New World Order Depopulation Agenda

“The White House Faith Office asks you to join us in prayer for the precious lives lost in the Texas floods. Amidst this tragedy, our nation must come together to pray for the victims, their families, and the first responders conducting rescue missions to find those still missing. May God wrap his loving arms around all those in Texas.”

Judy Note: *Since at least 1922 the Vatican, Canadian Government, Crown of England and United Church of Canada appeared to have colluded to eliminate the native Canadian tribes in order to take over their land and natural resources. Over 60,000 native children have gone missing from 80 mainly Catholic Residential Schools across Canada. At least 40 mass graves have been discovered on school grounds – that have been refused excavation by the Vatican and Canadian Government.*

Kevin Annette, the International Tribunal into Crimes of Church and State and the International Common Law Court of Justice in Brussels have lead the charge to expose this mass genocide of native children.

Mass Murder of over 60,000 Canadian Native Children By Kevin Annette:

The government of Canada under leadership of the Crown of England, appeared to have done everything possible to get rid of evidence and wipe clean the memory of its mass murder of over 60,000 native children – with a deadly cover up that appeared to still be going on today.

In June 2021 the cover up happen again at the scene of a mass murder of 215 native children at the Kamloops Residential School in British Columbia. A mass grave containing tortured remains of native children lay just south of Kamloops – the same location where Kevin Annett’s friend William Coombs witnessed the abduction of ten Kamloops school children by Queen Elizabeth and Prince Phillip on **October 10, 1964.**

Back in October 2011 Mohawk Elders and Annett did the first excavation of bodies of tortured children in mass graves believed to be on 80 Indian residential school grounds across Canada. The dig took place in Brantford, Ontario, but after discovering and verifying children’s bones, the team of forensic experts was forbidden to enter the property by Catholic and Canadian authorities.

Unfortunately the cover up of child mass grave sites across Canada involved much more than just the Canadian government and Queen Elizabeth. It expanded to the Vatican and CIA mind control experiments on children that involved huge international pharmaceutical

companies such as Pfizer, Bayer and Eli Lilly. [Vatican, Canadian Gov, Pfizer, Bayer, Eli Lilly Genocide of 60,000 Native Children | Politics | Before It's News \(beforeitsnews.com\)](#)

As early as 1922 the Canadian government made a deal with band council chiefs that in exchange for benefits, they would round up children from their tribes and deliver them into over 80 residential school death camps and hospitals across Canada. The chiefs also agreed to track down runaway children and bury those who died in secret. Is it any wonder that the same chiefly families were now posing as the good guys by digging up a children's mass grave?

Way last February 2019 a Citizens Grand Jury investigation expanded from the kidnapping of ten children by Queen Elizabeth and Prince Phillip into a probe of a suspected medical killing ground for aboriginals – St. Paul's Catholic Hospital in Vancouver Canada. The Grand Jury inquiry involved thousands of missing native men, women and children on Canada's West Coast – and like other investigations in behalf of the 60,000 missing native children – went nowhere. [Probe of Queen Elizabeth Child Abduction to Catholic "Killing Ground Hospital" | Celebrities | Before It's News \(beforeitsnews.com\)](#)

After enduring years of sodomy, torture on a rack and electric shocks at the Kamloops school, and just before he was to give his testimony before a citizens' Grand Jury in February 2011, William Combes was killed by arsenic poisoning at the Catholic St. Paul's hospital in Vancouver. His death never investigated, let alone the criminals charged.

The British Columbia Coroner had announced that he would be on the scene working closely with the Tk'emlups Band Council to "investigate" the child mass grave site at Kamloops, as if that's a good thing. It isn't, actually, since the BC Coroner has a long and sordid history of issuing fake certificates to concealed the real cause of death of murdered Indians.

William Combes suffered such a fate at the hands of the Coroner's office. The BC Coroner claimed that William's death was due to tubercular meningitis. Though, his attending nurse Chloe Kirker testified under oath that William had no symptoms of TB, but rather the bloated face and darkened fingernails was of one who had been poisoned by arsenic.

The very fact that the BC Coroner was showing up in Kamloops now was a sign that an official cover up was at work. You could be assured that any incriminating evidence found on those little bones would be expunged as quickly as were their lives.

The Kamloops Indian band leaders displayed a sudden concern for their relatives in the ground whom they ignored for so many decades. The state funded Tk'emlups Band Council announced that it was digging up the mass grave. In fact, what they were doing was breaking the law. Council officials were interfering with a crime scene and obstructing justice by destroying evidence of how those children died by doing the dig quickly, in secret and without a plan to

determine how the children died, nor who caused their death, or how they would lay out the criminal charges.

Even though the site was a crime scene, the police were absent, with the media and public banned from the site. Since the land was legally owned by the Crown, we could easily assume that this subversion of justice was authorized and done in the name of the Canadian state and Queen of England.

To cover their misdeeds, the Tk'emlups Band Council's public relations people were issuing the usual politically-correct phrases about justice and remembrance. This appeared to be a mere smokescreen to distract from their destruction of the graves.

