Judy Note: “The corrupt Biden-Harris regime created a crisis at the Southern U.S. border and [facilitated a massive invasion](#) into cities and towns across the country using innocent migrant kids as their commodity according a **27 Oct. 2024** article in Natural News.com. [Federal government caught shipping hundreds of thousands of migrant kids around the U.S., like commodities – NaturalNews.com](#)

“An investigation looked closely at how the federal government uses taxpayer funds to contract out the resettlement of hundreds of thousands of children into cities across the nation. The children are used as pawns, and subjected to terrible conditions, as illegal aliens seek to take advantage of the corrupt system at the border, and as big money interests use the children for monetary and political gain.

Whistleblower exposes \$347 million federal contract to move children like commodities

“[In an undercover investigation](#), James O’Keefe spoke with a contract specialist and whistleblower from the General Services Administration (GSA). The federal agency has been issuing massive contracts to have unaccompanied migrant children shipped across the country like commodities. The children are being held as leverage in sanctuary cities across the country, ultimately to necessitate their reunion with their illegal alien guardians and sponsors.

"My line in the sand moment was when I found out that GSA had awarded a contract to a company to transport unaccompanied minors," GSA Senior Contract Specialist Clarissa Rippee told James O'Keefe in a formal interview.

“The whistleblower provided the document, titled, “Performance Work Statement: Unaccompanied Children Transportation and Logistics” which comes from the Administration for Children and Families Office of Refugee Resettlement.

“The document describes “large scale transportation abilities with the capacity to move up to 1,000 unaccompanied minors within 48 hours.” The contractor is tasked with providing “commercial air flights, charter flights, or charter buses” to transport the children to their sponsors within a 24-hour window.

“Rippee explained that the GSA, on behalf of the federal government, awarded a private security contractor named MVM a massive \$347 million contract to move unaccompanied minors strategically around the country like commodities. MVM has ties to the CIA, NSA, FBI and Homeland Security.

“Rippee said seeing the contract made her feel 'like someone kicked me in the gut.'" This manufactured migrant crisis is really a “big money business,” she says. "Once you know, you cannot unknow," Rippee iterated, adding that the kids are treated “like potato chips on a truck” and subjected to horrifying conditions.

"It's about the children, and it's my duty now to speak up,” she said.

Staffing services strategically relocate the children in counties that will influence future elections

“This taxpayer-funded operation uses retooled staffing agencies to facilitate the invasion. These staffing agencies, once used to assist the federal government in foreign wars, are now providing domestic services to facilitate the relocation of children en masse.

“The staffing firms are awarded contracts from the federal government to allocate private security, transportation and other services to strategically relocate the children in cities and small towns across the nation. During transit, the children are kept in unmarked, newly constructed hotels, [like this one in Chicago](#). The migrants are guarded by private securities firms such as GardaWorld. Due to these operations, at least 320,000 illegal alien children are now missing, as they are relocated anonymously into cities across the U.S. Who knows what organizations and what kinds of people are getting hold of these vulnerable children?

“Further investigation of this operation finds that children are bussed into areas where they can have the greatest impact on future elections. Many of the areas traditionally support the Democratic Party. Even more telling, most of these destination sites are too-close-to-call counties in swing states that will decide the outcome of future presidential elections. Approximately 72% of migrants in 2023 were placed in counties in swing states that voted for Biden in the 2020 election. Less than one third of the children were planted in counties that voted for Trump.

“While there is no way to determine whether these illegal aliens will end up voting for Democrats in future elections, one thing is clear: the current Democratic Administration is

manufacturing a crisis and using children as pawns in a dangerous political power struggle that subjects vulnerable children to humanitarian abuses.”

A. What We Think We Know as of Tues. 22 July 2025:

- **Of the over 500,000 missing children kidnapped at the border by the Biden Administration, 35,000 have been located** and linked to fake sponsor documents connected to NGOs. The rescued children’s testimonies were being used to support arrests and prosecutions of NGOs for their role in Biden’s child trafficking operations.
- **Over \$6 billion taxpayer dollars was received by NGOs to help facilitate and hide the enormous child trafficking operation** led by the Biden-Harris administration. Some of the NGOs were associated with the UN and many of these NGOs and their executives enjoyed substantial revenue and salary increases thanks to the government grants that were exploited to facilitate the trafficking of children. Over 65,000 children called a government hotline to report being sexually abused. No cases were investigated as a result of the calls.

