-Biden Terrorist Organization ran the number one child sex trafficking organization on the planet.** "It's horrific. This is a whole underground economy of

children - under our noses here in the greatest country in the world, the United States. J. Tues. 15 July 2025: RFK Jr: 500,000 Missing Children — Obama/Biden Trafficking Ring EXPOSED ...The 17th Letter on Telegram

- **In a Congressional Hearing this week, RFK Jr. revealed that over 500,000 migrant children were lost** under the Biden/Obama administration — many believed to be sex trafficked by the government itself. One man received 45 children, using fake names and addresses — one was just a parking lot full of shipping containers.
- **Kennedy was pointing to an elite trafficking network** tied to Obama, Biden, the Clintons, the Vatican, Israel, and Ukraine. This wasn't just about trafficking — it involved Adrenochrome, organ harvesting, and military-grade concealment.
- **The Evergreen ship that blocked the Suez Canal in 2021** held 18,000 shipping containers — many with trafficked children, bodies, and WMDs. It all leads back to the same players.
- **Obama — foreign-born, gay Muslim, alleged Hitler descendant** — wasn't just a puppet. His administration was accused of arming ISIS, murdering Seal Team Six, and weaponizing US elections. Ukraine and Israel weren't victims — they were hubs of this global child trafficking and Adrenochrome ring.
- **On 24 Feb 2022, Putin's objective wasn't territory.** It was saving children and destroying illegal US bioweapon labs — including one under Biden's 200-acre Ukrainian estate.
- **In May 2025, Russian Unit 042 uncovered the truth.** What started as routine combat turned into the largest child trafficking bust in modern history: fortified tunnels, labs, and cages beneath "humanitarian" zones. Inside were emaciated children hooked to blood drains, serial tagged like livestock, some as young as four.
- **Dozens of children were bred and harvested like animals.** Blood drained. IVs pumping. Machines hissing. No screams — just silence and death. Clipboards listed harvest yields. Labels: "Batch 271-C — High adrenal saturation."

- **Inside the walls:** ritual symbols. In storerooms: chemical bags prepped for diplomatic transport. In computers: client logs, extraction records, and global payment routes.
- **Israeli operatives were found dead on-site.** Their files linked the tunnels to facilities outside Tel Aviv, with financial ties to Zurich, Singapore, and New York. This wasn't Ukraine's op — it was international, protected by NGOs and black-budget programs masked as aid.
- **The media won't cover it.** But the soldiers saw it. This is global evil.

Med Beds

K. Tues. 15 July 2025 CRITICAL UPDATE: THE LIVING MED BED HAS ARRIVED

...Mel Gibson on Telegram

- **July 6, 2025 — A seismic breakthrough** is ripping the medical-industrial complex to shreds: the human body is now healing itself — no machine required.
- **Military docs leaked from the NECES Program in Arizona reveal what insiders call “The Healing Wave”** — a spontaneous post-Med Bed biological cascade that overrides all known medical paradigms. One subject with nerve degeneration began regenerating FASTER after the machine powered down. Measurable emissions from the body aligned with Earth's frequency: 7.83Hz to 22Hz. Translation? The body became the generator. This was NOT from the machine. It came from the heart, the pineal gland, the DNA itself — emitting quantum-frequency biofields capable of healing surrounding tissue within a 12-meter radius.
- **Tues. 15 July 2025:** "The rise in cancer cases is confirmed by US government data, which shows a 143,233% rise in cancer cases due to COVID vaccination. That's not real. But it is true." Myrna Mantaring, MT, MCI, MS, MBA, CLSp MB (ASCP), who has more than 50 years of experience in the fields of Diagnostic and Research Laboratory Technology, Microbiology, Immunology, and Molecular Biology, tells CHD that there has been a "143,233% increase in cancers [in the U.S.] due to COVID vaccination."

Confirmed cases:

- **NECES-AZ17:** Stage IV liver cancer — full tissue regeneration in under 2 weeks.
- **NECES-FL08:** Paralyzed veteran walking again in 11 days.
- **WAVE-HUB-AUS:** 9 civilians formed breathwork groups — even untreated people nearby began recovering.
- **CHILD-WAVE-TX03:** A child merely exposed to Healing Wave carriers experienced spontaneous remission of congenital heart disease. No tech involved.
- **This is the death knell of Big Pharma.** The Healing Wave is transferable, regenerative, and undeniable. DARPA tried to bury it. The WEF pumped billions to suppress it.

Chemtrails, EMF overlays, nano-vax agents — all designed to kill your natural biofield. They FAILED.