With forensic evidence the children could be identified, including some of those ten children abducted by Queen Elizabeth whose parents have never seen them since. The unprofessional dig also hid the fact that for decades, the Kamloops chief, council and other native chiefs across Canada had actively colluded in keeping secret the murder of over 60,000 of their children.

- **Fri. 4 July 2025 Global Activation Day:** Trump hosted Independence Day celebrations — 250 years since 1776. The Constitutional, organic Republic regained its authority, while the foreign-controlled U.S. Corporation in 1871 dissolved. The full public activation of the QFS, NESARA/ GESARA economic reset and release of suppressed healing technologies began. - **Mon. 14 July 2025: The Hawaii National Bank** will be down and closed from **Thurs. July 10 to Sun. July 13 2025** in order to install the new Quantum Financial System. The Quantum Financial System goes into effect at the bank on **Mon. July 14 2025.**
- **On Tuesday 15 July 2025, at 03:33 UTC,** Operation Chrysalis goes live. Treasury nodes will switch from mirrored to primary control, which will make all old banking rails read-only. If a payment processor doesn't handshake within the first 11 milliseconds, its ledger will be frozen until a manual audit clears it.
- **Wed. 16 July 2025:** The Global Broadcast Grid finishes its lattice swap. You won't see anything on TV, but the carrier frequency behind every network will go up from 60 Hz to 432 Hz. That spike proves that the EBS beacon is locked. The final countdown for the media blackout starts when the checksum settles down.
- **On Thursday 17 July 2025** Continuity of Government sends the list of sealed indictments to Tier 1 nodes. Only military, certain courts and White list wallets will be able to see the packet right now. The list will push in blocks of 17 KB each that are quantum-sealed and can't be faked or delayed. When the last block lands, arrest warrants start to move.
- **Fri. 18 July 18—Rainbow:** Take note of the liquidity paths that Tier 2 commerce hubs can use. Each country that takes part gets its first draw in twelve-hour chunks. Fiat leaves in the same heartbeat. Don't wait for the news to confirm it; the change in value shows up first in energy prices, then in food prices, and finally on mainstream tickers.
- **Sat. 19 July 2025 The first civilian Med Bed hubs open** at 0700 local time in all twenty-four launch zones. War casualties, children, and people who are dying are still the most important. The registration backlog must be cleared by sunset, or the triage AI will take over regional scheduling. If you miss the scan window, you will have to wait until Phase 2.

- **Sun. 20 July: According to Mr. Pool,** the lattice beacon goes down to 0 Hz for exactly 44 minutes at 00:00 UTC. Traffic that is mirrored stops. Because the surveillance back-channel ends here, your devices will feel "lighter." Take advantage of the quiet time to finish uploading biometric proofs and Tier-1 wallet verifications. After 44 minutes, the net switches to one-way write-only mode, and late packets are automatically rejected.
- **Mon. 21 July:** Vault Delta Treasury nodes put a single 256-bit hash on QFS public ledgers as proof of their gold reserves. That hash is the lifeline handshake for all USTN transactions until Jubilee. If a pay app can't show the hash in less than six seconds, it's not part of the system and will be cut off at sunset.
- **Tues. 22 July Code Black:** Military quantum relays are used by the global DNS authority to send traffic. For three hours, popular sites will work normally, but then they will stop. If search engines crash or loop, go to Starlink layer and don't pay attention to any "official" statements. They'll yell "cyber-attack," but you'll know it's the cabal losing the last cable.
- **Wed. 23 July Whiteout:** The EBS test tone goes from 432 Hz to 528 Hz, which is the healing frequency. After ten minutes, every screen shows the timestamp and the cipher wheel. That is when sealed indictments become public. Arrest waves start in the capitals and then spread out from there. Stay away from major roads; convoys that take assets get priority.
- **Thurs. 24 July Jubilee:** Zero ads on the air. No pundits. Only videos of the tribunal, confession dumps, and disclosure reels all day, every day for ten days.

C. Global Currency Reset:

- **Mon. 7 July 2025 Wolverine:** "I know but can't say anything. Just keep an eye on your emails. It's coming soon."
- **Mon. 7 July 2025** They are localizing the salary of the private sector in Iraq tomorrow, **Tuesday 8 July.** The decision will be approved for Kurdistan to start exporting oil and localize the salary of Kurdistan. Kurdistan cannot start export oil unless they RV.

