LA and New York Times Publish Kirk Murder Details A Day *Before* The Assassination

“If you believe in something, you need to have the courage to fight for those ideas – not run away from them, or try and silence them.” ...Charlie Kirk

Judy Note: On Wed. 10 Sept. 2025 Charlie Kirk, founder of Turning Point USA and popular conservative podcast host, was shot and killed. At the time he was seated under a tent, speaking to an outdoor audience of around 3,000 Utah Valley University student fans (only a handful of leftists) as part of his American Comeback Tour.

Strangely, a day before the Charlie Kirk assassination on Tues. 9 Sept. 2025, a book titled “The Shooting of Charlie Kirk: A Comprehensive Account of the Utah Valley University Attack, the Aftermath, and America’s Response,” appeared on Amazon Books on the Internet with a publication date of that same **Tues. 9 Sept. 2025 – a day before the assassination took place.**

Author Anastasia J. Casey was unknown in the literary world and there was no evidence that the ghost writer even existed. The book was not only miraculously written, but advertised as published at least a full 24 hours before the attack it describes even took place. It was quickly taken down from Amazon, though screenshots of it remained as evidence.

Another strange occurrence: On that same Tues. 9 Sept. 2025 both the LA Times and New York Times ran stories about the Charlie Kirk Assassination. The only problem: It didn’t happen until the next day on **Wed. 10 Sept. 2025.**

On Wed. 10 Sept. 2025 around 12:24 at Utah Valley University (UVU) in Utah County Utah, a student in the outdoor crowd of around 3,000 shouted, “There’s somebody on the roof right there (Loose Center Building). He just ran from over there, ran in, now he’s right there.”

At that same time the apparent shooter appeared on the roof of the Loosee Center Building, two of Kirk’s bodyguards standing behind him while he was speaking were making hand signals, which video footage showed was to the shooter on the roof.

Moments later at approximately 12:24 pm, Kirk was fatally shot while answering a question about mass shootings. Video taken close to the stage showed him slumping in his chair as blood poured from his neck. His security team, including the two bodyguards who appeared to be signaling to the possible shooter, rushed to his side and immediately carried him to an ambulance off campus.

An eyewitness said the shot that took the life of Charlie Kirk was fired right after he was asked about trans violence, as if it were coordinated. He believes it wasn’t just one person acting alone, but several people working together. He also claims that someone in the crowd confessed to the shooting right after it happened, even though they didn’t have a weapon.

A clip, filmed from inside a nearby building, captured the panic of the over 3,000 people who had gathered for Kirk’s event. As the single gunshot rang out, the crowd dropped for cover. Above them, the shadowy figure appeared to move quickly across the rooftop of Loosee Center

UVU building. Surveillance video shows the suspect jumping off the building and fleeing the area on foot.

ATF and other law-enforcement later located an older model imported Mauser .30-06 caliber bolt action rifle wrapped in a towel in a wooded area near the campus. The location of the firearm appears to match the suspect's route of travel. The spent cartridge was still chambered in addition to three unspent rounds at the top fed magazine. All cartridges have engraved wording on them, expressing transgender and anti-fascist ideology.

By Fri. 12 Sept. 2025 authorities confirmed the Charlie Kirk shooter as Michael Mallinson, a registered Democrat in Utah. Although, not all agreed with the quick investigation results.

“A local law enforcement officer with inside knowledge said that Charlie's assassination was faked at the highest levels. There were credible threats against him and his family. They got proactive and faked his death. The whole family is going into a Witness Protection Program. This whole thing seemed too planned, even the investigation. Since when do all the pieces in an investigation as big as this fall into place so easily?” ...Phil Godlewski

Meanwhile back on Tues. 10 Sept. around 15 min. after the shooting and at a small Provo Utah Airport – that was a five min. drive from UVU – a private plane quietly left without registering their flight path with Air Control.

A. Thurs. 11 Sept. 2025: [Mysterious Book on Charlie Kirk Shooting Surfaces a Day Before the Attack](#)

- **In a twist that seems pulled from a science fiction thriller**, the investigation into the assassination of political commentator Charlie Kirk has been upstaged by a bizarre digital

mystery. A book describing the tragedy surfaced online with a listed publication date a day before the shooting, sparking a storm of speculation on social media and casting doubt on its origins.