- **Before each new pope assumed office** it was mandatory that they participated in Ninth Circle Satanic Cult rites involving the murder of a newborn child and consumption of their blood according to Kevin Annett quoting from a document in the sealed archives of the Vatican library called the Magisterial Privilege. The document dated **Dec. 25 1967,** was now a part of International Common Law Court of Justice in Brussels (ICLCJ) records.
- **Beginning in April 2014,** the International Tribunal into Crimes of Church and State (ITCCS) prosecuted former Pope Joseph Ratzinger and his Ninth Circle Satanic Cult members in two year-long proceedings. The first court resulted in an arrest warrant for all defendants including Pope Ratzinger. Ratzinger promptly resigned from office, although the Vatican didn’t honor the International Court’s guilty verdict on the Vatican defendants.
- **After two years of prosecution** where 36 jury members and six judges heard testimony of around 60 eyewitnesses, the ICLCJ Court determined that the Vatican regularly gave homage to Satan through pedophilia and child sacrifice.

E. Mon. 21 July 2025: PHASE TWO HAS BEGUN — TRUMP SIGNS EXECUTIVE ORDER TO PERMANENTLY DISMANTLE THE IRS AND LAUNCH GOLD-BACKED CURRENCY PILOT THROUGH U.S. TREASURY ...QFS on Telegram

- **Just days after ripping \$600 billion from the hands of the globalist tax cartel, President Trump has dropped the second hammer:** a sweeping Executive Order to initiate the shutdown of the Internal Revenue Service as we know it — and replace it with a sovereign, asset-backed monetary system under full constitutional control.
- **Effective immediately, the IRS is being stripped of its enforcement arms,** foreign contracts, and offshore data routing infrastructure. Their legal immunity? Gone. Their backdoor ties to the World Bank and BIS? Cut. The agency once used to audit patriots, blackmail dissidents, and fund wars without consent is now being gutted from the inside. And this time, there's no recovery plan.
- **At the heart of this new order is PatriotCoin** — the codename for the gold-pegged transitional asset system being deployed under a secret joint operation between the U.S. Treasury and Space Force cyber teams. According to White Hat sources, this digital infrastructure runs on quantum-encrypted channels, fully sovereign, completely offline from the SWIFT network, and resistant to IMF interference. The coin is backed by audited reserves held at strategic vault sites recently repatriated from London, Basel, and Hong Kong.
- **But this isn't crypto. This is anti-FED tech** — tethered to tangible American resources, minted by a restored Treasury, and governed by GESARA protocols. The goal? To eliminate fractional lending, interest slavery, and globalist banking dependency in one synchronized move.
- **Trump's Executive Order lays out a 180-day wind-down plan** of legacy IRS systems, while also announcing the formation of the American Financial Sovereignty Task Force — a wartime economic unit tasked with auditing the Federal Reserve, freezing cartel accounts, and redirecting seized assets to the new Treasury Redemption Pool.
- **Early figures estimate \$8.3 trillion in black budget funds,** money-laundered foundations, and insider trading profits will be redirected back to the people over the next 18 months. You read that right — trillions are coming home.
- **Already, global markets are rattling.** The ECB issued a Level 3 alert. The World Bank called for an emergency meeting. And the Rothschild family has reportedly begun liquidating foreign real estate in Zurich, Monaco, and South Africa. They know what's coming. They always knew. But they never expected it would move this fast.
- **Meanwhile, across America, thousands of dormant gold and silver mines are being reopened** under nationalized contracts, designed to sustain the upcoming hard currency transition. Trump's team is coordinating with BRICS-aligned economists to

ensure that PatriotCoin remains independent but interoperable with global de-dollarization movements — bypassing SWIFT and shutting the door on CBDC tyranny.