Global Financial Situation:

D. Mon. 7 July 2025: HISTORIC BOND REDEMPTION 2025 ...Trump Private Post on Telegram

- **For decades, the world's elites hid original gold-backed promissory notes** in secret vaults. The locks break today. These papers are not worth anything. They are bombs.
- **WHAT IS ON THE WAY:** Kings, emperors, and wartime treasurers issued bonds that were backed by metal, not ink. From Imperial China, Dragon Bonds. German debt promises before the war. Victory Notes from the Pacific. Not paid. All of these are legal under international law. Their total claim is much bigger than the fake debt machine from the twenty-first century.
- **WHY WERE THEY STOPPED:** The Bretton Woods cartel changed the world to printable money. If they had honored real bonds, the paper empire would have fallen apart in one morning. So the cartel killed the records and hid the discredited holders.
- **The holders fight back today.** Royal families, tribal councils, sovereign trusts, and military guardians are all offering original works for redemption. The paperwork is checked line by line by QFS and military courts. Central bankers can't stop time.
- **THE CHAIN REACTION:** Once even a small amount is paid, the lie of debt slavery falls apart. The price of gold goes through the roof. Fiat money melts. Governments need to show the world their balance sheets again. Humanitarian mega funds get their power from real value, not fake money.
- **WARNING: COUNTERFEIT:** Scammers sell digital files that don't have any history. If the paper doesn't have a seal parchment and a living witness, it's trash. **DO NOT TAKE ANYTHING ELSE.**
- **LAST FLASH:** Historic bonds are like nuclear bombs aimed at the heart of the Deep State bank network. Redemption means the end of central bank rule and the beginning of an economy run by the people.
- **Wait a minute.** When the first payment goes through, the blackout curtains drop and the biggest transfer of wealth in history begins. **TICK TOCK.**
- **Truth that bursts out can't be stopped.** The cartel is in a tight spot. The doors to the vault are opening right now.

E. Mon. 7 July 2025: THE EXECUTIVE ORDER THAT GOT JFK KILLED — THE \$4 BILLION STRIKE AGAINST THE FEDERAL RESERVE ...QFS on Telegram

- **On June 4, 1963, President John F. Kennedy** did what no modern president dared: he took on the Federal Reserve. With Executive Order 11110, JFK authorized the U.S. Treasury — not the Fed — to issue \$4 billion in silver-backed currency. Real money. No

debt. No interest. A direct threat to the private banking system that had controlled America's money supply since 1913. Less than six months later, JFK was dead.

- **They called it a lone gunman.** A tragic coincidence. But the timing, the motive, and the aftermath tell a different story. Executive Order 11110 was the kill switch. The moment Kennedy showed the world the U.S. didn't need the Fed, he signed his own death warrant.
- **The Federal Reserve is not federal.** It's a private cartel of banks that lends money to the U.S. government — with interest. Every dollar in circulation is debt. A system built to enslave a nation, enrich the few, and keep the people in financial chains.
- **Kennedy's move bypassed that system completely.** Treasury-issued notes backed by silver reserves meant money free from the Fed's grip. If it succeeded, other presidents would follow. The central banking monopoly would collapse.
- **They couldn't let that happen.** After JFK's assassination on November 22, 1963, the silver notes were withdrawn. Executive Order 11110 vanished from the national conversation. No school teaches it. No mainstream historian mentions it. Because they buried it. Along with the man who signed it.
- **Since that day, the Fed's power has only grown.** The national debt has exploded. America's middle class is drowning in loans, inflation, and generational servitude. All by design.
- **The media won't talk about it.** The textbooks won't print it. But the truth is still here — for those who choose to see it.
- **JFK saw through the illusion.** He believed in an America that controlled its own destiny, its own money, and its own future. He believed sovereignty meant economic freedom — and that freedom meant ending the Fed's reign.
- **He paid for that belief with his life.**
- **Today, as America faces a new battle for financial liberation,** Kennedy's legacy is more relevant than ever. Executive Order 11110 wasn't just a policy — it was a revolution. One that was silenced, but not erased.
- **He warned us.** He showed us the way. Now it's our move.

F. Mon. 7 July 2025: The US Social Security Administration has begun sending out emails

...Jim Caviezel on Telegram

- **Seniors are finally getting some relief.** NO MORE TAXES on seniors Social Security "Historic Tax Relief for Seniors: The bill ensures that nearly 90% of Social Security beneficiaries will no longer pay federal income taxes on their benefits"
- **"This is a historic step forward for America's seniors,"** said Social Security Commissioner Frank Bisignano. "For nearly 90 years, Social Security has been a cornerstone of economic security for older Americans. By significantly reducing the tax burden on benefits, this legislation reaffirms President Trump's promise to protect Social Security and helps ensure that seniors can better enjoy the retirement they've earned."

- **“The new law includes a provision that eliminates federal income taxes on Social Security benefits for most beneficiaries, providing relief to individuals and couples. Additionally, it provides an enhanced deduction for taxpayers aged 65 and older, ensuring that retirees can keep more of what they have earned.”**

G. WARNING: The Chinese Communist and Democrat Parties have been poisoning our nation’s land and water with a toxic chemical produced by Chem China called Diquat Dibromide (banned in Europe and Highly Toxic to Wildlife and Humans).