- **Trump's 2025 QRHS Directive unlocked 1,400+ blacklisted patents.**
- **RFK Jr.** is leading the national rollout.
- **Healing Wave Training Centers** are coming in 2026.
- **This is the Great Healing.** You won't just use tech — you'll BE the tech. You can ignite this without machines. Solar frequencies, scalar breathwork, earth harmonics — the same triggers Med Beds use, now activated by the body alone. YOU ARE THE BROADCAST TOWER. This isn't medicine. This is genetic awakening. You are the signal. You are the cure. You are the storm.
- **The elites can't contain it.** They can't patent it. And they can't survive it.

L. Tues. 15 July 2025 TARGET LOCKED: TRUMP STRIKES BACK — OBAMA EXPOSED AS FOREIGN OPERATIVE, MILITARY TRIBUNAL INCOMING ...The 17th Letter (JFK Jr.) on Telegram

- **It's no longer speculation. Declassified government files now confirm what Trump warned for years:** Barack Hussein Obama was never a legitimate U.S. citizen. The man installed as president was a foreign agent, backed by intelligence networks and protected by media puppets. This wasn't a presidency. It was a soft coup. And now, military justice is closing in.
- **For over a decade, the American people were told to shut up and obey. Anyone questioning Obama's past was mocked, censored, or labeled a conspiracy theorist.** But now the documents have surfaced — and they show exactly what was buried. A forged birth certificate. A stolen Social Security number from Connecticut. Foreign school records listing Obama as Indonesian. Travel logs showing entry to the U.S. under non-citizen status. Redacted DOJ memos admitting his citizenship file was unverified and politically protected. The system knew. They let him in anyway. Because it was never about the law — it was about control.
- **Trump knew. While the world watched Hollywood praise and defend a manufactured legacy,** Trump and military intelligence were building the case. Quietly, methodically, and legally. Under wartime authorities and Continuity of Government protocols, the file was locked — until the moment was right. That moment is now.
- **This was not one man slipping through. This was Operation Installation — a full-spectrum infiltration by the Deep State using Obama as a Trojan horse.** Laws were

rewritten. Borders erased. The military weakened. American identity diluted. Every move designed to dismantle the Republic from within — and it worked. Until now.

- **Obama has now been classified as a foreign enemy combatant.** Under military law, that means no civilian protections. No political immunity. No statute of limitations. The tribunal process has already begun, under executive authority established years ago. GITMO has been activated for high-level enemy trials. The silence from the mainstream is not a denial — it's a panic signal. Because they know what's coming.
- **This is not about politics. This is about survival.** The takedown is real. The justice is lawful. And the truth is unstoppable. For every smear, every cover-up, every suppressed question — the evidence now speaks for itself.
- **Trump never forgot.** The military never abandoned its oath. And now, the American people are wide awake.
- **This isn't revenge. It's correction.** This isn't theater. It's constitutional war.

M. Tues. 15 July 2025 FEMA EXPOSED: BIDEN'S DOMESTIC WAR MACHINE TARGETED PATRIOTS – TRUMP STRIKES BACK ...Kerry Cassidy on Telegram

- **This wasn't a derailment. It was an operation.** East Palestine, Ohio – February 2023. Toxic chemicals released in a so-called “controlled burn.” Children vomiting blood. Pets dropping dead. Fish belly-up. Air thick with poison.
- **And FEMA moved in. But not to help.** They came to silence. To contain. To detain. Leaked FEMA files confirm it: They KNEW the air was lethal. Cancer clusters were guaranteed. But instead of helping, they blacked out communications, tracked locals, and seized those who spoke out. Whistleblowers. Doctors. Veterans. Parents. Gone.
- **Where? FEMA “response sites.”** What are those really? Secret detention camps. Inside: biometric scans, forced silence, even medical experiments. This was NEVER about safety. This was about obedience. Psychological manipulation. Reprogramming.
- **And this wasn't isolated. More “accidents” followed:** Chlorine in Arizona. Radioactive leaks in Pennsylvania. Chemical fires in Illinois. Fires destroying Lahaina Maui, LA, Palestine. Floods in North Carolina, Texas. FEMA swooped in every time. Patriots disappeared every time.
- **Their goal:** Test national obedience. Silence dissent. Their tool: ENGINEERED DISASTERS. Their cover: Emergency management. Their enemy: YOU.
- **While this unfolded,** Biden sent billions overseas. Left Americans choking on vinyl chloride. Ordered FEMA to label the “Unmet Needs Report” a national security threat—because it revealed the town would become a long-term cancer graveyard.
- **But then Trump returned.** Quietly, with military precision, Trump's forces began dismantling the FEMA network. Over 40 covert sites shut down. FEMA assets frozen. Directors arrested. And yes—PATRIOTS FOUND ALIVE inside those camps.
- **This is WARTIME REALITY.** Trump's task force is exposing FEMA's darkest secrets.