- **Expect the sabotage to intensify.** Watch for “accidental outages,” cyber false flags, and fake financial panics. But hold the line. Because when the Green Button is finally pushed, it won’t just trigger Med Beds — it will unlock Treasury Wallets for every citizen under GESARA compliance. Direct credits. Debt cancellation. Real time transfers, validated by biometric ID and stored on military-grade quantum servers.
- **The trap was always economic.** The war was always spiritual. But the takedown is now fully kinetic.
- **IRS dismantled.** Federal Reserve under seizure. Gold-backed currency underway.
- **This is not a drill. This is the Return of the Republic** — and the final death of globalist finance.
- **The Great Reversal has begun.**

F. Mon. 21 July 2025: THE FED IS DEAD — GOLD RESET IGNITES THE GLOBAL UPRISING ...Donald J. Trump WH on Telegram

- **The Global Currency Reset isn’t coming — it’s happening now.** Gold is exploding. Fiat is collapsing. And the Federal Reserve just lost control. This is the financial revolution they swore would never happen. But it’s here. And irreversible.
- **Gold is nearing \$3,000.** Silver just blew past \$34. Central banks are hoarding metals while quietly abandoning fiat. Iraq is now ranked 29th in global gold reserves — preparing for what’s next. This isn’t theory anymore. It’s the death of the old world economy.
- **The Federal Reserve was never about stability.** It printed trillions, fueled inflation, and robbed generations. But gold-backed currency can’t be printed. It can’t be manipulated. And that’s why the Fed is finished.
- **This is the RV.** This is the GCR. It’s live. The gold surge signals the fall of fiat. The elites who built their empire on paper money are scrambling — because wealth is shifting. Permanently.
- **For decades, they lied** — telling you gold was outdated, silver irrelevant. But behind closed doors, they were stockpiling both. Now they’ve lost the narrative. The people are waking up.
- **Trump and Musk are leading a decentralized rebellion.** The Fed can’t stop it. The IMF can’t contain it. And Wall Street can’t hide it anymore.
- **The system is flipping** — from fake value to real assets. From manipulation to truth. From fiat slavery to gold freedom.
- **Hold metals. Drop fiat.** Prepare. Because this isn’t a prediction. It’s a reset. And it’s happening now.

G. Mon. 21 July 2025 The Earth Alliance has established a military-grade financial infrastructure in the Quantum Financial System (QFS). ...Nesara Gesara QFS on Telegram

- **The QFS is a charitable 5D intelligence network** that is synchronized via satellites, safeguarded by quantum encryption, and based on a value system backed by gold. All transactions are monitored. All illicit transfers have been reported. All corrupt actors were exposed. The great audit of human history is this.
- **Former SWIFT users who moved stolen wealth around the world—bankers, politicians, and technocrats—are now being apprehended** in real time. Already, thousands have been taken into custody. Their accounts were frozen. They dismantled their networks.
- **The majority of the world was completely unaware that QFS was silently recording every action** while operating in parallel with the Central Banking System. It sees everything. It recognizes intent. It is not susceptible to manipulation, bribery, or hacking. It only reacts to honesty, legality, and openness.
- **The QFS welcomes you as long as your funds are lawful** and your intentions are good. Otherwise, you've already been blocked.
- **Countries must comply with GESARA** in order to take part in this new system. This cannot be negotiated. A quantum formula is used to measure each nation's land resources, population, productivity, and gold reserves. All sovereign currencies will be backed by tangible assets and valued at par after they have been balanced.
- **Economic warfare is over.** No more manipulating currency. The Global Currency Reset is this. Since all values will move in unison, gold won't fluctuate any more. Debt slavery is coming to an end.
- **Despite all of their hype, cryptocurrencies** won't make it through this shift unless they are supported by real assets.
- **Blockchain** has already been overtaken.
- **QFS is alive in addition to being faster.** It is controlled by a conscious quantum intelligence, which guarantees that each transaction is genuine, lawful, and deliberate. It substitutes incorruptible digital guardians for corrupted human gatekeepers.
- **Artificial intelligence is not what this is.** This is benevolent design that is beyond our current understanding. And it's working already.
- **The Deep State has made every effort to undermine it**, like false alarms, shocks to the economy, blackouts in the media. QFS, however, is untouchable. This is the end of their game. You can see their final movements.
- **There are more than 70,000 sealed indictments** that are prepared for release. Mass arrests are the next step, not the theory. They are pursuing the remaining financial terrorists.

- **It is obvious that the old central banking cartel is dying.** And for the first time in history, humanity has a system designed to liberate it rather than enslave it. Have faith in the plan.