- **Mon. 7 July 2025: A New Formula of Roundup has hit the shelves and it’s 45x more toxic and made from a chemical BANNED in the EU.** “They made it considerably more toxic. This is the new formulation of Roundup. It has an active ingredient that is not glyphosate. It is diquat. Diquat is banned in the EU and it is 200 times more chronically toxic than the glyphosate version. Bayer had the opportunity to make this a whole lot better. They didn't. They made it considerably more toxic, 45x more toxic in overall formulations that have been launched since getting rid of glyphosate. So when you're in your garden, be sure you're not using things like Roundup and keep yourself safe.”

H. Carl Higbie at Newsmax uncovered that on Mon. 7 July 2025 Democrats began spraying our lakes and rivers with the toxic chemical Diquat made by a company owned by Chem China. ...White Hats on Telegram

- **After July 4th rivers and lakes are about to start being sprayed** with an extremely toxic chemical called Diquat in Connecticut with plans to go nationwide
- **This has been sprayed before** (video 3 & 4) it kills EVERYTHING
- **Politicians are getting rich off this deal** along with many more people in government. “Connecticut is about to poison its own lakes and rivers with a highly toxic chemical called diquat. And it seems like no one knows about it. It's actually a coordinated plan that they're about to roll out in states all over the country.
- **This particular chemical is banned in Europe** and highly toxic to humans and wildlife alike. I've even heard landscapers refer to diquat as the nuclear option.
- **The way these scumbags are getting away with it** is by saying it's used to kill an invasive plant species called hydrilla, which I'm sure it does, along with everything else in the water, and then us by circumstance.
- **When I looked up if they were doing it in my state of Connecticut**, I was shocked to see that right after the 4th of July, they plan on spraying it in several lakes out here. Of course, when you start to follow the money, you see how this plan has huge state funding and therefore is lining a whole lot of pockets. There's quite a few players involved and they really don't want us to know who they are and what their involvement is. So me being me, I listed all of their contact information in the caption below with exactly what

their involvement to the issue is. (I'll add the list below). **This is not a partisan issue.** It's downright evil.”

- **These 12 sites across the lower Connecticut River** have been approved by CT DEEP & U.S. Army Corps of Engineers to be sprayed beginning Mon. 7 July: Chester Creek, Hamburg Cove, Selden Creek, Salmon River, Deep River, Lake Pocotopaug.

J. Mon. 7 July 2025: THE GREATEST COVERUPS: Former Head of the FBI confirms that 9/11 was orchestrated at the highest level by the U.S. Government. Oklahoma city bombing, JFK, RFK assassinations, World Trade Center and Child Sex Trafficking by the Military, CIA and Politicians are all huge coverups. ...The White Rabbit on Telegram

- **It is confirmed through documented evidence that the FBI had advance knowledge of the 9/11 attacks and did nothing to prevent this from occurring.** He goes on to say that It is very obvious that this whole thing has been orchestrated by the powers at be, at the highest level of our government and he wants the world to know about it.
- **They are using terrorism as an excuse to take away our constitutional rights** and civil liberties, murdering thousands of innocent Americans. 9/11 was all orchestrated. The Twin Towers and building 7 were imploded. The planes did not bring the buildings down. They were imploded deliberately.
- **In the Oklahoma city bombing** they recovered a bomb inside the building that did not go off and it was made by the U.S. Army. This was another U.S. Government terrorist attack against Americans on U.S. soil.
- **As a private investigator when he retired from the FBI** he took on the Jeffrey Robert MacDonald case who was an American medical doctor and United States Army captain who was convicted in **August 1979** of murdering his pregnant wife and two daughters in February 1970 while serving as an Army Special Forces physician.
- **During his investigations into the MacDonald case** he received a signed confession from Helena Stoeckley stating that Jeffrey MacDonald did not do it, that it was her Satanic cult group that committed these murders. The courts ignored the confession from her.
- **Helena Stoeckley went on to confess that this was a large scale drug operation that was being covered up.** They were flying drugs in plastic bags in the body cavities of the dead GI's coming out of Southeast Asia. There were military Generals involved, other military personnel officers, Police Officers and investigators for the Army.
- **He also worked the Franklin Coverup Case** involving illegal Government drug operations and Satanic cults. They were taking children out of orphanages and foster homes privately flying them to Washington DC for sex orgies with U.S. Congressmen and Senators. This was filmed and pictures were taken for blackmail control.
- **Through his investigation of the Franklin case** it led him to a Washington DC organization called "The Finders" which is a CIA covert operation for kidnapping children and trafficking them internationally around the world.
- **The children are used for body parts, satanic ceremonies, human sacrifices and sex slaves.** In 1997 he received a tip from an airline employee that 210 children flew out of Denver to New York and then to Paris. The airline employee asked the female adult and two male adults who were with the children, who are these kids? The woman said "Child Protective Services, mind your own business." The employee disappeared.

- **Some of these children are auctioned off and sold for up to \$50,000 dollars each,** their ages are between 2 years old and 21 years old. This was all reported to the United States Customs and is on record with them, but nothing is being done about it. It is all being covered up.
- **We are at war, a war against evil. They have deceived us,** they have terrorized us. They have murdered us and they have raped innocent children. They must be destroyed or imprisoned. They are the Committee of 300 and all their puppets installed around the world at the highest level in our society.