- **Medical recovery programs** now rolling out—for patriots FEMA tried to erase.
- **And it's not over.** As of June 29, 2025, FEMA camps STILL operate in hidden bases. Trump's teams are closing in. They won't stop until EVERY cage is empty. EVERY traitor is in cuffs.
- **This isn't conspiracy.** It's a classified domestic war. And YOU are the final line of defense.
- **The FEMA machine is falling.** TRUMP is rising. The storm is HERE.

N. Mon. 14 July 2025: NATIONAL EMERGENCY: U.S. CONGRESSMAN ACCUSED OF AIDING ATTACK ON ICE AGENTS DURING TRAFFICKING RAID — FEDERAL AGENT DOXXED, OFFICER INJURED, MEDIA SILENT ...WH Grampa on Telegram

- **On July 13, 2025,** the line between lawmaker and traitor was obliterated.
- **ICE agents executing a federal search warrant at a suspected trafficking front in California were ambushed** — not just by paid agitators, but by a sitting U.S. Congressman. Democrat Rep. Salud Carbajal didn't just obstruct justice. He incited violence. He handed a federal agent's identity to the mob. Minutes later, that agent lay bleeding — hit with rocks, surrounded by chaos, targeted for death. This was not a protest. This was sabotage.
- **The operation targeted Glass House Brands Inc.,** a “cannabis company” long rumored to be a laundering hub for cartel money and child trafficking — funded through foreign shell entities based in Vancouver and Baja. These were not weed farms. These were logistical command posts for a global criminal network. The DHS confirmed that one of the men arrested was not only in the U.S. illegally — he was a convicted child predator.
- **What followed was not organic outrage.** It was premeditated defense of a collapsing empire. Over 500 agitators — organized through Soros-funded networks — descended on the site. Paid, bussed in, armed. ICE confirms gunfire was exchanged. One rioter fired at law enforcement. And through it all, Congressman Carbajal stood shoulder-to-shoulder with the attackers. He doxxed a federal agent mid-operation. That's not protest. That's treason.
- **This is what Deep State desperation looks like:** they are using U.S. politicians to shield elite trafficking routes under the cover of “green business.” Cannabis farms, clean energy projects, humanitarian NGOs — all turned into laundering fronts. And when federal patriots show up with warrants? They're met with mobs, bullets, and backstabbing from within Congress.
- **This wasn't just about marijuana.** This was a direct assault on a Trump-authorized ICE operation designed to dismantle elite-controlled trafficking infrastructure embedded in American soil. The same infrastructure used to move weapons, narcotics, and children. The same infrastructure that President Trump has spent 2025 surgically targeting through new Executive Orders granting ICE and DHS expanded authority to override state interference.

- **And now the Deep State is retaliating — violently.**
- **The silence from mainstream media is deafening.** Not one outlet has asked why a sitting Congressman would hand out a federal agent's identity to a violent crowd. Not one has acknowledged that federal agents were assaulted with rocks and bullets on U.S. soil during an operation targeting international crime syndicates.
- **ICE has issued a rare public statement:** "May the congressman's constituency always remember he chooses violence over the rule of law."

O. Covid/Vax/Ebola/ Swine Flu/ Polio/ Small Pox/ BSE/ Zika/ Sars/ Monkey Pox/ AIDs/ Vax/ H1N1/ Graphene Oxide/ Chem trails/ Fluoride, Processed Foods, Human Clones Hoaxes:

- **Tues. 15 July 2025 Posted on Mugzzi:** AVERY important message from Dr. Sucharit Bhakdi: "The mRNA vaccines cause the destruction of brain cells. Obviously. And that is what we are now experiencing. We're seeing -- I'm afraid to say BILLIONS OF PEOPLE -- whose brains are not working anymore. Not as they should be. They are altered. And they don't have the willpower anymore. They don't have the intelligence anymore..." What if the deaths from the vaccines were only a secondary effect, and the PRIMARY goal was the mass lobotomization of the population? You've probably noticed the accelerated dumbing down of the masses, and especially among those who keep taking jabs. They are losing brain cells faster than gasoline sniffers, and they still work in banks, medical offices, government, corporations, education, etc. That's why everybody seems so stupid right now: Because they have been lobotomized by mRNA jabs and are no longer high-functioning humans."