I. Mon. 21 July 2025: EXCLUSIVE: TRUMP AND PAM BONDI UNLEASH SECRET MILITARY OP INSIDE DOJ — COMEY’S DAUGHTER FIRED, DEEP STATE LAWYERS VANISH TO GITMO ...The 17th Letter (JFK Jr.) on Telegram

- **As of July 21, 2025, the U.S. Justice Department is no longer under globalist control.** Pam Bondi, Trump’s Attorney General, has executed a classified counterinsurgency operation to dismantle the entrenched Deep State network embedded in federal legal power. This isn’t political cleanup. It’s the neutralization of a domestic enemy.
- **More than 700 staff across the DOJ, FBI, ATF, DEA, and U.S. Marshals** have been terminated, detained, or placed under sealed review. The DOJ has gone dark. No statements. No denials. Because the collapse is real — and the criminal syndicate that once ran the nation’s legal core is being dismantled from the inside.
- **Maurene Comey, daughter of disgraced FBI Director James Comey,** was among the first to fall. Fired without warning, her federal access revoked, her case files seized. She wasn’t just a prosecutor.
- **She was an embedded asset shielding the Clinton-Epstein web,** laundering sensitive case narratives, and suppressing federal inquiries tied to human trafficking and elite financial crimes. Her terminals contained sealed immunity deals, blackmail evidence, and communications linking DOJ figures to foreign intelligence proxies.
- **Jack Smith’s loyalists were next.** At least 20 removed. These operatives used falsified data from Five Eyes partners and Ukrainian intelligence to fuel the Trump indictment narrative. Their mission wasn’t justice. It was a coordinated foreign collusion scheme to block Trump from returning to power.

- **One of the most critical takedowns was DOJ ethics chief Joseph Tirrell.** His removal exposed a blackmail archive used to manipulate internal investigations, control judicial oversight, and protect prosecutors involved in political targeting. That vault is now in White Hat hands.
- **Sources confirm more than 70 DOJ staff were compromised using Epstein-derived material** — data now being decrypted and cross-referenced for prosecution. Internal DOJ files contained terms like continuity of government suppression, EBS interception, and asset pre-seizure under UN contingency codes — a blueprint for civil breakdown in case Trump returned. They were preparing for total shutdown. And now, their infrastructure is being dismantled with surgical precision.
- **This is not reform. It's military-grade retaliation.** Bondi is executing Trump's Emergency Powers with full coordination from military intelligence and Space Force cyber teams.
- **Next targets include the Bureau of Prisons,** where Epstein's staged death and secret removal were coordinated, and the Southern District of New York — long a fortress for laundering elite protection deals. Financial records now trace back to shell firms, foreign NGOs, and intelligence networks operating across SDNY.
- **The media won't report it,** but the war is underway. The DOJ is no longer a shield for traitors. It's a battlefield — and Trump is winning.
- **The next wave is coming.** And when it hits, no one involved in the old regime will be safe.

K. Sun. 20 July 2025: TREASON EXPOSED — OBAMA, BRENNAN & BIDEN ENGINEERED THE TRUMP-RUSSIA HOAX TO PROTECT THE GLOBAL ELITE

...The 17th Letter (JFK Jr.) on Telegram

- **Treason has a face. And it's Barack Hussein Obama.** The Trump-Russia hoax wasn't a mistake — it was a calculated, elite-engineered coup to dismantle the American presidency and preserve a dying globalist regime.
- **New declassified intelligence from DNI Tulsi Gabbard confirms:** Obama, Brennan, Comey, and Biden orchestrated the entire narrative. They rewrote raw data, buried internal reports, and fed disinformation to the media to frame Trump as a Russian asset — all while knowing it was false.
- **The December 8, 2016 Presidential Daily Brief made it clear:** no Russian interference, no hacked systems, no election manipulation. But Obama didn't like that conclusion. So he ordered a new report — one that fit the script. The next day, his inner circle met in secret: Brennan, Clapper, Rice, Biden. Their orders? Manufacture a false narrative.
- **On January 6, DNI Clapper released the lie to the public.** Fourteen days later, Trump was inaugurated — under the shadow of a weaponized intelligence operation.
- **This was no partisan smear. It was a multi-agency, transnational operation involving the CIA, MI6, Five Eyes, and Soros-funded networks.** It wasn't just about stopping Trump — it was about protecting the globalist banking elite, biowarfare labs, offshore blackmail ops, and surveillance treaties Trump had vowed to dismantle.
- **The Steele Dossier was never real intel.** It was a fabricated script, approved by Obama, pushed by Brennan, and broadcast by a complicit media.
- **Biden was there for all of it.** He attended the briefings, signed off on the false reports, and now sits illegitimately atop the same corrupted system Trump was targeted for exposing.
- **This wasn't just an attack on a man — it was an assault on the 75 million Americans** who voted to reclaim their country. Tulsi's release of the classified documents proves the coup was real. The plan was clear. And the traitors now have names.
- **They never expected the receipts to surface.** But they have. The justice phase has begun.
- **No more lies.** No more cover. It's all coming down