K. Mon. 7 July 2025: THE FINAL COVER-UP FAILED — THE EPSTEIN CLIENT LIST EXISTS, AND IT'S COMING OUT ...QFS on Telegram

- **On July 7, 2025, the Department of Justice attempted to close the book on Jeffrey Epstein** with a carefully worded memo that claimed “there is no client list” and that Epstein acted alone. But the people aren’t buying it — because just months earlier, Trump-appointed Special Counsel Pam Bondi confirmed that a full truckload of Epstein files was delivered to her office from New York. Thousands of documents, hours of video, and direct evidence of blackmail. The DOJ is not denying it. They’re erasing it.
- **This isn’t just another scandal. It’s the collapse of the global blackmail infrastructure** that held the world hostage. Epstein’s island wasn’t a party spot — it was a ritual site used to compromise world leaders. From Clinton to Gates to royals and CEOs, the names are already known. The flight logs are public. What they’re hiding is the footage, the transactions, the decrypted communications — all of which are confirmed to be inside the files delivered to Bondi. And now, in the middle of that exposure, the DOJ wants to pretend none of it exists.
- **Why? Because if the list goes public, the global elite system burns.** These weren’t just crimes — they were rituals of control, binding together politicians, judges, bankers, and media moguls through silence and fear. That’s why the DOJ rushed to issue a fake conclusion. That’s why the media is silent. And that’s why Soros-backed prosecutors, Obama holdovers, and embedded CIA agents inside DOJ are now in open sabotage mode. It’s internal warfare — between Trump’s justice machine and the crumbling Deep State that once ruled unopposed.
- **But the genie is already out.** Bondi’s statement is on record. The files are in motion. The public knows. And President Trump has already triggered the review process under Executive Order 2771. What the DOJ tried to bury on July 7 will come back with fire. Every erased name, every corrupted judge, every compromised billionaire — they’re on that list. And it’s no longer a matter of if it drops. It’s a matter of when.

L. HILLARY CLINTON'S STATE DEPARTMENT PROTECTED OFFICIALS ENGAGED IN ROUTINELY SOLICITING SEXUAL ACTIVITIES WITH MINOR CHILDREN.

- **The ambassador who came under investigation** "routinely ditched his protective security detail in order to solicit sexual favors from both prostitutes and minor children," according to documents obtained by NBC News.
- **The alleged misconduct took place** during former Secretary of State Hillary Clinton's tenure, according to the documents, which also say those activities may not have been properly looked into to purposely protect select individuals from prosecution.
- **Top state department officials directed investigators** to "cease the investigation" into the ambassador's conduct, according to the memo.
- **Cease an investigation of people who are sexually abusing children.** These are the people running our government ladies and gentleman.
- **A state department spokesperson** would not confirm the specific investigations, but told NBC News "the notion that we would not vigorously pursue criminal misconduct in a case, in any case, is preposterous." Even though they didn't until someone blew the whistle on them.
- **Former State Department investigator Aurelia Fedenisn** has said that investigators dropped the ball in the case, and that a final report published in March of this year was "watered down," according to her attorney. "She felt it was important that Congress get this information," Fedenisn's lawyer Cary Schulman told NBC News. Any case involving the abuse of children should be priority.
- **State Department spokeswoman Jen Psaki** said that the department "would never condone" improper influence on its investigators. "Any case we would take seriously and we would investigate, and that's exactly what we're doing." But not until they got caught protecting the individuals first.
- **A senior State Department official** also disputed the notion that any investigations had been squashed, saying: "You know there's a lot of conflated information on cases occasionally. I can tell you that not everybody walking in Central Park is out there looking for prostitutes or hook ups."
- **Chairman of the House Foreign Affairs Committee Rep. Ed Royce** meanwhile said that he would ask his staff to look into the allege misconduct.
- **"I am appalled not only at the reported misconduct itself,** but at the reported interference in the investigations of the misconduct," Royce said. "The notion that any or all of the cases contained in news reports would not be investigated thoroughly by the department is unthinkable."
- **How many more cases, lies, corruption, and crimes are there that these people have gotten away with?** When you start protecting people who sexually abuse children, that should be the final straw for any level headed human being. Every single one of these people belong in prison. Anyone who doesn't protect or hurts children should be behind bars. Period.