P. Tues. 15 July 2025 TRUMP'S RIGHT TO TRY ACT: THE CANCER CURE BIG PHARMA TRIED TO BURY

- **BOOM! President Trump SHATTERED the FDA's death grip in 2018** with the Right to Try Act, giving Americans with terminal diagnoses the green light to bypass Big Pharma's bureaucratic chokehold and access treatments they were NEVER supposed to touch. This wasn't just a law—it was a declaration of war against the medical-industrial complex.
- **Ivermectin. Fenbendazole.** Two names they desperately tried to erase. Now they're rising like a storm. Patients across the world are ditching chemo and radiation—and SURVIVING. These aren't just antiparasitic drugs—they're WEAPONS against cancer. Ivermectin halts tumor spread. Fenbendazole starves cancer cells of glucose. CHEAP. EFFECTIVE. UNPATENTED. That's why Big Pharma's in full panic mode.
- **They couldn't stop Mel Gibson** from blowing the whistle. They couldn't silence the army of doctors who watched Stage 4 death sentences vanish after these treatments. And they SURE AS HELL can't stop what's coming next.
- **The Right to Try Act smashed through the red tape,** giving power back to the dying—power to choose freedom over pharma slavery. Trump didn't wait for FDA permission. He didn't bow to Pfizer. He gave Americans the right to FIGHT BACK.

- **Why the cover-up?** Because patented cancer drugs rake in \$100 BILLION+ yearly. If people wake up to Ivermectin and Fenbendazole, the whole profit model COLLAPSES. Big Pharma's nightmare? A world where healing doesn't bankrupt you.
- **Trump's law didn't just save lives—it EXPOSED the agenda.** The same tyrants who pushed clot shots and censored early COVID treatments are the ones burying cancer cures. This isn't healthcare. It's warfare. And WE are the resistance.
- **A growing list of doctors has released 18 alternative cancer treatments**—from repurposed drugs to dietary protocols—proven to work when the system gave up. These aren't conspiracy theories. These are miracles they tried to kill.

Q. Tues. 15 July 2025: Switzerland has fallen. The BIS in Basel, Zurich's financial core, and elite safehouses have been stormed. ...John F. Kennedy on Telegram

- **What was discovered goes far beyond finance:** gold hoards, ritual chambers, underground child trafficking tunnels — and servers built for global digital enslavement. U.S. Special Forces and loyal European military units have recovered gold valued at over \$300 trillion, which is now being rerouted through the Quantum Financial System.
- **Meanwhile, Antarctica — long believed to be a scientific outpost — is under siege.** Military satellites confirm the encirclement of hidden Deep State bases in Queen Maud Land, housing ancient technologies, Fourth Reich science labs, and alleged hybrid programs. U.S. Space Force and allied nations are executing the final cleanup of the globalist stronghold. There is nowhere left to run.
- **The global media blackout** is the final proof. Executives at CNN, BBC, Reuters, and FOX have vanished. Military ops have seized data caches with damning evidence: ritual a***e videos, depopulation strategy calls, and classified Plandemic documents. All of it is now in Trump's hands — awaiting the EBS transmission that will override the world.
- **This is not just a takedown.** It's a global reboot. GESARA will wipe out debt. QFS will end financial slavery. Med Beds and suppressed tech will be released. And the Secret Space Program truths — including what's been hidden beneath our feet and above our heads — are about to go public.
- **Trump warned us:** "We caught them all." He wasn't speaking metaphorically. He was executing the most complex trap ever laid against evil.
- **The elites are fleeing, but nowhere is safe.** Starlink has become their final trap — tracking every escape, logging every transaction, and feeding real-time intel to allied military forces. Bunkers have become cages. Islands have become staging grounds for arrests.