M. Mon. 21 July 2025: INTEL DROP: GESARA STRIKE IMMINENT – Trump’s Quantum War Is NOW LIVE ...Barron Trump on Telegram

- **As of July 11, 2025, the final stage of the GESARA transition is OPERATIONAL. Trump is in full control.** The Quantum Financial System (QFS) is now LIVE — crushing the Federal Reserve, bypassing Deep State banks, and rerouting global wealth to Patriots. Redemption Centers are open. StarLink is syncing transaction grids. Quantum Access Cards are in the hands of Tier 4B patriots. The Cabal is being erased in real time.
- **The IMF has COLLAPSED. Executives are being held at GITMO — under active military tribunals.** CONFIRMED: IMF “climate aid” was used to traffic children through fake evacuations. Over 4,200 missing children in Southeast Asia now traced to these “loans.” These aren’t rumors. QFS recorded EVERYTHING. Their war crimes are locked into the system. Military law overrides all.
- **Meanwhile, UN officials are under MILITARY ARREST.** UNESCO, WHO, and UNHCR leaders indicted for interfering with the GESARA rollout. Their crimes: bioweapon labs, ritual abuse, and laundering funds to Rothschild-linked banks. No more diplomatic immunity — Trump has authorized BRICS task forces to dismantle their operations NOW.
- **Quantum Biometric NDAs are being enforced worldwide.** These aren’t paper agreements — they’re encoded with retina, DNA, and voice locks. Violate them? Immediate termination. A French finance minister tried to breach protocol — biometric access REVOKED, assets FROZEN, vanished from public view.
- **June 20, StarLink activated QFS nodes across Africa and South America.** Kenya, Nigeria, and Brazil now have full gold-backed sync. Access is LOCKED unless quantum-verified. Every elite move is blocked. AI intercepts their black vault transfers before they complete.

- **Digital Gold Wallets are real. Quietly released on June 18 to NDA-cleared Patriots.** Physical gold-backed. Offline-capable. Untouchable by banks. Old fiat is finished. This is military-grade finance. The Cabal's money system is dead.
- **The Emergency Broadcast System is READY.** Once Europe and Canada are cleared, 72 hours of blackout begins. Over 7,000 sealed indictments. Full exposure. Crimes of the century revealed: election fraud, medical genocide, economic terrorism.
- **Trump never left command — he laid the trap. The Cabal walked right into it.**

N. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and housed in China's Three Gorges Dam in a tunnel that connects to other underground DUMB tunnels throughout the World, eventually to a 1,500 mile long tunnel that runs between the Vatican and Jerusalem:

- **Sun. 20 July 2025: Rep. Clay Higgins says the Trump administration has rescued 35,000 trafficked children linked to fake sponsor documents provided by NGOs through HHS.** He revealed that the rescued children are being interviewed and their testimonies documented to support future prosecutions. According to Higgins, many employees within these NGOs are now facing imminent arrest for their role in child trafficking operations. ...Mel Gibson on Telegram
- **As of July 18, 2025,** the joint Trump–RFK Jr. Project Reclamation task force launched the largest child rescue operation in human history, responsible for one of the darkest networks ever exposed.
- **Over 500,000 children taken at the border were smuggled** into a global grid of biometric harvesting, mind control, organ trafficking, ritual abuse, chemical implants, trauma programming and child auctions on the dark web.
- **Rogue U.S. officials,** NGOs, foreign intelligence assets, UNICEF, WHO, USAID, the Red Cross, MS-13 cells, Clinton Foundation, Soros, Biden, HHS, DARPA, Southwest Key, Children First, the International Rescue Committee and Epstein's ranch were under criminal investigation.
- **Since April, 2,200 indictments have been unsealed, with 347 arrests.** Over 61,000 survivors have been found — many in underground compounds in Texas, New Mexico, Romania and the Philippines.