- **The war on your body was never declared — it was disguised as dinner.** Newly leaked FDA files confirm what patriots have warned for decades: you've been poisoned, not by accident, but by design. For over 40 years, toxic lipid compounds called ceramides have been deliberately inserted into your food supply — processed snacks, seed oils, cereals, even bottled water — turning your meals into biochemical weapons. The goal wasn't health. It was control. They made you fat, sick, tired, and dependent. And the FDA knew.
- **Ceramides are not "fat." They're engineered molecules that hijack your metabolism from the inside out.** Once ingested, they flood your liver, heart, and pancreas, locking your body into survival mode. You gain weight even when eating clean. You feel hungry, exhausted, inflamed. You store everything and burn nothing. The result? A population too weak to fight back. Obesity. Diabetes. Infertility. Depression. The collapse was manufactured — and the profits flowed straight into Big Pharma's pockets. Fauci knew. The CDC knew. And now the files prove it.
- **Trump's return in 2025 shattered the dam.** Internal memos declassified from the USDA and CDC confirm years of collusion with foreign labs — including the Wuhan Institute — to suppress research on food-based metabolic sabotage. NIH grants were used to bury studies linking ceramides to endocrine disruption. "Health" initiatives were weaponized. Every sick American became a long-term subscriber to pills, surgeries, and injections. And all of it masked as public wellness.
- **But there's a counterstrike. Ikaria Lean Belly Juice** was banned, suppressed, and erased — not because it didn't work, but because it did. Packed with nutrients like Fucoxanthin, Panax Ginseng, EGCG, and Milk Thistle, this ancient remedy flushes ceramides from the system and restores metabolic power. Not a gimmick. Not Big Pharma. Just the cure they feared you'd rediscover. Every scoop breaks their chain. Every detox is an act of rebellion. This is not a diet. It's a declaration of war.
- **The food system was rigged. The labels were lies.** The nutritionists were bought. And the damage was never your fault. You were targeted. But now the truth is back on the table. And the choice is clear: keep eating what they feed you — or reclaim your body and burn the poison out. Because they're not done trying to control you. But now you're awake. And that changes everything.

S. Mon. 7 July 2025 Fox, New York Post: TRUMP'S INTELLIGENCE BOARD NAME OBAMA AS RUSSIA COLLUSION MASTERMIND. Trump's recent post highlighted truth and transparency and the truth keeps pointing directly back to Obama as the man behind the curtain, with Clinton by his side.

- **A bombshell new CIA review of the Obama administration's spy agencies' assessment that Russia interfered in the 2016 presidential election to help Donald Trump**

was deliberately corrupted by our own CIA and FBI to frame a sitting president of treason.

- **Then-CIA Director John Brennan, FBI Director James Comey**, who was in charge of the Epstein case and whose daughter is also lead prosecutor of the disastrous Diddy case, and Director of National Intelligence, James Clapper.
- **Further, Brennan's decision to include the discredited Steele dossier**, over the objections of the CIA's most senior Russia experts, "undermined the credibility" of the assessment and point to an obvious political motive, just like everything else they attempt to pin on Trump and his administration.
- **The "Tradecraft Review of the 2016 Intelligence Community Assessment [ICA]** on Russian Election Interference" was conducted by career professionals at the CIA's Directorate of Analysis and was commissioned by CIA Director John Ratcliffe in May.
- **Obama, Hillary, Brennan and Comey** tried to frame a sitting president for treason on a completely fabricated report, evidence, and falsified testimonies from our own CIA intelligence agencies and our own FBI.
- **What does this tell you?** Do you understand what Trump is really up against? We haven't even gotten to the judges and the media yet, or the death threats and the amount of corruption in our court system. And you wonder why big arrests are taking so long.
- **Trump's intelligence board stated** that he wants all of the corruption and it's players completely cleaned out, and that's what his administration is doing, as Kash and Bongino are leading the clean-up crew in the newly discovered documents that were recently found. We are still only about 6 months into this administration.
- **It's time to start sending these traitors to prison.** The people demand it and will never fully trust our government again until we, the people, see accountability with consequences and people in orange jumpsuits behind bars. Period.

Mon. 7 July 2025: POST-FLASH: OPERATIONS START. ...Gesara Nesara QFS on Telegram

- At dawn (**of what day, month, year?**), the silence was broken. The system (what system?) is up and running, the grid is ours (**grid of what?**), and we've crossed the line together. There will be no improvisation after this. Say every word.
- **FRIDAY, JULY 25 — RAINBOW SURGE 00:01 UTC** The Rainbow liquidity (**are you talking about the new currency?**) valve opens when the rate is 17% (**rate of what?**). Wallets (**what is a wallet?**) light up with an amber glow—this is the first wave of micro-credits (**what is a micro credit?**). If your balance (**my balance of what? Money balance?**) flashes and resets, just wait: the algorithm is adjusting to your biometric rate (**What is a biometric rate? How does that apply to me?**). Any manual

refresh (**what is a manual refresh?**) will stop the credit stream for 24 hours (what is a credit stream?).