R. Tues. 15 July 2025: TRUMP & RUBIO LAUNCH STATE DEPARTMENT PURGE — GITMO TRIBUNALS CONFIRMED ...Gesara/Nesara QFS

- **As of July 11, 2025, President Trump and Secretary of State Marco Rubio** have activated a full-scale purge of embedded globalist operatives inside the U.S. State Department. This isn't a reorg. This is military-level extraction of career agents loyal to foreign interests, not the American people.
- **The so-called "reduction in force"** is cover for targeted removals, pre-authorized by Trump's Executive Continuity Team. These agents are being surgically cut from the system. Some are being reassigned to containment zones, others are under sealed indictments, and the worst offenders? Sent to military tribunals. GITMO wasn't expanded for show.
- **Rubio's actions are backed by military intelligence.** Internal surveillance intercepted foreign backchannel comms and data exfiltration in three core State Department bureaus—all tied to Clinton-Obama holdovers. These were the same channels used to sell America out to the WEF, CFR, UN, and Soros NGOs.
- **For decades, the State Department** was used as a command post for foreign infiltration—a playground for Skull & Bones diplomats, CIA-run destabilization ops, and globalist engineering masked as "soft power." Hillary Clinton turned it into a shadow empire. That empire just got demolished.
- **Deputy Secretary Michael Riggs'** internal memo confirms it: reporting structures have been collapsed, information pipelines severed, foreign-aligned authority chains shut down. The so-called "America First" rebuild is underway—with White Hat insiders now taking control of the new structure.
- **This is only the first domino.** Plans are already drawn for USAID, the Department of Education, and Energy. These departments are infected with Agenda 2030 loyalists who've undermined the Republic for decades. They're next.
- **Rubio's transformation is complete.** Once an establishment player—now Trump's sword. His loyalty is proven through action: controlled demolition of the Deep State's diplomatic fortress.
- **Executive Order 13959 was reactivated by Trump on Day One.** Its purpose? Immediate termination of any government personnel with foreign ties. Thousands are on that list.
- **This isn't politics.** This is war. And the globalists are losing.
- **The purge has begun.** GITMO awaits. America is rising.

S. Tues. 15 July 2025: CAMP MYSTIC WASN'T A TRAGEDY — IT WAS AN EXECUTION, AND FEMA PULLED THE TRIGGER ...Julian Assange

- **They want you to believe it was just a flood.** That 27 children died because of nature, because of chance, because no one could've seen it coming. But the truth is far darker. On July 4th, 2025, Camp Mystic didn't fall victim to weather — it was sacrificed. Erased by design. And FEMA didn't just fail to prevent it. They greenlit it. They mapped it. They cleared the path and walked away.

- **This wasn't a natural disaster.** It was a blood-soaked operation cloaked in bureaucratic silence. Years in the making. Long before the storm hit, FEMA had quietly deleted over 30 buildings at Camp Mystic from their official floodplain designations — removing the camp's legal obstacles to expand deeper into a zone known locally as "flash flood alley." Locals knew it was dangerous. FEMA knew. And yet they signed off. Gave it their blessing. Just in time for elite donors, deep-state handlers, and federal "observers" to start circling.
- **This happened under the Biden regime's nose** — and that's no accident. The final map changes came in 2020, right before the election was hijacked. Trump had been pushing for flood zone transparency, demanding exposure of FEMA's manipulation schemes, but the moment the fake regime took over, the doors slammed shut and the erasure began. The goal? Turn disaster zones into playgrounds for globalist expansion. And if children died in the process, so be it.
- **The bodies are buried, but the blueprint remains.** Camp Mystic — a Christian camp for girls, one that refused to cave to modern indoctrination — became a target. Not just for its location, but for its values. This wasn't just a sacrifice. It was a message. FEMA has long been tied to shady relocations during disasters — from Katrina to Maui — where children "disappear," records vanish, and accountability is a ghost. But this time, they didn't vanish. They drowned. And the whole world saw it.
- **Inspectors cleared the camp two days before the flood.** No warnings. No emergency systems. No plan. Why? Because the plan was already written. That night, hurricane-level winds morphed into an overnight wall of water — too fast, too precise, too familiar. HAARP-style geo-engineering has been used before. Libya. California. Maui. And now, Texas.
- **The media blamed climate change.** FEMA called it an "unfortunate snapshot in time." But independent models showed Camp Mystic was never safe. First Street's data flagged it as a high-risk zone. FEMA ignored it. Just like they ignored internal flood risk reports, staff concerns, and whistleblowers screaming into the void. Now, the same agencies that erased the warnings are rewriting the narrative — again.
- **President Trump's real administration is on it.** Military investigators, FEMA insiders, and forensic data teams are now connecting the dots. The camp's expansion, the flood map changes, the donor pipeline, the timing of the storm — all of it points to premeditation. There were no mistakes. Only approvals.
- **Camp Mystic was a coordinated strike** masked as nature.
- **And those children didn't die because the river rose.** They died because someone wanted it to. And now the truth is rising faster than the flood

W. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

X. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Z. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain's thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies.