- **What Exactly Was This Book?** The book, titled “The Shooting of Charlie Kirk: A Comprehensive Account of the Utah Valley University Attack, the Aftermath, and America’s Response,” appeared briefly on Amazon. Its cover, author name (Anastasia J. Casey), and detailed description were captured in screenshots that continue to circulate widely on platforms like X (formerly Twitter). The listing promised a full account of the attack, its aftermath, and the national reaction—a comprehensive timeline of events that, by the book’s own stated timeline, had not yet fully unfolded.
- **Why is the Date So Alarming?** What fuels the intrigue is a single detail—the book’s release date was marked as September 9, 2025. Charlie Kirk was shot on September 10, 2025. This means the book, purporting to be a “comprehensive account” of the shooting and its consequences, was allegedly published a full 24 hours before the attack it describes even took place. This impossible chronology has become the focal point for intense online scrutiny and conspiracy theories.
- **Who is the Author Behind This?** The book was attributed to an author named Anastasia J. Casey. However, this name appears to be a complete ghost in the literary and journalistic world. There are no public records, prior works, or online traces of an author by this name, making the mystery even more suspicious and intriguing. Is it a pseudonym? A hoax? The question of “Who is Anastasia J. Casey?” is now central to the puzzle.
- **Has the Book Been Removed?** Yes. The Amazon listing was quickly taken down, but as is common in the digital age, its existence was preserved through screenshots. The removal has done little to quell the speculation; if anything, it has amplified it. Short appearances followed by abrupt disappearances are common in hoaxes and intentional trolling that aims to generate as much confusion and attention as possible.

B. Thurs. 11 Sept. 2025 Joe Rogan EXCLUSIVE: This morning my team received an e-mail from officer at ATF.

- **The email included a screen shot** from what appears to be an internal message describing a weapon and cartridges located by an ATF and other law enforcement near the scene of the Charlie Kirk shooting at Utah Valley State University.
- **"On September 10, 2025, at approximately 12:24PM,** Conservative political influencer Charlie Kirk was shot and killed at the Utah Valley University in Orem, UT. Mr. Kirk was speaking at the University as part of the American Comeback Tour.
- **Multiple SLC I and III agents responded immediately.** The suspect fired one shot from an elevated position on a rooftop in an adjacent building on the campus and surveillance video shows the suspect, jumping off and fleeing the area on foot.
- **ATF and other law-enforcement located** an older model imported Mauser .30-06 caliber bolt action rifle wrapped in a towel in a wooded area near the campus. The

location of the firearm appears to match the suspects route of travel. The spent cartridge was still chambered in addition to three unspent rounds at the top fed magazine.

- **All cartridges had engraved wording** on them, expressing transgender and anti-fascist ideology. An emergency trace has been submitted an ATF SLC is working leads generated by the trace.
- **The firearm and ammunition have been taken by the FBI** for DNA analysis and fingerprint impressions. Upon completion of forensics, the firearm will be disassembled for additional importer information.
- **Multiple people of interest having contacted** or detained because of eyewitness testimony and review of video footage. The primary suspect is yet to be identified. ATF is assisting the investigation with multiple other federal, state and local partners and the case is co-led by the FBI and Utah SBI."

G. Thurs. 11 Sept. 2025 INTEL REPORT: TIER 4B CONFIRMED — SEPTEMBER 8, 2025 ...Edward Snowden

- **Tier 4B CONFIRMED:** Iraqi dinar and Vietnamese dong revaluation launched Mon. 8 Sept 2025. A historic wealth redistribution that empowers everyday people and breaks the grip of global manipulators.
- **THE GREEN LIGHT** After years of delays and whispers, Tier 4B is officially activated. The systems are ready, switches armed, and the world is bracing for an economic shockwave. What was once dismissed as rumor now stands as reality: justice is being unleashed through financial revaluation.

- **SEPTEMBER 8, 2025** This date was chosen for precision. It aligns with fiscal calendars, legal frameworks, and government cycles. The launch is not symbolic — it is synchronized to maximize legitimacy. History will mark Sept 8 as the day the balance of power shifted back to the people.
- **IRAQ AND VIETNAM RISE** Both nations carried undervalued currencies for decades due to war, sanctions, and manipulations. Their true strength was hidden by elites. Now the revaluation restores what was stolen, elevating them to rightful standing in the global order.
- **BANKS ARE READY** Major banks have completed final testing. Private exchanges have received instructions. No more speculation — this is not theory. It is locked, loaded, operational.
- **JUSTICE THROUGH REVALUATION** The dinar and dong were shackled by fraud that robbed entire nations. This revaluation corrects the injustice, ending artificial poverty imposed by central banks and global cartels.
- **TIER 4B: THE PEOPLE'S TURN** For once, it is not Wall Street first at the table — it is ordinary people. Men and women who held on through ridicule now hold the keys to an economic revolution. Wealth flows not to the elite, but to the masses.
- **MARKETS SIGNAL CHANGE** Forex and commodities already tremble. Volatility is spiking. Traders whisper what insiders know: the world is adjusting to the new reality.
- **THE WARNING** Where wealth flows, predators gather. Scams will attempt to steal from the people. Vigilance is required. Protect what is coming.
- **GENERATIONAL CHANGE** This is not about quick profit — it is about breaking cycles of scarcity. Families will secure homes, healthcare, and futures. Communities will rise as new wealth fuels businesses, schools, and renewal.
- **THE VICTORY OF PATIENCE** Those who endured years of waiting will soon be vindicated. The skeptics fall silent. The believers rise. September 8, 2025 is not just a date. It is the day the people reclaim what was denied.