- The USTN-Au hash goes to 0x-A991 at 02:30 UTC (**what is a Au hash 0x-A991? Why do I care?**). Take a screenshot, print it out, and laminate it. This is the new transaction lifeline until Sovereign Ledger is done. If an app can't mirror it by 03:00 UTC, it's an old shell. Delete it right away (**this sentence makes no sense at all**).
- At 19:00 local time (**What local time?**), Starlink beacons send out two white-white-red pulses. That's your cue: the markets close, the Rainbow goes up 4%, and the fiat positions die. No rescue codes—let the dead float. (**What does this sentence mean?**)
- **SATURDAY, JULY 26—RECLAMATION DAY:** Civil registries open at dawn (**what is a Civil registry?**). Go to your local Common-Law Grand Jury post, which is listed on Starlink ticker row 3 (**I have no idea what you are talking about**).
- **Take:** EBS affidavit printed page 1. (**what is a EBS Affidavit?**), Proof of where you live and two witnesses who are willing to sign in ink (**sign what?**).
- **Result:** confirmation of the land patent (**what land patent? Why do I care?**), removal of the lien, and live entry into the Sovereign Ledger (**Who? What? Where? Why?**). If you skip the line (**a line of what?**), you'll have to wait 90 days. It's up to you.
- **At 13:00 UTC, Med-Bed Phase-2 turns green.** Triage QR codes automatically download to wallets that are marked as "priority." Go if you see the QR. If not, wait for Phase 3. No overrides from the back door. (**Again, what in the heck are you talking about?**)
- **SUNDAY, JULY 27—THE GREAT RESETTLEMENT** Builder Credits open up to their full value (**What are builder credits?**). Look for the turquoise flash in your wallet (what's a wallet?) and spend it within 72 hours (why?). On August 1, any money that is not being used will go to community councils. ...

U. Mon. 7 July 2025: MANDATE COLLAPSE: 1,700 UNVACCINATED WORKERS REINSTATED — COURT DECLARES MANDATES ILLEGAL ... Julian Assange on Telegram

- **It's official. The New York Supreme Court has ruled that vaccine mandates were unlawful,** reinstating over 1,700 fired workers and ordering full backpay. Cops, firefighters, nurses, teachers — terminated for refusing the shot — now vindicated in a legal decision that shatters the entire foundation of the COVID-era coercion. The court didn't just reverse policy. It exposed a lie. A lie that destroyed lives, careers, and constitutional rights — all in the name of "public health."
- **The ruling calls the mandates "arbitrary and capricious."** Translation: there was no science. No logic. No legal basis. Just political theater enforced with iron fists. These men and women — once frontline heroes — were thrown into unemployment, mocked, erased, and treated as threats. Now the law says what millions already knew: the shot never stopped transmission. The entire justification for mandates is gone. Not conspiracy — courtroom fact.

- **This isn't just a win. It's a reckoning.** For two years, dissent was punished while compliance was worshipped. Workers were forced to choose between bodily autonomy and survival. Now, the court affirms: there was no protection, no benefit, no excuse. And as the first domino falls, lawsuits are coming. Civil actions. Class cases. Criminal accountability. Because a paycheck won't erase the years lost — the trauma, the foreclosures, the broken families. Backpay is justice's floor, not its ceiling.
- **And where is the media now? Silent.** The same anchors who demonized the unvaccinated now ignore the ruling that confirms their entire narrative was false. No retractions. No apologies. No headlines. Just guilt and retreat. The same medical "experts" who swore the shot would protect others now vanish when the court declares it didn't. The system lied. The media cheered. And the people suffered.

V. Mon. 7 July 2025: PELOSI EXPOSED: \$10M APPLE STOCK DUMP — WHISTLEBLOWER UNLEASHES FINANCIAL NUKE ON CONGRESS ...Kerry Cassidy on Telegram

- **While you were grinding to survive, Nancy Pelosi** was cashing out \$10M in Apple stock—on New Year's Eve, right before tech tanked. Perfect timing? No. It was insider intel. It was theft.
- **A former JP Morgan VP just blew the whistle.** Congress isn't "investing." They're running the most successful criminal investment firm in U.S. history. With zero risk. With your stolen future.
- **Pelosi's dump was no fluke.** While the nation toasted the New Year, she liquidated her entire Apple position at the peak. Then the market crashed. You lost. She didn't. Because she knew.
- **She didn't predict the top — she helped manufacture it.** And then cashed out while Americans rang in another year of inflation, layoffs, and collapse.
- **Now whistleblower Ross Given** has named names, exposed the trades, and laid bare the racket. With 20 years at JP Morgan, he tracked patterns that no hedge fund could match — except one: Congress.
- **Susie Lee? Another rat.** Didn't touch a stock for two years — then suddenly goes all-in on a German weapons manufacturer right before war tensions explode.
- **Return? 161%.** Inside knowledge? 100%.
- **They saw war coming** — not on CNN — but in classified briefings. And they bought blood-soaked stocks while waving the flag.
- **While you pay \$7 for eggs, they're pulling 60%–140% returns** between votes. This isn't a market. It's a Deep State stock exchange.
- **And who's beating Warren Buffett now?** Not Wall Street. Your "representatives." Buffett got 25% last year. Congress? Double. Triple. Quadruple. These aren't financial geniuses. They're political parasites rigging the system from the inside — and walking away clean.
- **The SEC? Complicit.** The DOJ? Cowardly. The media? Bought.
- **They vote on Big Tech laws** — then dump tech stocks. They get briefed on Pentagon contracts — then go long on weapons firms. They see economic chaos coming — and position themselves before the headlines hit.