O. Mon. 21 July 2025: THE BIDEN-HARRIS TAXPAYER-FUNDED NGO CHILD-TRAFFICKING PIPELINE. ...EBS on Telegram

- **It was easier to adopt a child than it was to adopt a dog** by the almost non-existent paperwork that was required for the process. And it was all intentional.
- **Over \$6 billion taxpayer dollars was received by NGOs to help facilitate and hide the enormous child trafficking operation** led by the Biden-Harris administration.

- **Some of the NGOs were associated with the UN** and many of these NGOs and their executives enjoyed substantial revenue and salary increases thanks to the government grants that were exploited to facilitate the trafficking of children.
- **Over 65,000+ UAC called a government hotline to report being sexually abused** and the Biden-Harris administration intentionally ignored and did not investigate a single one of the children's calls for help.
- **This totaled to between 300,000 - 500,000+ children** that went missing or were purposely put or left with child predators and traffickers. You need to start asking why?
- **You need to start asking yourself** why this was such a huge priority and operation of the Biden-Harris administration and why NGOs and the UN were involved.

Dear friends and readers,

I've just learned that Amazon Inc. has defrauded me of over \$5000 (US) of my book royalties over the last three months alone. Of the \$6000 I earned from good folks like you since April, I was paid a whopping \$781.

I'm not surprised that this has happened right now, considering the new breakthroughs we are making in our work. But this latest rip off of 87% of my income by Amazon has hit me and the movement I help lead especially hard, which it's meant to, of course. Since they're my only source of regular income, here on the blacklist, I was counting on those royalties to fund my upcoming speaking tour across Canada, America, and Europe.

In response to this latest attack, I'd like you to help me spread the word to people who want my books that they should order them directly from me from now on. I'll be setting up a system of direct deposits and E payments.

As well, I am asking you to help me raise that stolen \$5000 so that I can get on the road and continue to work with all of you to stop child trafficking and the police state, prosecute the guilty, and create new common law Republics. Contact me for the details of how to donate.

Help me help the ones who can't help themselves.

With my thanks,

- **John F. Kennedy**, the beloved 35th president, was not assassinated in 1963. He's alive - and living in hiding for decades.

- **The truth about JFK's survival** and his ongoing influence on modern politics will be revealed. For more than 60 years, a powerful network worked to keep his existence hidden. Now, the secret is coming out.

S. Sun. 20 July 2025: FLORIDA DECLARES WAR ON CHEMTRAILS — GEOENGINEERING IS NOW A FELONY ...Kerry Cassidy

- **As of May 12, 2025, Florida has made WEATHER WARFARE ILLEGAL.** Senate Bill 56 is on Governor DeSantis' desk, turning geoengineering into a THIRD-DEGREE FELONY. For the first time in U.S. history, spraying chemicals into the sky to modify weather, sunlight, or temperature is a CRIMINAL ACT.
- **This is not politics. This is a counterstrike.** Trump's return to power isn't just symbolic — it's operational. The Deep State has used the skies as a silent battlefield, dumping aluminum, barium, and strontium over entire populations. Now, Florida is striking back.
- **SB 56 doesn't just ban geoengineering** — it forces every airport in Florida to REPORT any aircraft outfitted for weather manipulation. If they don't comply, they lose state funding. That's not regulation — that's WARFARE PROTOCOL.
- **The Florida DEP is now BANNED** from even studying weather modification. Why? Because it's already happening. Because it was never “theory.” Because the state knows and is finally cutting ties with the cover up.
- **An online reporting portal is being launched.** Citizens will now have state-backed power to report chemtrail operations and trigger real investigations. The people are the surveillance net. The hunters become the hunted.
- **These aren't just contrails.** They are bio-weaponized aerosols. Aluminum attacks your brain. Barium weakens your heart. Strontium poisons your bones. All sprayed above schools, homes, crops. Your DNA is under attack.
- **But the chemicals are only part of the operation.** EMFs are being used to weaponize the weather itself — steering storms, disrupting emotions, targeting regions. Remember Hurricane Ian? It didn't move naturally. It was redirected. A warning shot to Florida's resistance.
- **This bill doesn't just expose crimes** — it marks the start of takedown operations. Stand for Health Freedom, Friends of the Earth, and other groups are backing SB 56. Over 100,000 patriots flooded the state with demands: TAKE BACK OUR SKIES.
- **This is what Trump meant** when he said the people would reclaim power. This is biological sovereignty. Environmental warfare accountability. A mass awakening.
- **Florida has just TORN UP THE GLOBALIST SKY AGENDA.**
- **Other states:** Are you watching? Because Trump is.
- **The firewall has collapsed.** The weather war has started. We are NO LONGER VICTIMS. We are the COUNTERSTRIKE.