H. Thurs. 11 Sept. 2025 The X Files BOMBSHELL: FEDERAL RESERVE ENGULFED IN CORRUPTION, FRAUD, AND ECONOMIC SABOTAGE — TREASURY SECRETARY BESSENT SHREDS POWELL'S WAR ON THE AMERICAN MIDDLE CLASS

- **Behind the polished speeches and sterile jargon** of the Federal Reserve hides the most destructive cartel in modern America. It prints money out of thin air, manipulates the price of time, and engineers inequality by design. For decades, the Fed has served as the silent weapon of elites, crushing the working class under the weight of inflation and debt.
- **Now, U.S. Treasury Secretary Scott Bessent** has shattered the illusion. In an unprecedented strike, he declared openly what millions already knew: “The Federal Reserve is among the foremost drivers of inequality in America.” This is not a gaffe — it is a kill shot. He accuses Powell's Fed of theft disguised as monetary policy, class

warfare hidden beneath the cover of economic theory. The numbers prove it. Nine trillion dollars printed during the COVID panic, funneled into asset markets controlled by the wealthy. Billionaires doubled their fortunes while food, rent, and mortgages became impossible for ordinary families.

- **The Fed claims independence, but its loyalty is clear:** Wall Street banks, megafunds, Davos insiders — never the American people. Rate hikes and false promises have become economic bullets fired straight at the heart of the middle class. Bessent demands accountability: if the data is catastrophic, why no real cuts? Why protect investors while America bleeds? The hypocrisy is undeniable, and Powell's board is cornered.
- **Trump's America has had enough.** The age of central bank parasitism is over. The people demand that the economy return to Main Street, not remain chained to BlackRock and globalist financiers. Under Trump, the message is clear: purge the Fed, audit its crimes, and rebuild a system that serves the Constitution, not money printers behind the curtain.
- **This is not a financial debate.** It is a national security crisis. The Federal Reserve has lied to the nation, enriched a corrupt elite, and stolen the future from generations yet unborn. With a Trump-appointed Treasury Secretary exposing its rot, the time for illusions is over. The Fed is not broken — it is the enemy. And enemies of the Republic must fall.

M. Native Hawaiian DEW Victims of Maui Hawaii

On Wed. 29 Jan. 2025 an Open Letter was published addressed to President Donald Trump and the US Congress asking them to recognize the Sovereign Nation of the Kingdom of Hawaii.

There was 170,000 metric tons of Gold sitting in the Bank of Hawaii that cannot be used by any government entity until the Kingdom Nation is returned properly to The People.

The request was accompanied by a plea to help the over 3,000 victims of the 2023 Kula and Lahaina Maui Hawaii Fires who remain homeless, many living on beaches since 2023.

N. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. O. "Ken and Barbie vs. Goliath IRS": Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. He was arrested two years ago and has been sitting in prison since.

August 30, 2025 Update:

Exactly 2 years ago I was kidnapped for a "crime" I did not commit. We obeyed the law. The IRS did not. This was the beginning of a nightmare of separation from my wife Barbara, my kids, grandkids and many dear friends.

The good news: I now know for myself what hell is. This is a valuable thing to know and understand.

The better news: Through this adversity, I've come to know my God better than ever before. I glory in God and His tender mercies and kindnesses to me. He has become much more personal to me. I desire that for you too.

The best news: We are right on schedule for a showdown with the IRS at the Supreme Court where their income tax deceit is on a collision course with the truth. Barbara and I have never been against taxes, only against ILLEGAL ones. And we took our stand. If Constitutional taxes were restored, the size of government would shrink back into lawful authority, and thus FREE the American people.

In the meantime: Barbara and I suffer being apart, but see His hand in all things, so we feel to join Paul in proclaiming, "We are troubled on every side, yet not distressed; we are perplexed, but not in despair; persecuted, but not forsaken; cast down, but not destroyed." (2 Cor. 4:8-9)

Despite the jaws of hell gaping open wide, we feel blessed. It could be so much worse. When I remember that the Lord has descended below it all, I am grateful. If we endure our challenges well, it shall be for our good, and we shall be delivered on wings of eagles.

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; for they shall run, and not be weary; and they shall walk and not faint." (Isaiah 40:31)

Believe in MIRACLES!
God bless, Ken and Barbara

P. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024 he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

Jenny Hill and I spent 20 years writing her biography, "22 Faces" to expose our own CIA's horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society. <http://www.youtube.com/watch?v=F626Lsrdwg4>

“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.

When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.

Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings.

“22 Faces” was now re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.

It would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.

The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.