- **You get scraps.** They get yachts. And when they're caught? They laugh. They "disclose" it in obscure filings — 45 days too late — then pocket the millions. No arrests. No trials. No consequences.
- **This isn't public service.** It's economic treason. Pelosi belongs in a courtroom. Susie Lee belongs in GITMO. And every one of these traders-in-office must face military tribunals.

W. Mon. 7 July 2025: CLASSIFIED: DARPA'S 4TH OF JULY MRNA ATTACK FOILED — 280,000 DEATHS PLANNED ...Carolyn Bessette Kennedy on Telegram

- **Just 36 hours before Independence Day**, a covert DARPA operation to unleash an aerosolized mRNA bioweapon over major U.S. cities was quietly intercepted and dismantled by RFK Jr.'s secret Chemtrails Task Force. The plan: mass genocide disguised as climate intervention. The target: 280,000 lives. The goal: trigger a false flag war and global chaos. This was no drill. This was a scheduled mass-casualty event.
- **Inside the Department of Health and Human Services**, a rogue unit made up of whistleblowers, ex-intel operatives, and rogue scientists uncovered "Project Nebula Z"—a classified DARPA program using aircraft with fake commercial IDs to test bioweapon dispersals over U.S. airspace. Surveillance linked those flights to spikes in unexplained respiratory illness across three states.
- **The planned release would've taken place during July 4th celebrations in NYC, LA, Dallas, and Atlanta**—camouflaged by fireworks, smoke, and media noise. But behind the scenes, this was a countdown to mass death, and the public was never supposed to know.

Recovered from the raided Utah facility:

- Sealed biocanisters labeled "Aerosol v3 (Lyra Variant)"
- Military flight plans
- AI-modeled casualty graphs
- Fake media briefings blaming Iran
- **This was DARPA's "death cloud"**—a weaponized mRNA formula built for silent extermination. No injection. No warning. Just one pass of an aircraft, and you inhale it. Symptoms would mimic a respiratory virus, but the genetic modification would be irreversible. Organs fail weeks later. Diagnosis: unknown. Cause: denied. Result: controlled collapse.
- **The technology used nano-carriers** to bypass immunity and rewrite your DNA before you even knew you were exposed. The lie was ready. Blame was to fall on Iran, with "Operation Reprisal Dawn" already locked and loaded—planned bombings, fake missile footage, embedded psy-ops in major newsrooms. But someone got there first.

- **The military, RFK's shadow network, and insiders within the intelligence community stopped it.** Quietly. Efficiently. Without headlines. And yet—no arrests. No hearings. No accountability. Just silence.
- **This wasn't about public health.** It was about total control. Invisible war. Weaponized air. Silent genocide. The sky was ready to kill. But the world woke up just in time.

Za. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

- **The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/unconfirmed deceased; 4,000+ people originally dislocated, 3,100 still displaced over a year later.

Zb. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Zd. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.

Zg. SCAM WARNINGS: The QFS is not available yet. Block, Report and Delete anyone who says otherwise. As I understand it every human already has a Free QFS account tied to their national ID. Once the full system activates, you’ll receive instructions on how to access it for free. That has not happened yet. Do not respond to advertisements saying otherwise, as it would likely be a Scam.

If you see the following message on your Telegram or any other account, please realize it was likely a Scam:
“You’ve been selected for early access to activate your QFS Card—a symbol of unity and financial empowerment. Due to overwhelming demand, we’re offering this exclusive opportunity to activate your card and unlock your reserved benefits immediately. Your QFS Card is verified, and your funds are ready for release!”

Apparently the TRB so-called “Trump Gold Products” Scam is still alive and well on the Internet. Initially I received well over 400 email complaints on the matter before I had to cut them off. Recently I checked into it again.

Now they are promising that you can still cash in your TRB products by setting up a Quantum Account with them (where they will claim you have over 40 million \$ in your account). Only after you have given them your personal information, plus paid them thousands of dollars more – they will then promise to release the monies to you – which they never do. At least, no one has proven to me that they have ever received monies from investing in TRB products.

I understand there are several investigations open with local police and the FBI on this very sophisticated TRB Products Scam. Please forward any and all complaints, or information, to Alan Garten, General Counsel to the Trump Organization. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Unknown persons using my legal name of Judy Byington were inviting people to sign up for the Quantum Financial System Accounts and Med Bed treatments, plus asking for monies to do so. I know nothing of this and it appeared to be a scam. If someone contacted you or wrote on Telegram saying they were Judy Byington, know that it was not me. Do not give them personal information, nor monies. It was my understanding that signing up for an account on the Quantum Financial System would be free, as would the Med Bed treatments – and none of that has occurred yet. ...Judy Byington