T. Sun. 20 July 2025: SOCIAL SECURITY SCAM: THEY'RE STEALING WHAT YOU EARNED! ...Kerry Cassidy on Telegram <https://t.me/KerryCassidyReal>

- **BOOM! Most Americans are being ROBBED of THOUSANDS in Social Security money.** The system is rigged. Your statements are WRONG. Your retirement age was raised without your consent. They expect you to file blindly while they pocket the difference.
- **WAKE UP. FIGHT BACK.** This isn't just mismanagement—it's a cold, calculated SCHEME. The Deep State is quietly draining YOUR retirement, YOUR disability safety net, YOUR family's survivors benefits. This was never about helping you—it was about trapping you in ignorance while the elite walk away with your cash.
- **HERE'S WHAT THEY HID FROM YOU:**

☐ **Your Social Security statement is NOT a contract** — it's an estimate, often DEAD WRONG.

☐ **If you retire early**, your monthly check can be SLASHED by 30%!

☐ **If you delay until 70**, you'll earn 24% MORE, but they hope you don't find that out.

☐ **You must be "currently insured"** to get disability—but a career break or layoff can VOID your coverage.

☐ **Your minor children may be eligible for 75%** of your benefit if you die—but the government WON'T tell them!

☐ **The death benefit is a DISGUSTING \$255.** That's all your life is worth to them.

- **MEDICARE TRAP ALERT!** If you don't enroll at 65 and don't have coverage through work, you're PENALIZED 10% for every year you delay—FOR LIFE. They don't forgive, and they don't warn you.
- **THEY COUNT ON YOU STAYING BLIND.** The truth is buried in fine print and silent rule changes. Most people have NO IDEA they're leaving tens of thousands on the table. And once it's gone—you're NEVER getting it back.

ACTION STEPS YOU MUST TAKE IMMEDIATELY:

✓ ☐ **Request and audit** your earnings record.

✓ ☐ **Calculate the MAX payout** by adjusting your retirement date.

✓ ☐ **Check if you're eligible for disability.** If not, RE-QUALIFY before it's too late.

✓ ☐ **Educate your spouse and kids** about survivor benefits—SSA won't.

✓ ☐ **Enroll in Medicare on time** or face PERMANENT penalties.

- **TRUMP'S TEAM IS MOVING TO EXPOSE THIS CORRUPTION.** But you can't wait. They want you broke. They want you dependent. They want you silent.
- **FIGHT BACK. THIS IS YOUR MONEY. TAKE EVERY DOLLAR. TIME IS RUNNING OUT. MAKE THEM PAY.**

X. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

(Signed) Sir Don Kauli'a, Sovereign Regent, Kingdom of the Hawaiian Islands

- **The Deep State Cabal wanted to make the Native Hawaiian Capitol of Lahaina into a SMART city, so on August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina Maui to the ground.
- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.
- **Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now 3,100 still-displaced fellow victims. The Deep State Cabal Red Cross has cut funding for those victims.
- **Donations were still needed**, but the AKUA Foundation Website has been compromised and cannot accept monies until things are straightened out.

Y. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund on GiveSendGo Here](#)

Za. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn’t afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks’ problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zd. Judy Note: Please do not think I am ignoring your emails. I am only one person without a staff and work 8-10 hours each day on the Update. I have close to 4,000 emails I have not had the time to even read. In answer to many of the inquiries: I do not know any more about the time and date of the GCR than what has already been printed in my updates. I do not know how to set an appointment for an exchange, nor for a Med Bed treatment. I will likely find out that information the same time you do and when I do, I will print it in my update. It is my personal opinion that Tier4b (us, the Internet Group) will be notified of how to exchange our foreign currencies and Zim Bonds after the EBS goes off, which might happen worldwide next week, but no firm date has been set. They have said we will be individually notified of how to set exchange or Med Bed appointments through email or text. Keep in mind the Quantum Computer has all your information gathered and likely knows of your changes of address, emails, etc. Any questions you have about your exchange or Med Bed appointment likely could be answered by the person you talk to when you set your exchange appointment.

Once the full system activates, you'll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam: "You've been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we're offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!"

Apparently the TRB so-called "Trump Gold Products" Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again. Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
